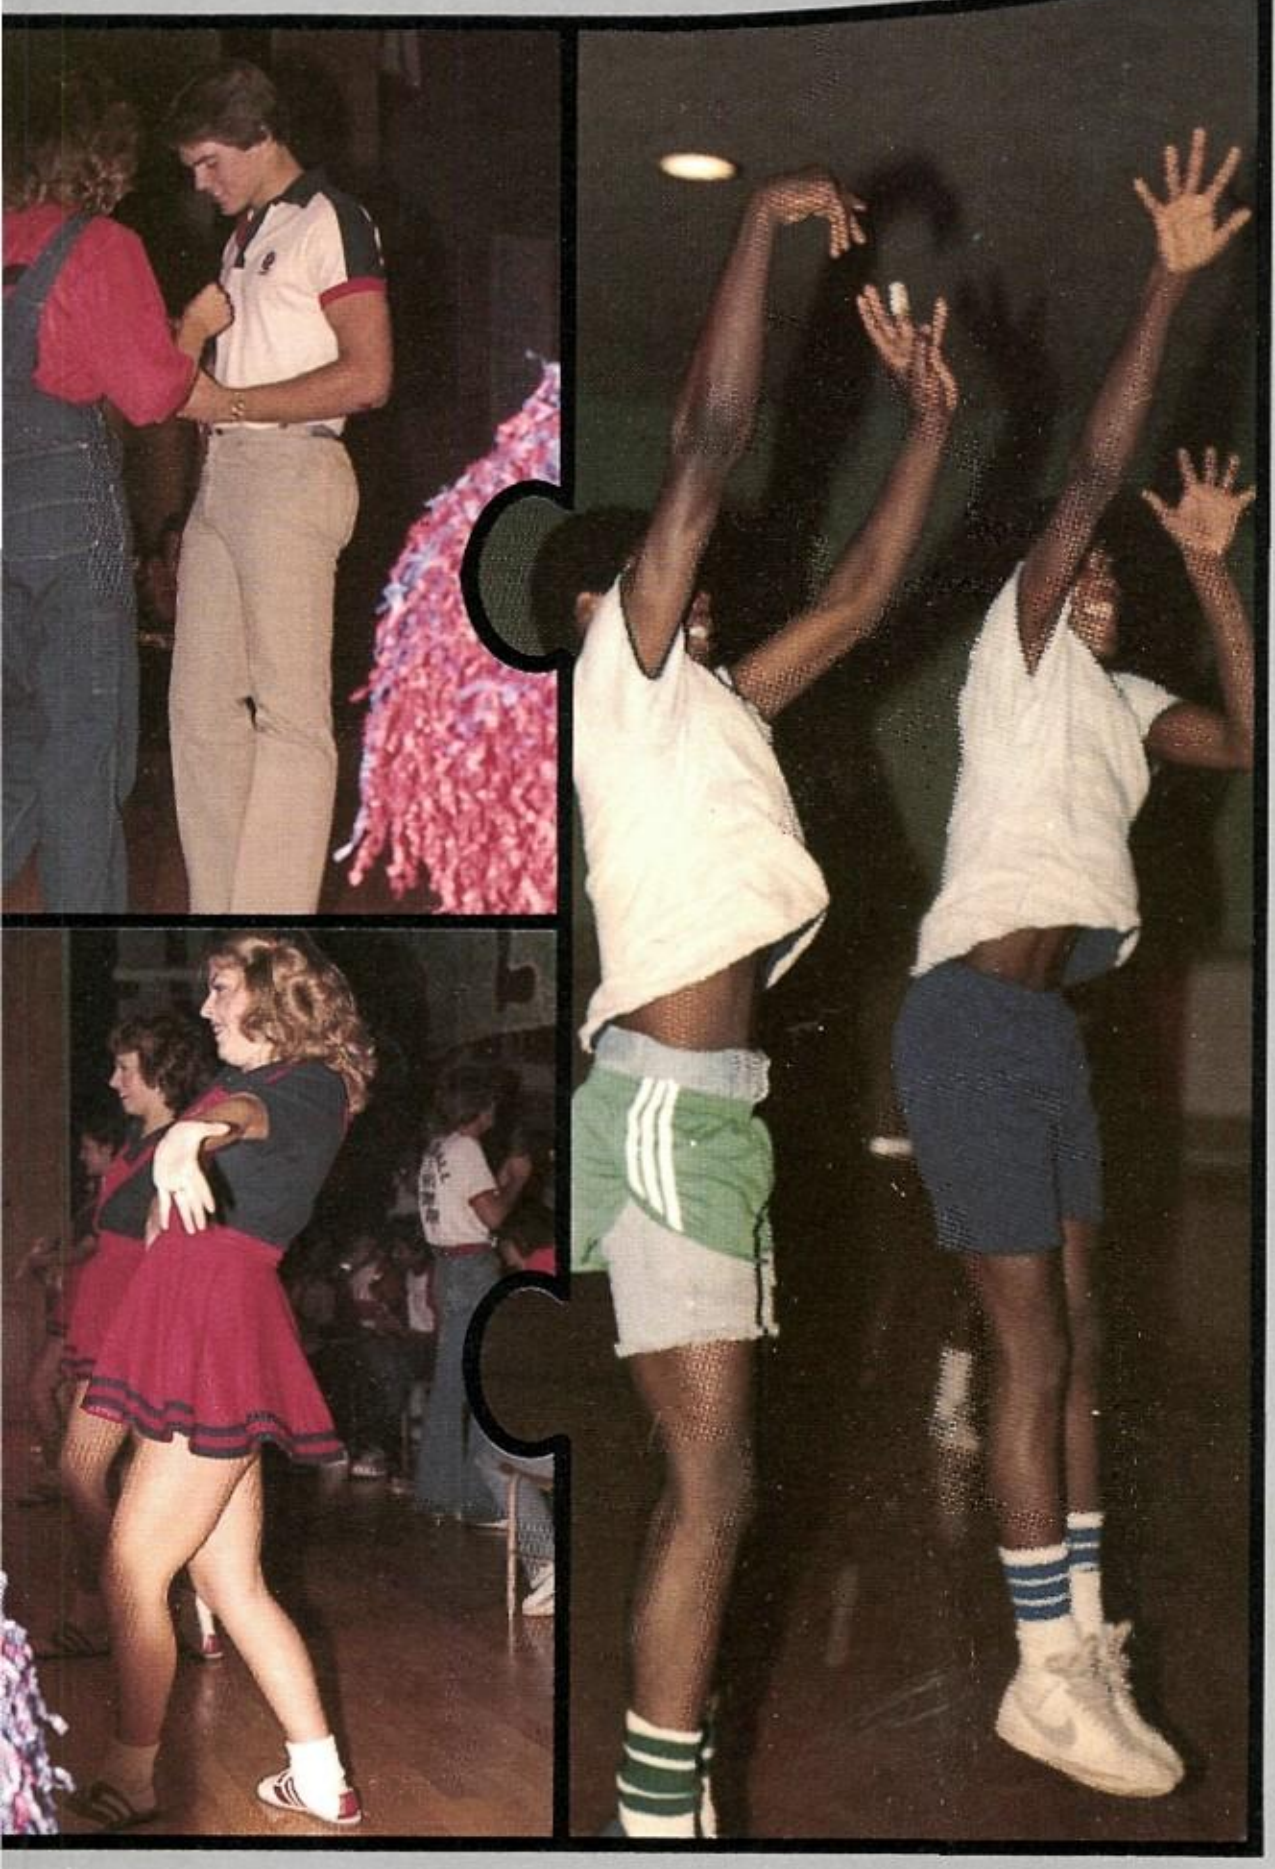
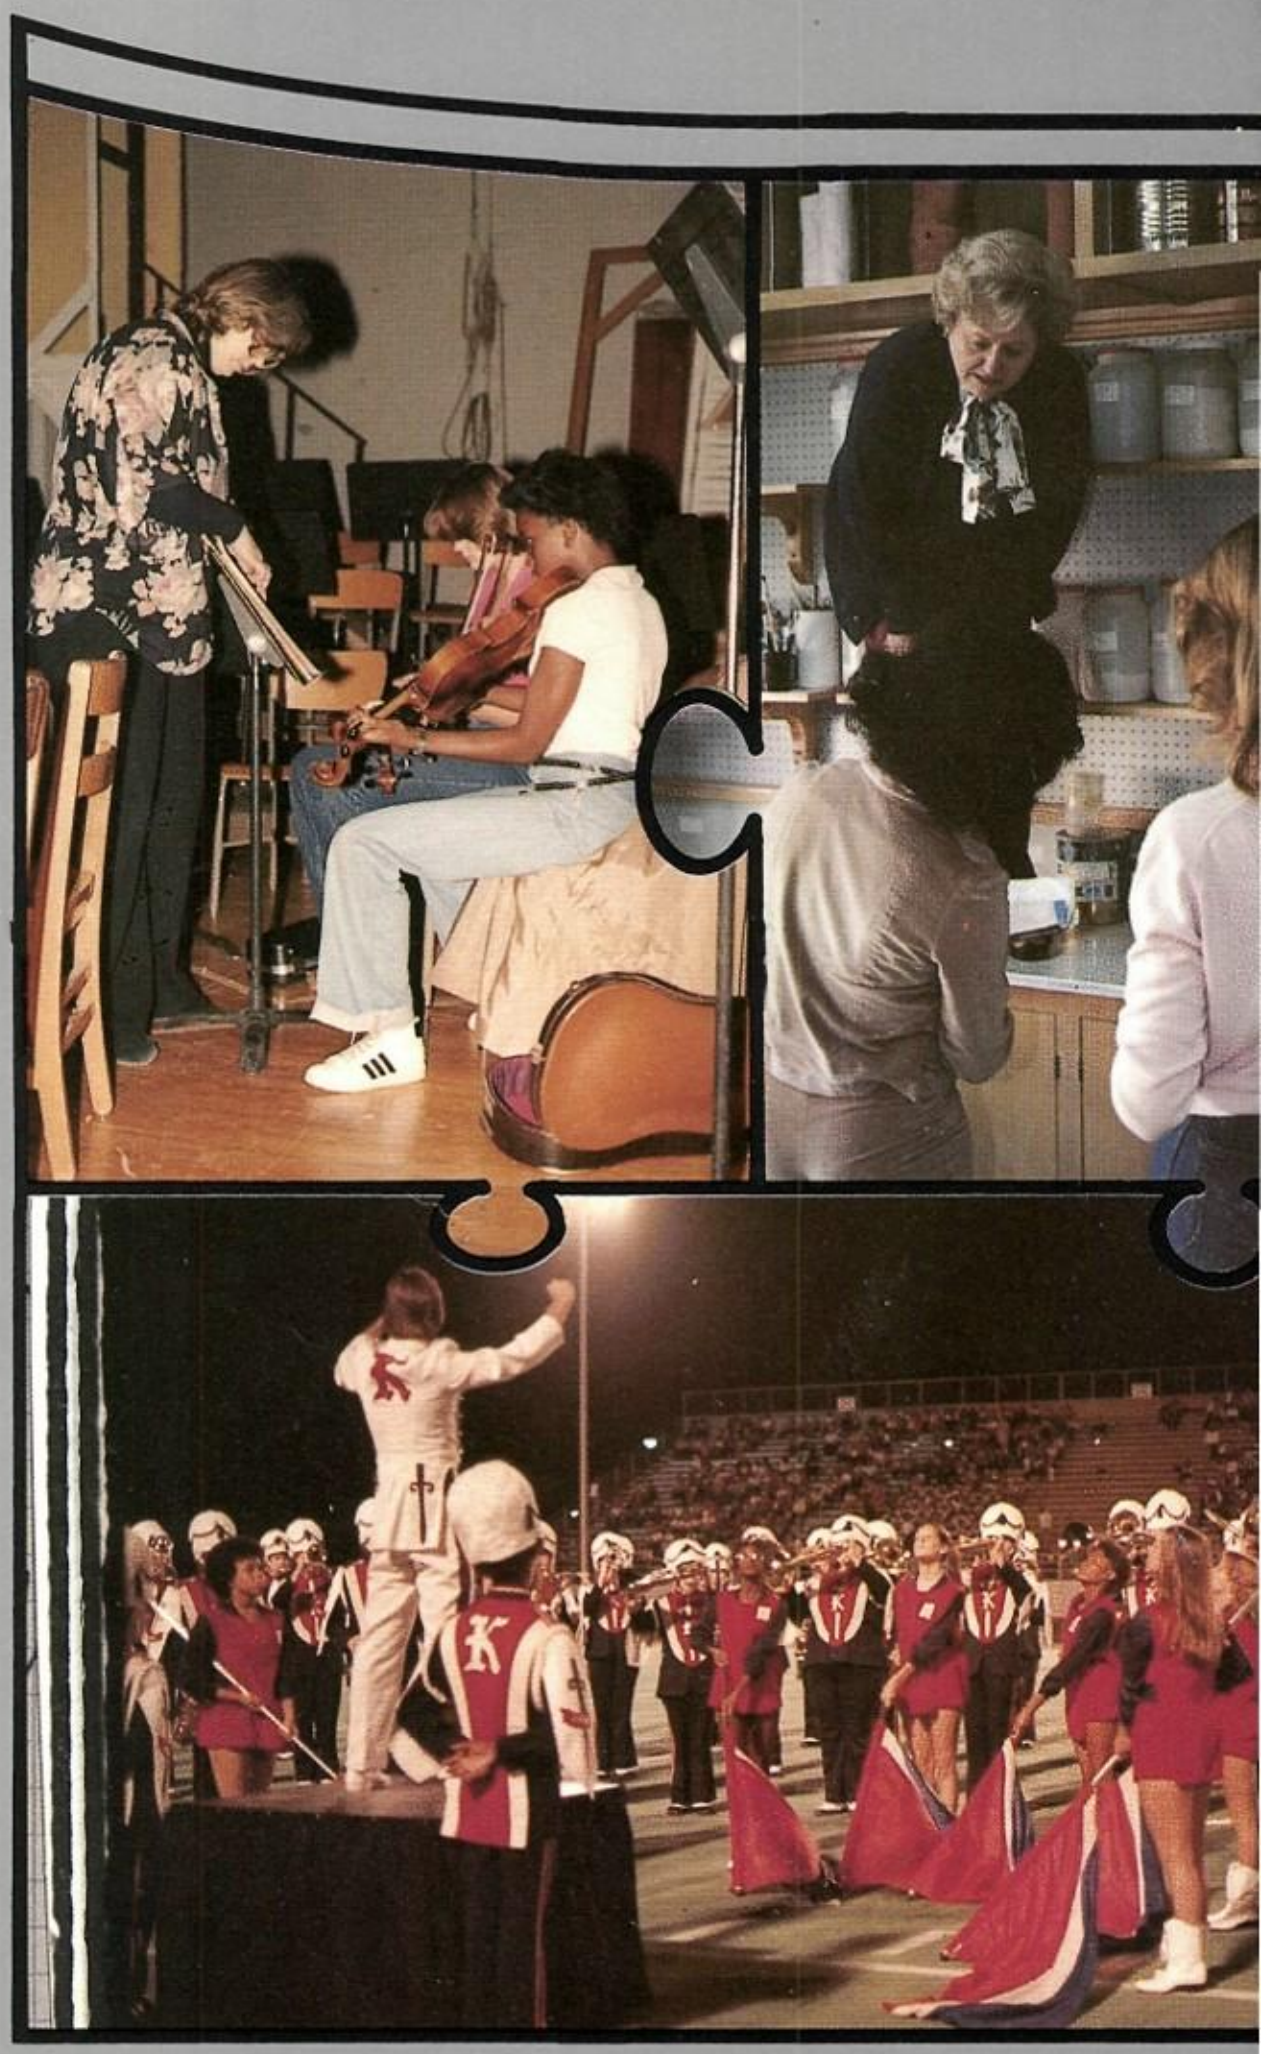
Many things create a winner. There must be organization, determination, dedication and support. The Knights of Kimball High organize themselves to build and support our winners. The spirit of winning together does not stop with the athletes . . .

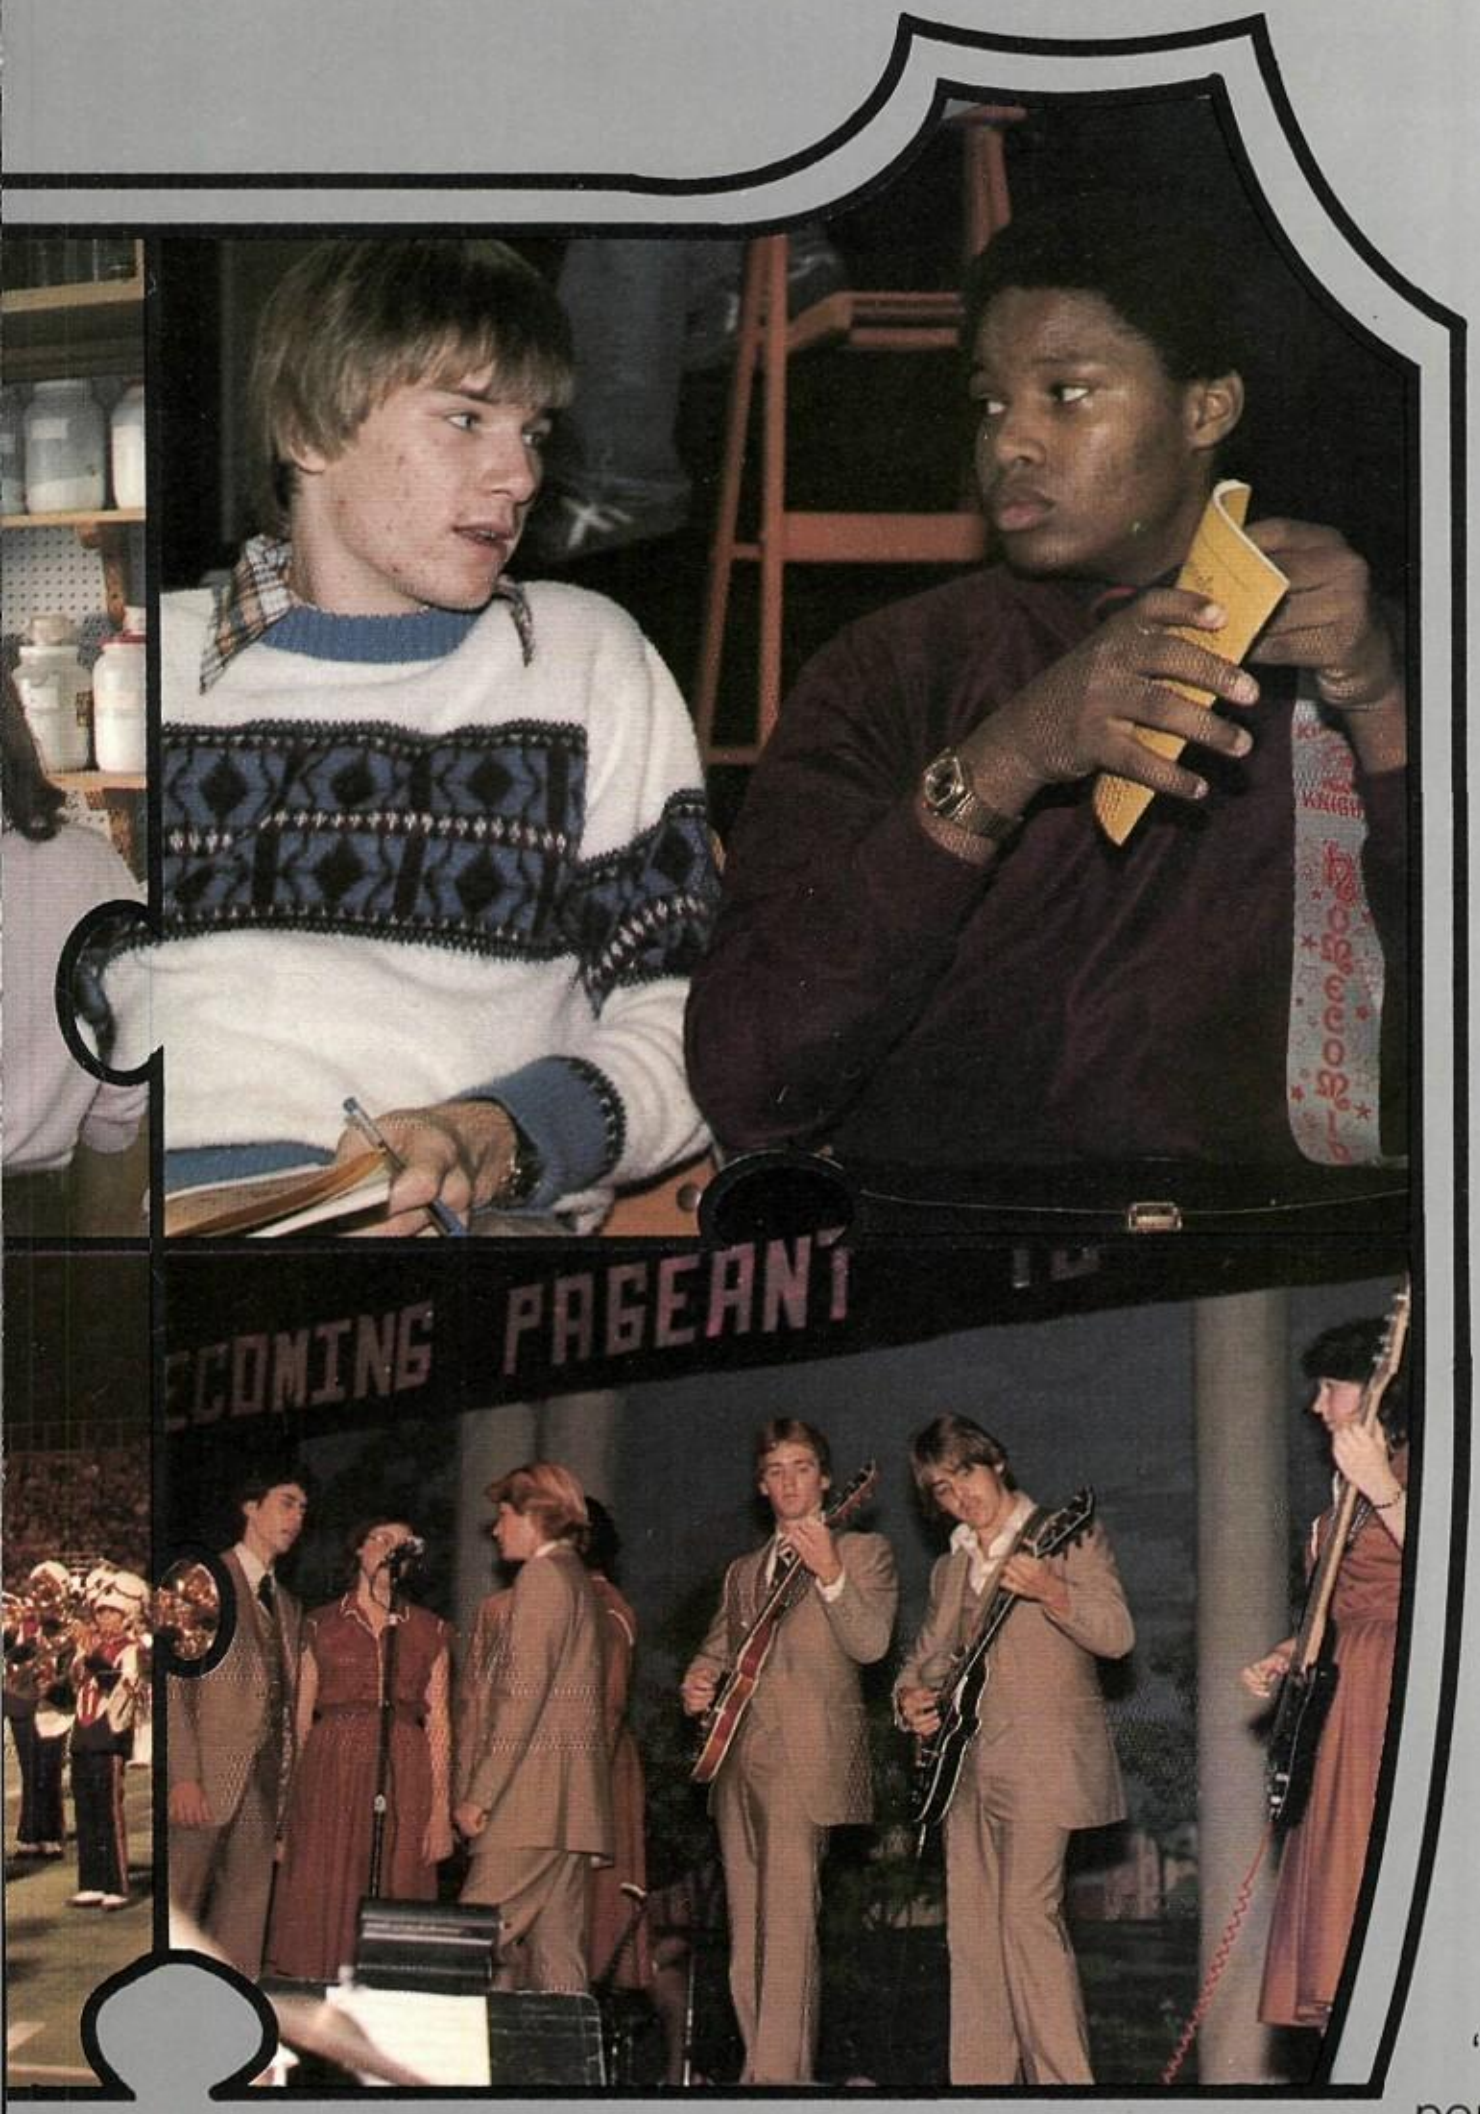


"To accomplish great things we must not only act but also dream, not only plan but believe."

— Anatole France

. . . We go on to build each other's character also. We plan, practice and perform amazing works of art. The students and faculty work to enhance each other's talents as well as . . .

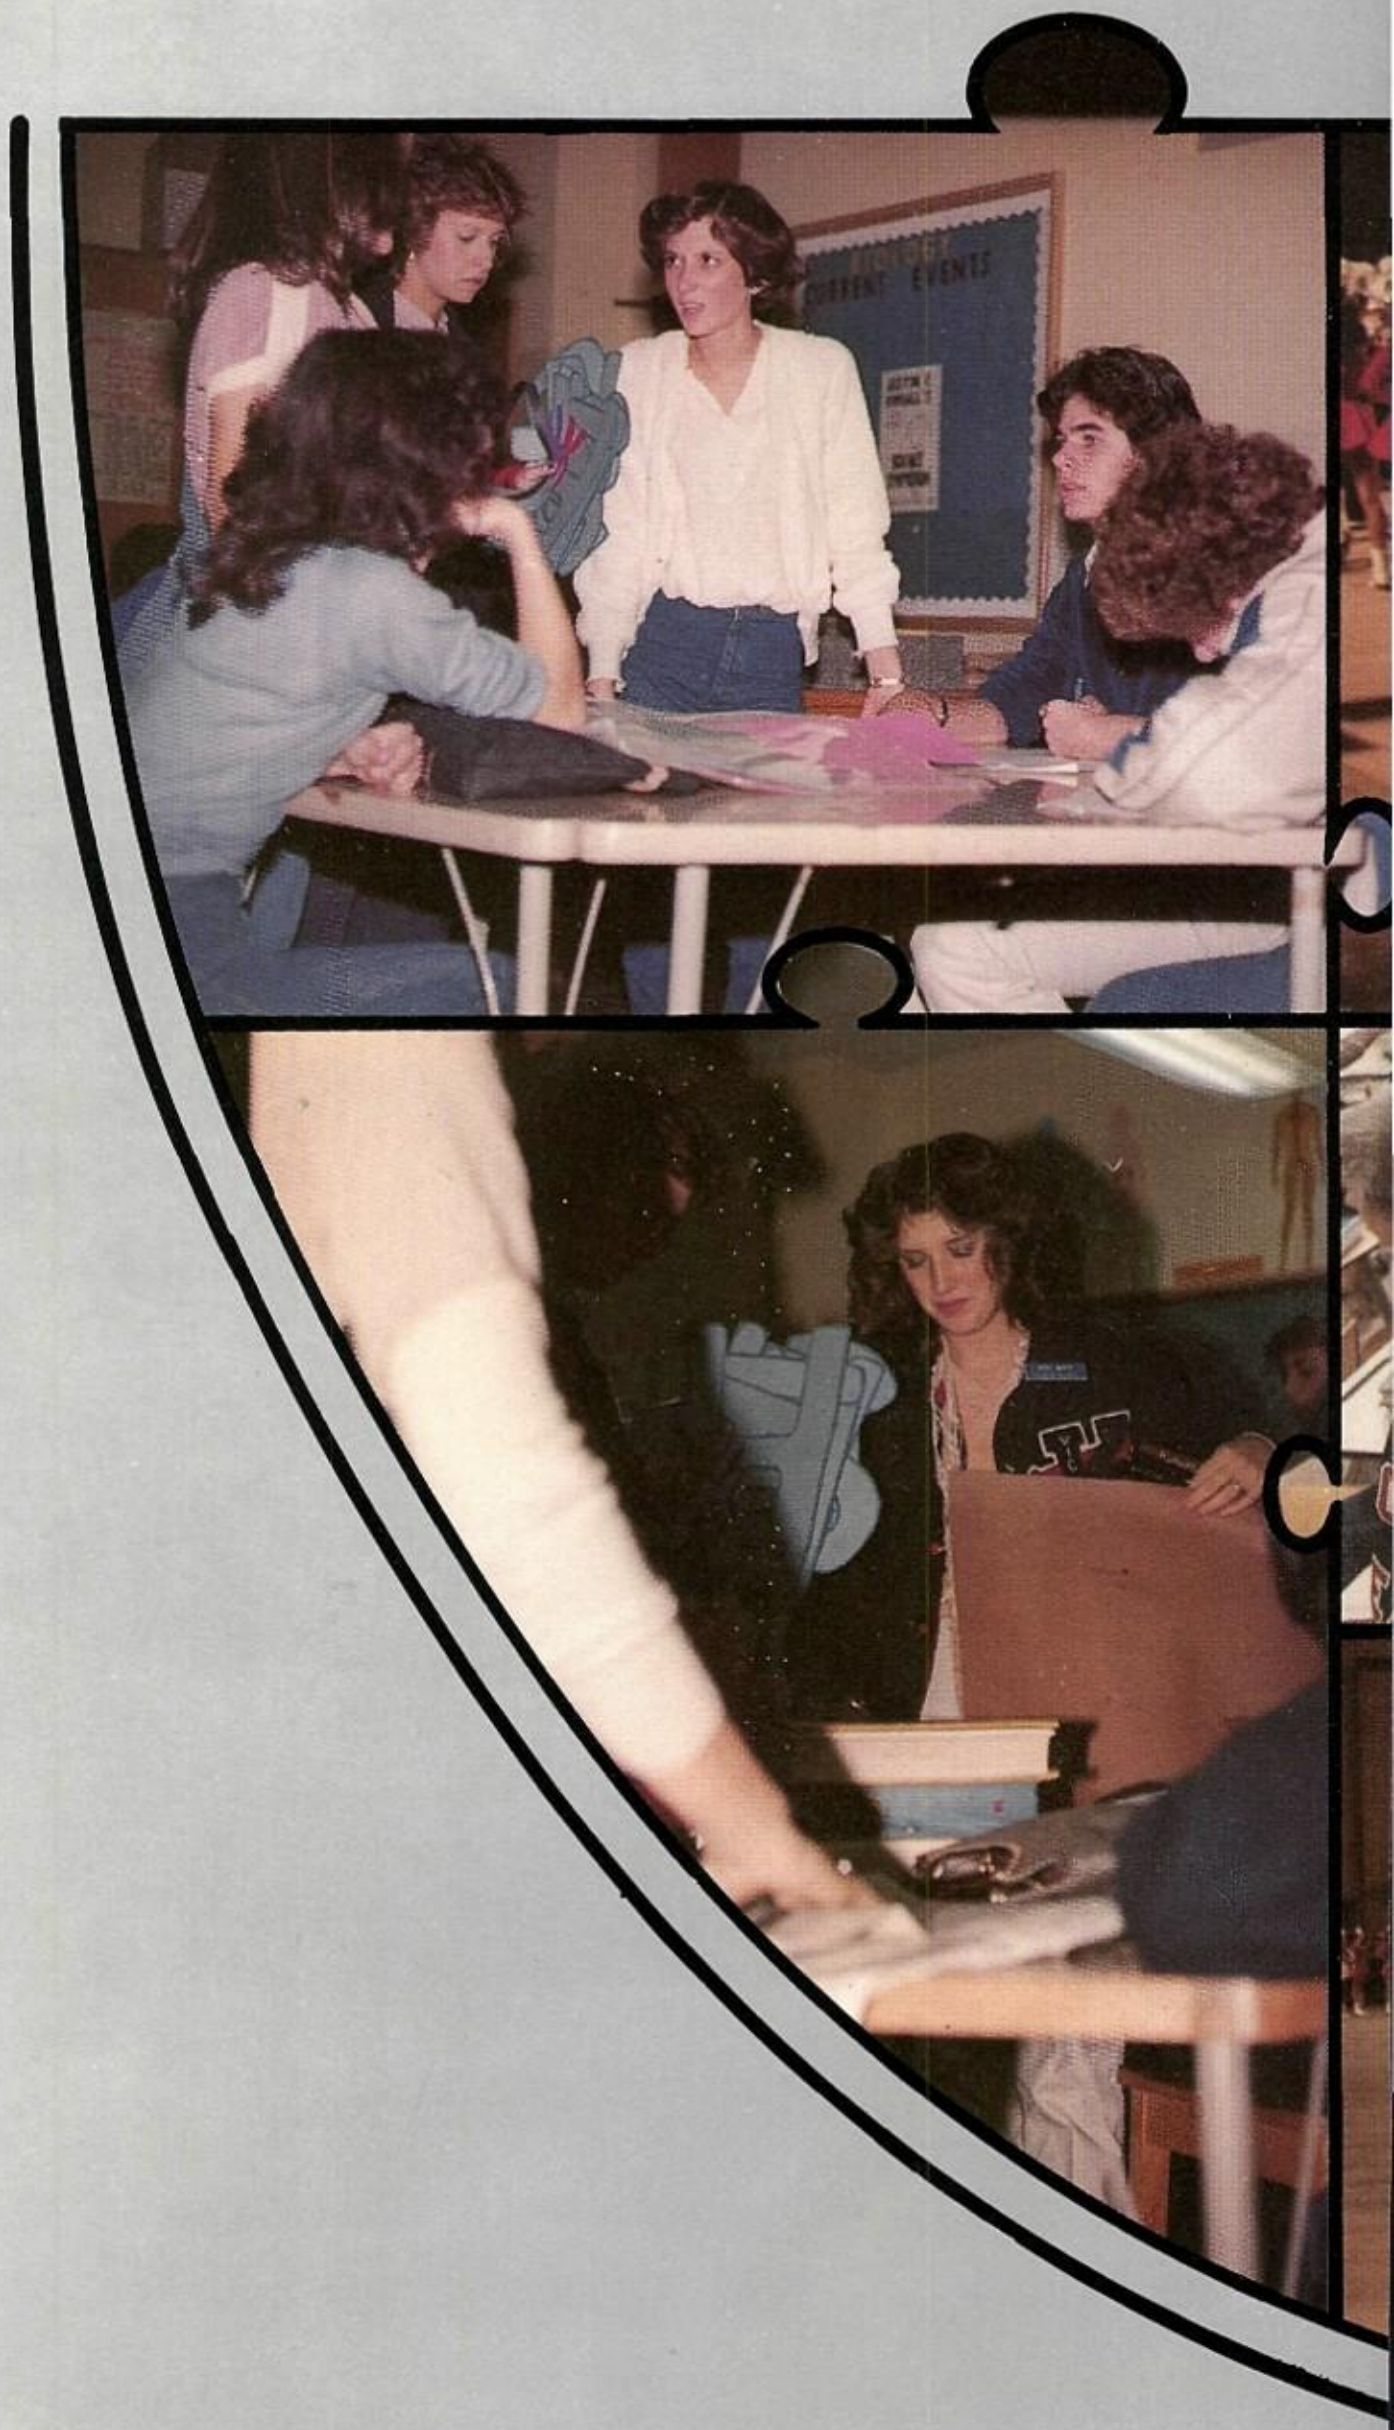




"Fame is a vapor, popularity an accident, riches take wings. Only one thing endures and that is character."

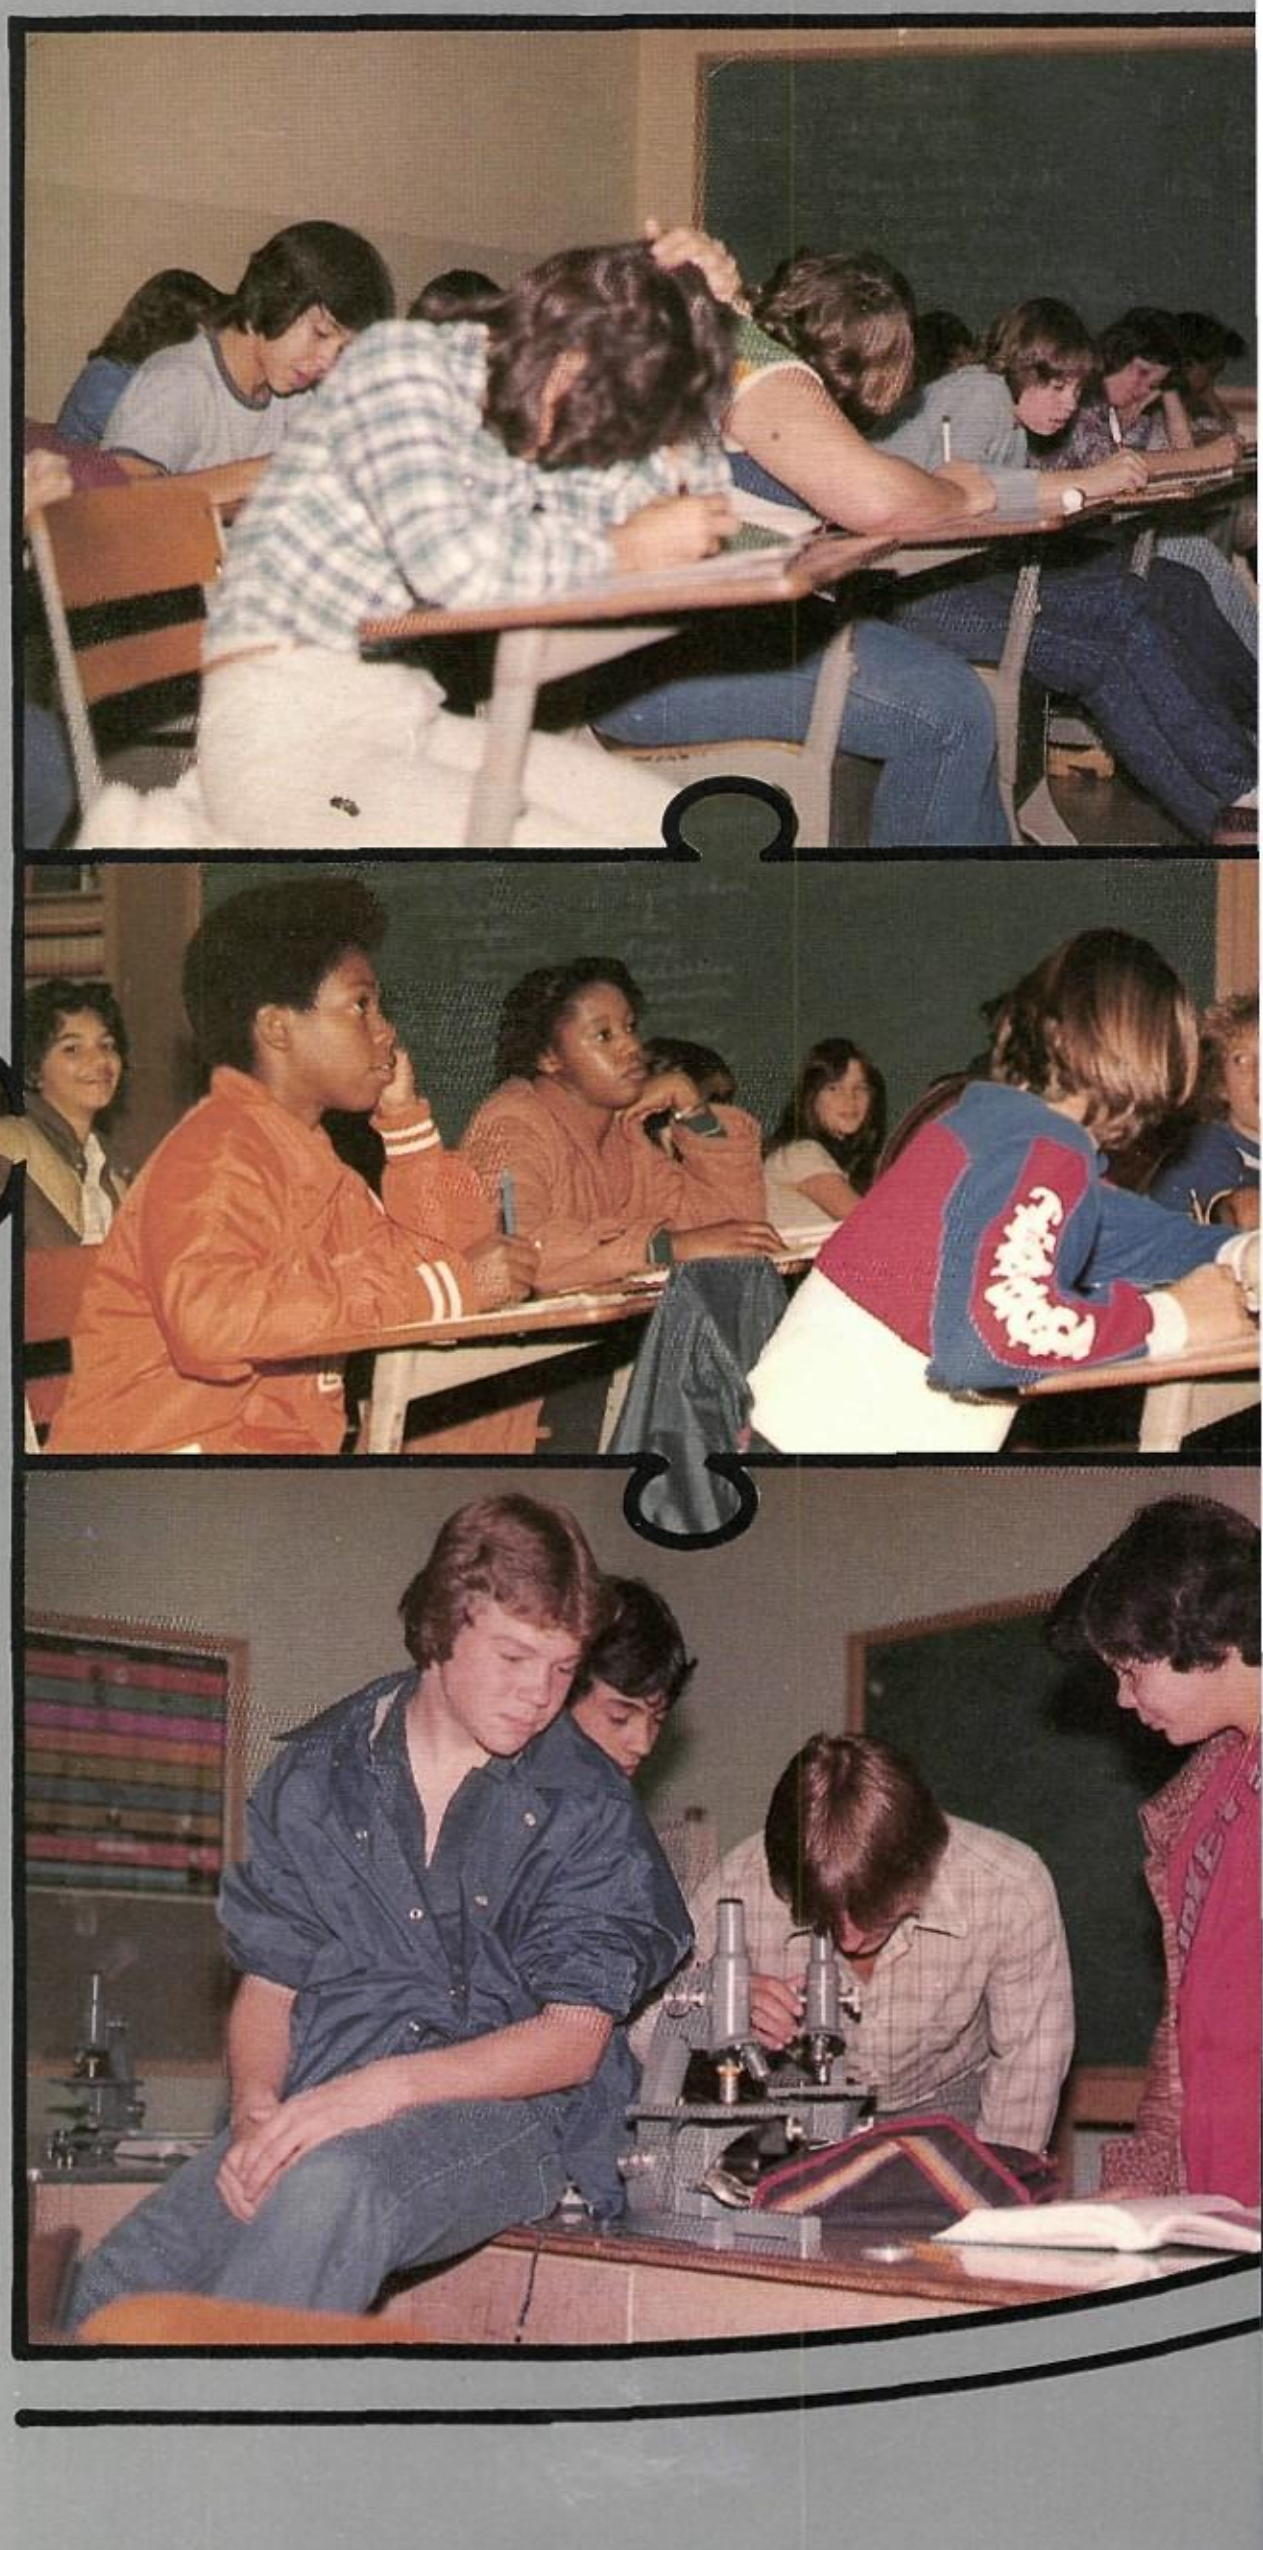
—Abraham Lincoln

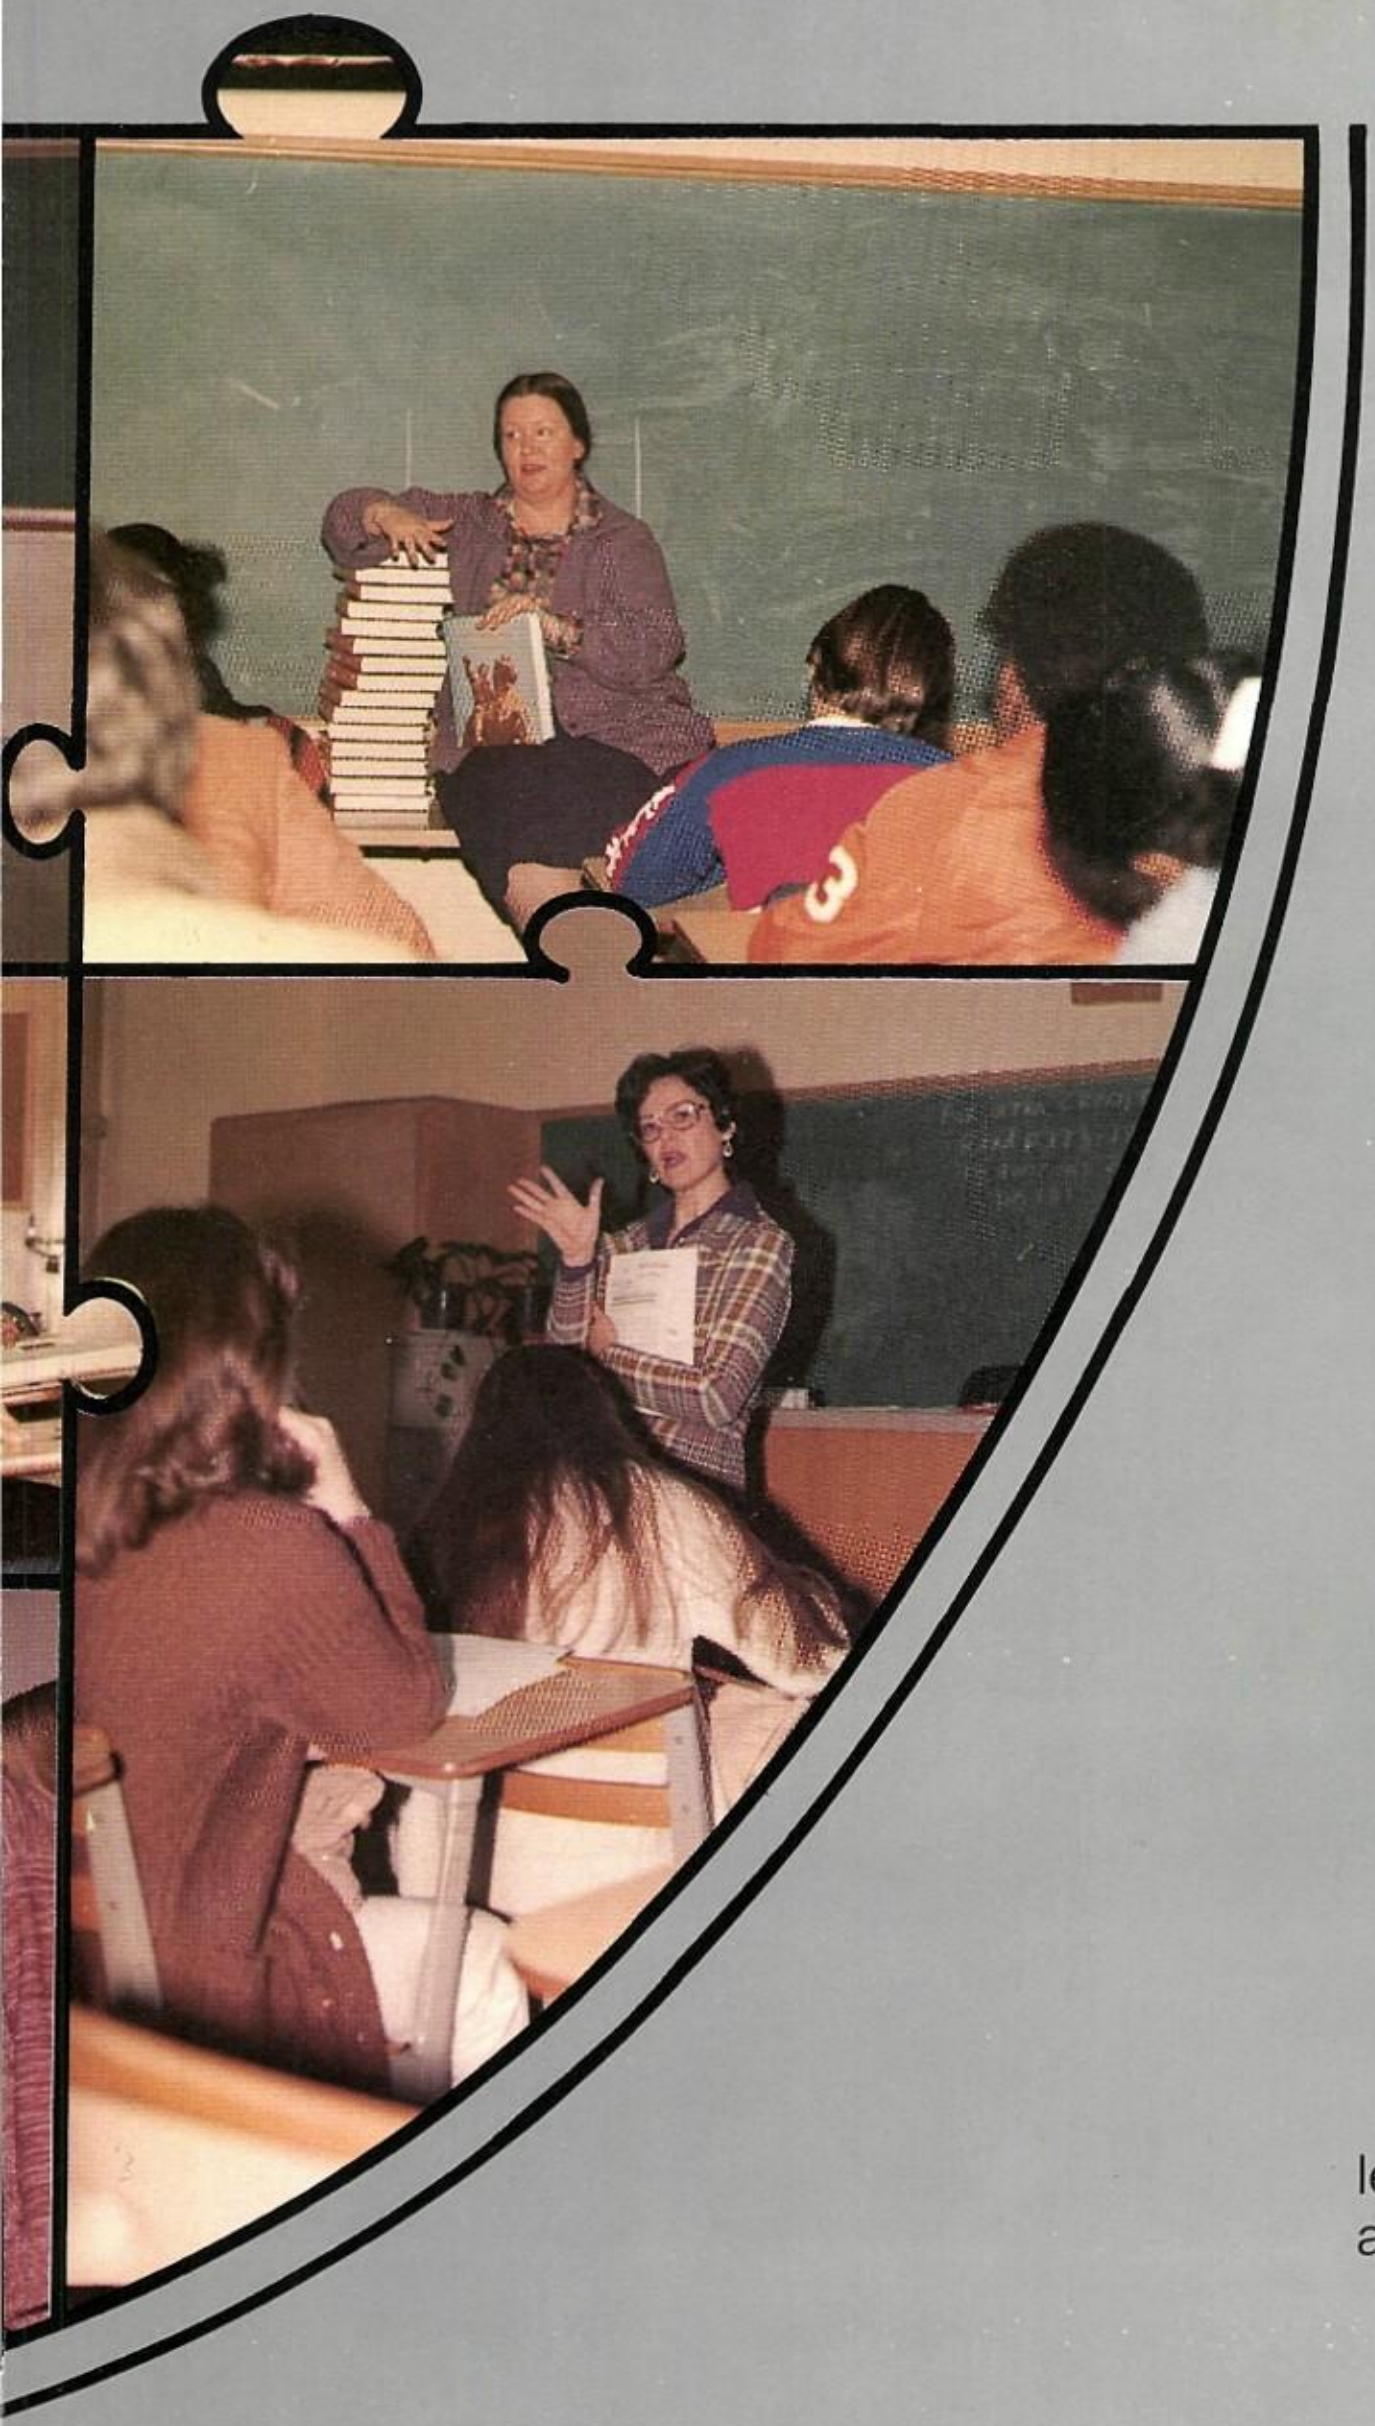
. . . their leadership abilities. We constructively create leaders as well as followers. We prepare to go out into the world and make valuable use of the time God has given us to be here on Earth. We problem-solve and brainstorm for new ideas to better our school and our community. Working together to build our leadership qualities can only work if we expand . . .



"God hangs the
greatest weights upon
the smallest wires."
— Sir Francis Bacon

. . . our precious minds. Our learning capability never ceases. We learn from each other and with each other. We hunger for more knowledge each day to accomplish the tasks we have set out to do. We must create a oneness among ourselves in order to do the best job possible. We, the Knights of Kimball High, begin to do this . . .





"If you have knowledge
let others light their candles
at it."

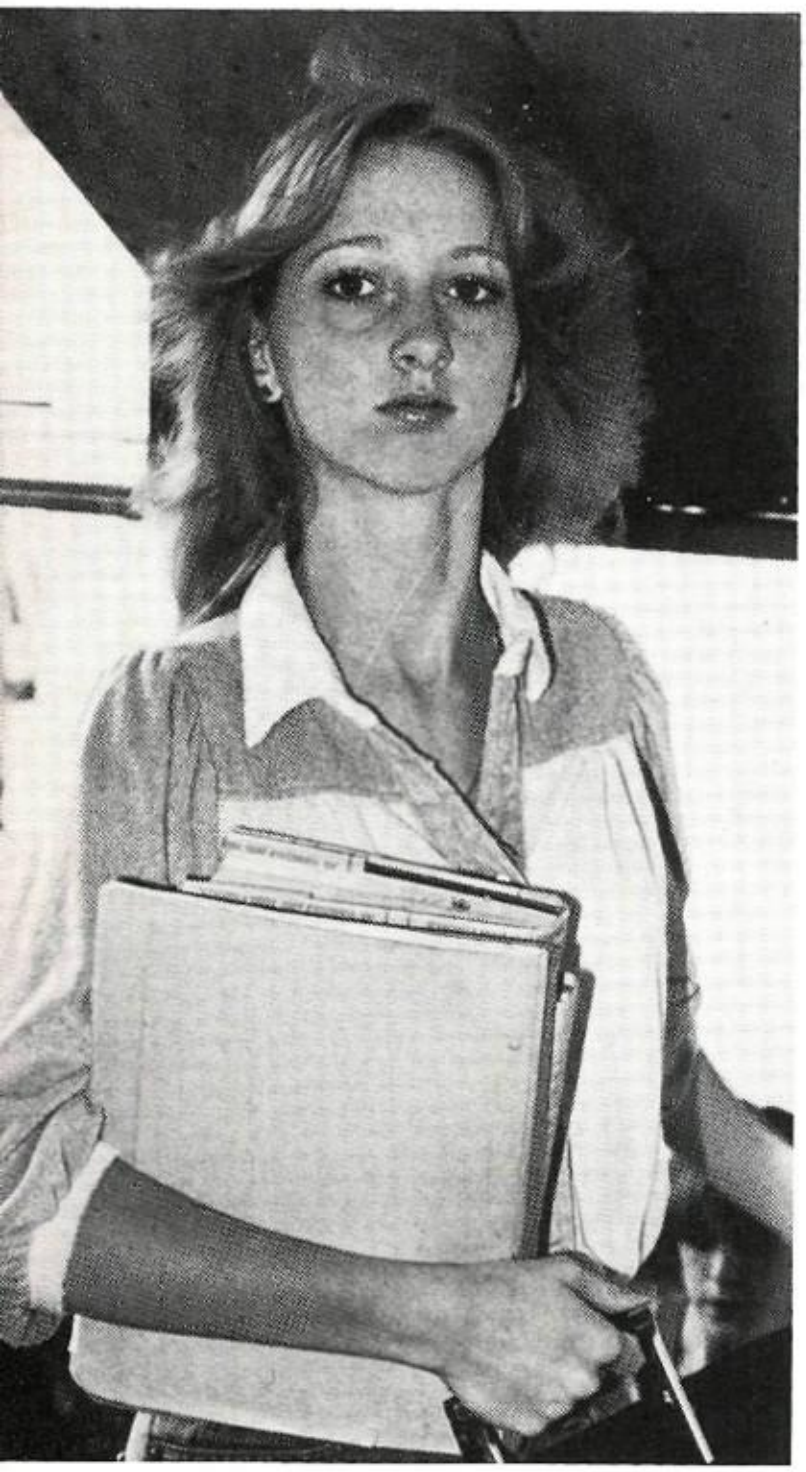
— Margaret Fuller

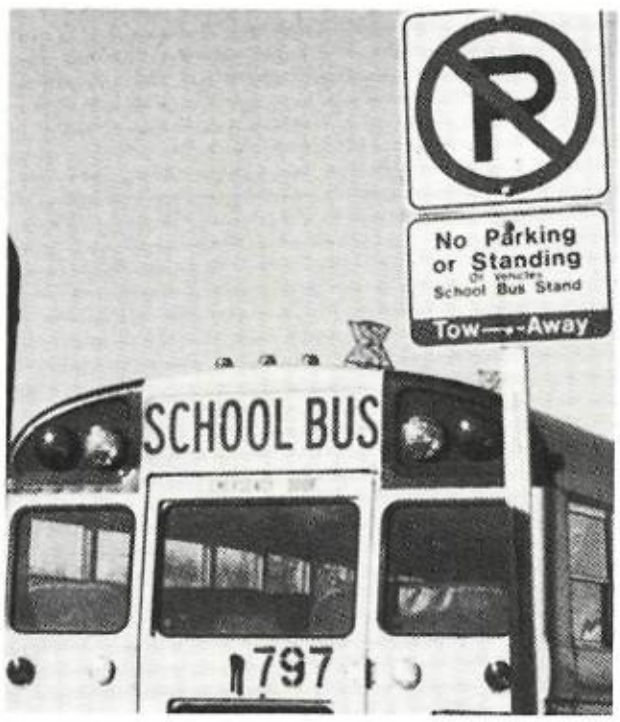
STUDENT LIFE

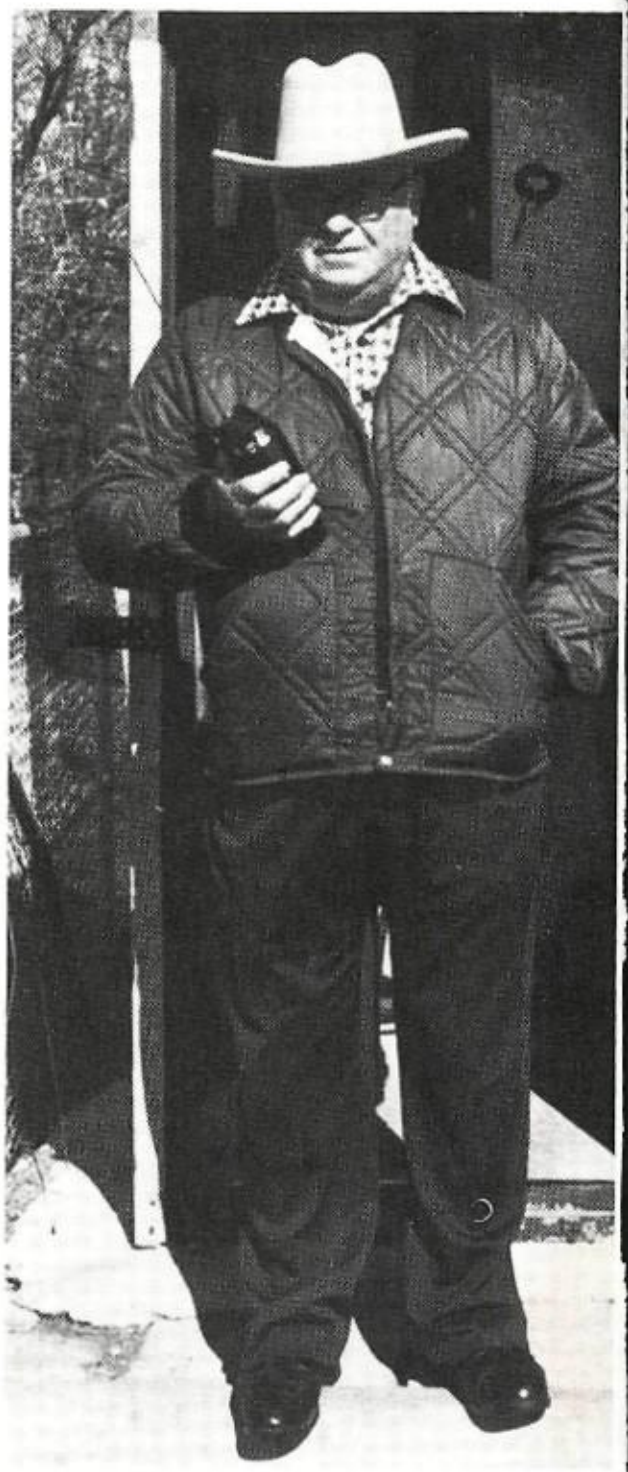
"Becoming a well-rounded, interesting person is just as important as gaining academic knowledge."

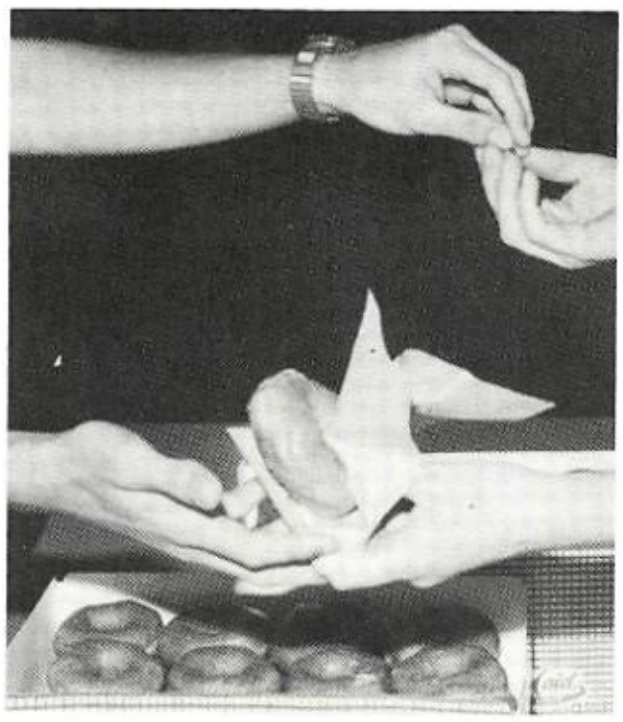
— Joan Steele

"And These Are Your Morning Announcements . . ."









"I almost missed my bus this morning, but the dude that drives it saw me running!" "I have a test first period that I haven't studied for — what am I gonna do?" "I'll meet you at your locker when the warning bell rings, OK?" These expressions are frequently overheard as Kimball students arrive at school.

On an average morning, students roam the halls and grounds waiting for the 8:15 bell. With the 8:25 warning bell, students move to their respective first periods to start classes at 8:30. At the beginning of second period, daily morning announcements are given.

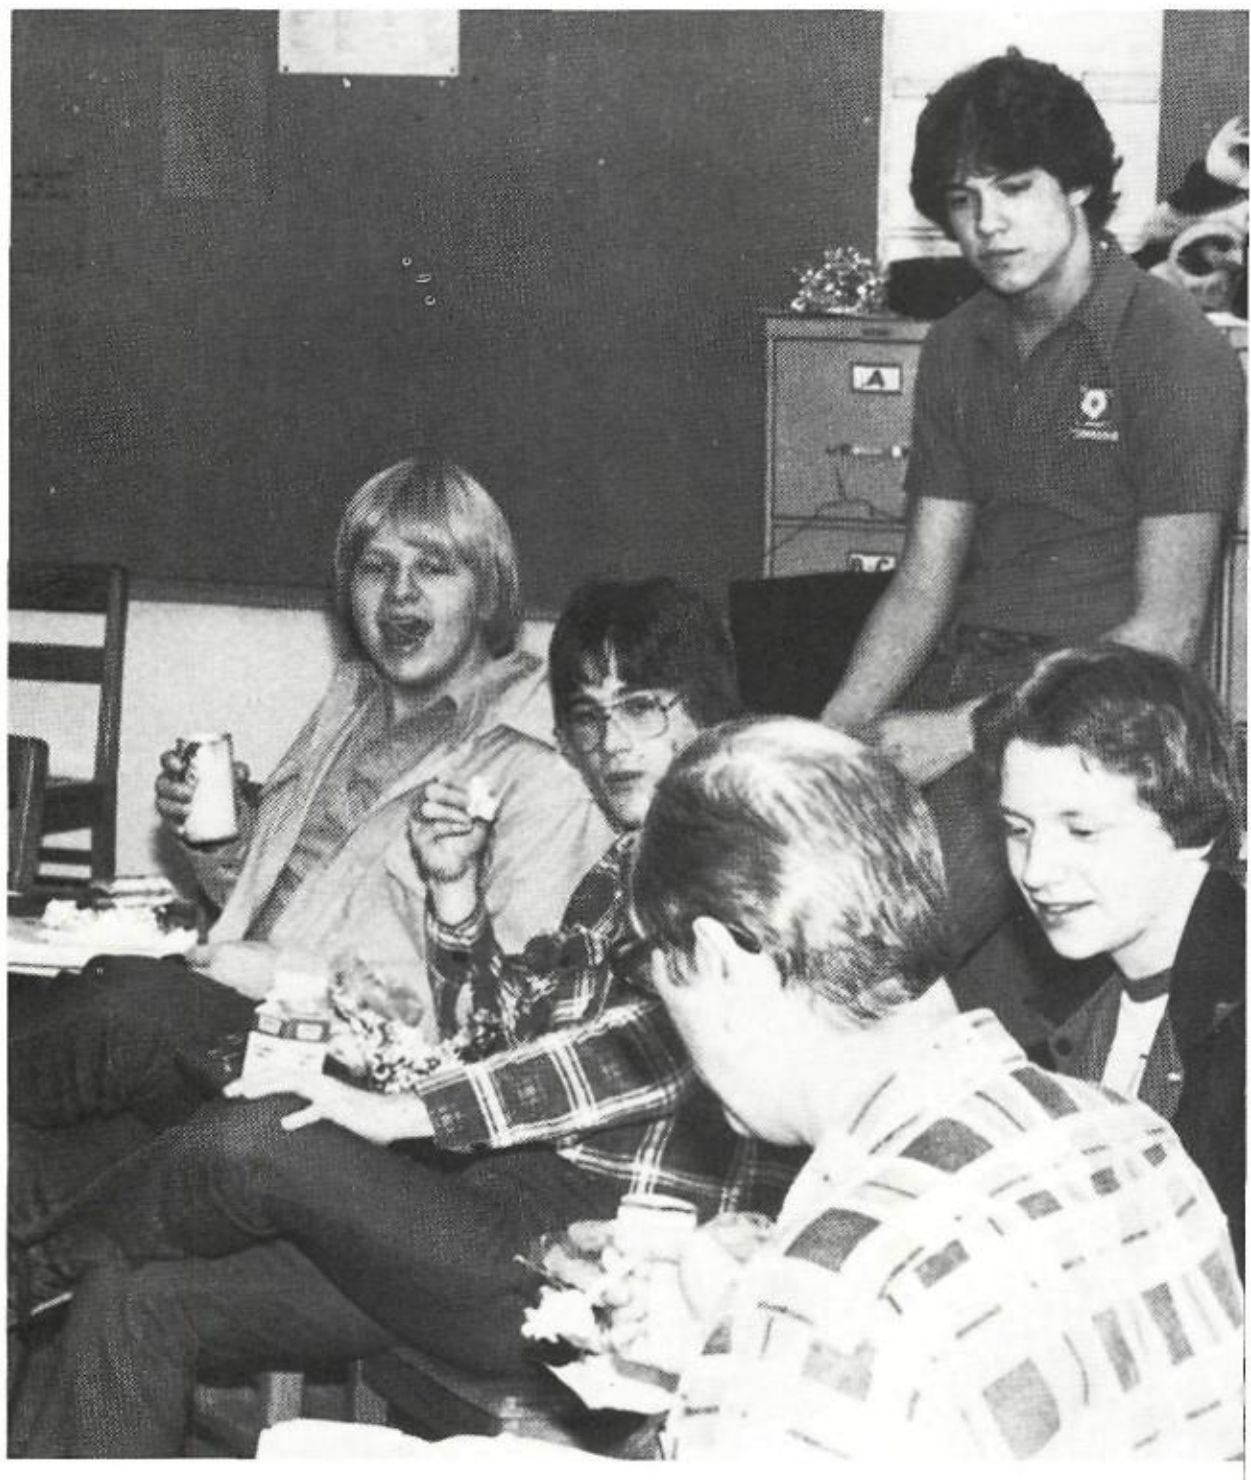
A, B and C Lunches Give Students a Break From Their Daily Routine



Although a majority of Kimball students spent their assigned lunch periods in the cafeteria, there were always nonconformists who insisted that cafeteria food can be hazardous to their health. These students chose to eat lunch in the choir room, the drama room, the auditorium or any other convenient hide-away. Other students even went as far as to eat lunch on the sidewalk outside of the weird wing, calling themselves "the sidewalk gang."

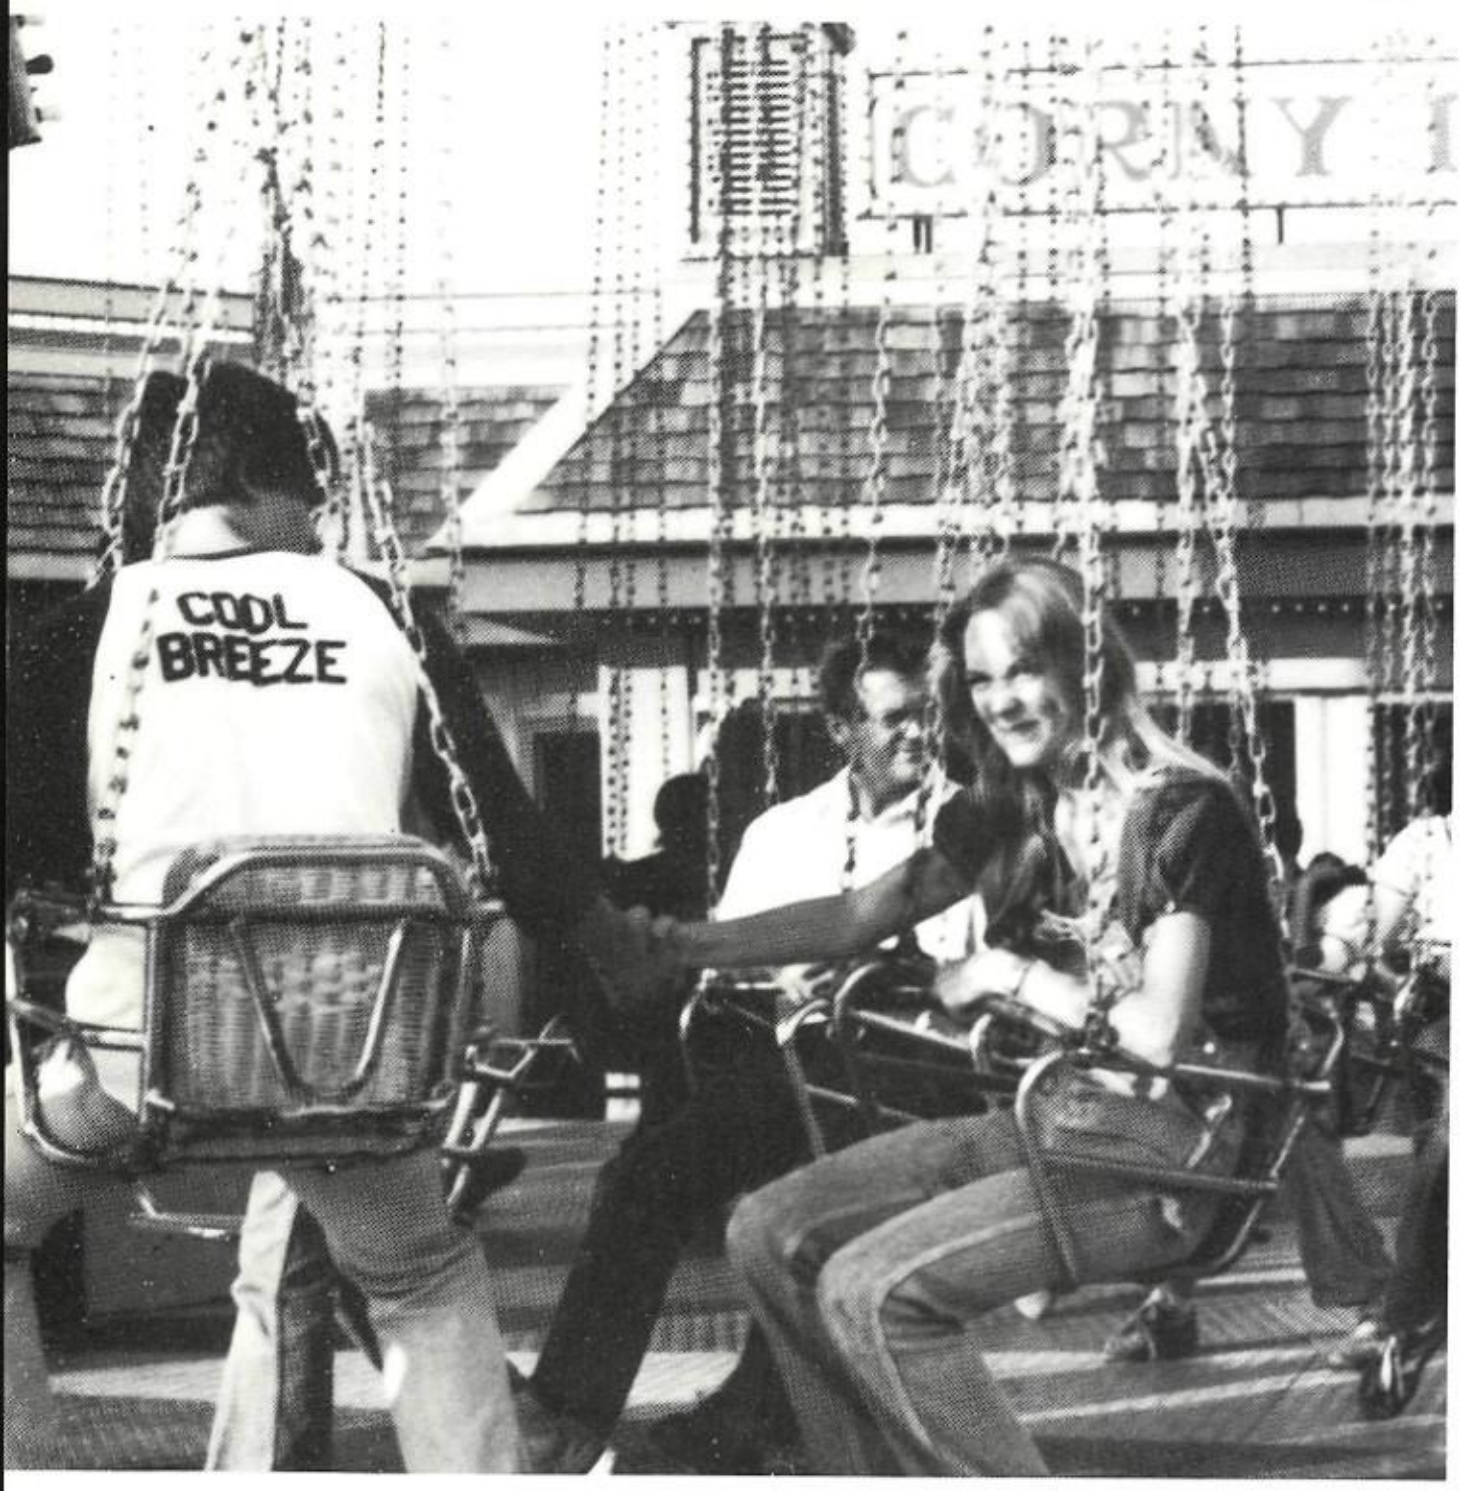
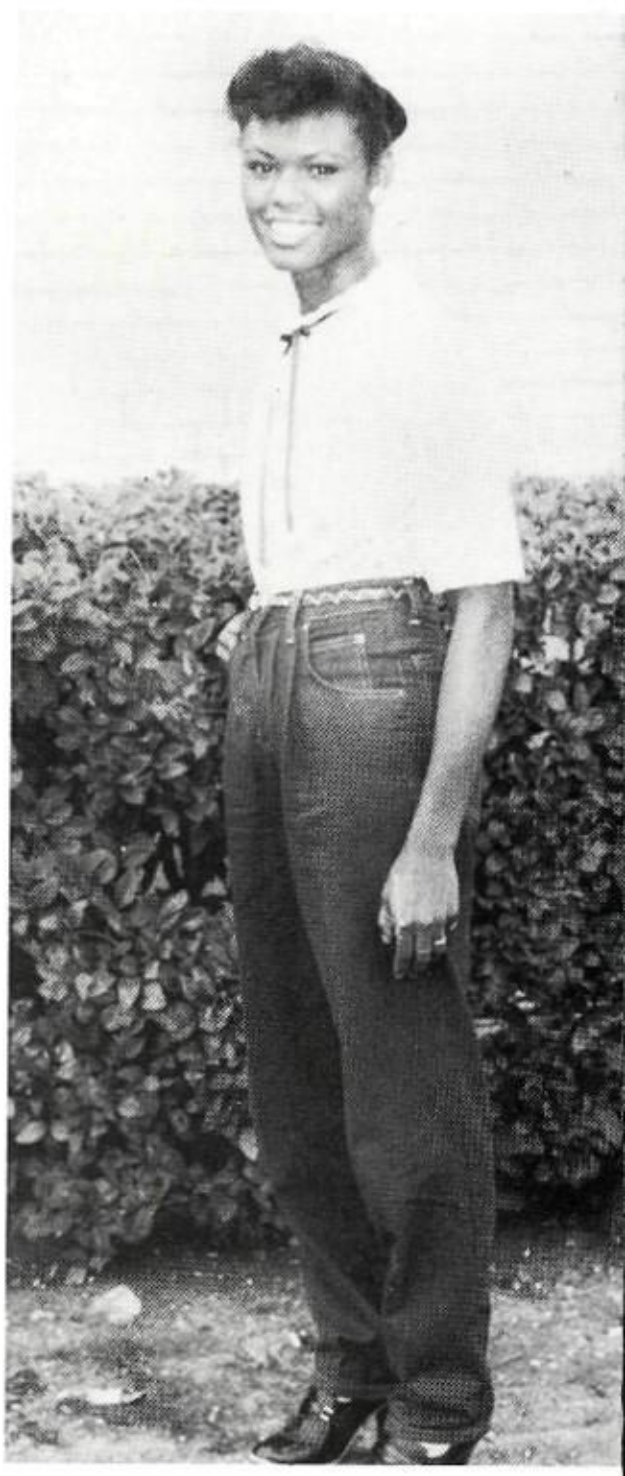
Fads, Fashions and Fancies
What 1979-80 Was All About





1979 brought in a new set of fads, styles and thoughts. As physical fitness became emphasized, jogging and skating became popular sports. The fashion world brought us straight skirts with slits, straight-legged pants and spike heels. Disco music became popular causing disputes among disco fans and rock music freaks. Amidst a world of jogging shoes, braids, T-shirts, painter pants and overalls, economic inflation soared higher than we cared to think about. The 1970's will be remembered as the "me" decade, the decade where individuals were concerned with their own physical, mental and cultural awareness.

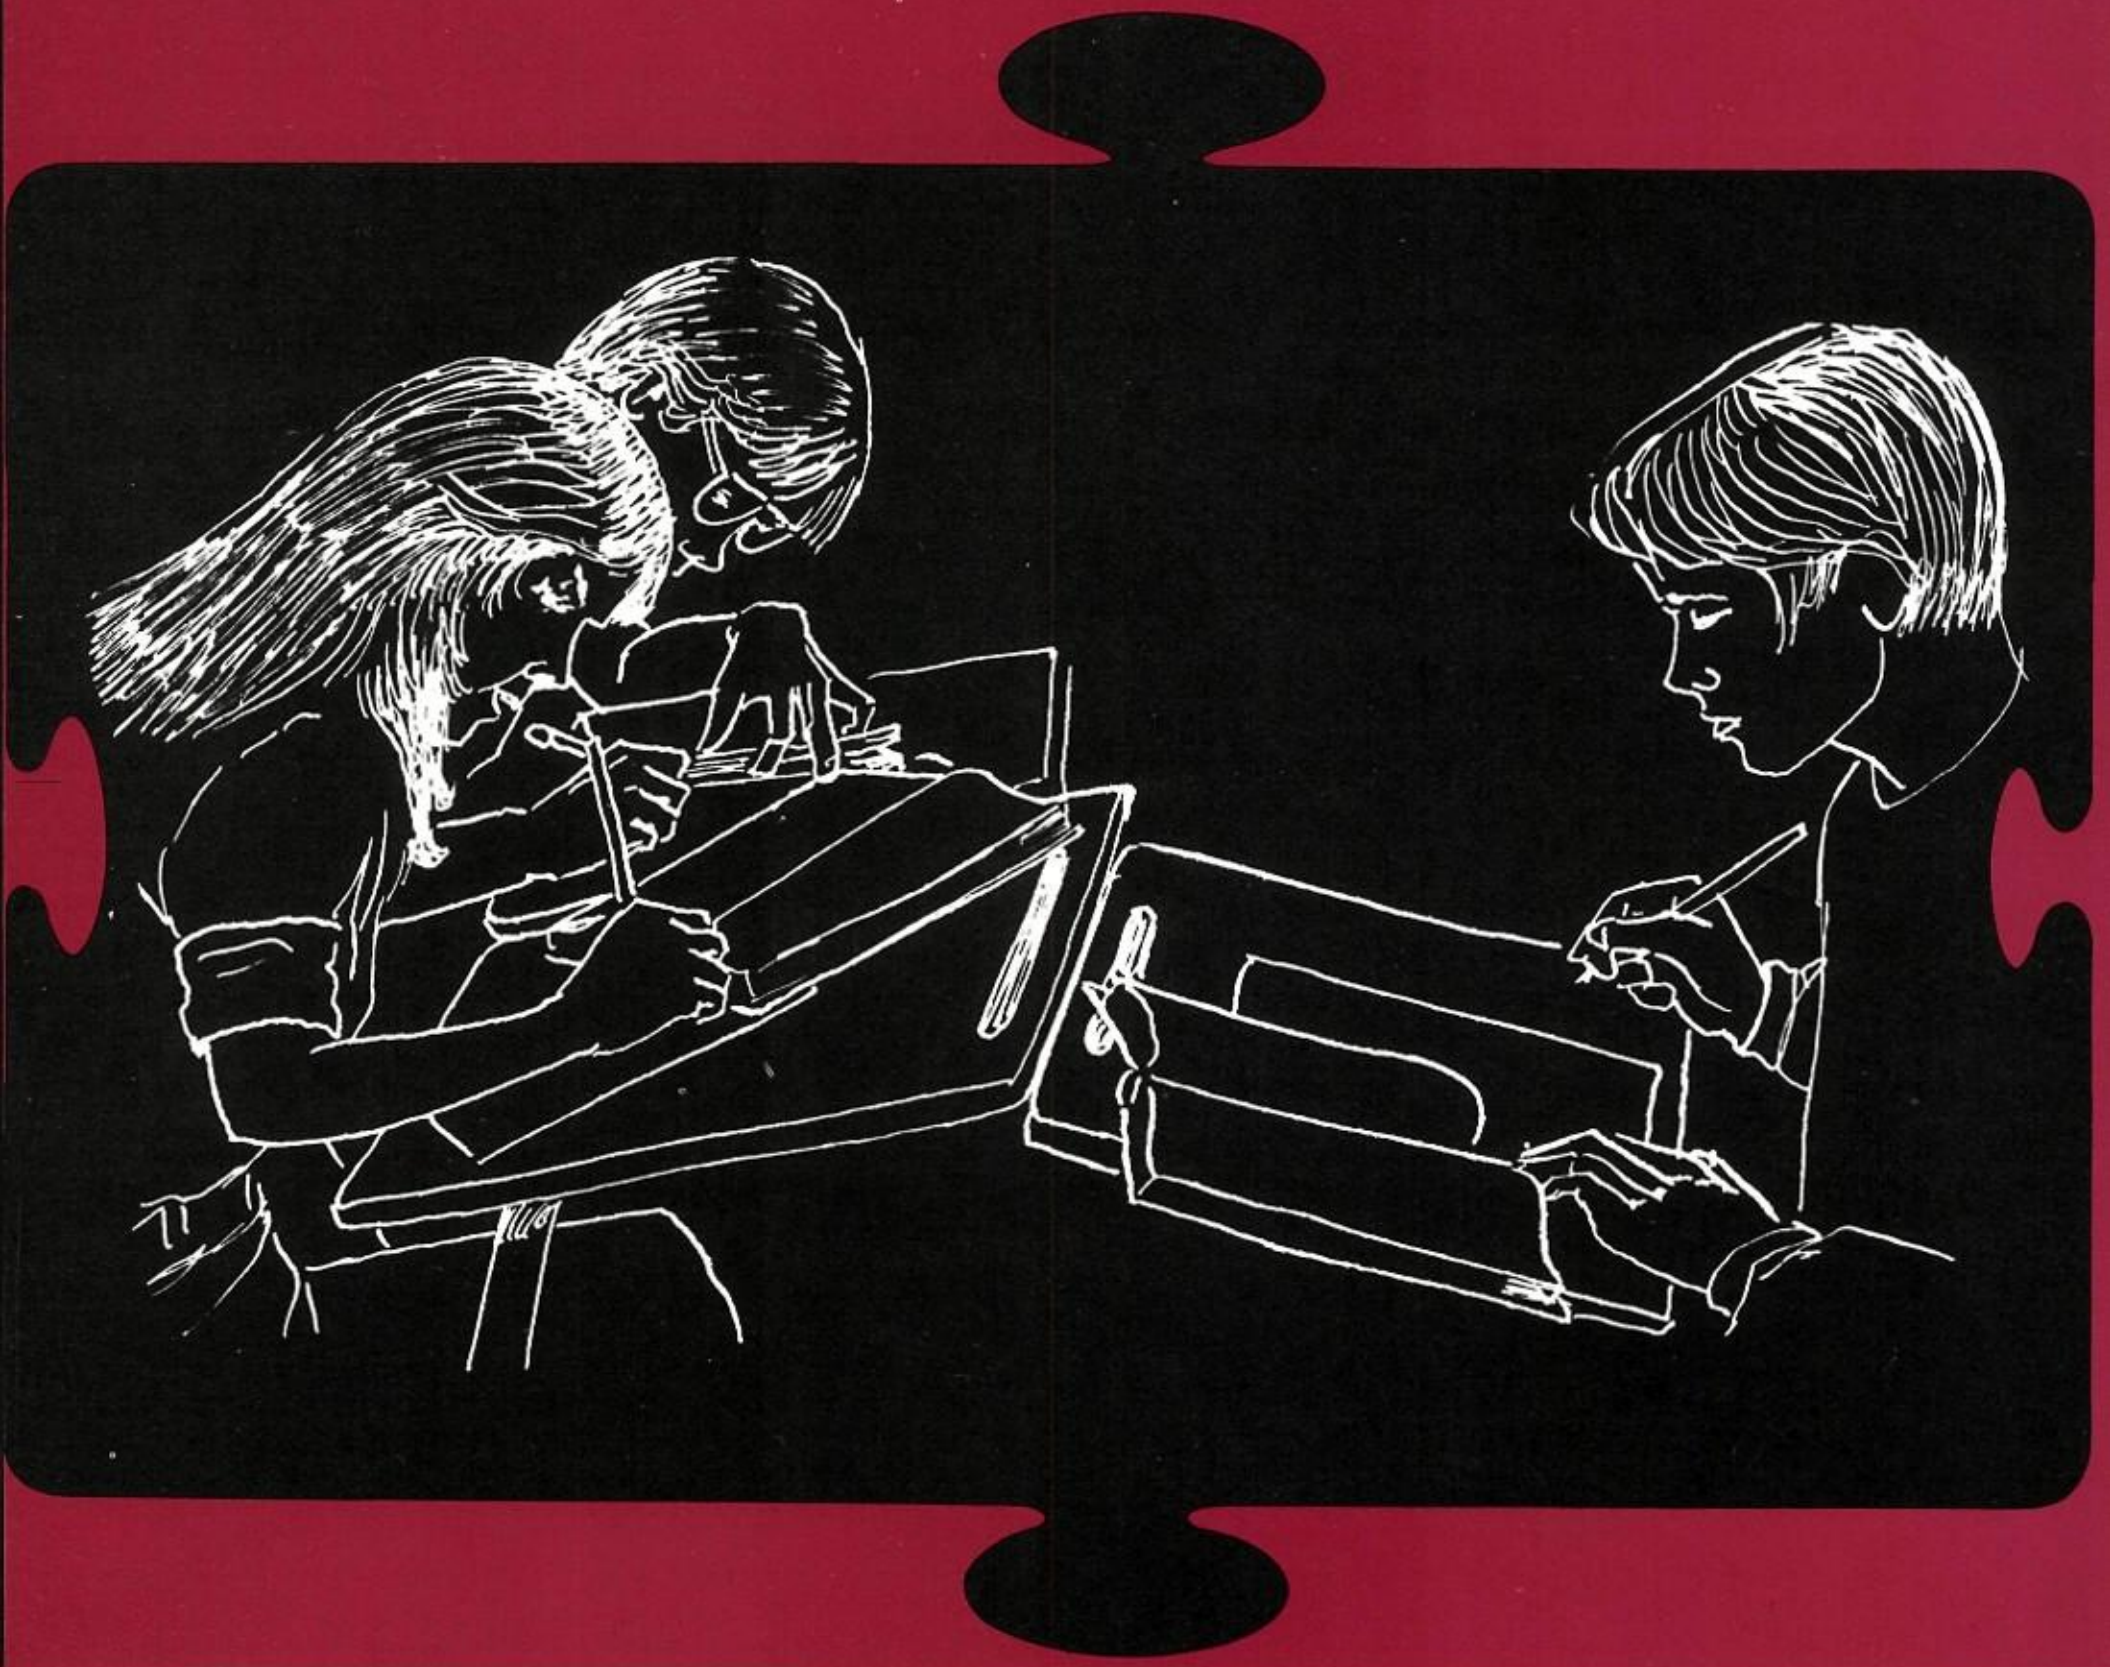
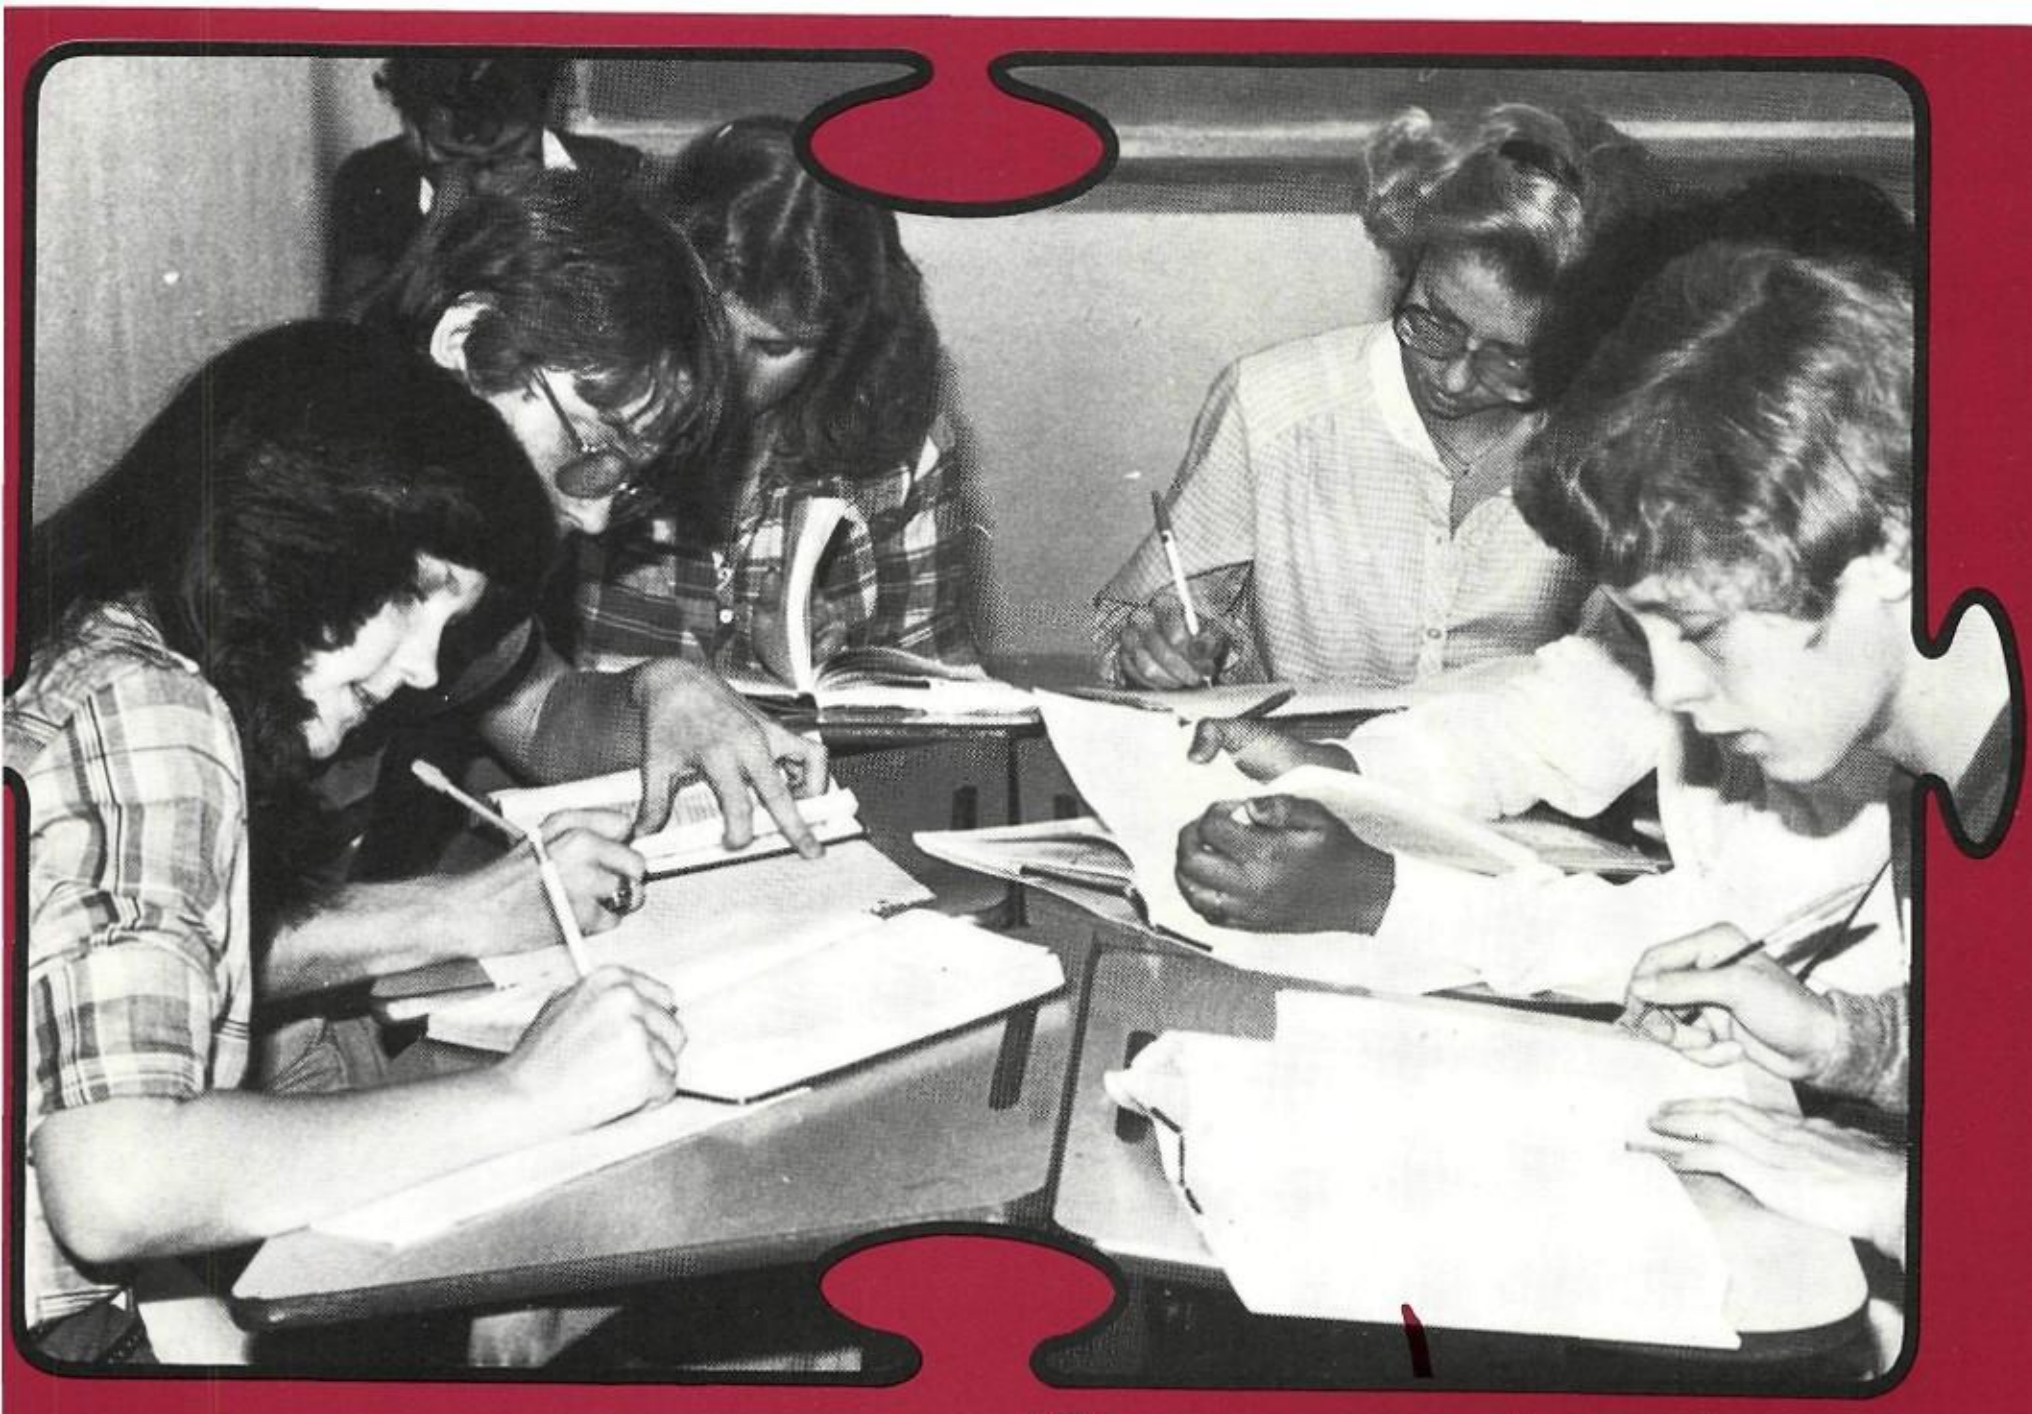
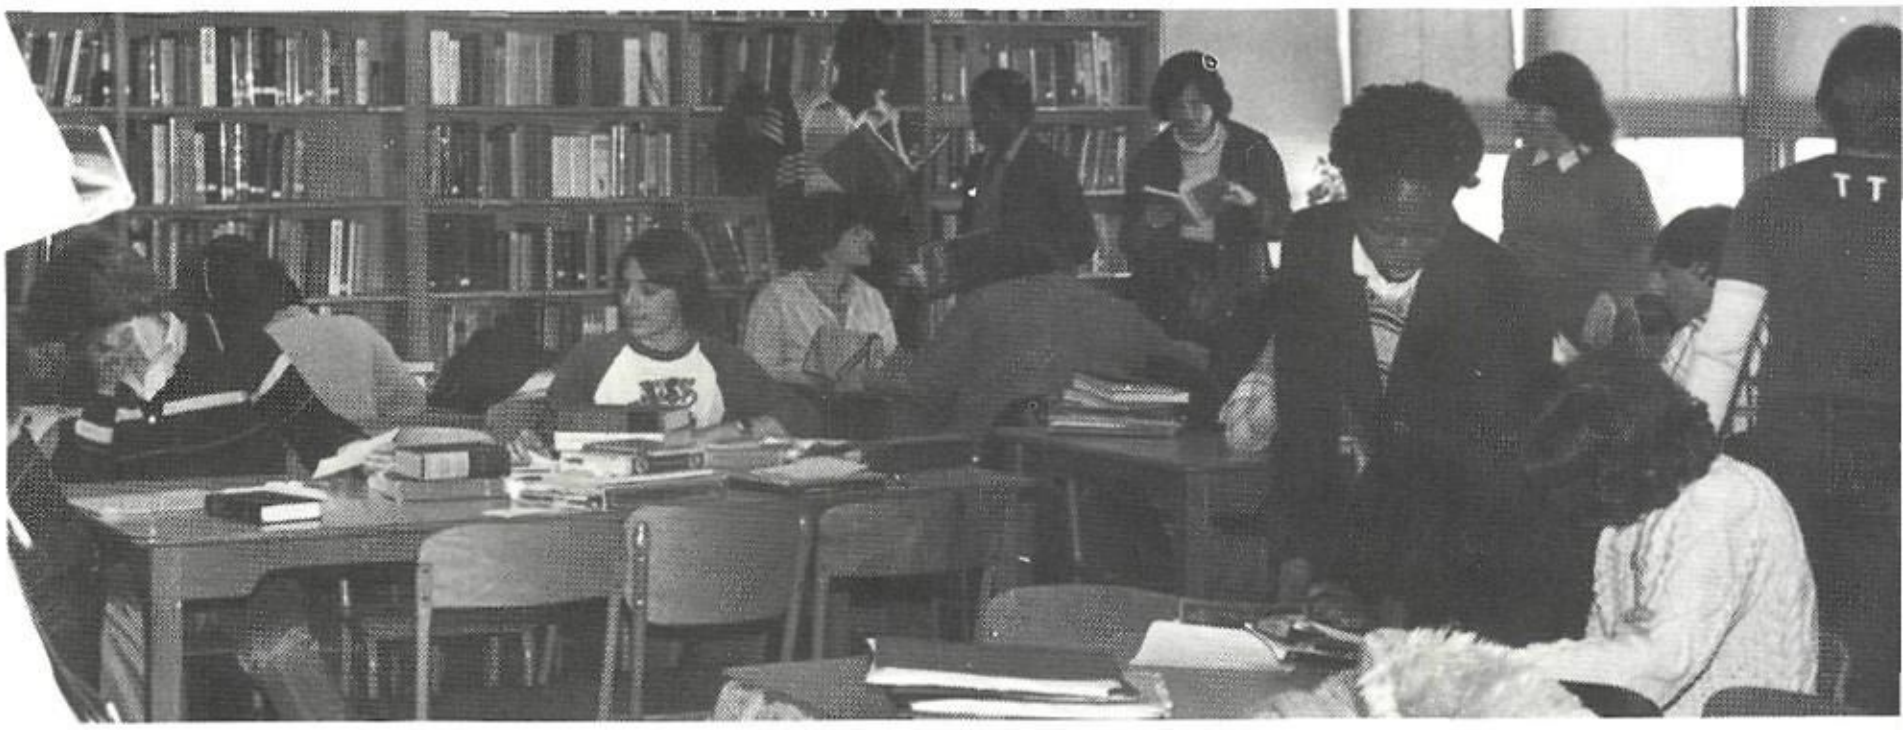
ACADEMICS

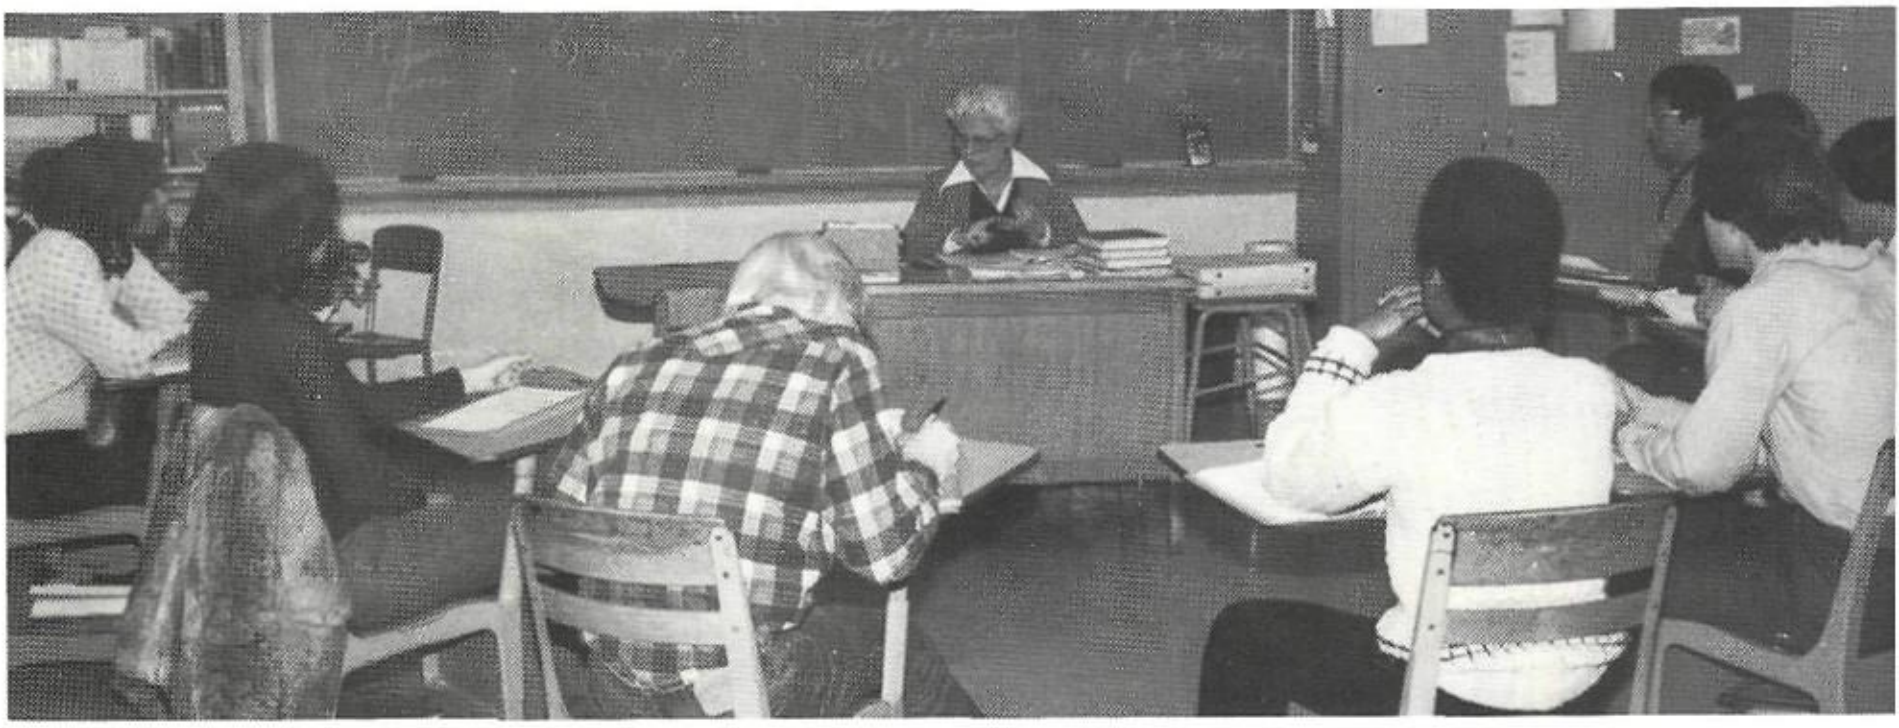




"The more a person learns; the more they will realize how little they know."
— Robert Giesler

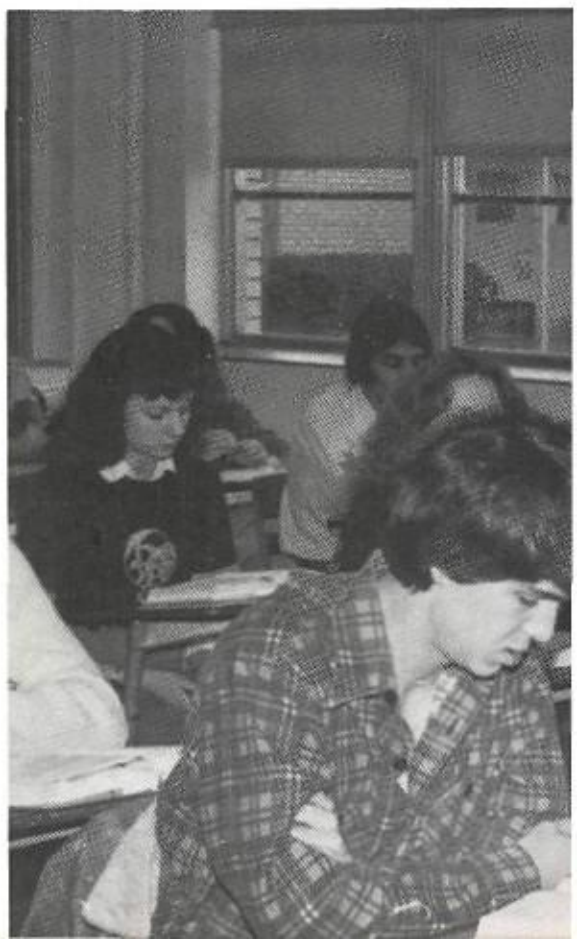
Language Arts Explores English Skills and Foreign Cultures

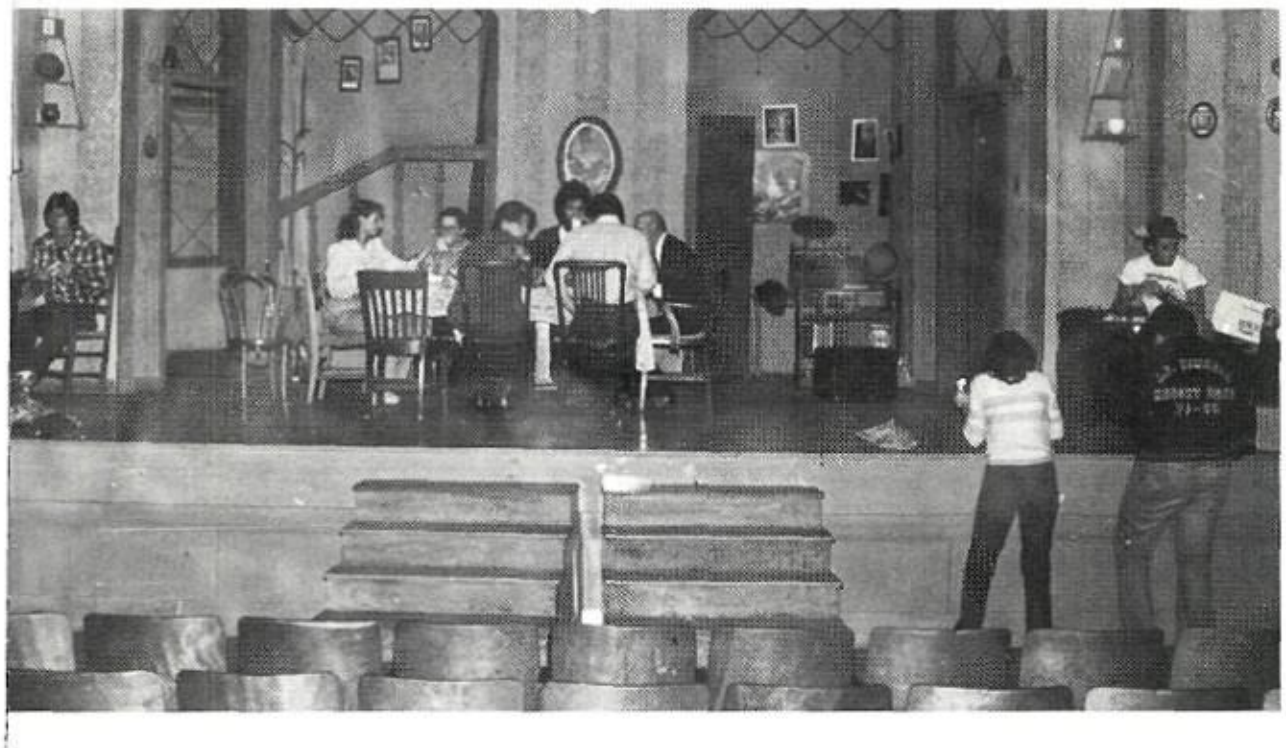




The philosophy of the Language Arts Department is based on the premise that it is necessary for students to master basic English skills which enable them to use language in whatever field they choose. The knowledge and skills include an ability to recognize the difference between standard and nonstandard, spoken and written English, and the skills to use written and spoken English where situations require it. The students also have the opportunity to develop a critical attitude toward literature so that they can continue developing their reading enjoyment throughout life.

Foreign Language centers on a proficiency in language, an awareness of different cultures, and an appreciation of world literatures. Foreign Language is basically a mode of communication which enhances the students' understanding of the English vocabulary and improves their understanding in other subject areas.





Requirements for graduation:
9 quarters of English
Language Arts courses offered:
English I, II, III, IV
(regular and high academic)
Honors English II, III
AP English
English CS (reading) I, II, III
Journalism I, II
Spanish I, II, III, IV
French I, II, III, IV

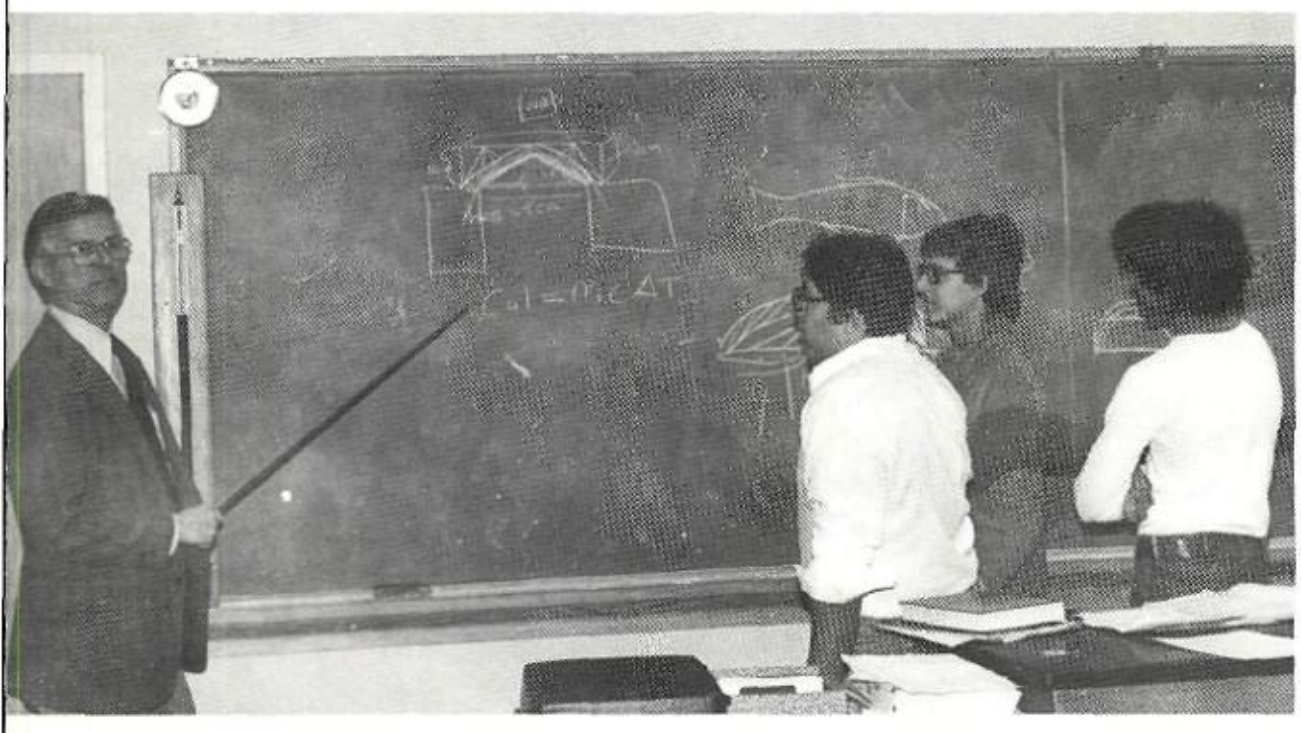
Requirements for graduation:
6 quarters of Science
2 quarters of Health
Science courses offered:
Biology
Chemistry
Advanced Biology
Advanced Chemistry
Physics
Health I, II



In our changing, progressive, technological society, the challenge of the Science Department is to meet the needs of all students at Kimball. Each student develops skills, knowledge and ideas necessary to contribute positively to society and to provide an environment which contributes to good mental and physical health. A learning environment is created which will stimulate high interest and direct the natural curiosity of students, to the understanding of basic scientific concepts through experimentation.

Creative Arts Offers Many Facets of Learning

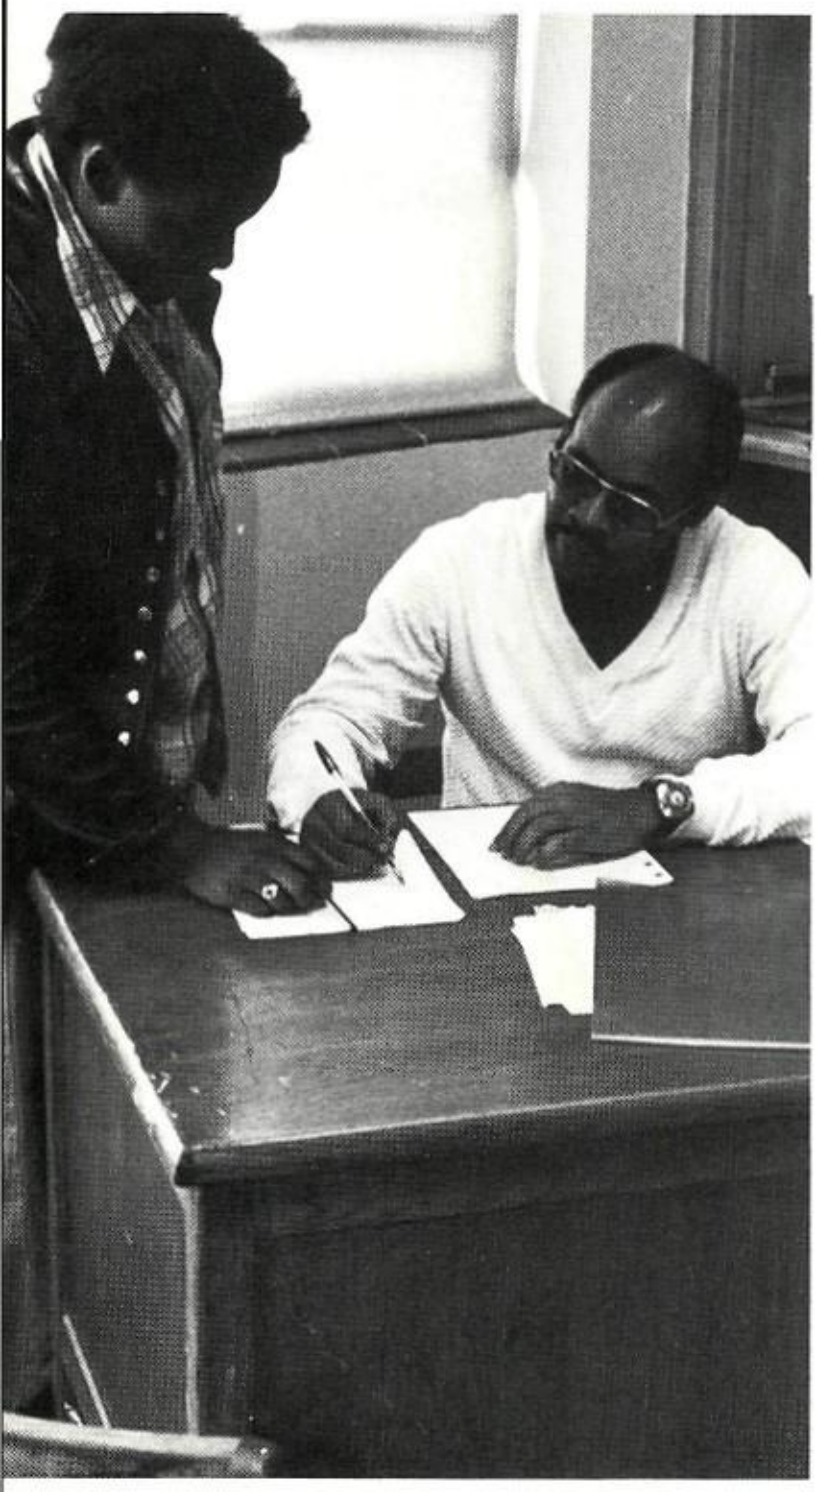
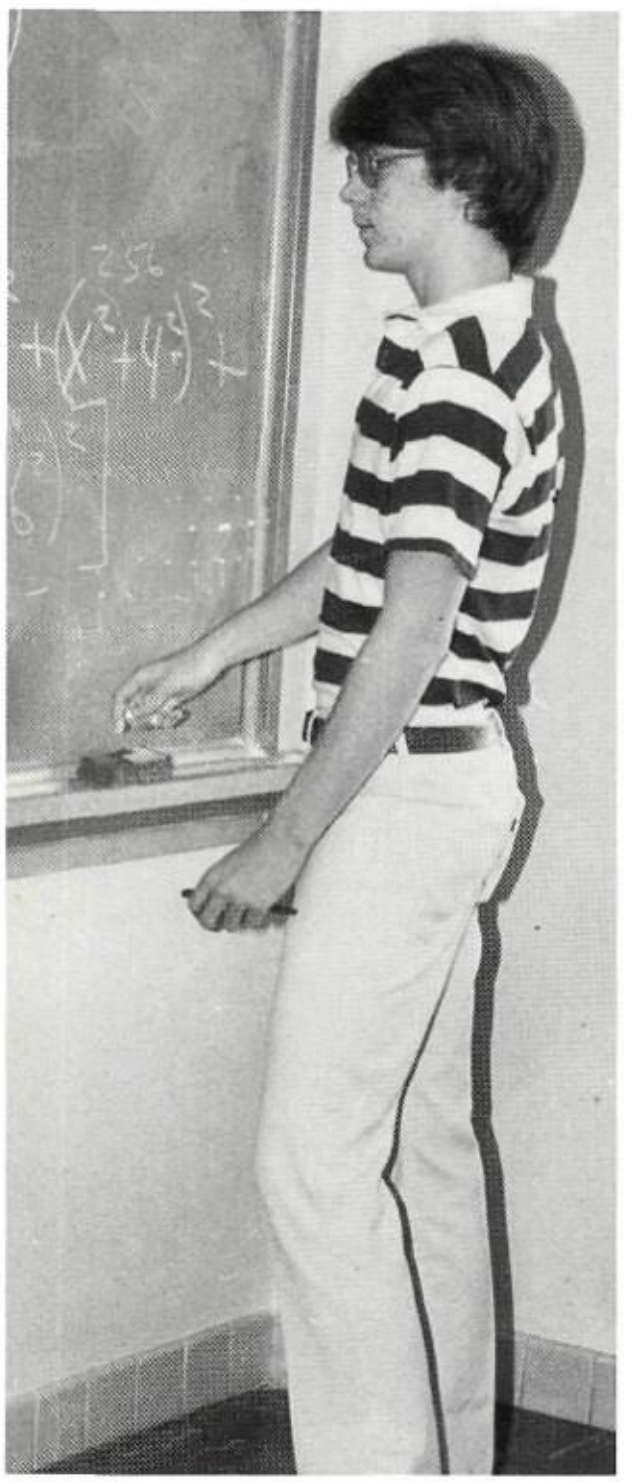
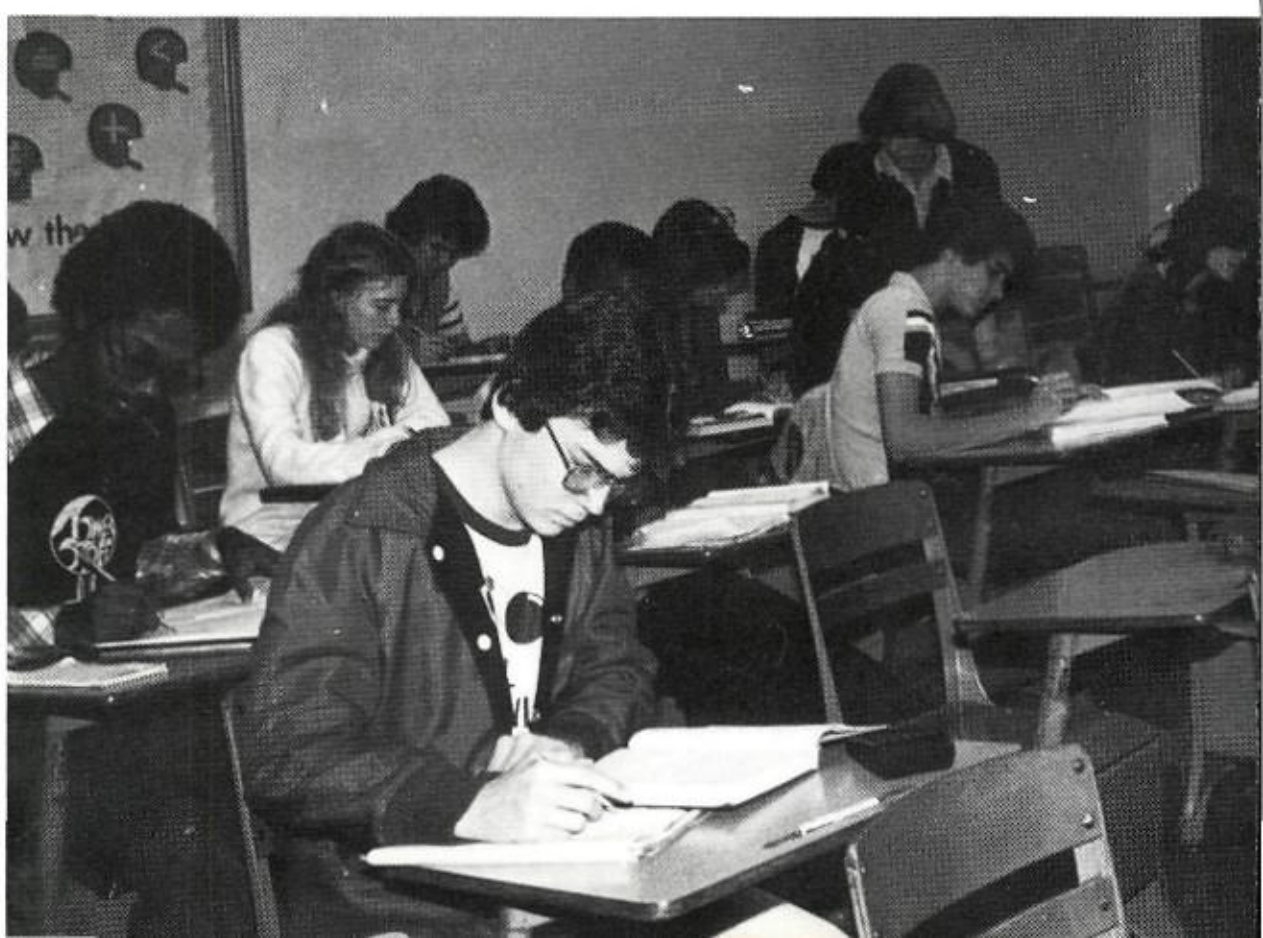
The ultimate purpose of the Creative Arts Department is to provide a challenge for the creative and intellectual powers of each student, and to create a student awareness of the importance of the arts to society. Talented students are encouraged to develop their artistic abilities, and other students are encouraged to become familiar with all aspects of creative arts. Music, Art, Drama and Speech unite to give students well-rounded personalities.

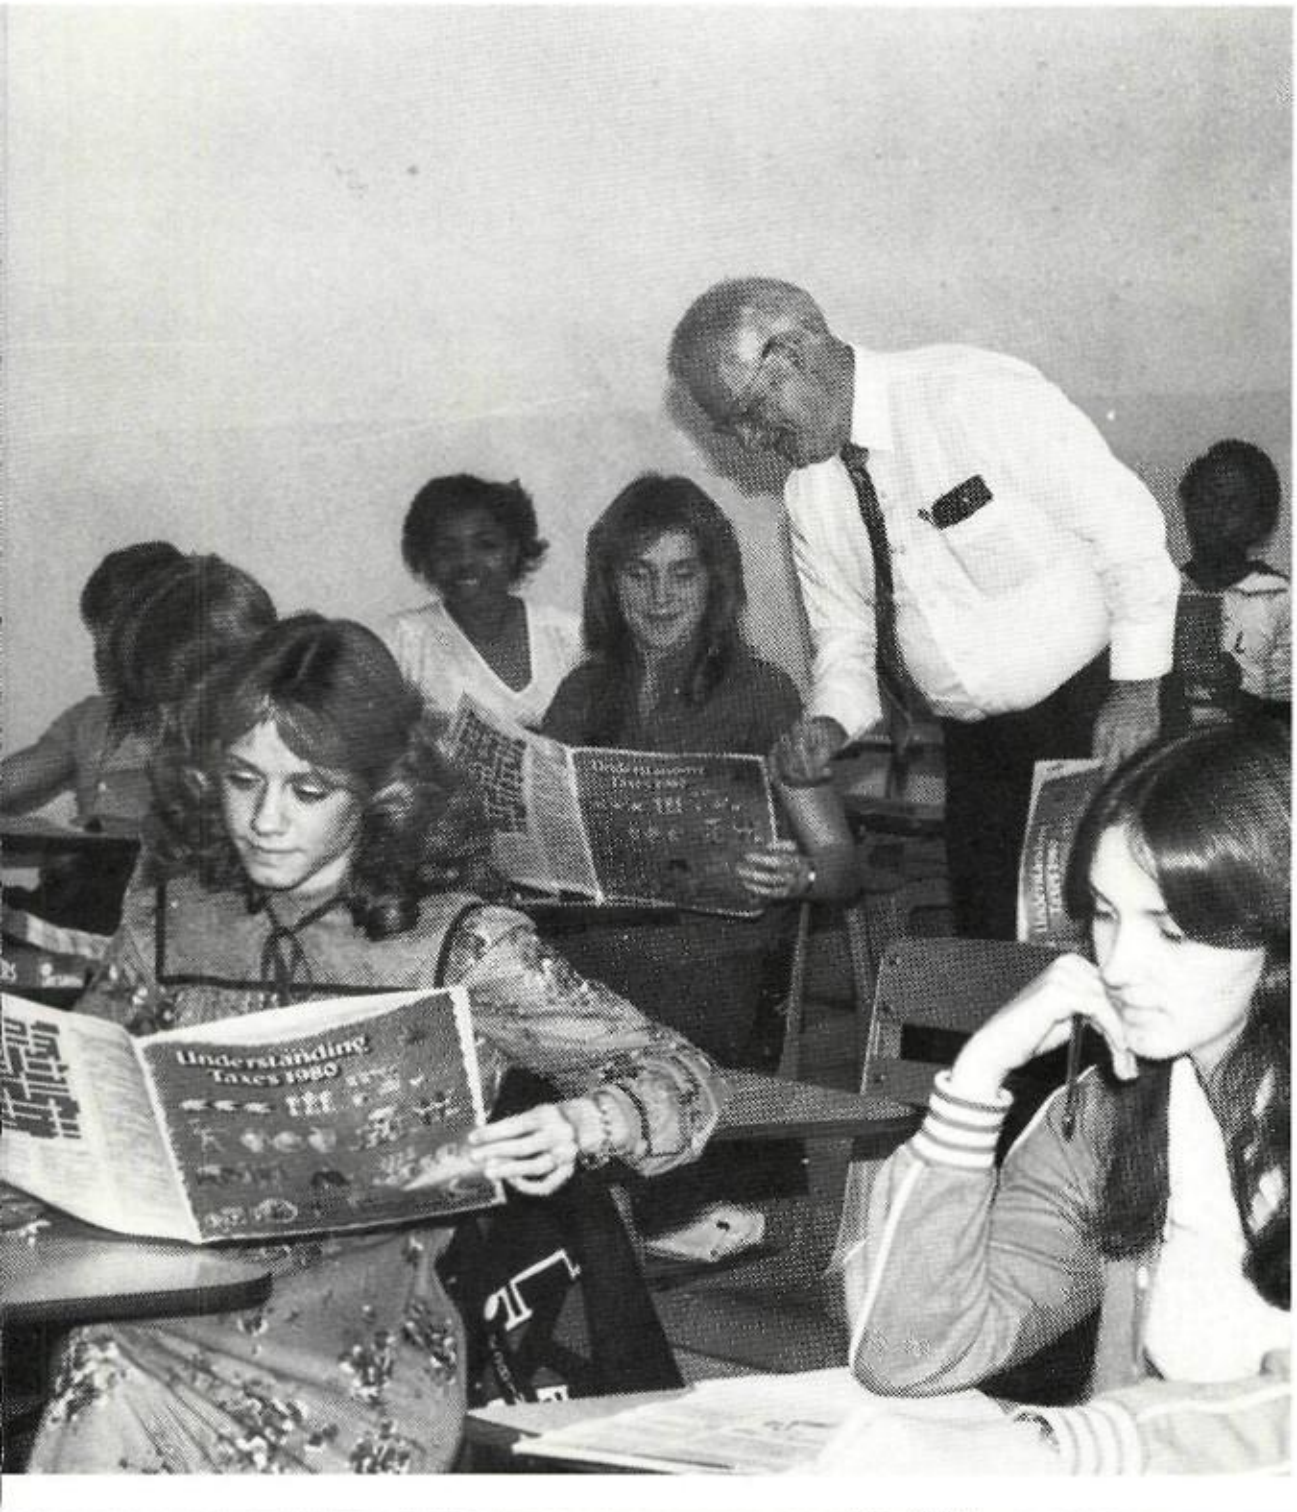
Mathematics Promotes a Useful Curriculum





The Mathematics Department believes that a wide variety of math courses should be offered that provide instruction in skills for everyday life, for entering college and for vocational purposes. These courses are constructed to meet the individual needs of the students. The staff believes that studying math results in the appreciation of its logic, beauty and its means of stimulating creative thinking.





Requirements of graduation:
6 quarters of Math
Mathematics courses offered:
Introductory Algebra
Algebra I, II

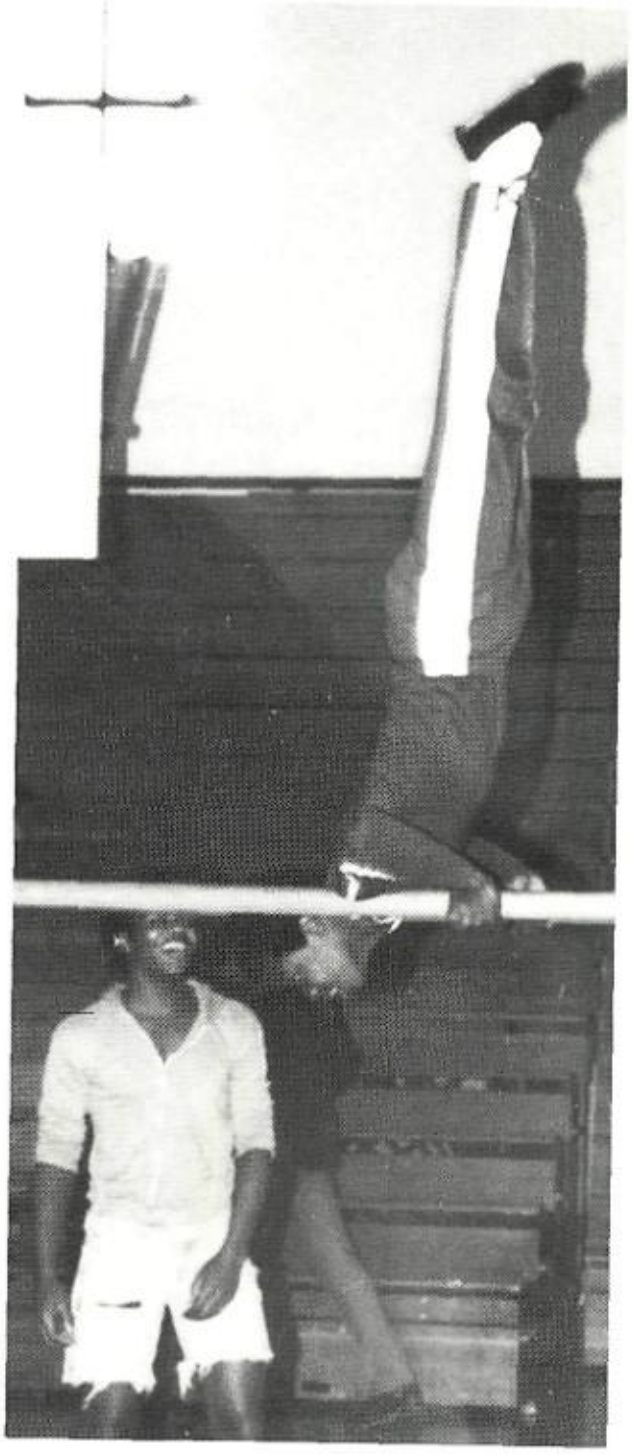
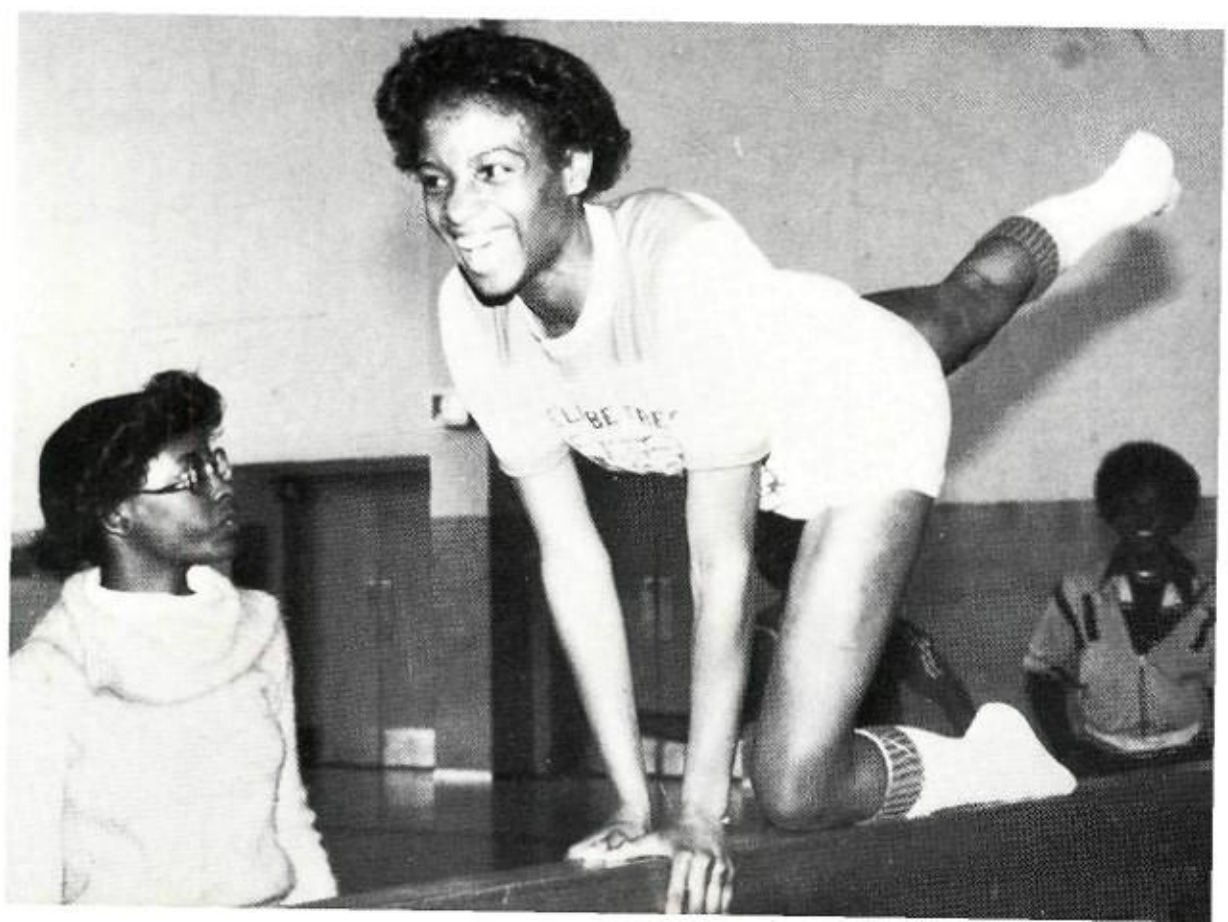
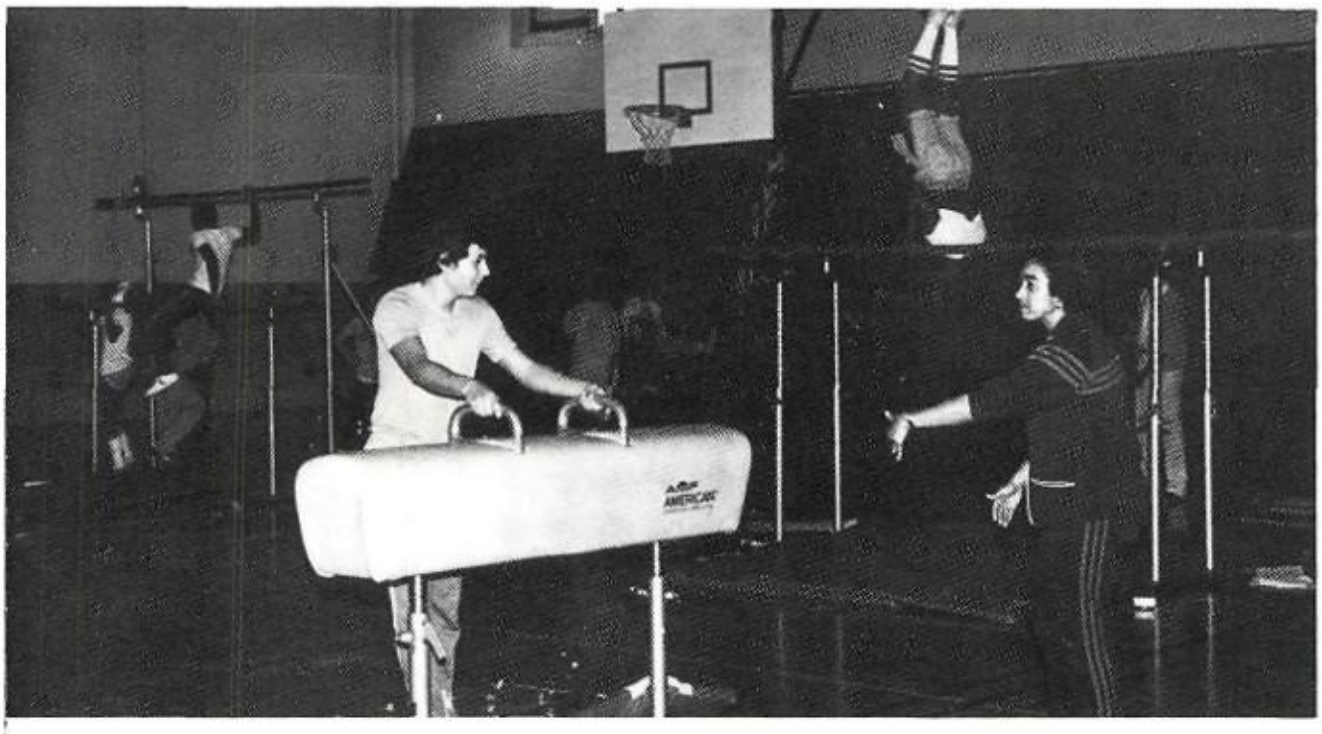
Recreative Arts Builds Strong Bodies and Minds



The Recreative Arts staff believes that Physical Education is an important part of the total educative process; Physical Education is fundamental. It aids in preparing students for life-long activities by emphasizing fitness, the worth of the individual and respect for individual differences. Through a well-balanced program, students learn movement that will enable them to master their bodies and environment.





Requirements for graduation:
5 quarters of Physical Education
Recreative Arts courses offered:
Outdoor Education
ROTC I, II, III, IV

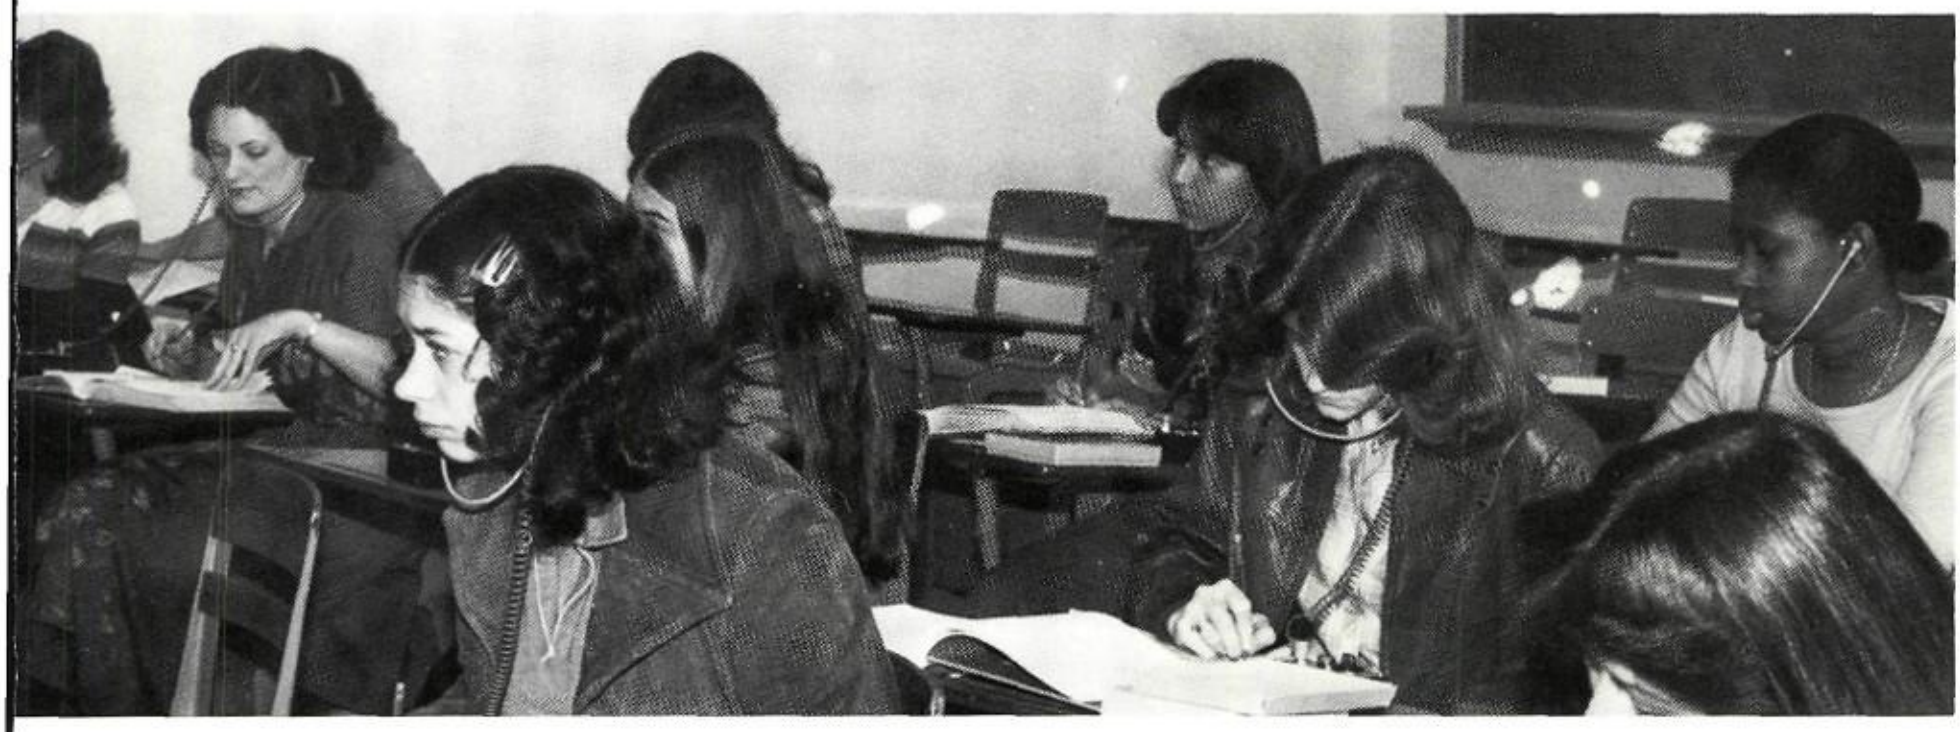
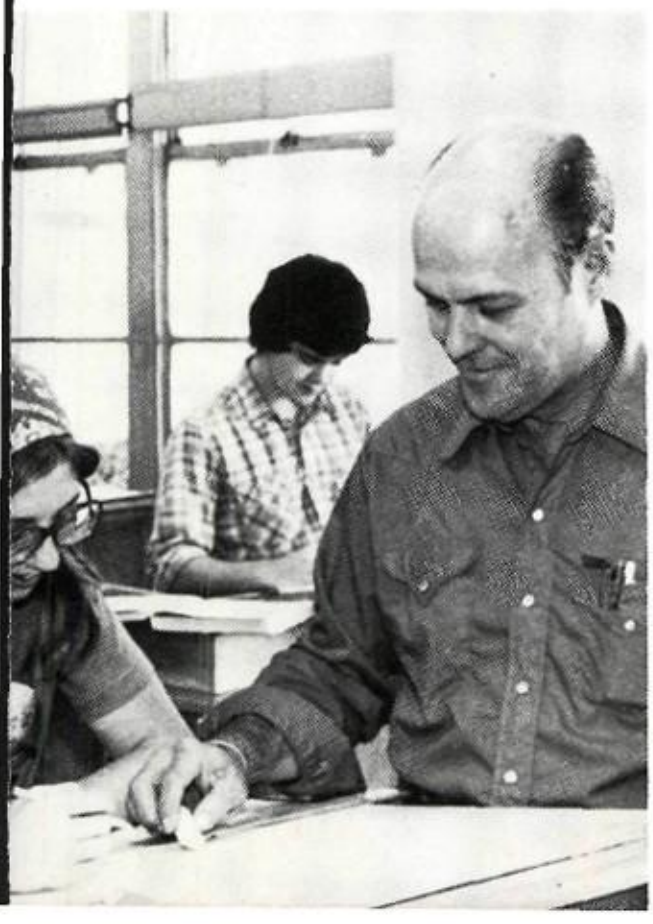
Cooperative courses offered: VOE, HECE, ICT, HOCT, CVAE, DE I, II





The Occupational Education team consists of four very diverse departments: Business Education, Career Cooperative Education, Homemaking and Industrial Arts. The common threads uniting these four groups are preparation for entry into the job market, and development of basic life skills. Preparation for employment varies from on-the-job training in the cooperative training programs to building the skills necessary to acquire a job either upon graduation or after further study. Business Education begins with a base of facts about the free enterprise system and makes the students aware of the roles business will play in their lives and of the jobs available. The Homemaking curriculum is directed toward preparing individuals to identify and to develop fundamental personal and family living skills. Industrial Arts explores the possibility of centering a life-style around a technically-oriented profession and obtaining knowledge of tools, machinery and safety procedures for personal use. Career Cooperative Education allows students to gain work experience while still in school by working half of each school day.

Social Studies Offers Curriculum For Today's Changing Environment

The faculty of the Social Studies Department believes in providing a program of study that embraces the economic, political, social and cultural activities of the people. By offering students these activities, teachers encourage them to develop values, attitudes and skills needed to function in society. The staff feels that Social Studies is necessary training for students who wish to become educated citizens.

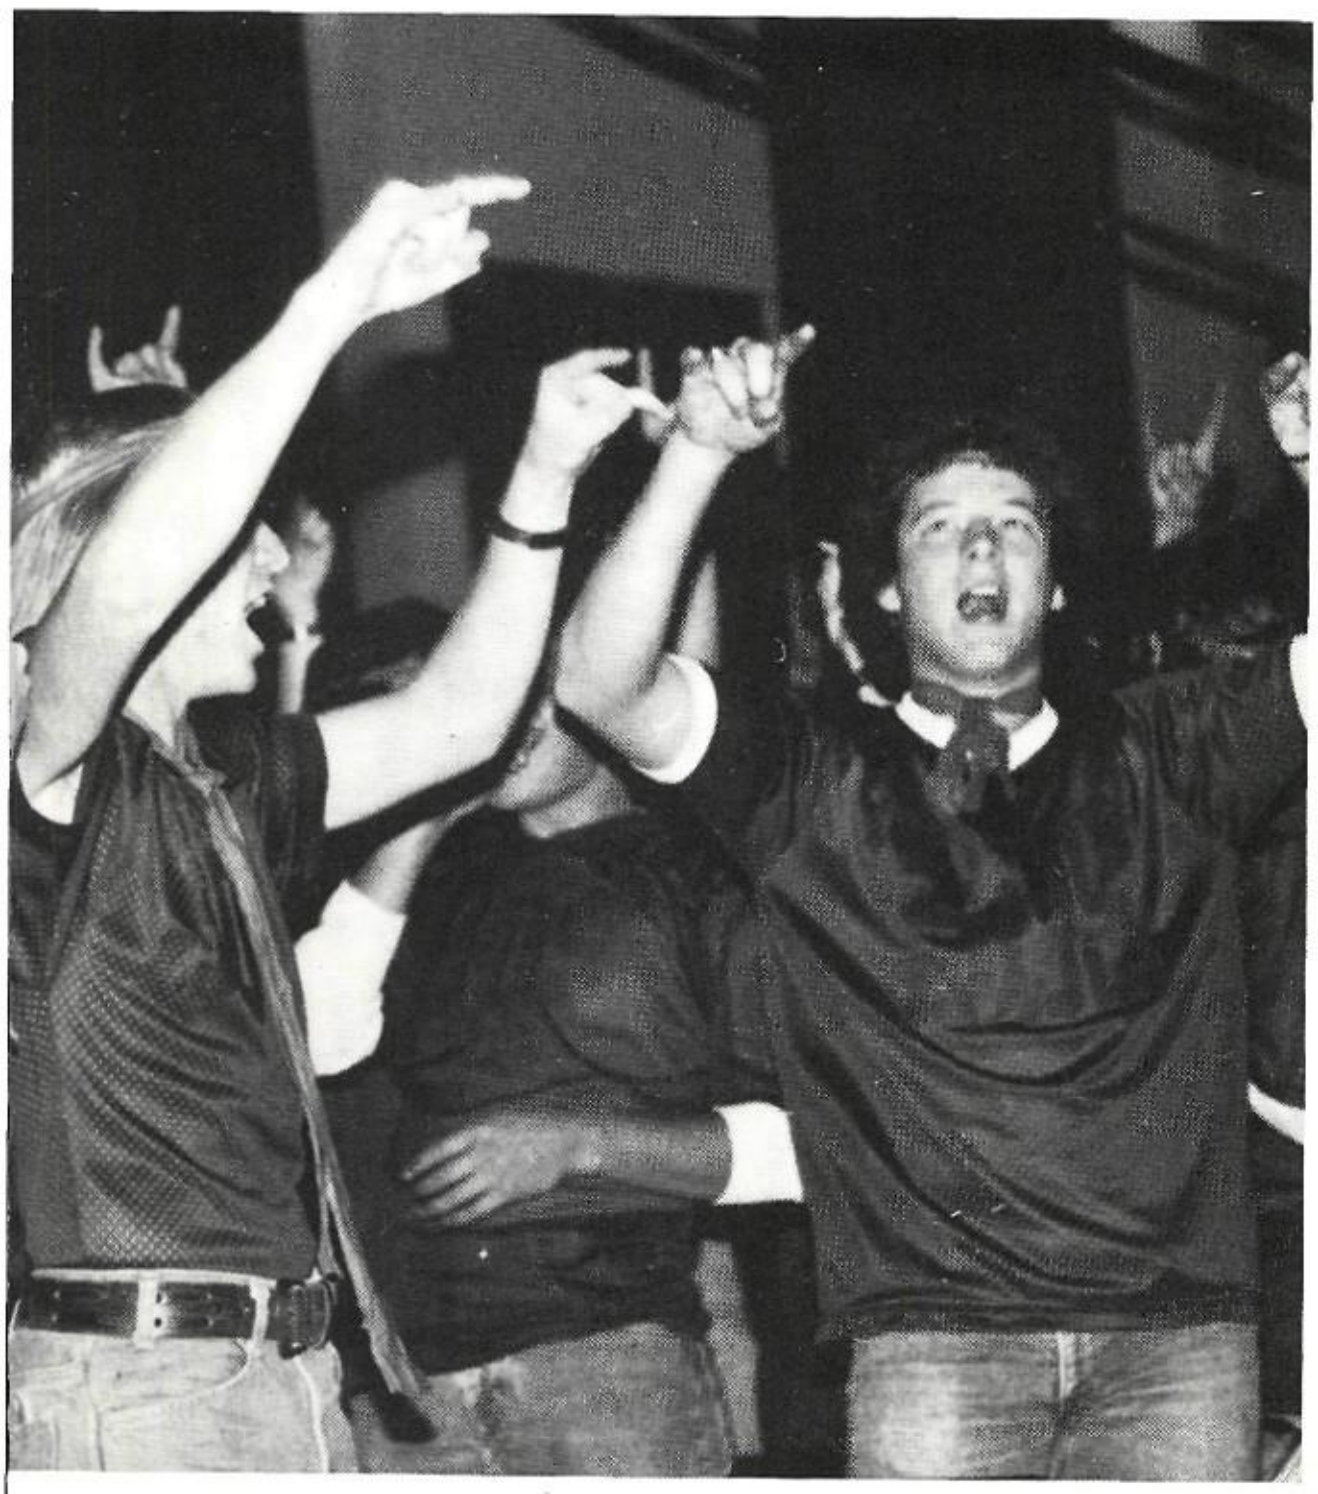
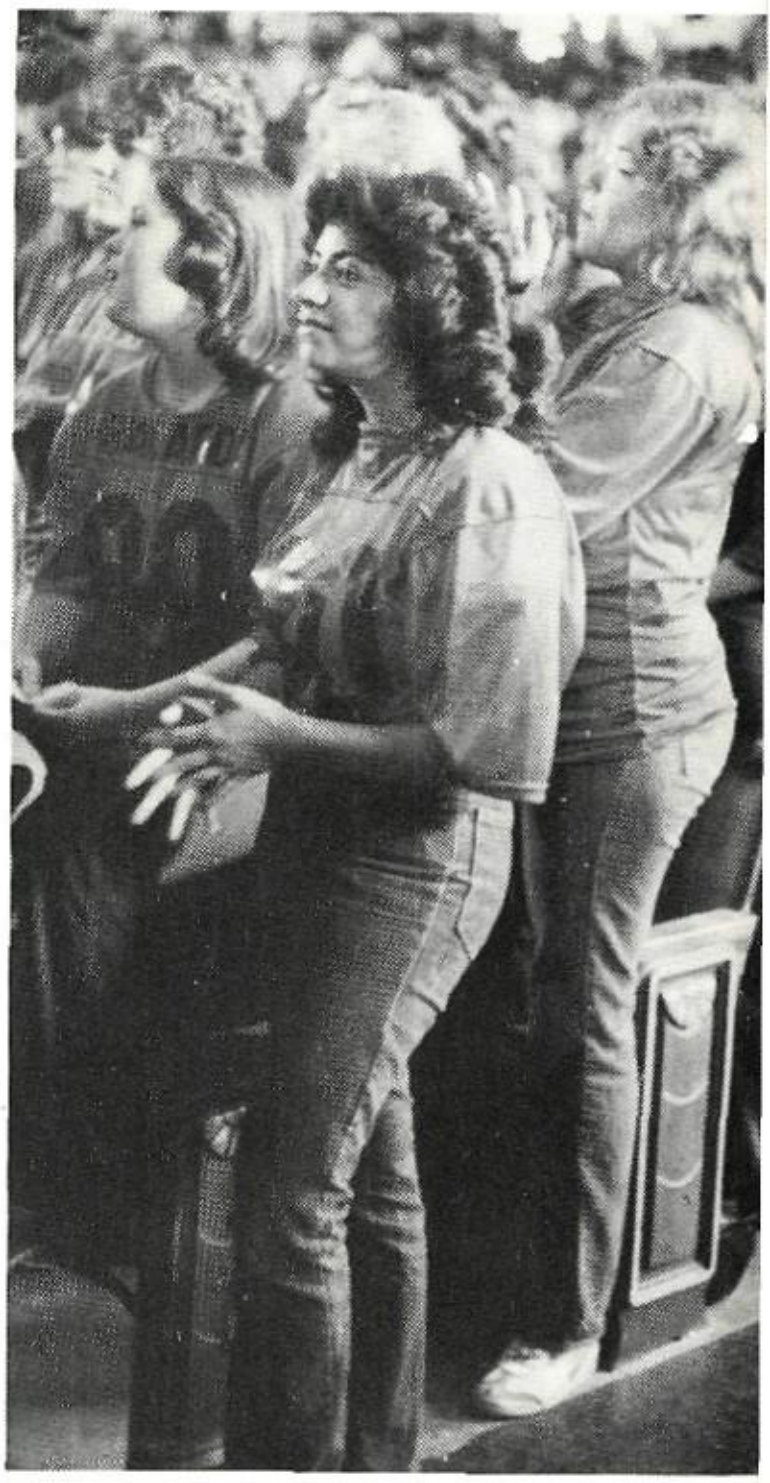
Give Me a Red, Red, Red!

Give Me a Blue, Blue, Blue!





The SOS proved all year that the spirit of the Seniors of '80 was not to be surpassed. As winners of the spirit sticks, they were leaders in the pep assemblies. The red and blue rivalry was evident throughout the year.

Opposite Page: *Upper Left,* Carter cow girls are spirited with the announcement of the Homecoming nominees at the Carter pep assembly. *Lower Left,* BLUE!!! *Lower Right,* SOS Board members Quintin Stephens, Cheryl Hazel and Whitney Green get down! **This Page:** *Upper Left,* "We want Bison Blood!!!" *Upper Right,* SOS girls watch the Troubs perform at the SOC pep assembly. *Lower Left,* Board members Philip Gaudin, Tommy Rea and Jerry Alexander cheer as the football players enter at the Madison pep assembly.

The biggest change in Marching Band this year was the Corps style percussion. This change was seen in new uniforms for the drummers, new equipment and an enlarged section. Two highlights of the year were playing at the pregame of the S.M.U.-Texas Tech game and U.I.L. competition. They also will be going to Pensacola for the Fiesta of Five Flags this summer. Among other changes the band was enhanced by Dr. McCloudy, the new assistant director.

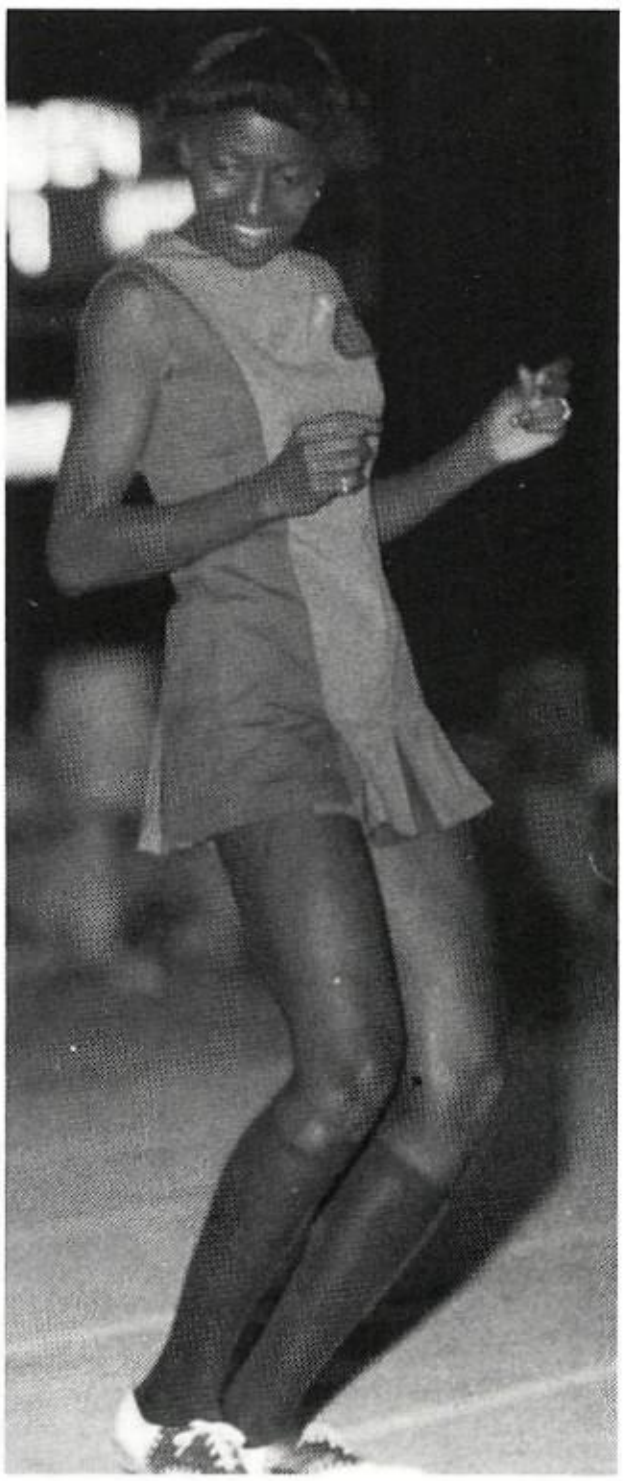
Hey, All You Kimball Fans, Stand Up and Clap Your Hands!

"Audience participation at the pep assemblies and incorporation of cheers and chants to go with the plays at the football games were our biggest challenges this year," said cheerleader Vicki White.

The 1979-80 Varsity Cheerleaders with enormous help from Sir Justin, Victor Canales, made the pep assemblies and games very spirited and memorable events.

Energy and dedication were qualities that the nine cheerleaders agreed new sponsor, Ms. Jaseckas, possessed. "I put something into this organization and got something out of it," said Ms. Jaceckas.



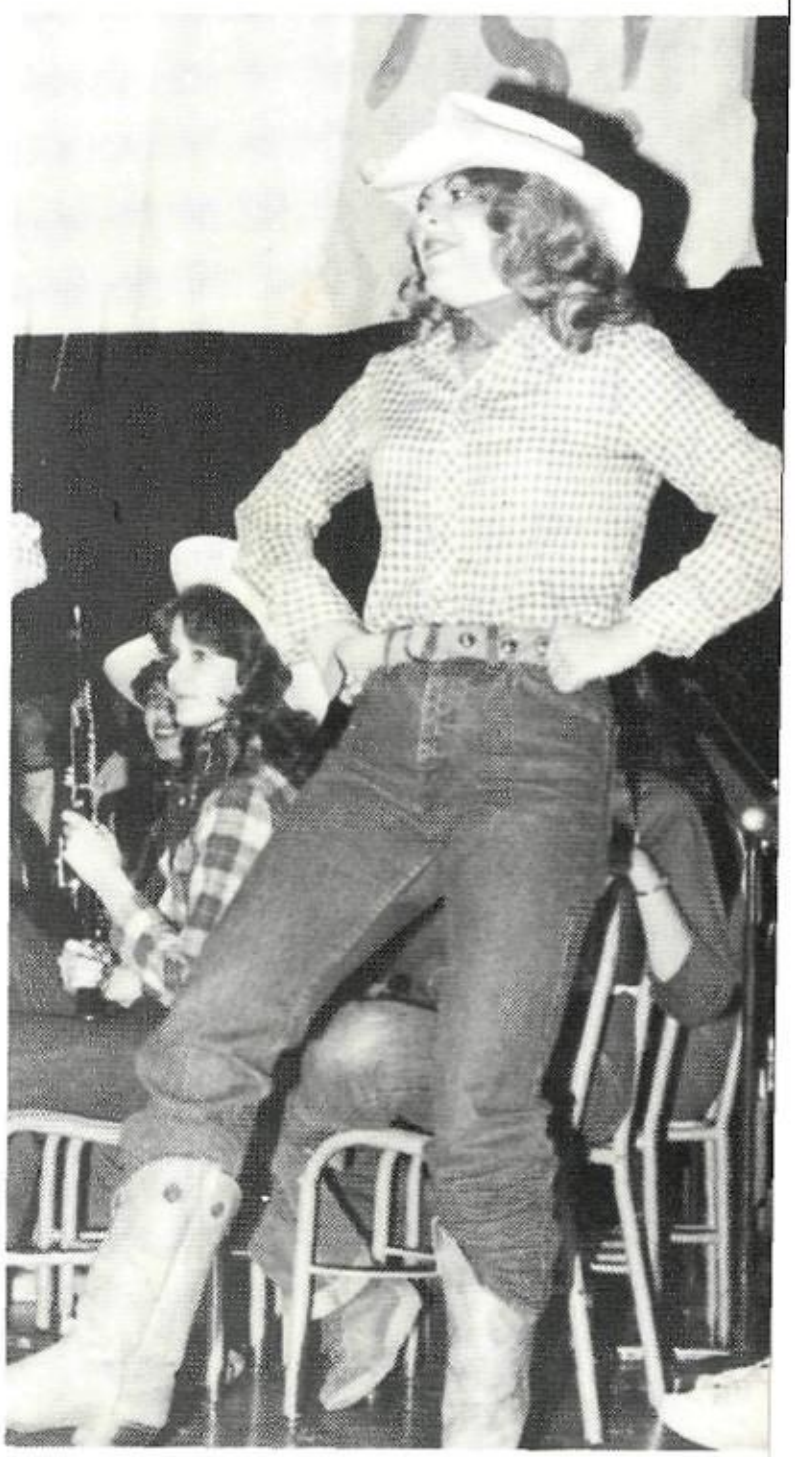
Opposite Page: *Upper Right,* cheerleaders sing school song. *Lower Right,* cheerleaders wait before next cheer while the football team is being announced. **This Page:** *Upper Left,* Kelly Spicer chants, "You Ugly." *Upper Right,* the cheerleaders begin to hold up the spirit sign. *Center Left,* Tammy Allen, jams to "Long Train." *Center Right,* cheerleaders attention is caught for a moment. *Lower Left,* Lori King and Kim Gilleland begin their dismounts from Keven Jones and Kenneth Jenkins.

Kimball Troubadears Are Strictly Show Biz

For the 1979-80 Troubadears it was a year of development and growth. Hard practices in the morning as well as in the afternoon led to the excellent performances at the football games.

"No Business like Show Business" was a traditional routine performed at many games.

The last week of football season was memorable for the Troubs with such highlights as having the pajama and beach parties, throwing the officers in the showers and gathering in the foyer of the gym after the last game to reminisce about the season.



Opposite Page: *Upper Left,* Troubs form a line to enter onto the field. *Upper Right,* Leslie Smith performs "Ease On Down The Road." *Lower Right,* The Troubs of the week perform at the Roosevelt pep assembly. **This Page:** *Upper Left,* The Troubs cheer in the stands at the Madison game. *Upper Right,* Lieutenant Jan Wood performs to "Cotton Eye Joe." *Lower Left,* Lori Hill, Vanessa Alonso and Cynthia Sloan await a ripple.

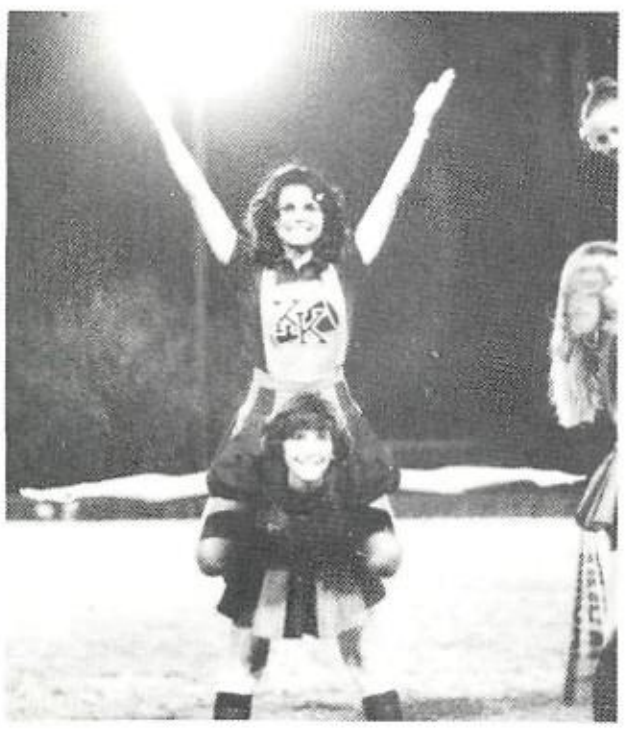
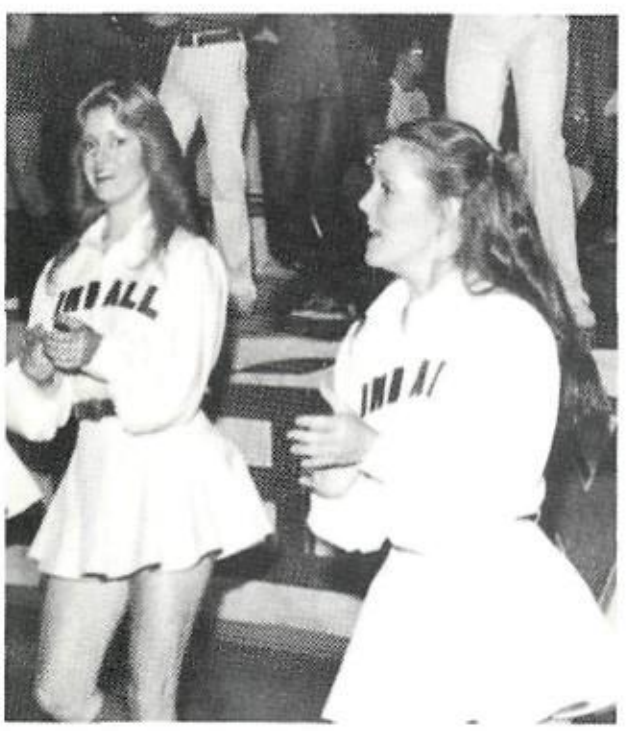
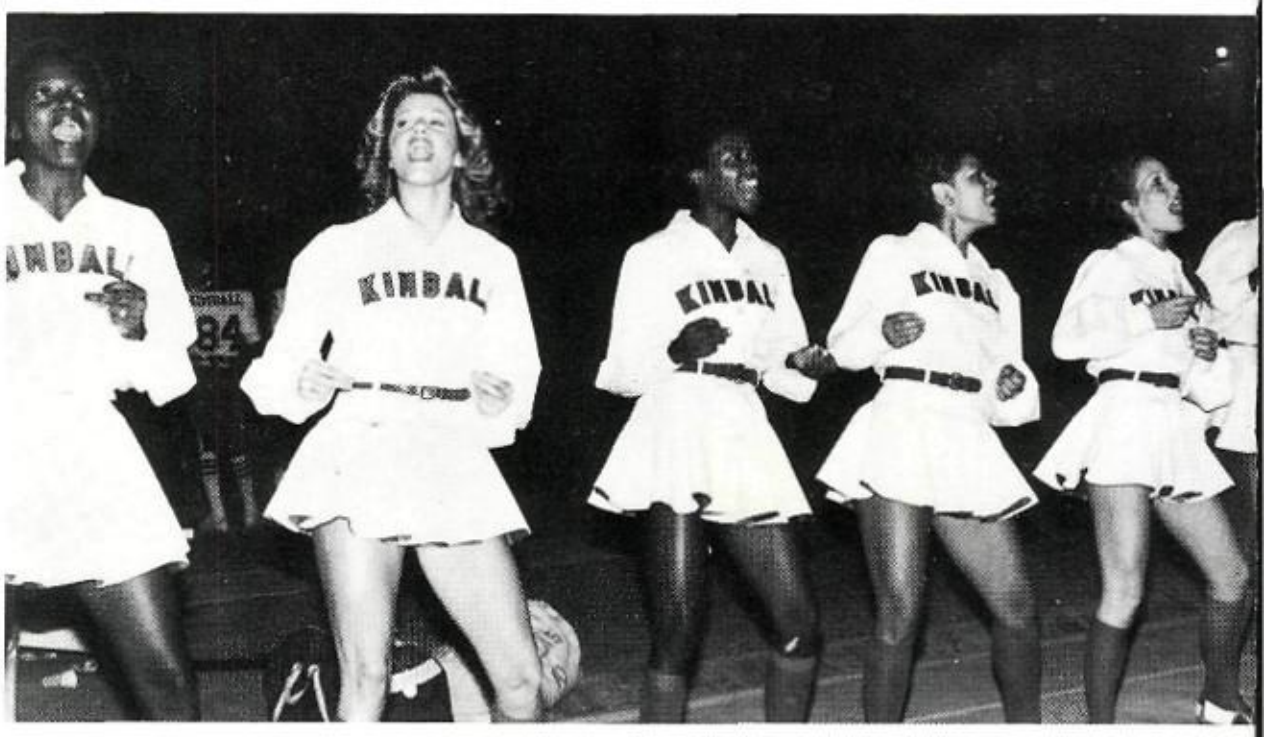
J.V. Has Spirited Year





For the first time in history Kimball had an all-girl J.V. Cheerleading squad.

During the summer, they went to UT Austin and won a superior rating at the National Cheerleading Association Camp. Although Ms. Jasec-kas was in her first year as sponsor, the girls found her very helpful. "She did an exceptional job in such a short time," said Nana Vasquez.



Opposite Page: *Upper Left,* Toni Bates does her thing. *Upper Center,* Nana Vasquez and Melissa Hinton perform a stunt. *Lower Center,* Shannon Smith and Tracy Lancaster get it together! *Upper Right,* Melissa Hinton leads a cheer. *Lower Right,* The J.V. cheers it up! **This Page:** *Upper Left,* Tina Mathis and Nana Vasquez decorate for Homecoming. *Upper Right,* Tracy Lancaster dances in the aisles. *Lower Right,* J.V. on stage at the Homecoming pep assembly.

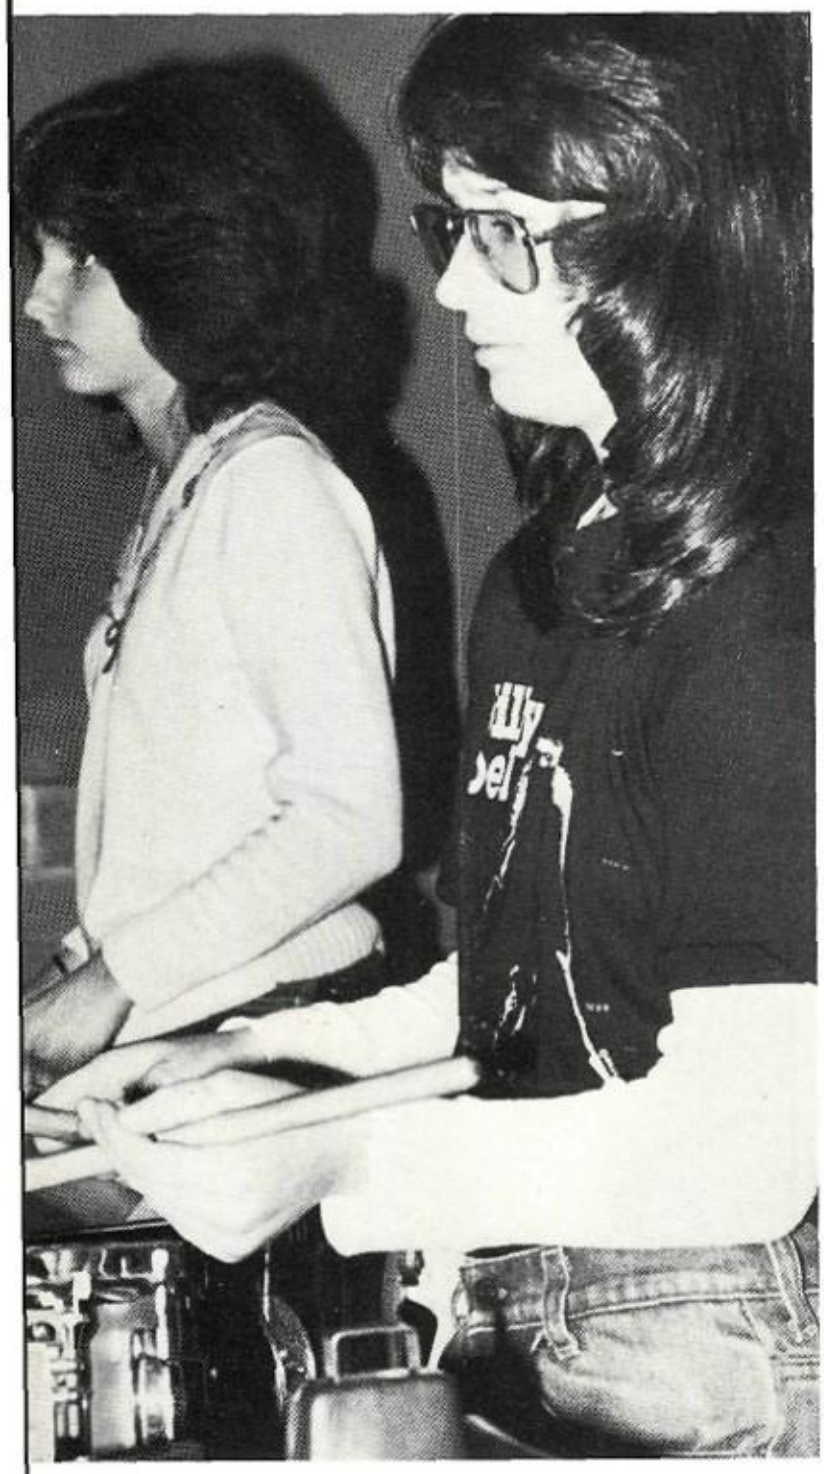
This year's group began its third year with hopes of becoming a superior Flag Corps. During the summer they attended summer camp at East Texas State University. The Corps also participated in marching band contests and performed during halftime at Kimball football games. Mr. Shipman, their sponsor, was pleased with their progress. "The Corps had its most successful year," said Shipman.

Thespians Produce Movie

The Thespian Society's main project was the Thespian Movie which was produced, directed and written by Wayne Shipp. The movie was dedicated to the graduating Thespians of 1980. "A lot of my friends are graduating and I wanted something solid to remember them by," said Wayne.

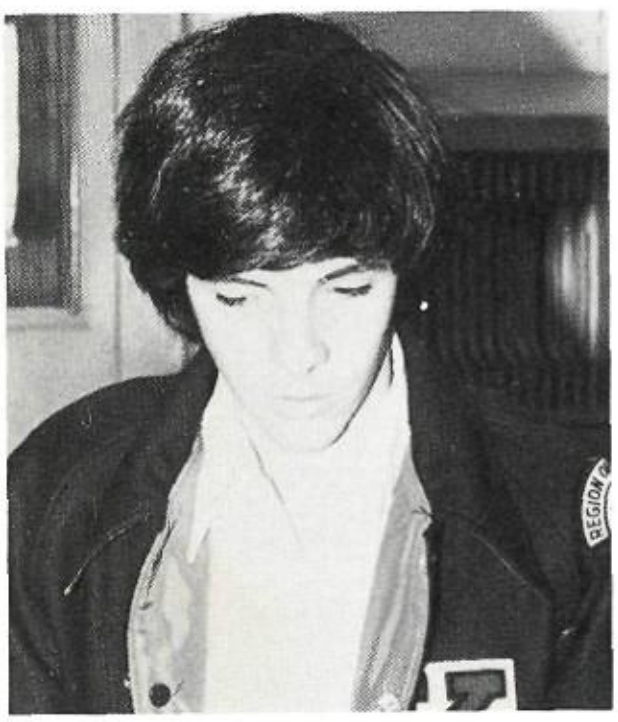
Activities that the Thespian Society participated in were the World's Fair and their annual Brown Bag Theatre in May. Stephen F. Austin State University presented "You Can't Take It With You," at Kimball and the Thespians acted as hosts for their presentation.

Lab Bands Give Students The Opportunity to Perform



"The lab band program was established to give students the opportunity to play the music of a stage band and to experience performing ad lib solos," said assistant band director, Dr. McCloudy.

The Knight beats and 5th Hour lab bands attended the DISD and Mountain View Stage Band Festivals. They held a spring concert and performed at various community and church activities.



Opposite Page: *Upper Left*, Lisa Schwartz and Cathy Ballard play the drums. *Upper Right*, Scott Coleman plays his trombone. *Center*, The Knight Beats play "Dirty Old Man." *Lower Left*, Robert Brazile uses his talents at the keyboard. *Lower Right*, Amy Golden follows the music while playing the sax. **This Page:** *Upper Left*, 5th Hour practices "Killer Joe". *Upper Right*, Robby Dolehite takes a break while John Rushing and Max Adams play the electric guitar. *Center Right*, Kevin Herdin and Dana Riggs play a number on the trumpet. *Lower*, David Pickerell plays the keyboard with Max Adams on the electric guitar.

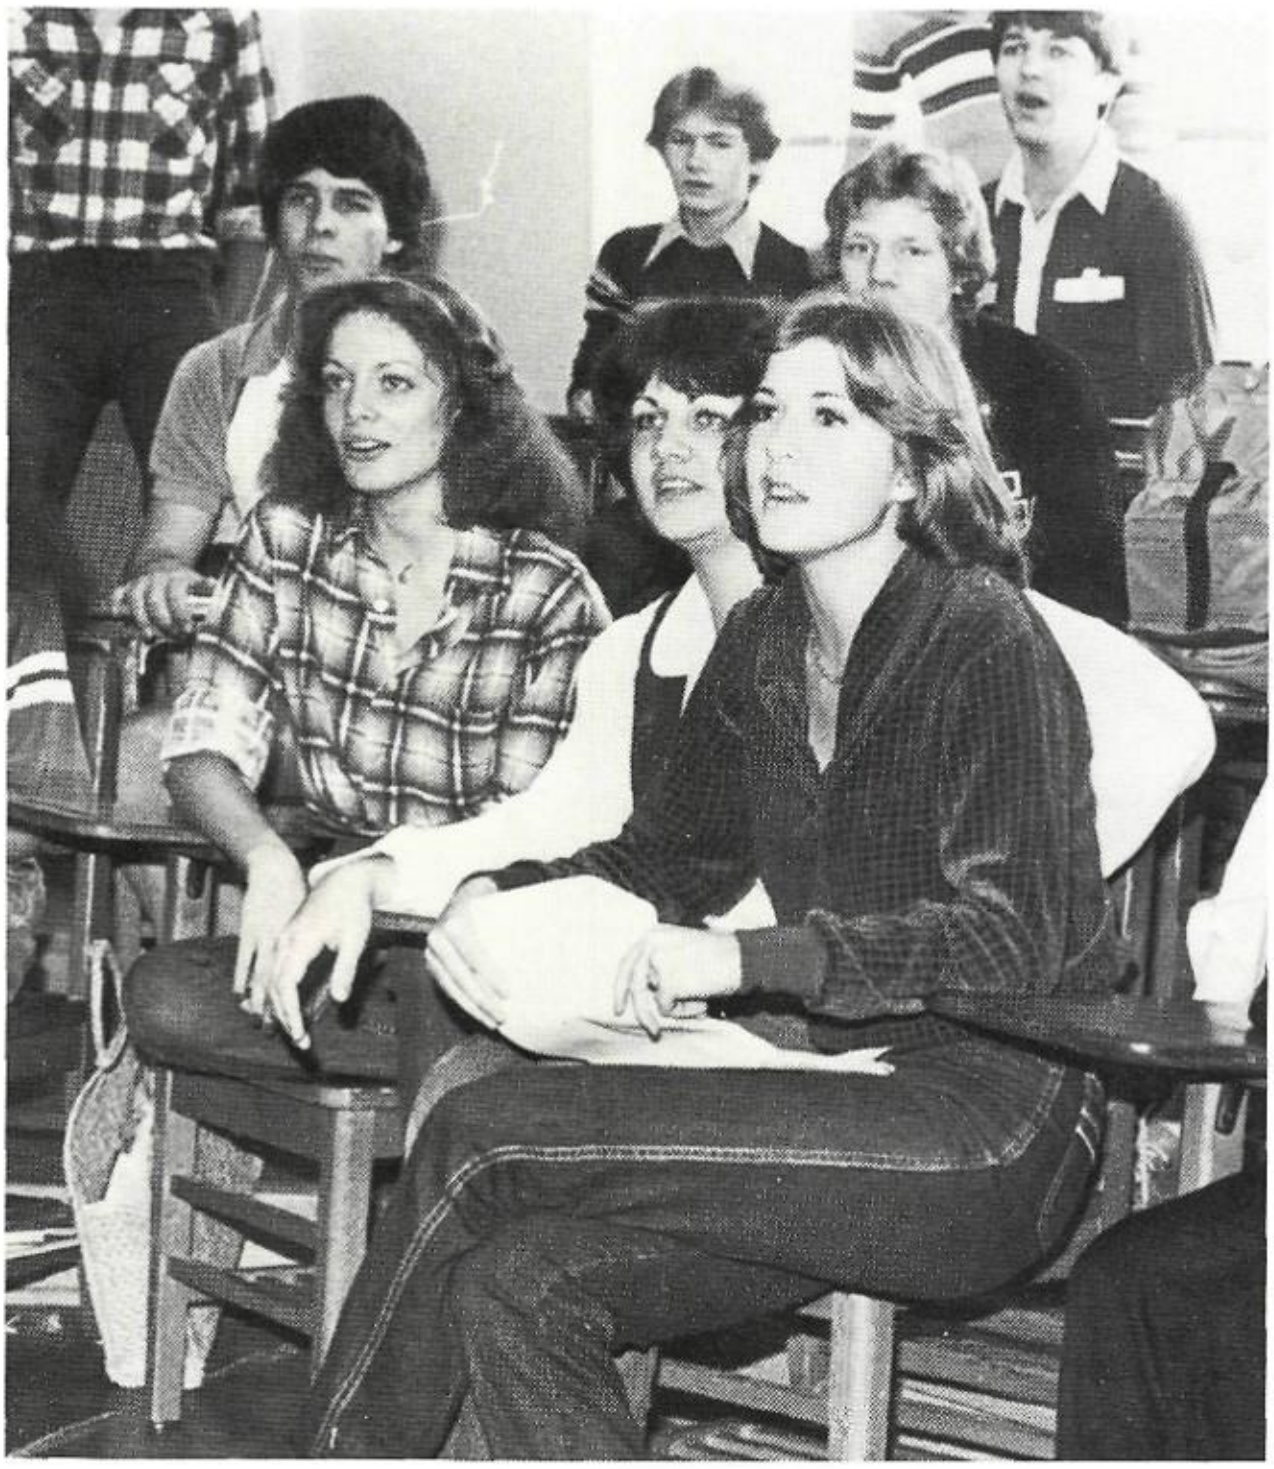
Orchestra Appreciates Director

Under the direction of Ms. Wright, the orchestra faired well at UIL competition. They also performed for the Christmas Musical, "Scrooge." The spring musical, "Guys and Dolls", and various city hospitals.

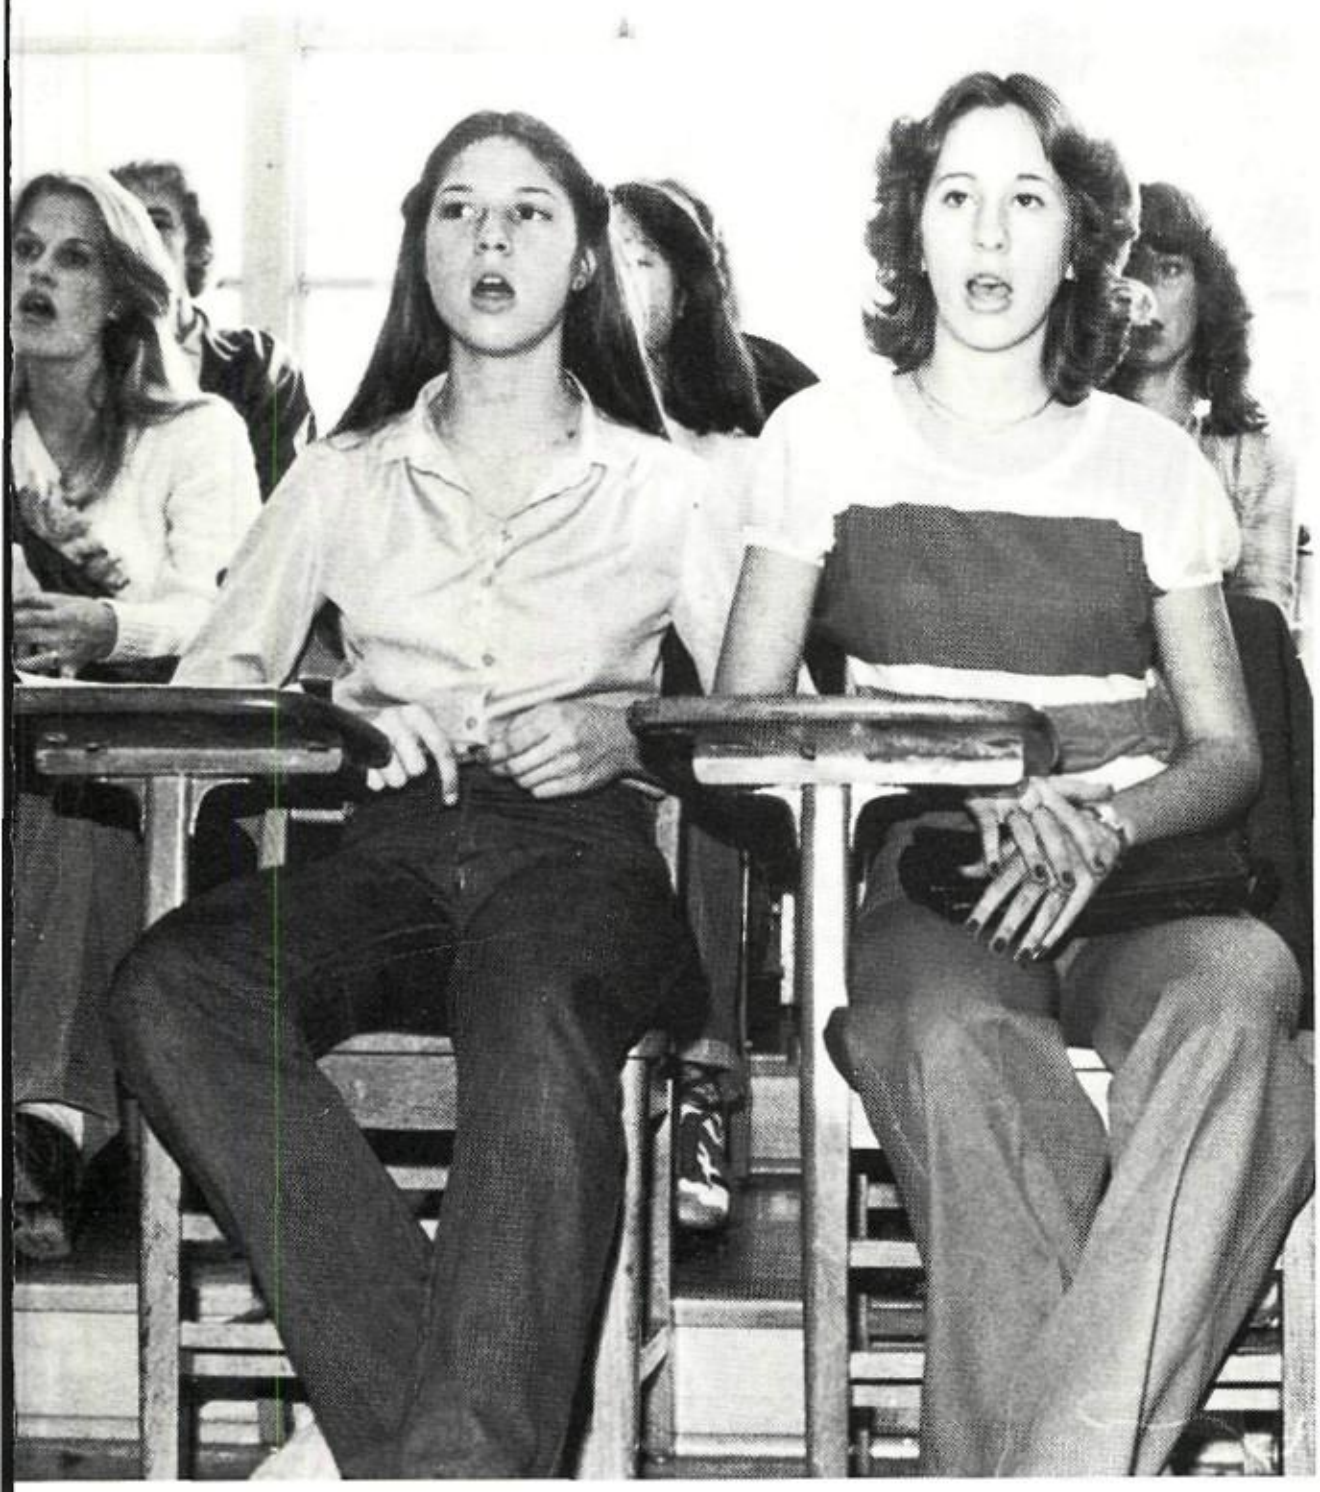
Orchestra students appreciate the knowledge and helpfulness of their director. "Ms. Wright is the greatest!" said Sherry Rice.

Opposite Page: *Upper Left,* Scott Metcalf rehearses for the Christmas musical. *Upper Right,* Margret Blute concentrates on her music. *Lower Right,* John Ambler and Doris Berrick rehearse in the pit. **This Page:** *Upper Left,* Kathie Smith plays her flute. *Upper Center,* Sherry Rice concentrates on her music. *Upper Right,* Cathy Ballard and Julie Randolph wait for their cue from Ms. Wright. *Center,* Scott Coleman and Eric Gunter play at the Christmas musical. *Lower Left,* The violin section rehearses.

Choir Unites to Maintain Quality



"It is a difficult task to maintain high standards in a changing environment, but I am immensely proud of the choir for pulling it off," said choir director Mr. Bryan. For Christmas the concert choir presented an original version of *A Christmas Carol*, which was adapted by Mr. Bryan, directed by Mr. Atherton and conducted by Ms. Wright. In April, the Chorale performed with the NTSU Symphony Orchestra and the entire choir presented *Guys and Dolls*, which was directed by Mr. Bryan.

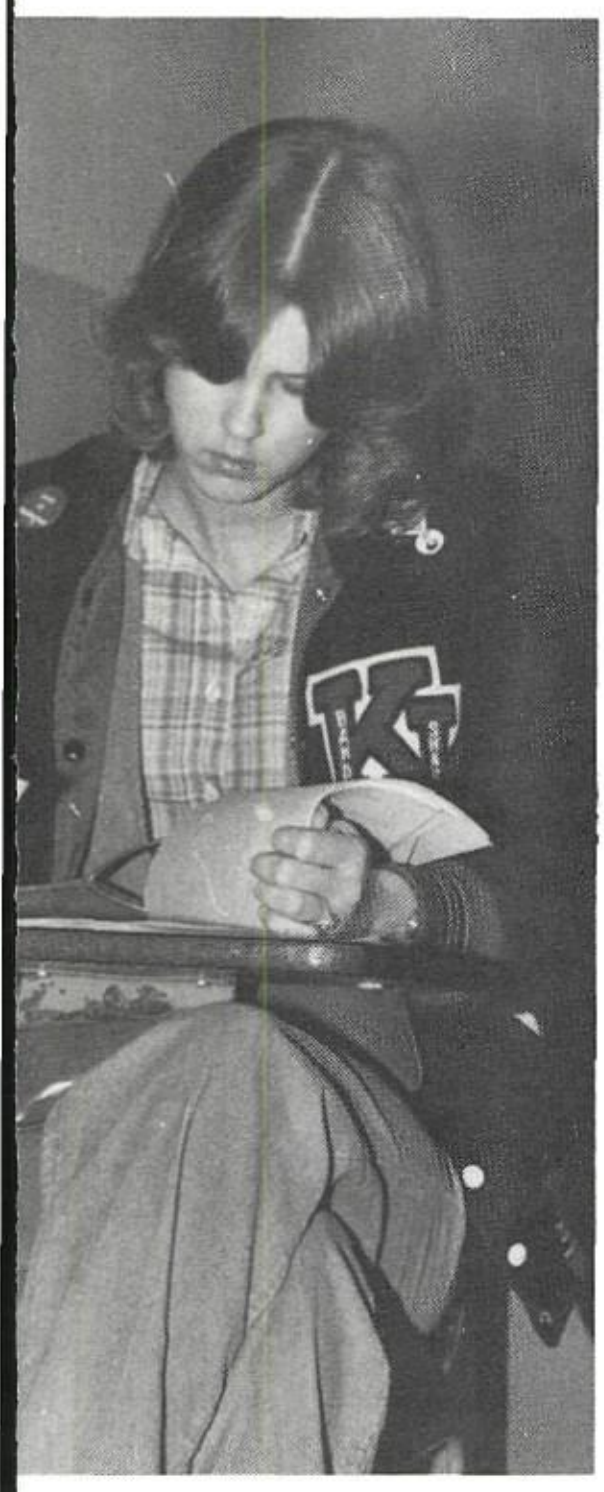


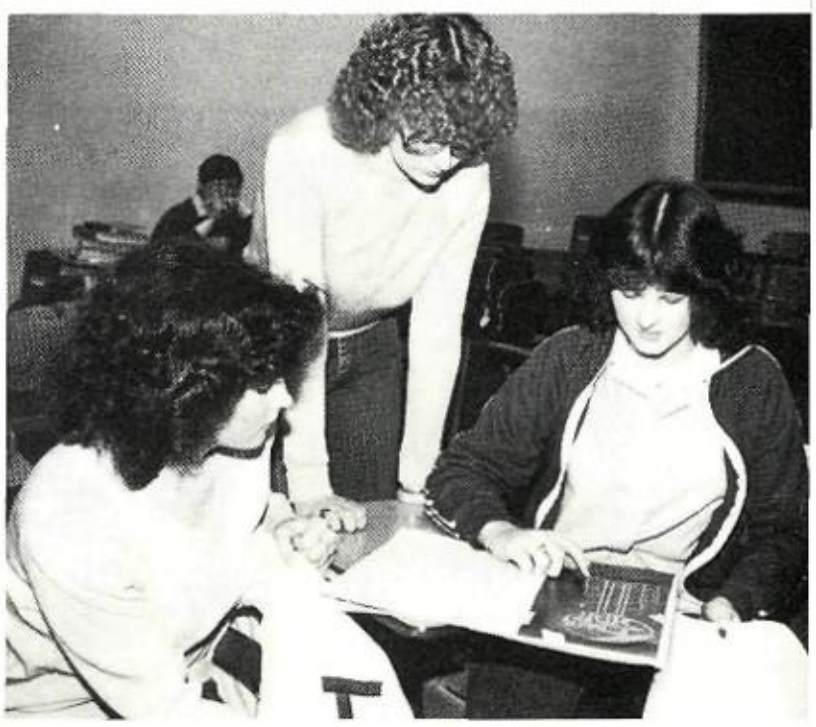
Opposite Page: *Upper Left,* Chorale members rehearse. *Upper Right,* Mr. Atherton plays for the choir. *Lower Right,* Choralier members sing during class. **This Page:** *Upper Left,* Meg Acker, Susan Metcalf, Susie Case and Lori Sloan sing Christmas music. *Upper Right,* Marsha Britton perfroms a solo. *Lower Left,* Mendy Hill and LaDonna Bragg rehearse for the Christmas musical.

New Tyme Syngers Set the Tone for the '80's

The New Tyme Syngers used guitars, bass, piano and drums to vitalize their music. The group of 11 boys and 8 girls entertained at area social events throughout Dallas. Some of the places they sang included Loew's Anatole and the Jazz Ensemble Contest in February. Under the direction of Mr. Bryan, the New Tyme Syngers continued their fine Kimball tradition of excellence.

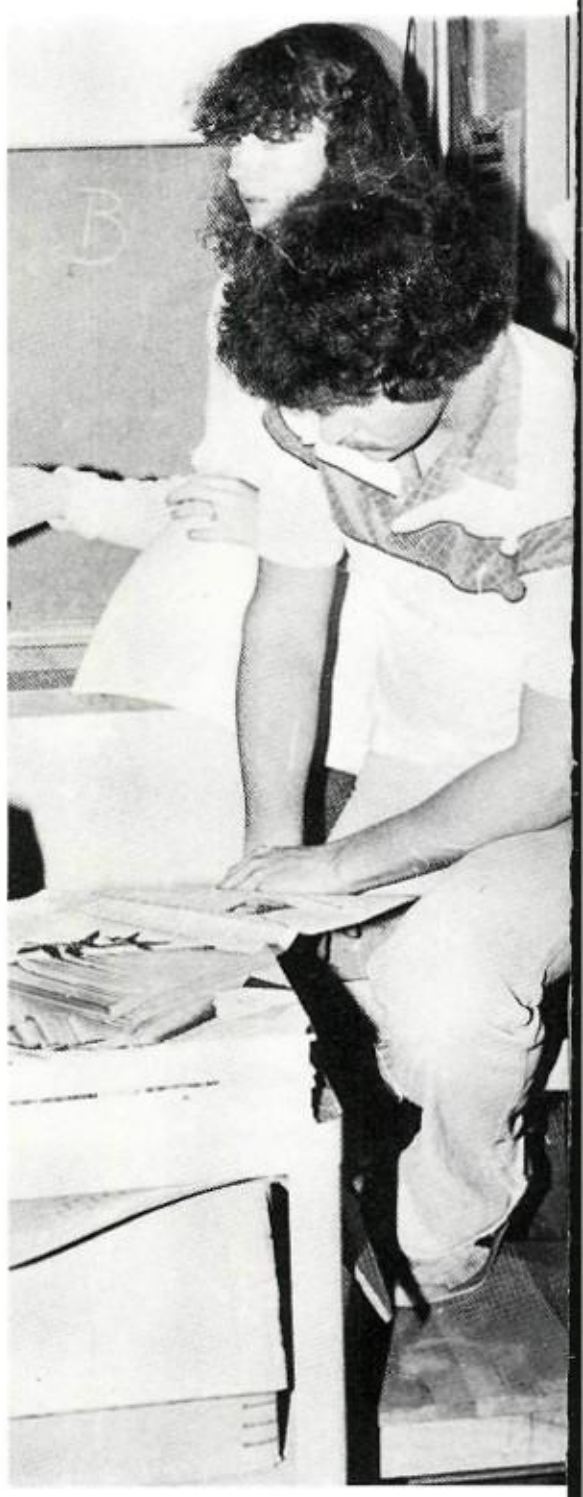
Literary Magazine Publishes Student Works





Idylls from the Tower, Kimball's literary magazine, publishes poems, short stories and artwork. These works are all submitted by Kimball students. To help learn analyzing techniques, the editors attended a seminar in Denton. "Mrs. Morriss has done a great job with the magazine over the years," said Linda Chipman.

Opposite Page: *Upper Left*, Holli Gabbert and Paul Carmona sing "California Dreaming." *Upper Center*, Michele Bone and Bill Sheets sing at the Anatole. *Center*, New Tyme members perform at the Anatole. *Upper Right*, Marsha Britton warms up on the guitar. *Lower Right*, The New Tymes at morning practice. **This Page:** *Upper Left*, Mrs. Morriss approves a story for Marnita Bell. *Upper Right*, Margaret Blute proof reads a story. *Lower Left*, Sharon Carter sorts through various entries. *Center*, Tim George looks through a file. *Center Right*, Linda Chipman, Kaye Clark, and Holli Hollis examine some artwork.



The Knight Life staff produced a bigger and better newspaper this year with the help of the Journalism I students. Monthly papers, as well as subscriptions, increased readership. The staff was then able to produce an eight page paper instead of the usual four. "Such a large staff made it easier to put out a quality newspaper that Kimball students could be proud of," said Knight Life Sponsor Ms. Childers.

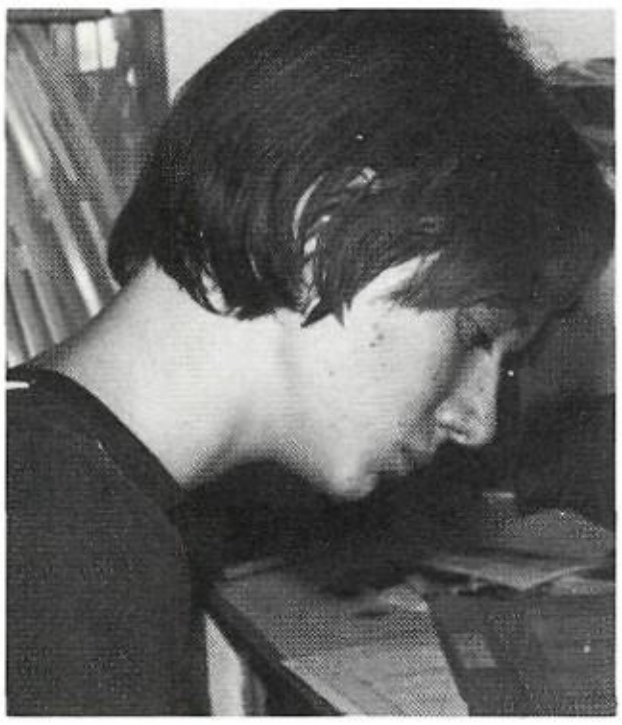
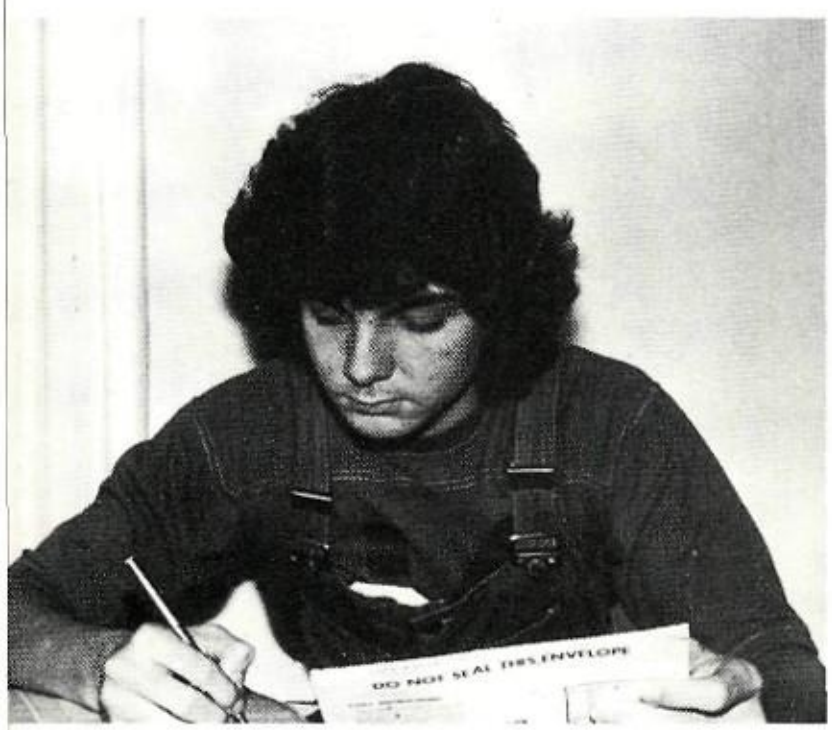
EXCALIBUR 1980,
The Beginning of New Tradition





The yearbook staff began the long process of putting this book together a year before it was to be published. July 21-27, staff members attended a journalism workshop at S.M.U. where the theme and layout style were developed. When school began, the EXCALIBUR staff met daily 7th period, but it was not uncommon to find them all working late most days to produce a yearbook that they were proud to call the 1980 EXCALIBUR.

Staff members agreed that dedication and the ability to handle pressure were two character qualities they learned from the yearbook work. "These qualities are essential to life, and to producing a yearbook of Kimball quality — the best!" concluded the staff.

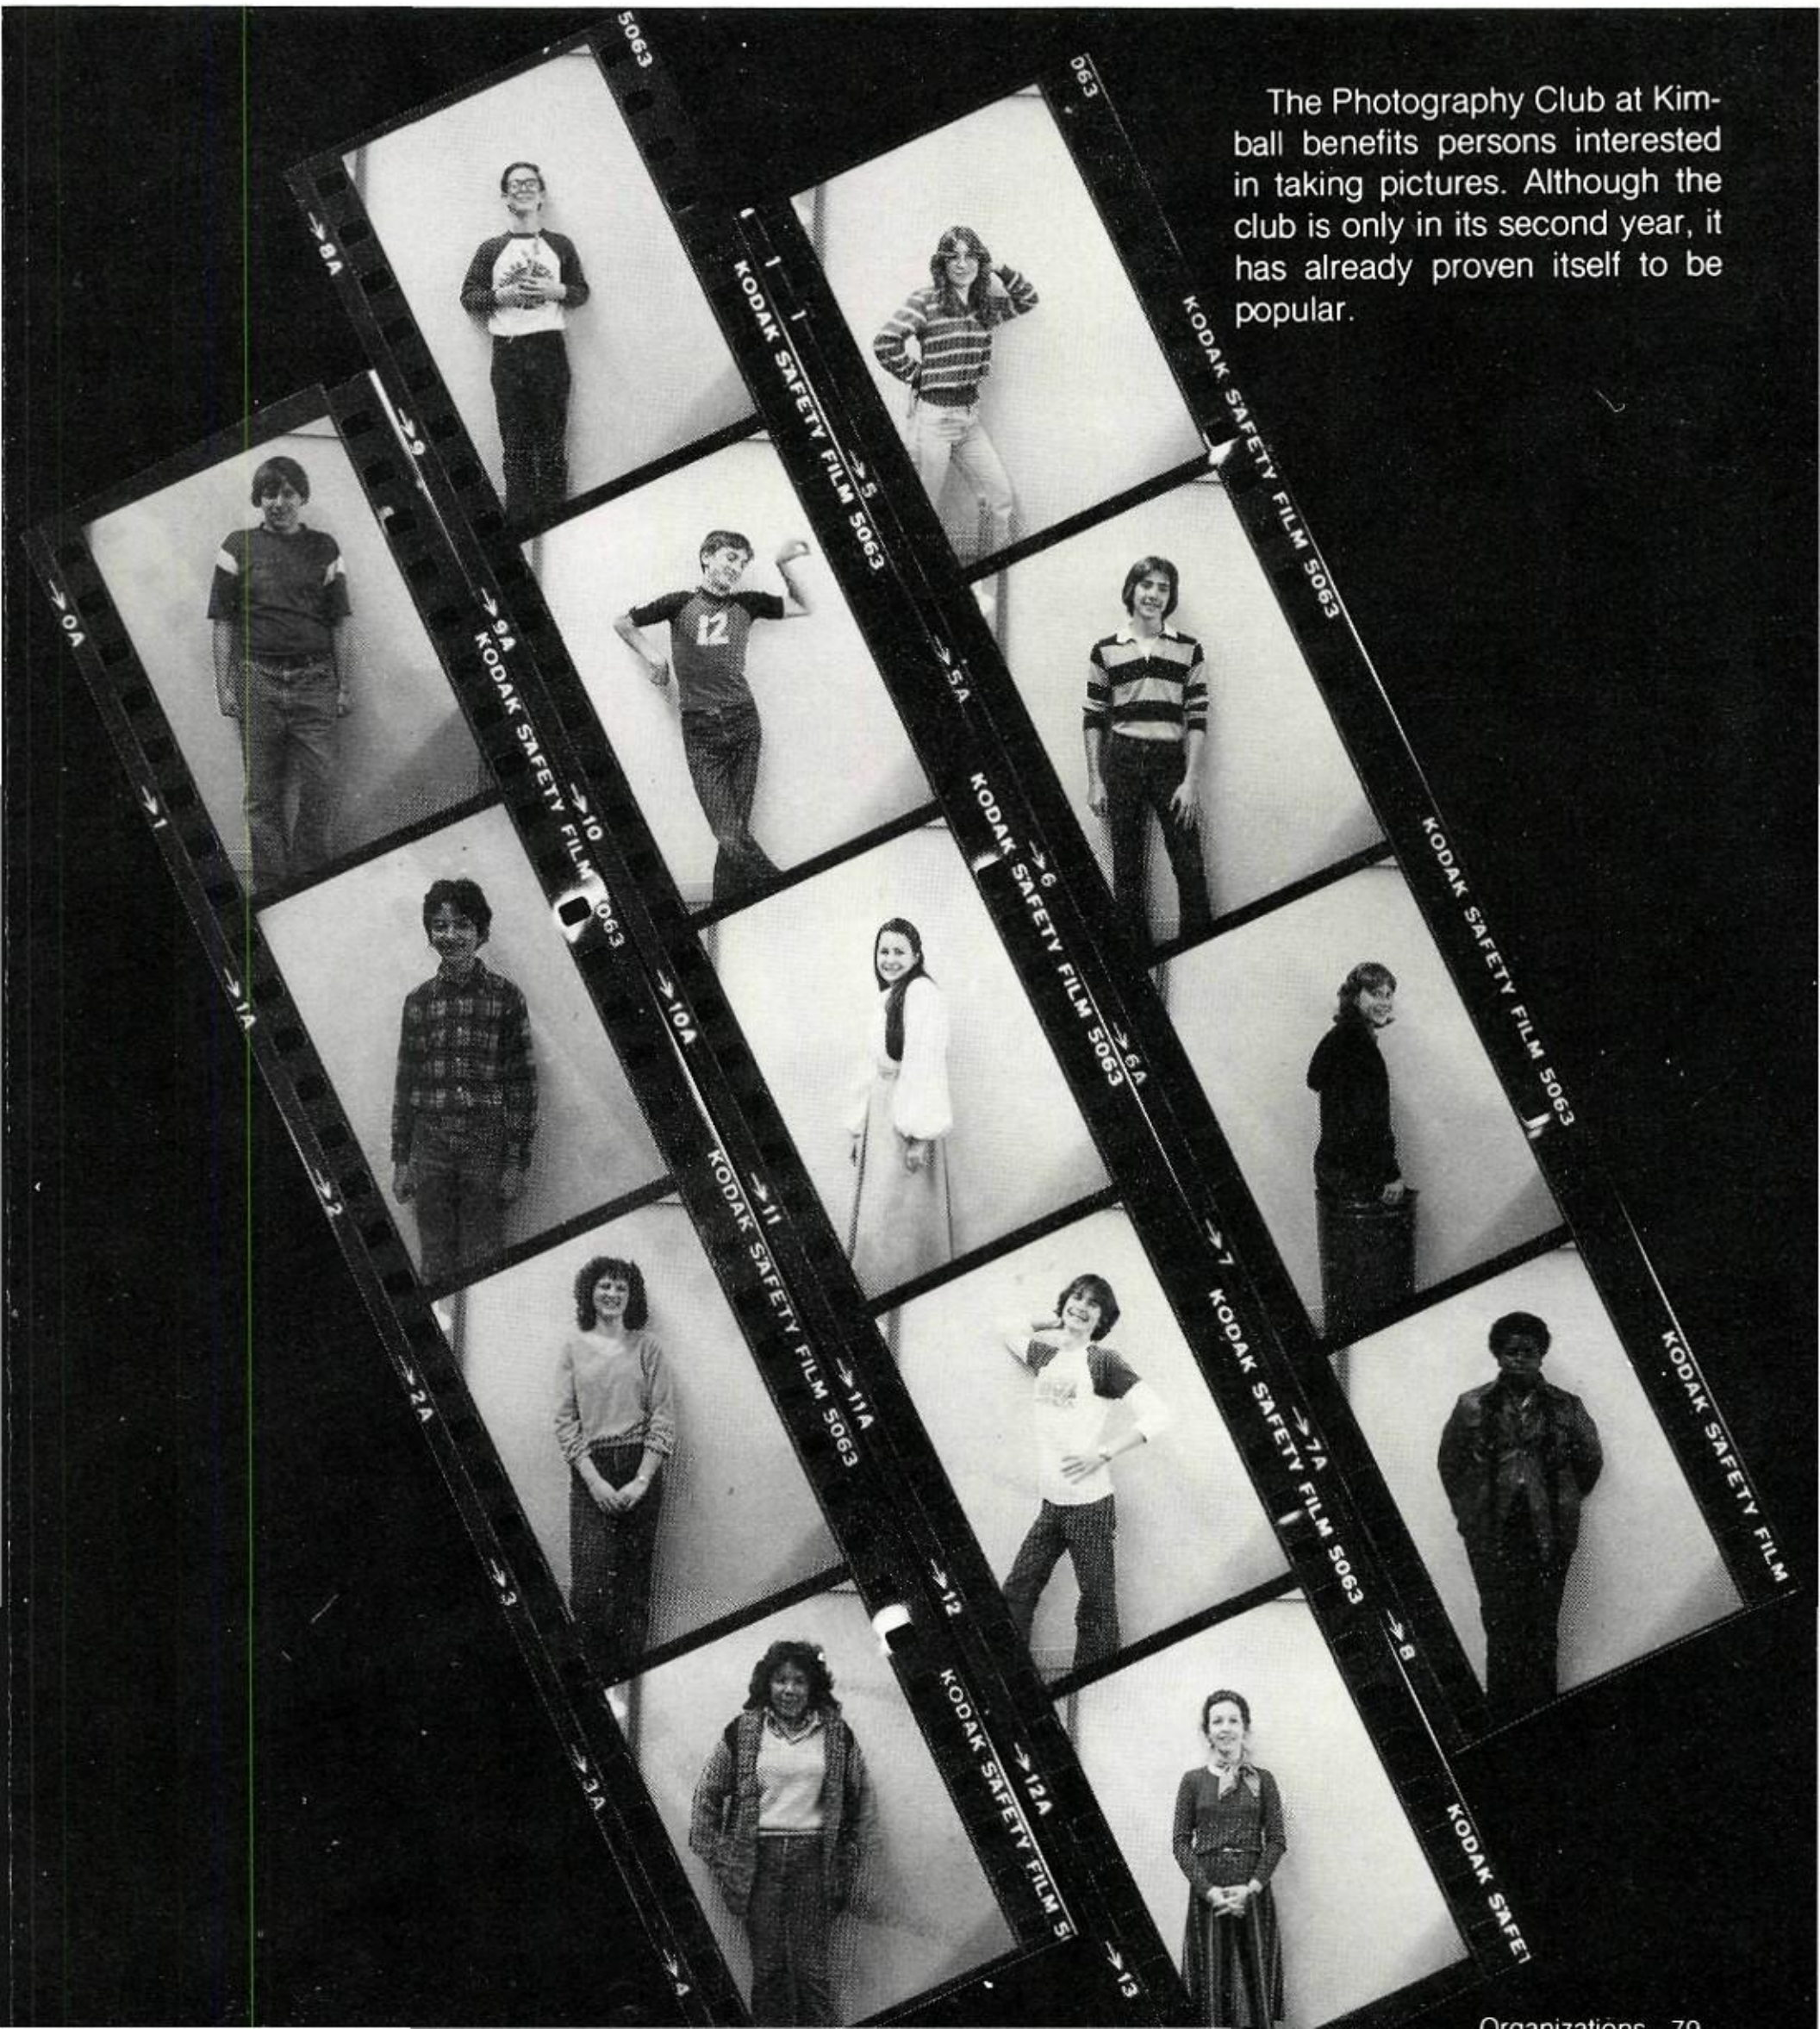
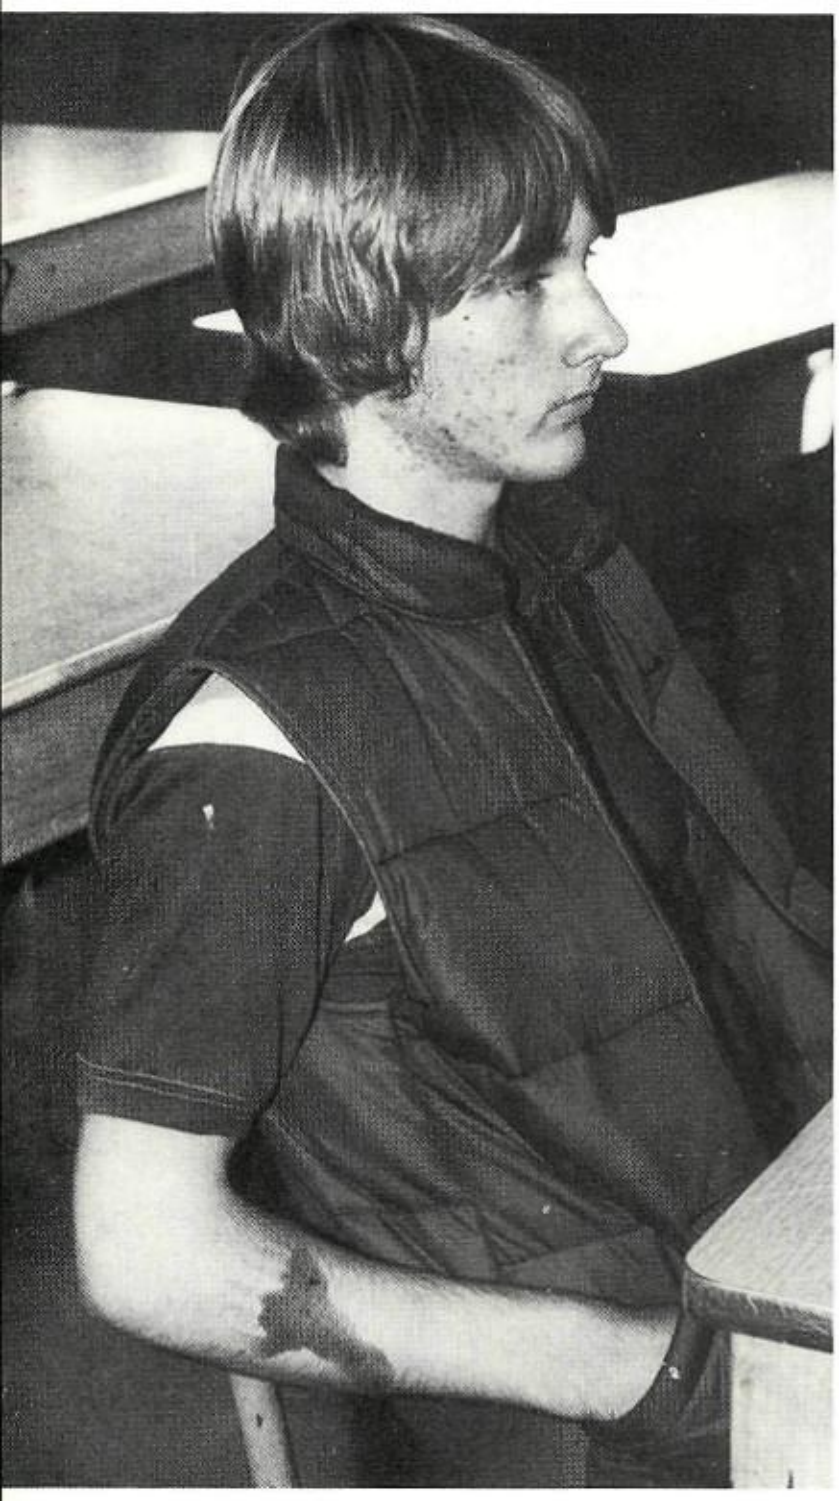
"Kimball Art Still the One" was this year's slogan for the Art Club. They displayed it around school on T-shirts they printed themselves. Another highlight for this year's club was painting the mural on the cafeteria wall. The club met every Thursday. President Ruby Rios, Vice-President Jeanette Salazar and Secretary-Treasurer Tina Crunk planned activities for the club which included plant sales, bake sales and an Art Fair.

Photography Club Intrigues Students



The Photography Club at Kimball benefits persons interested in taking pictures. Although the club is only in its second year, it has already proven itself to be popular.

Science Club Attracts Members



This year the Science Club was one of Kimball's most active clubs. Anyone interested in Science was welcome to be a member. President Nancy Simms and Vice-President Melody Nye, along with sponsors Ms. Pylant and Ms. Lilgestrand kept the club busy with activities such as a banquet, a trip to the Fort Worth Zoo and a trip to the Wadley Blood Bank. Their greatest activity for the year was the annual Science Symposium held in November.

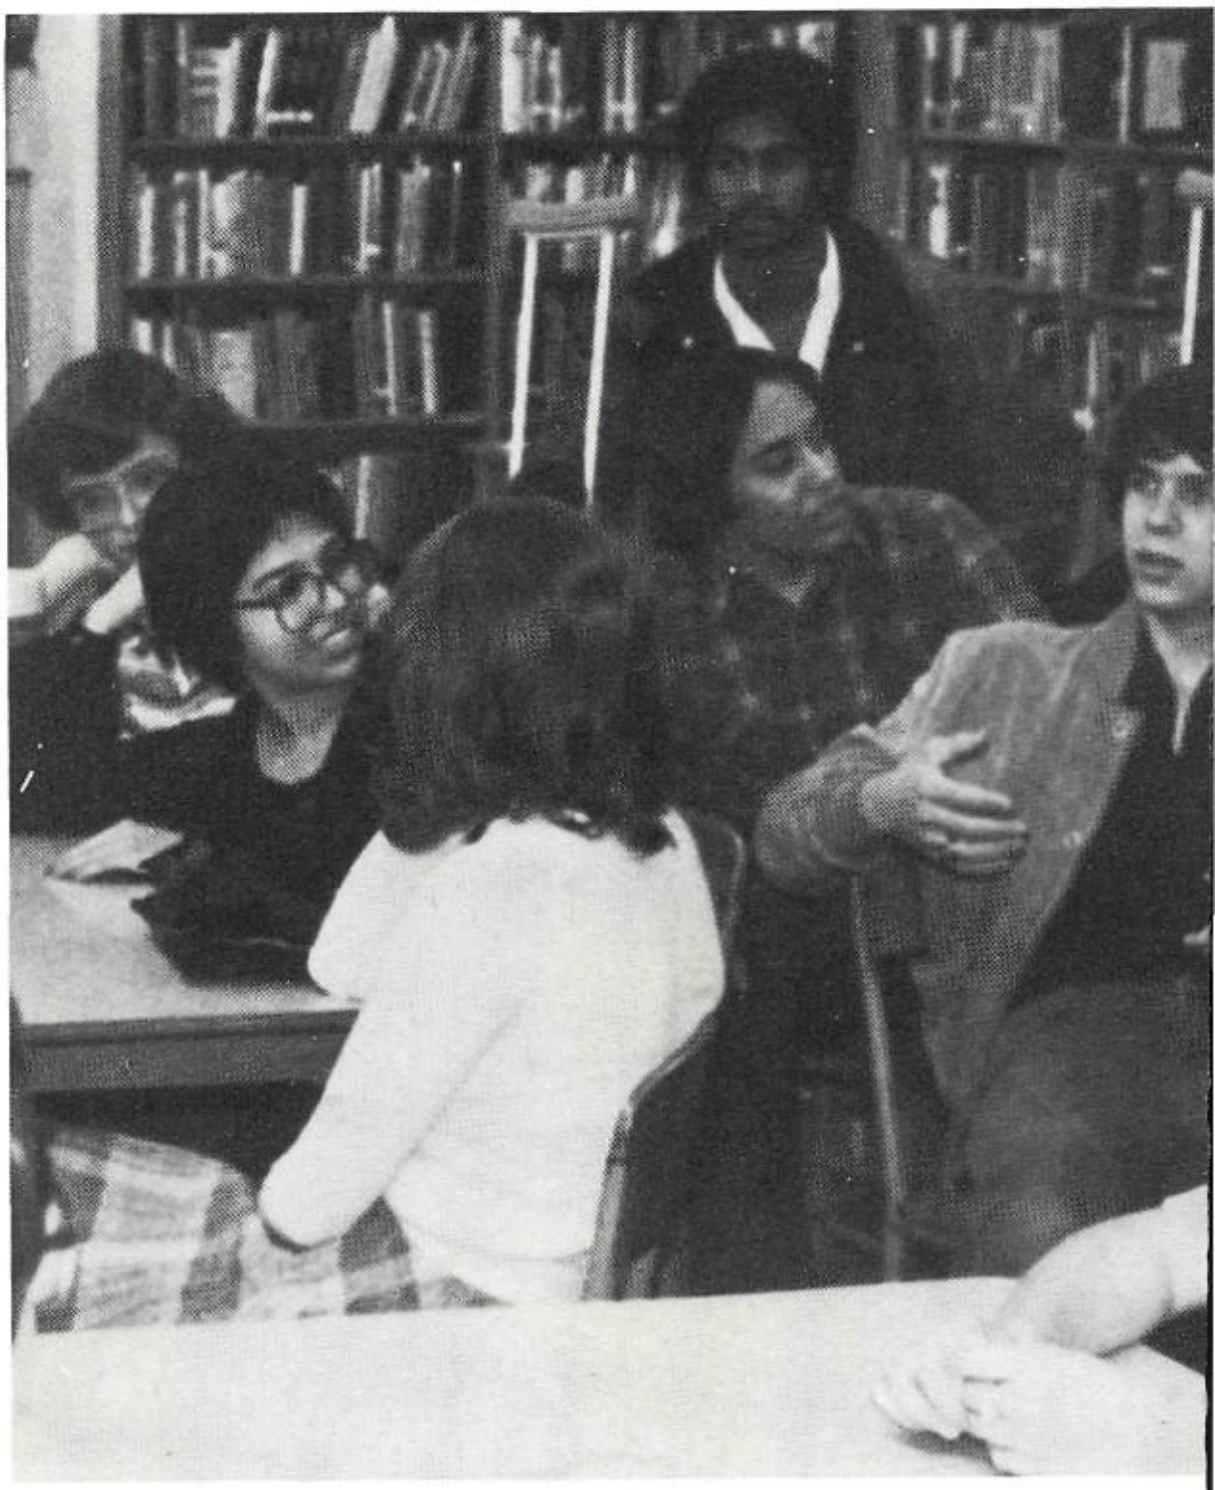
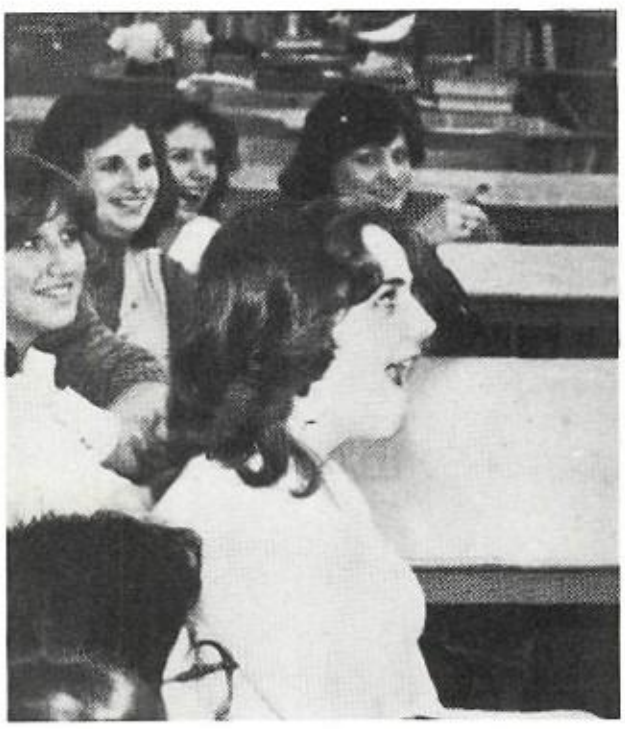
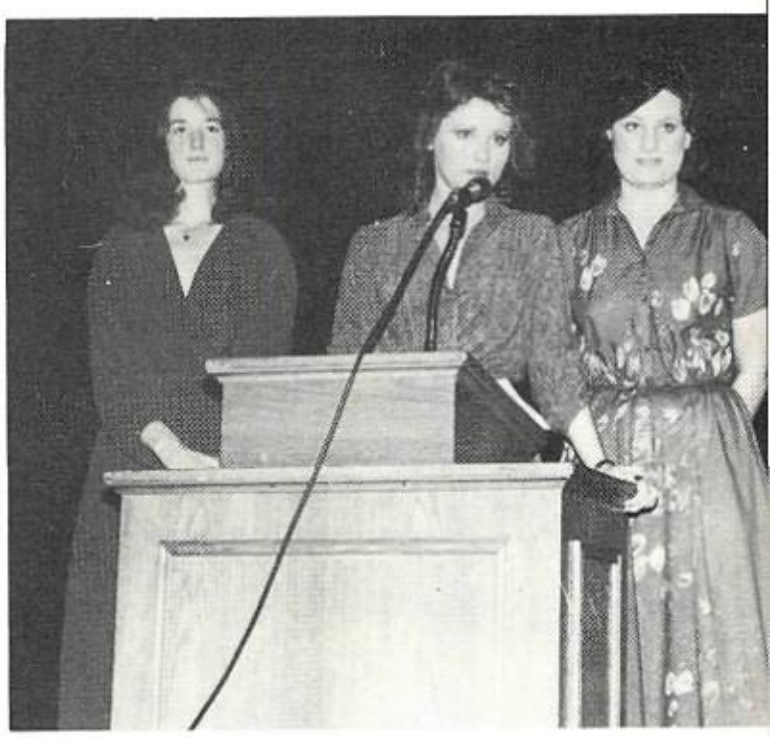
National Honor Society Active With Fundraising and Korean Orphan



The National Honor Society is an honorary academic organization. In order to be a member, students must have a 3.5 or above grade point average, no D's and recommendations from faculty. This year was a busy one for NHS. They held bake sales, candy sales and other fundraising activities. Twice this year they sent $90 to an orphan in Korea, whom they have adopted. This year's sponsors, Ms. Woodson and Mr. Gibson along with Pres. Linda Chipman, Vice-Pres. Erin Hashimoto, Treas. Brenda Simpson and Sec. Chris Shull made this year a fine one for the NHS.



SNHS Members Master Spanish



Induction ceremonies were held January 17 for the new members of the Spanish National Honor Society. The organization is designed to recognize outstanding Spanish students who have taken Spanish at least 5 quarters and have at least a B average. To many members SNHS is a personal achievement in their study of Spanish.

Student Council Strives for School Unity

The Student Council had one of its most productive years. They planned the World's Fair, Homecoming Pageant 79 and helped with registration. Although the Council functions primarily as a service organization, it is also a leadership class. According to the sponsor, Mrs. Mayo, the class will undergo several changes, which should help the students become better leaders.

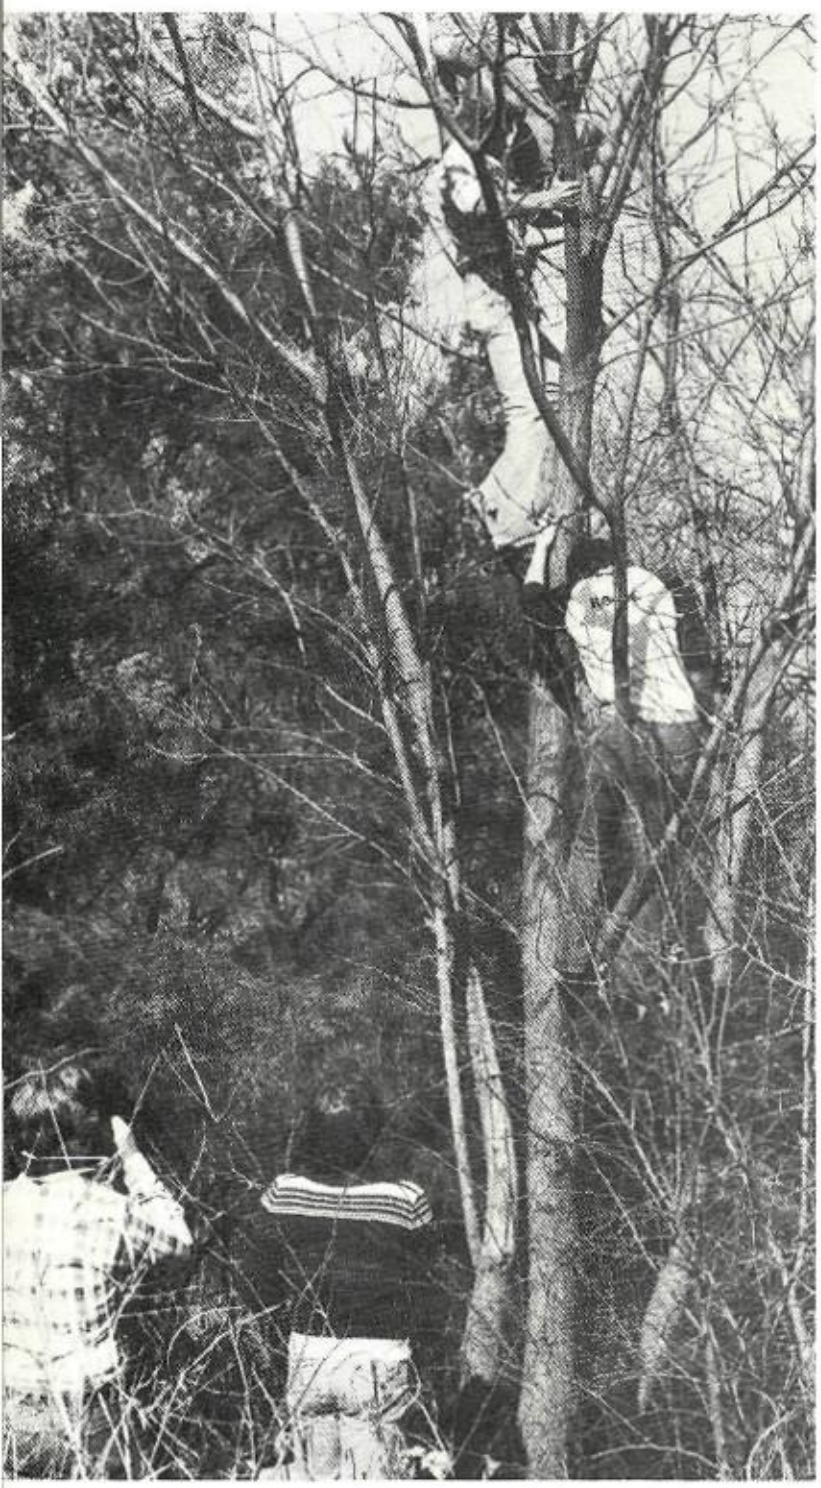
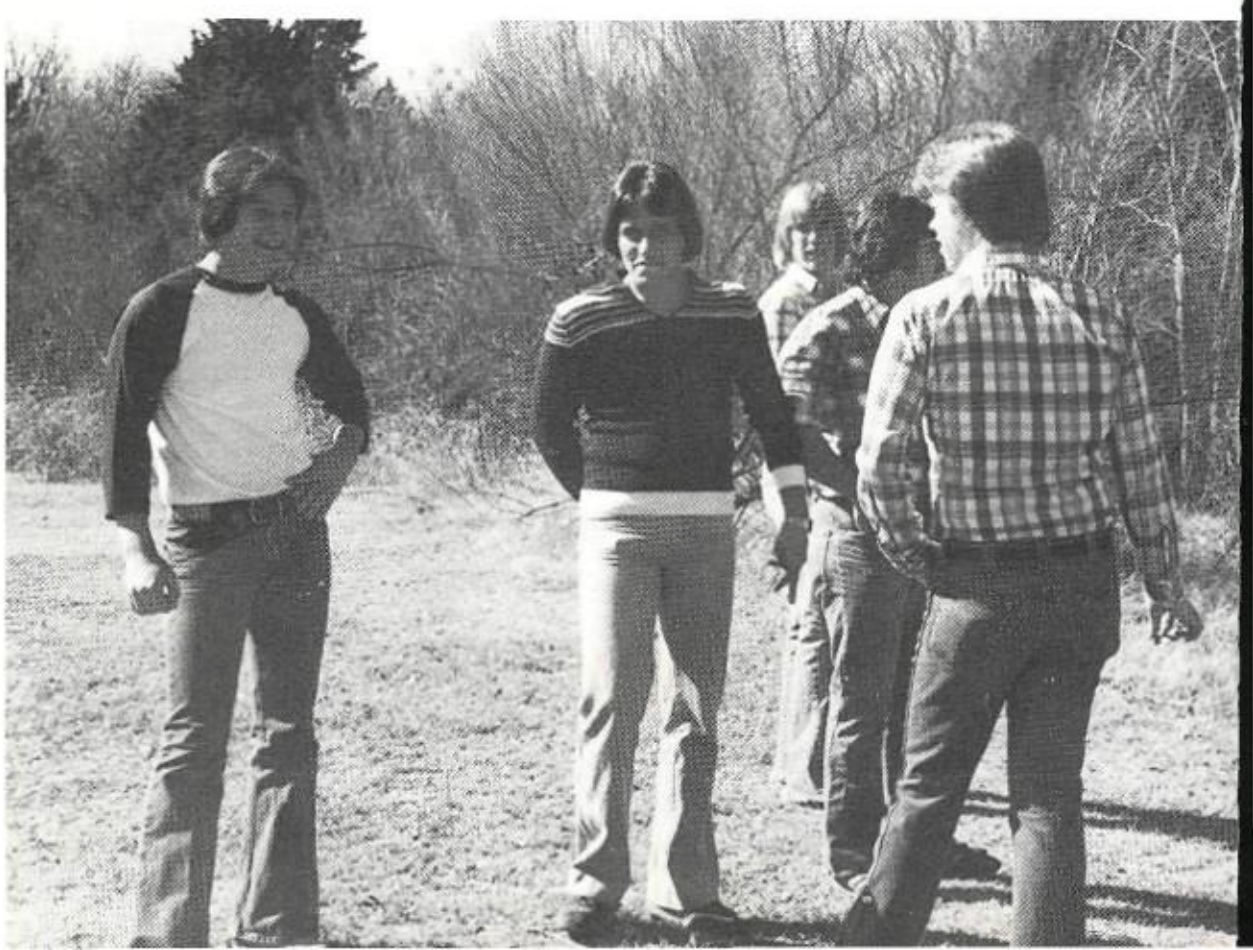
Woods and Waters — Training for the Future



Woods and Water's purpose is to help students develop recreational activities that will follow them into the future. In January they camped out in Texoma and during March they participated in a fishing contest and did some trap shooting. "Our camping trips are educational as well as fun," said Ricky Bodiford.



Y-Teens Aim to Help Others

Y-teens is a service organization who's purpose is to function and carry out meaningful service projects. Their aim is to help as many people as possible. In December they visited the Four Seasons Home, sang Christmas carols and visited their adopted grandmother.

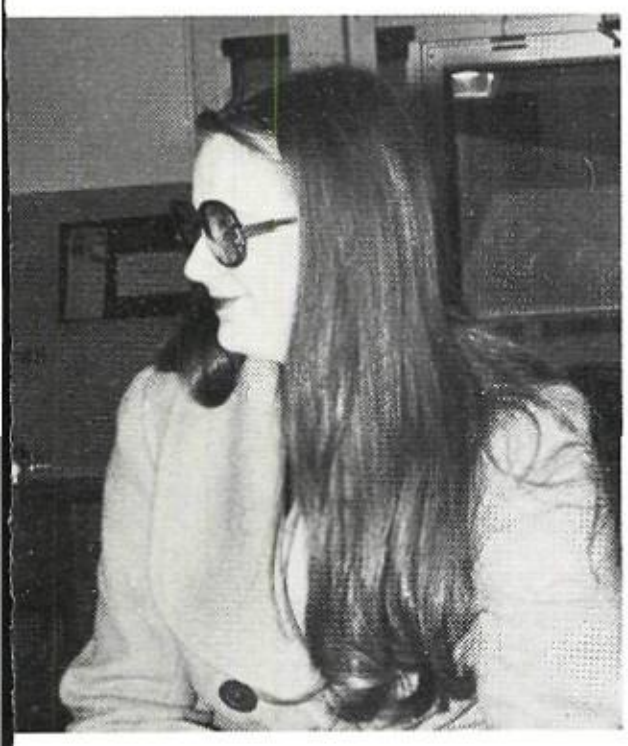
FBLA, Future Business Leaders of America, is an organization of high school students interested in business or office careers. The Kimball FBLA awarded a $100 scholarship to an outstanding senior member. FBLA helps students develop professional business skills. During the year they helped sponsor a State Convention held in Dallas in the spring.

FTA Calls Students to Profession



Future Teachers of America was a new club organized at Kimball this year. Their purpose was to encourage students to go into the teaching profession. Throughout the year members assisted with the Kimball tutoring program and sponsored teacher appreciation activities here at Kimball. FTA promoted school spirit by being the first organization to sell school socks.

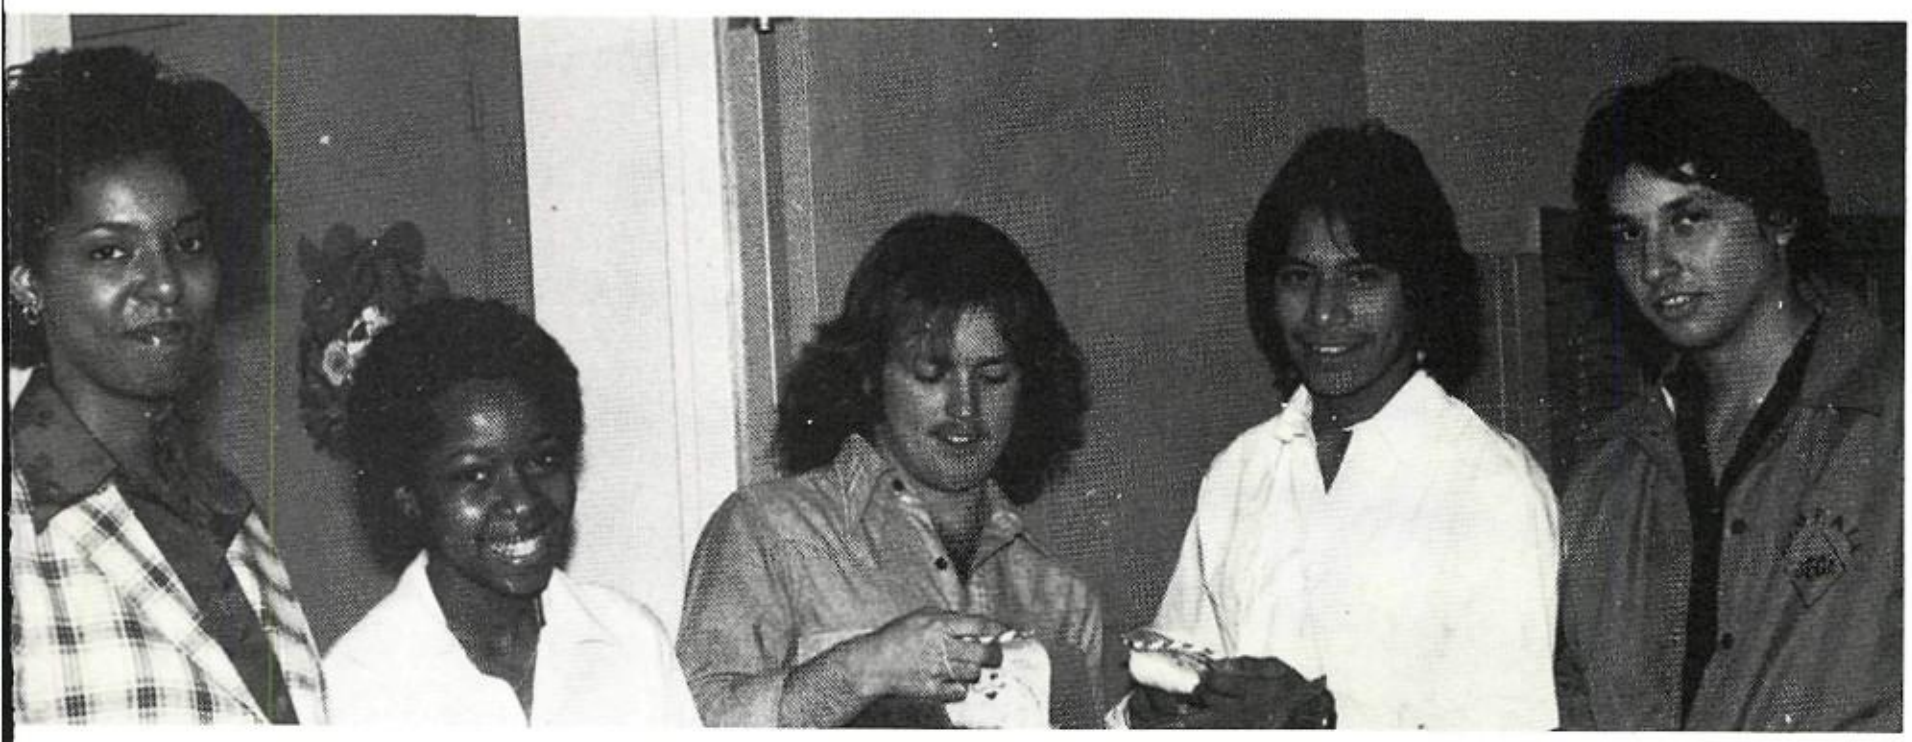
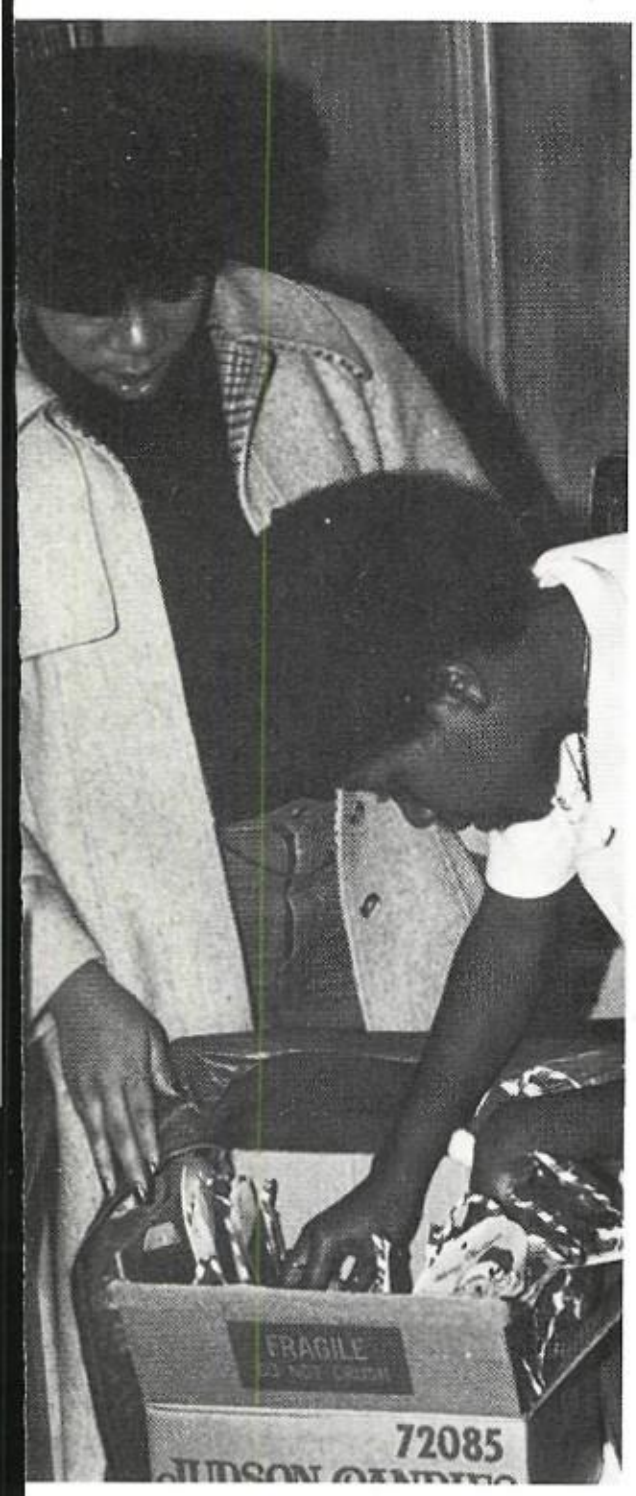
FCA, Fellowship of Christian Athletes, met weekly at the Old Kiest Park Recreation Center. Bible studies, Christian sharing and singing were featured at the meetings. A highlight of the year was FCA's canoe trip to San Marcos River during Spring Break. The two day outing consisted of rapid shooting, camping, adventure and spiritual growth.

SHRC Promotes Cooperation

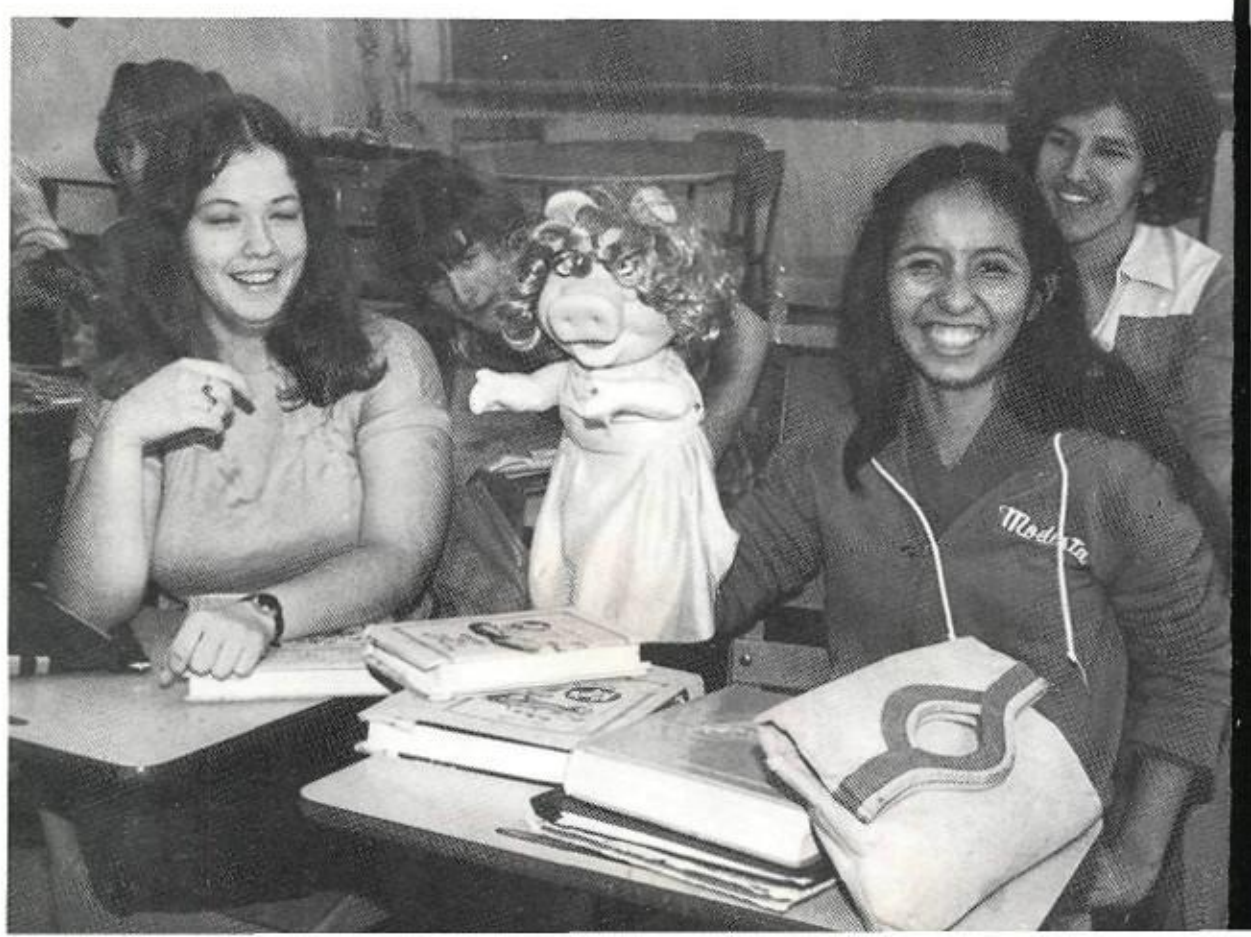




Student Human Relations Committee is a student organization that attempts to promote good relations between the faculty, staff and student body. Among the activities they sponsored was the talent show this spring. In December they delivered Christmas stockings.

French Club Goes Western

The main event for A Jamais this year was a trip to South Texas in the spring. Another major happening was the annual initiation at Kiest Park in September. In a show of school spirit, the French Club took fourth place in this year's hall decoration contest. In December they held a pizza party in order to get into the holiday spirit.



Latin Club Explores Their Linguistic Origins

Corona Eximia held their meetings at Pizza Inn again this year. The Latin Club sold candy in order to maintain club operating expenses. On the Ides of March the club held a toga party. This year the club tried to make its members more aware of how the Roman civilization has affected our society.

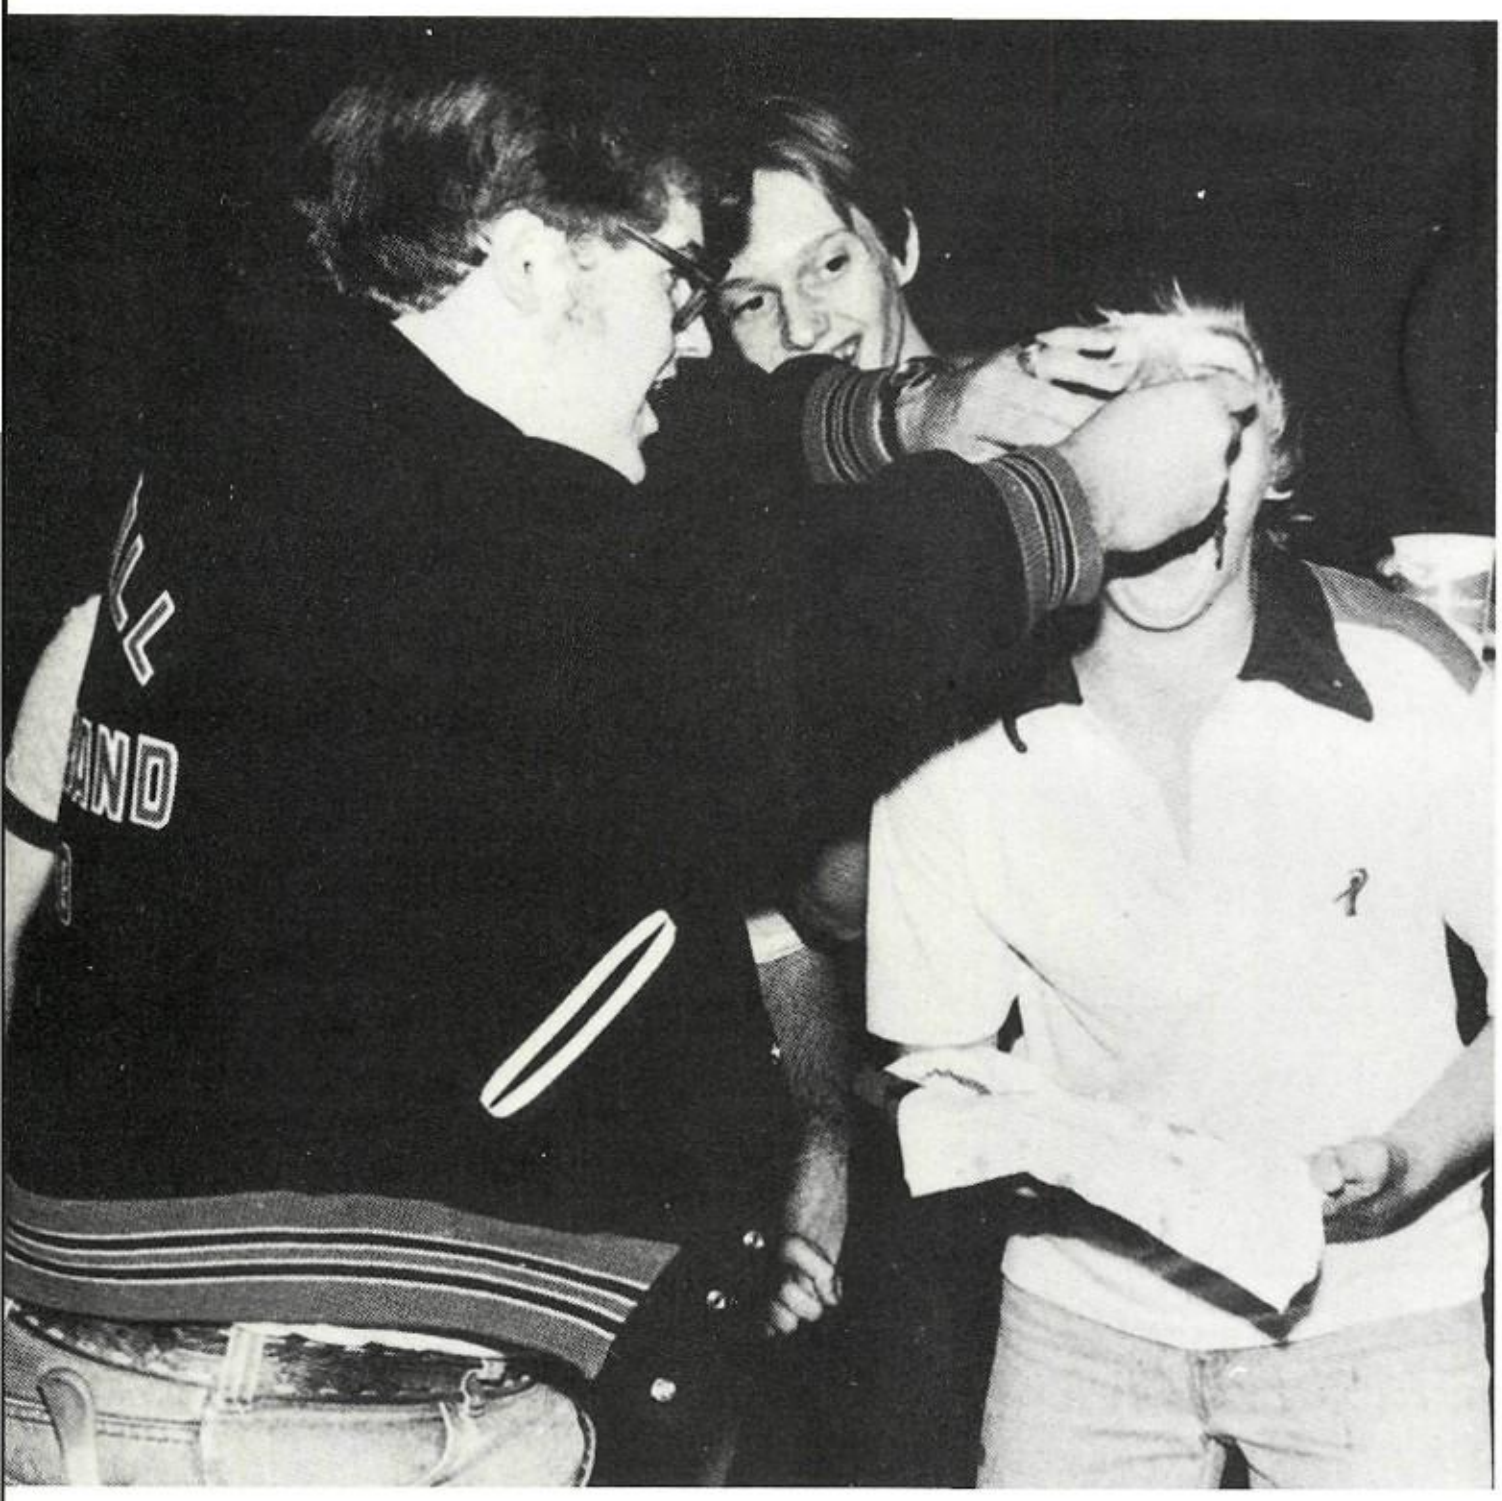
New Braunfels Trip Closes Out the Year



Allerlei began the year with their traditional sauerkraut initiation. Later on they participated in Novemberfest at W.T. White. At school they participated in hall decorations and the World's Fair. In order to learn more about German culture, especially as it relates to America, the club went to New Braunfels for a weekend in May.

Anniversary Celebration Highlights Year for El Sol

Their 20th Anniversary Celebration highlighted activities for El Sol this year. An elaborate banquet was held on January 4 at the Top of the Cliff Restaurant. El Sol members from all previous years were invited. "I think students gain life long memories from their participation in El Sol," said Mrs. Moreno.

On March 13 and 14 active El Sol members went to the Pan American Student Forum Convention held in San Antonio. At the convention members went to different workshops to learn about the Latin American culture.

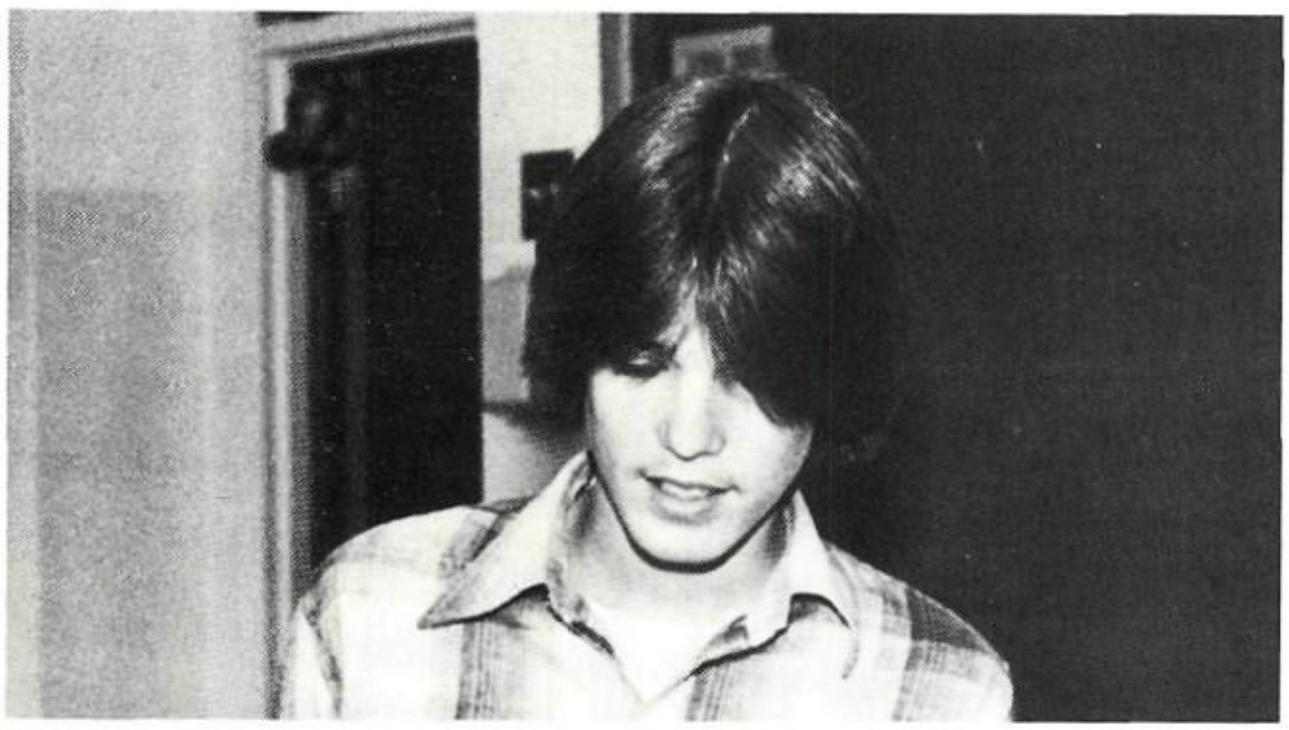
ROTC prepares students for the discipline they will need in either a military career or in life after high school. Kimball's finest ROTC members are in the Royal Lancers drill team. In competition with other Oak Cliff schools, the Royal Lancers took top honors. This year, as in the past, the ROTC sponsored a turkey shoot in December.

Allied Youth Helps Students



Allied Youth was 30 Kimball students who traveled to Middle Schools to enlighten those students on the abuse of alcohol. Allied Youth also made their annual trip to Bridgeport, Texas, to meet with other Allied Youth members from all over the U.S. and Canada. "Allied Youth is fun, but is also pure education." said Ms. Davis.

Future Homemakers of America Active at State, National Conventions

The Future Homemakers of America consisted of 9-12 graders who kept busy by going to area and State meetings. F.H.A. sent two Kimball students to the National Convention in St. Louis, Missouri and also gave a $500 scholarship to a Kimball Senior who planned to major in Home Economics.

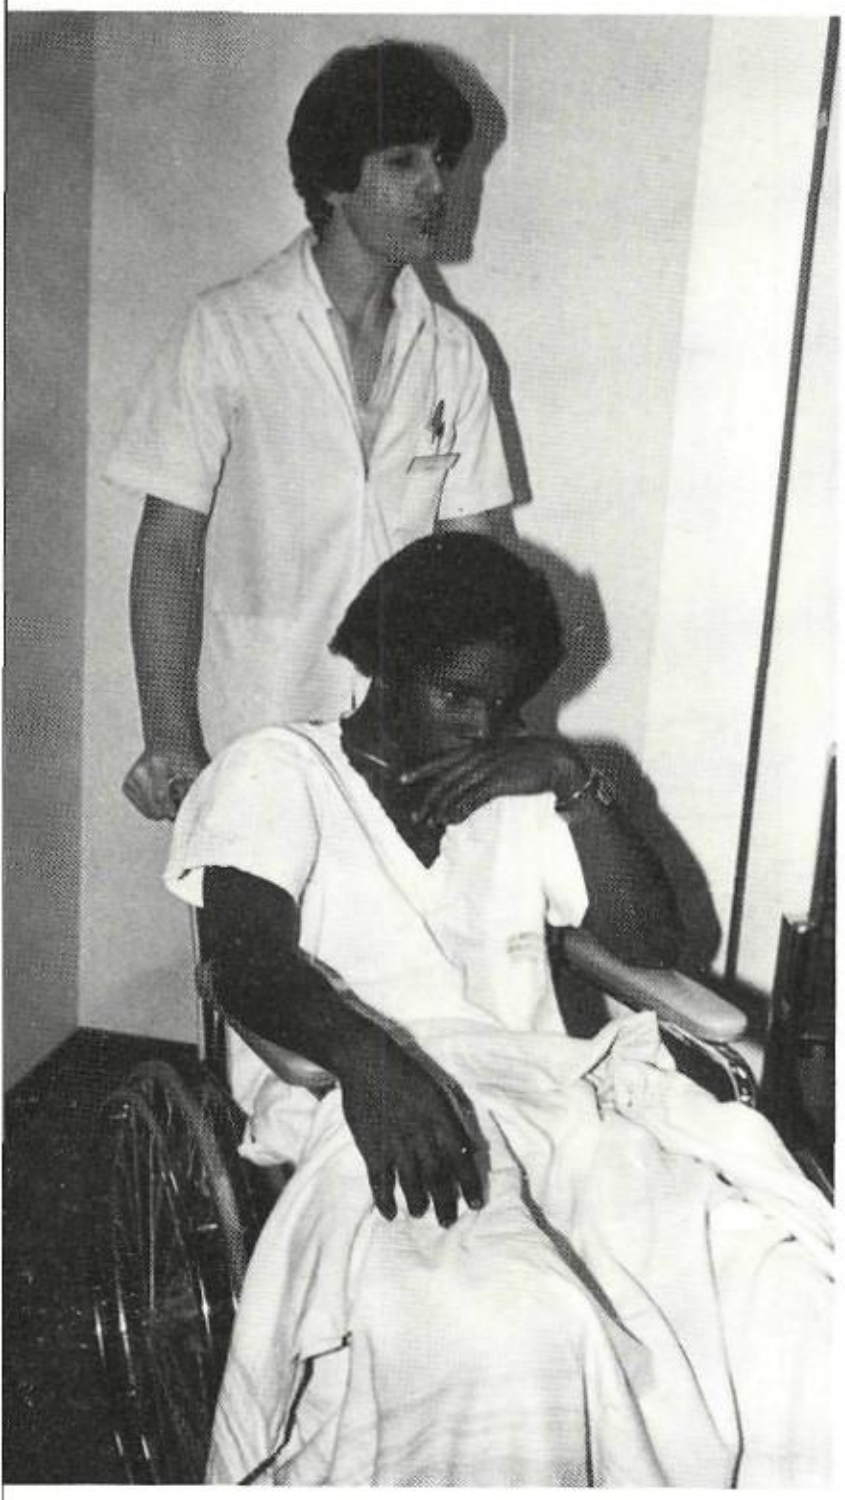
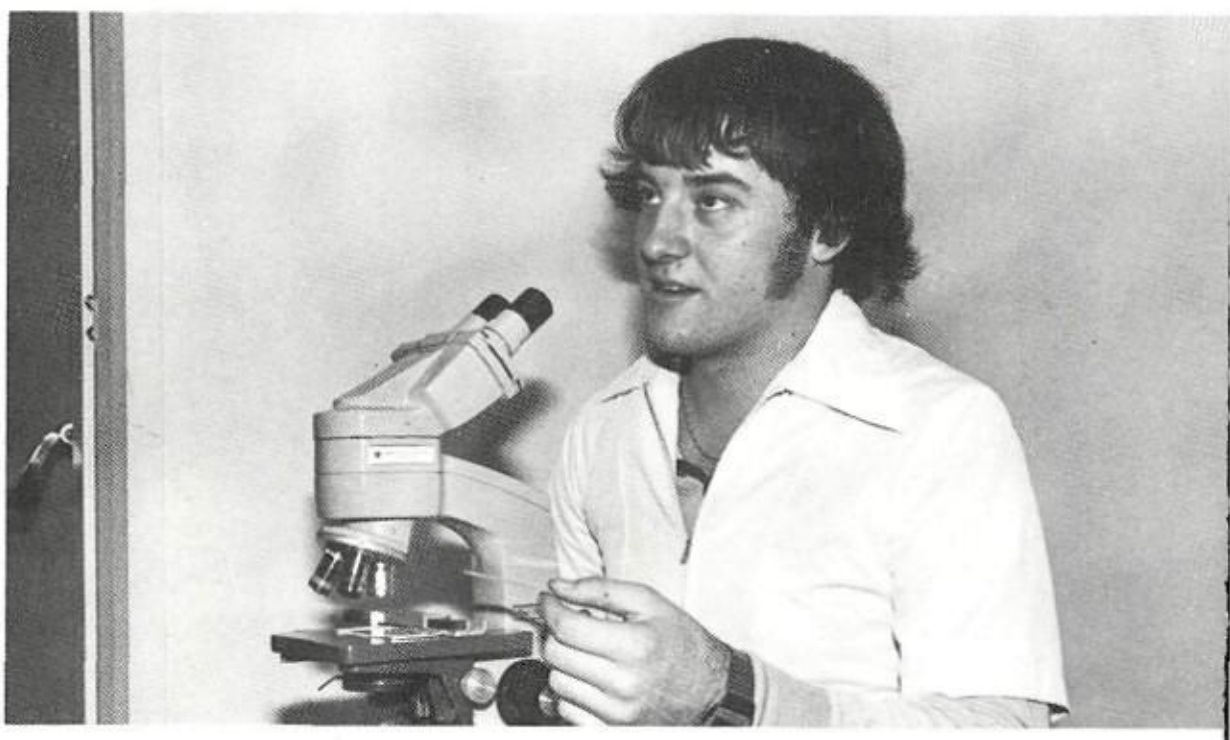
HOSA Students Prepare for Future Medical Professions





HOSA, Health Occupation Students of America, is an organization for students in HOE, Health Occupation Education, and health care science. This club is designed for students who plan to have medical careers. The organization plans activities to develop leadership skills as well as medical skills. HOSA sponsor, Ms. Boggan, works with the group daily and accompanies the class to leadership conferences. "HOSA's aim is to inform the public that today's high school students will make up the future medical profession," said Area President Kelly Ann Belden of Kimball.

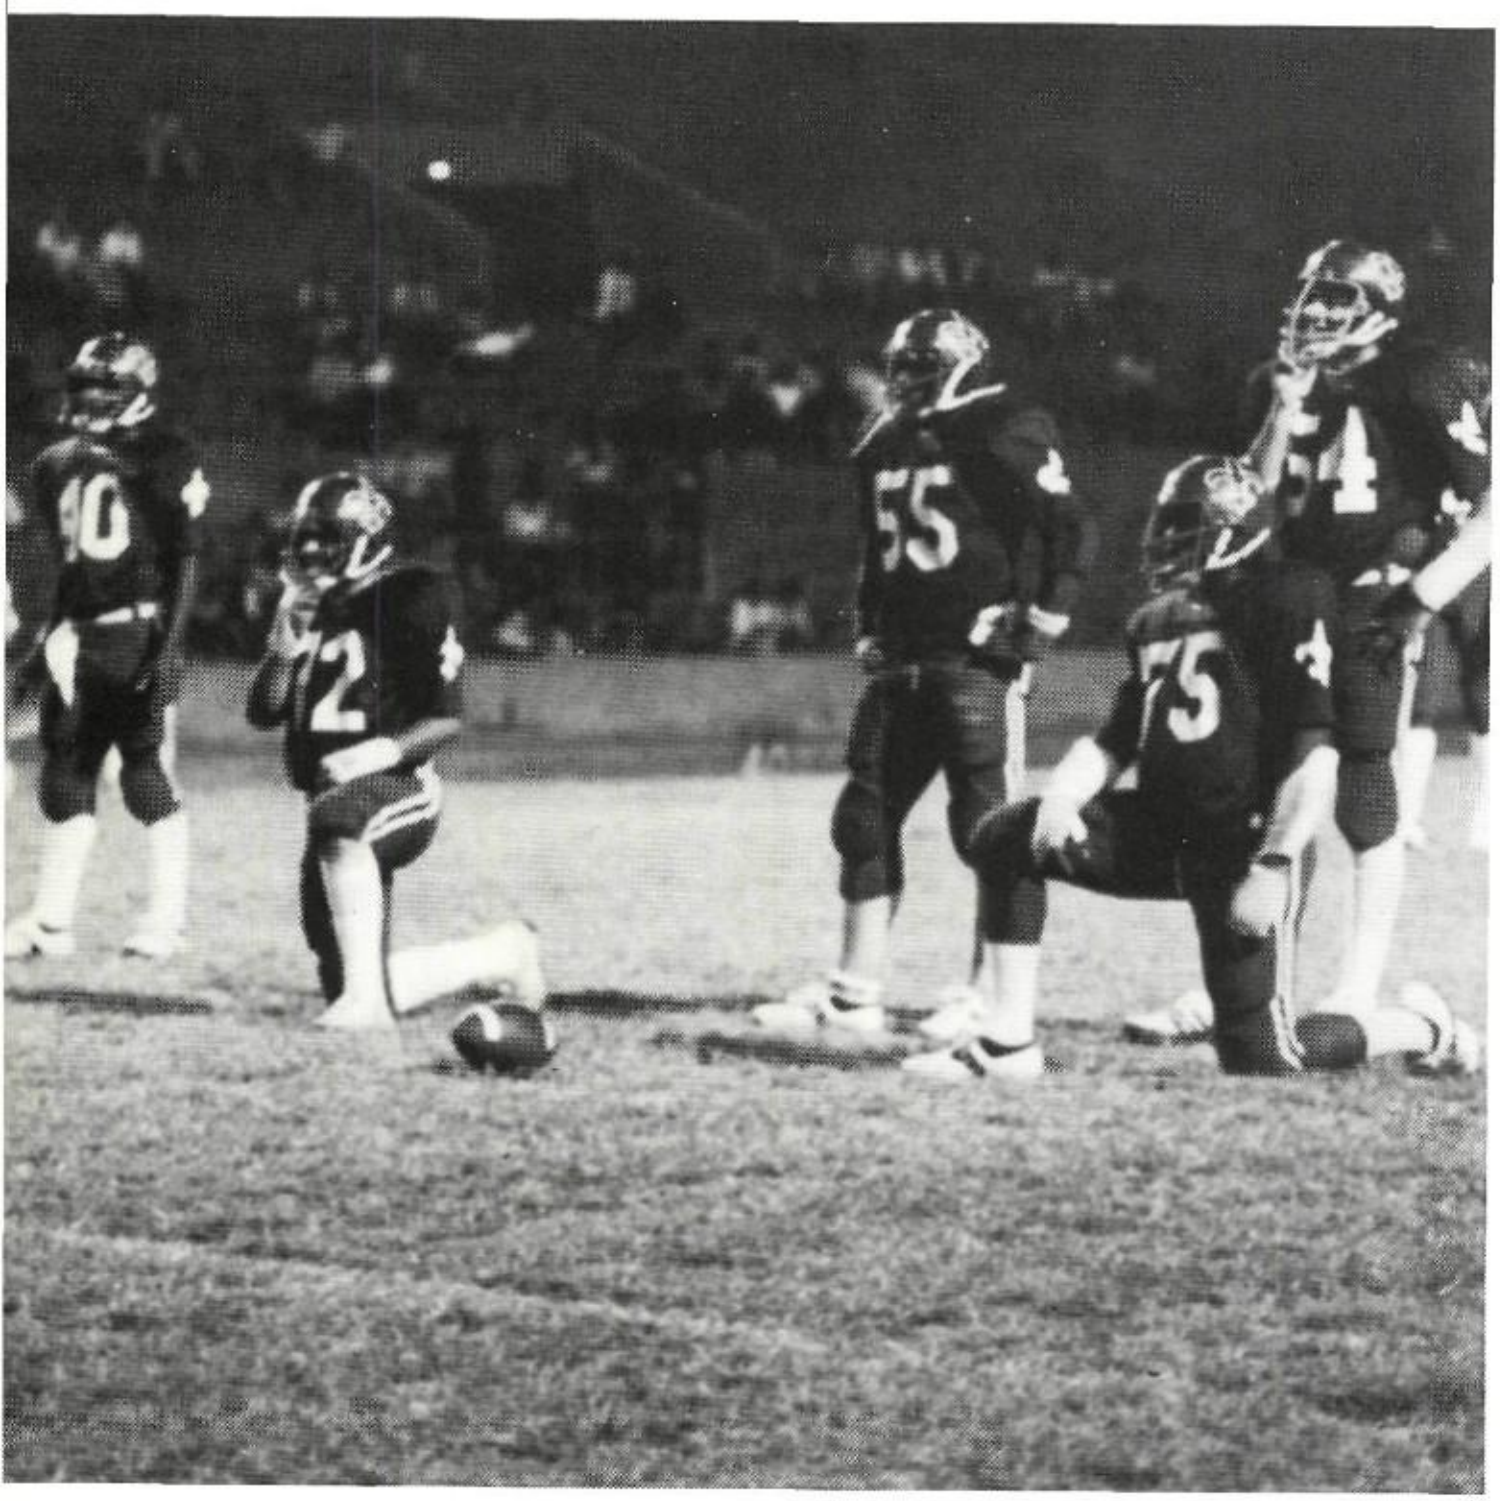
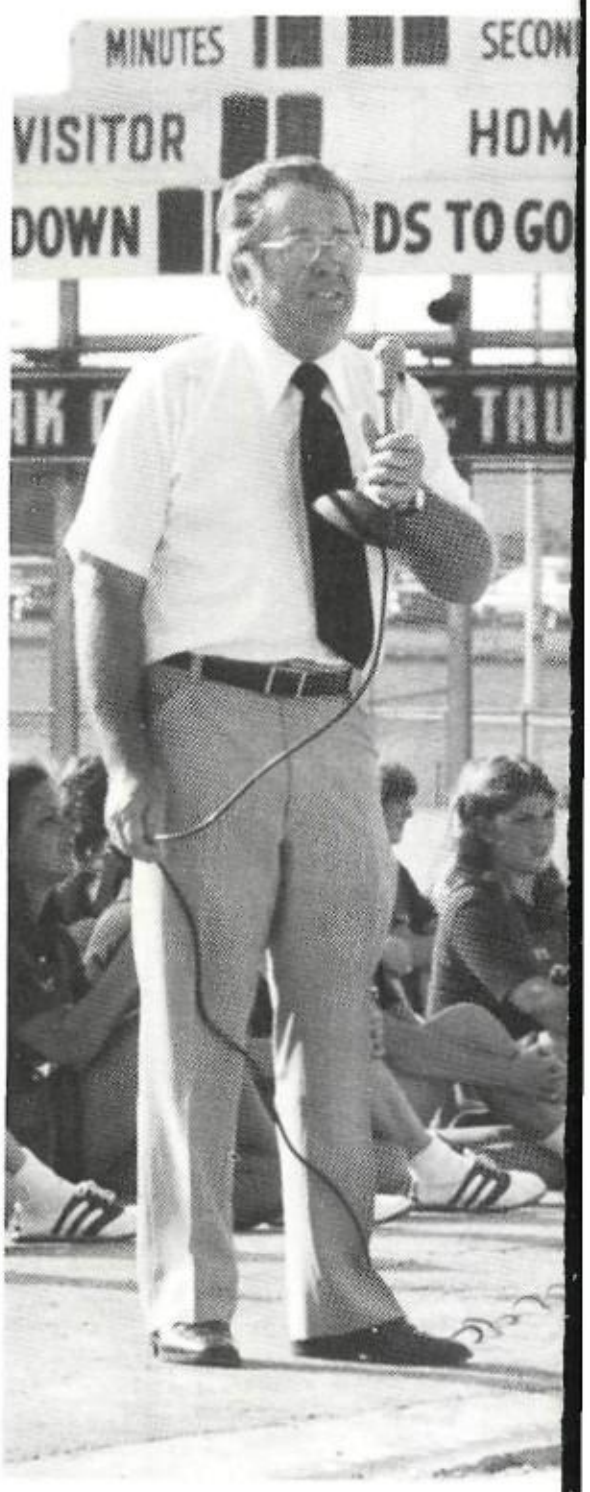
Knights Are Forever





The Varsity Knights began the season with high expectations, after a previously undefeated J.V. season.

With one sophomore, nine juniors, and 29 seniors, the Knights were predicted to finish well in district play. After four district games, the Knights' record was 1-3. However, the coaches still believed they had an outside chance at the 12-AAAA Championship.

Led by a powerful defense, who scored the season's first points, and a stubborn offense, the Knights looked ahead to the second half of the season.

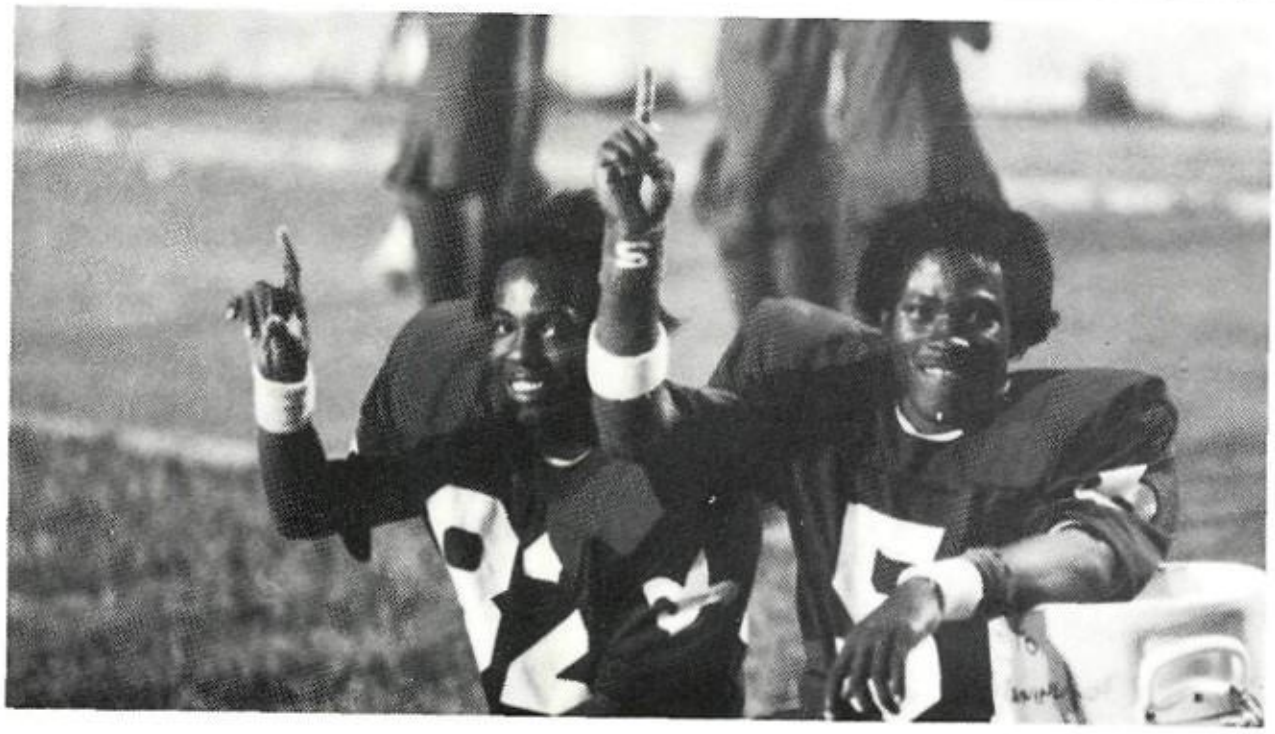
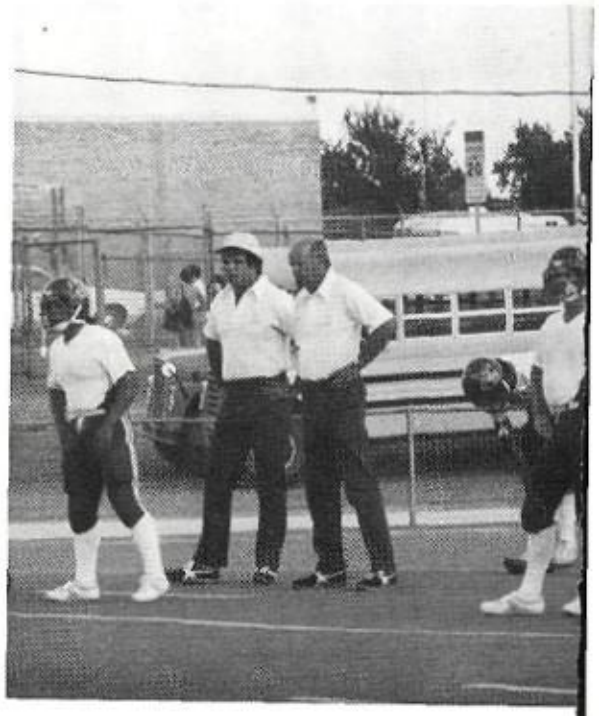
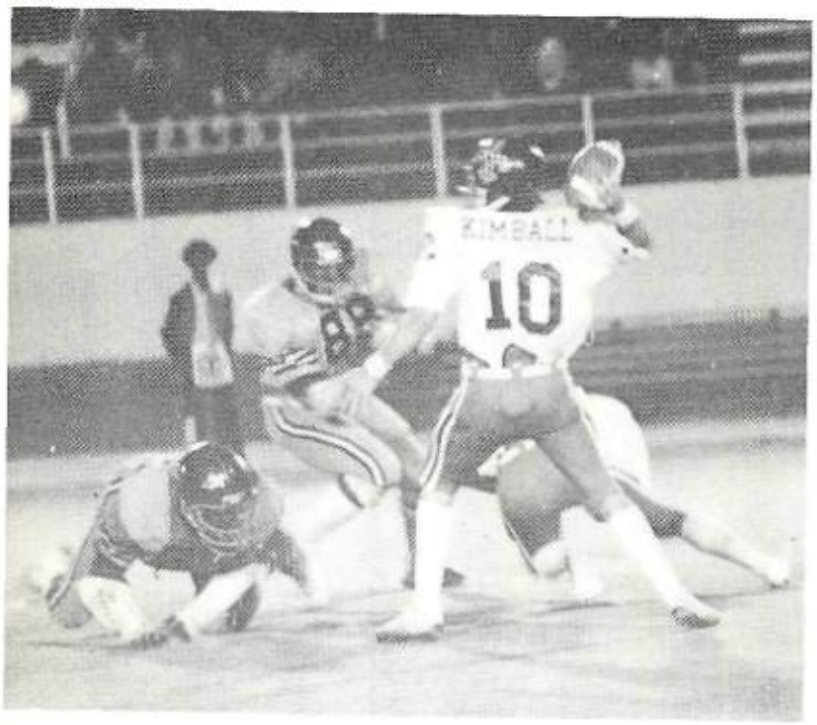
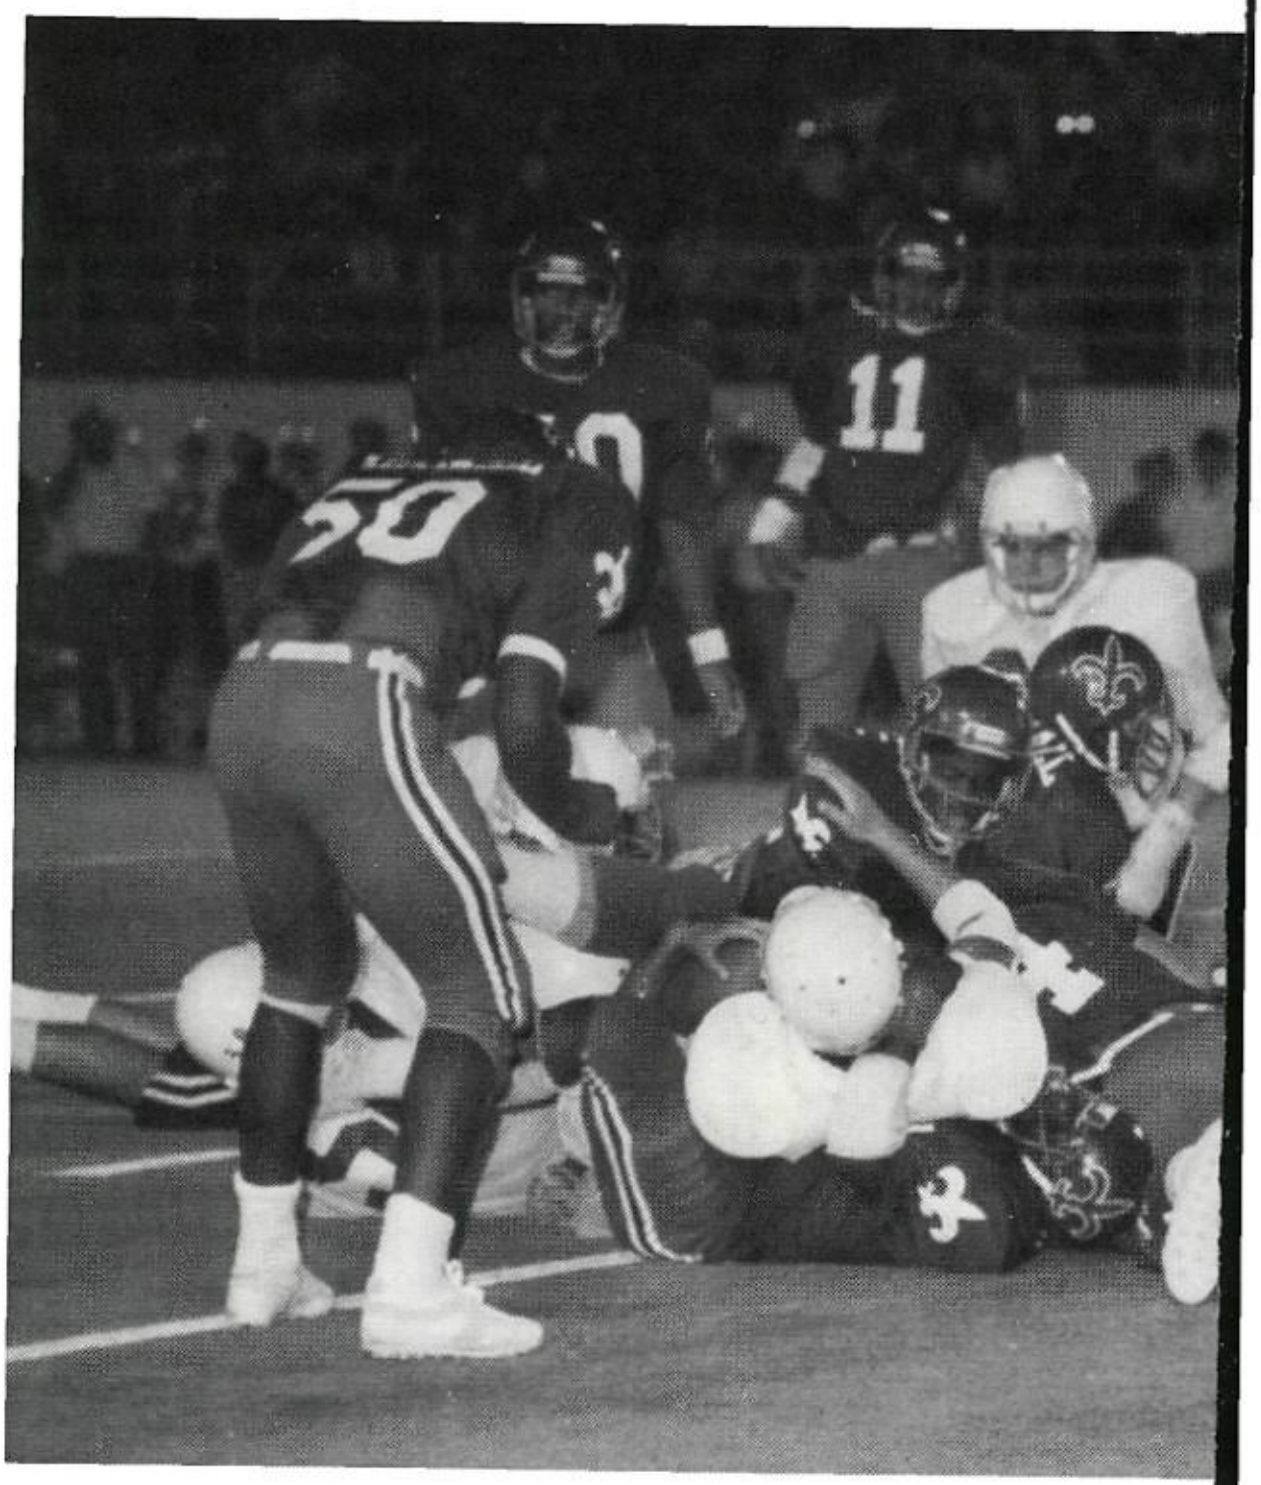
When the Sun Sets









The Knights kept their spirit up during the last half of the season despite the losses. Their victory against Sunset was well-deserved. Coach Croft agreed, "That was one of their best games along with SOC and Carter."

Mistakes plagued the Knights during the season, but their strong defense highlighted every game. "The players worked hard this season and kept their morale up," said offensive tackle Russel Whisenant.

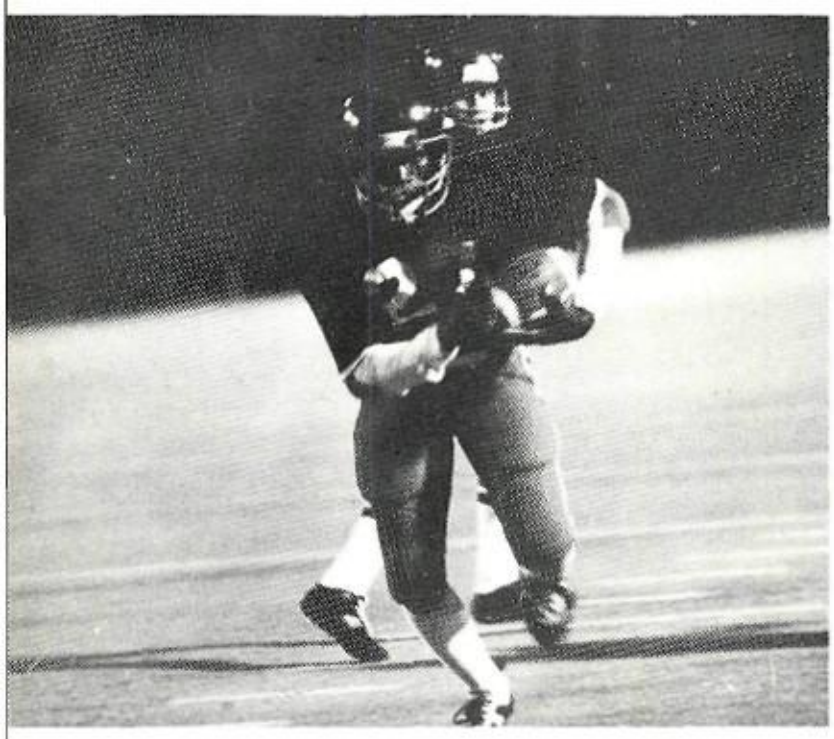
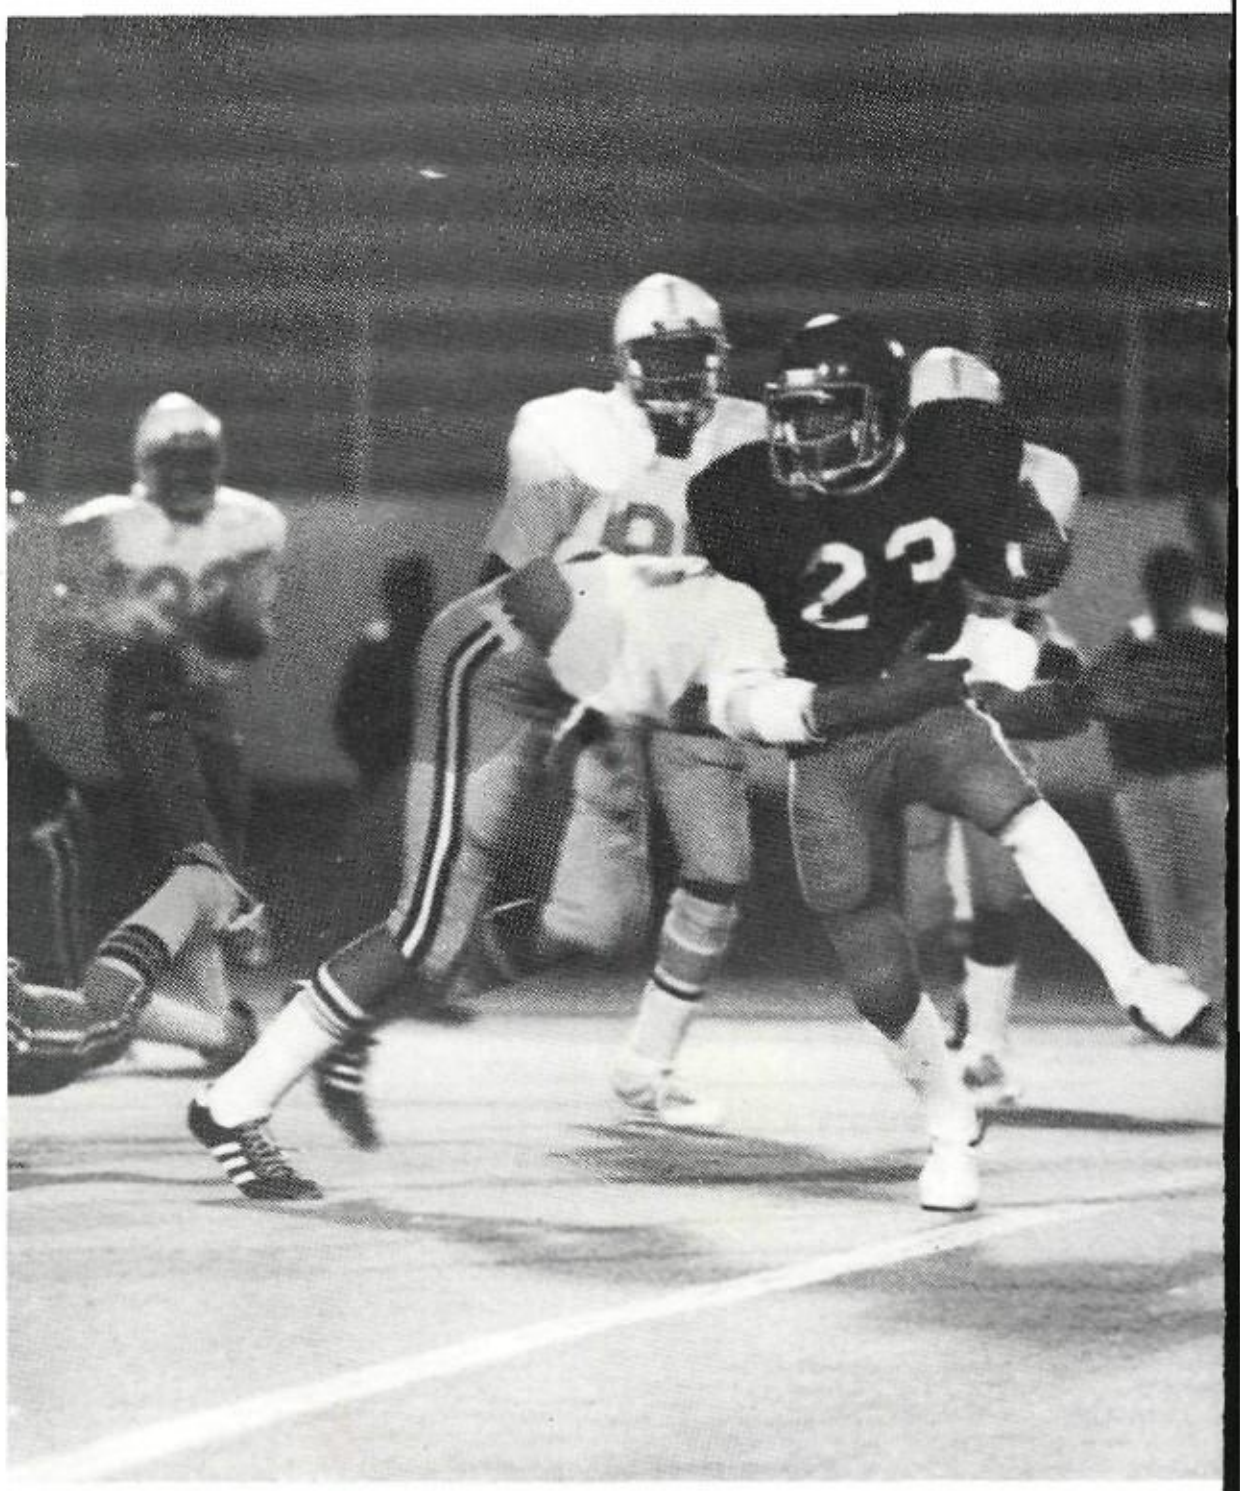
JV Blue Wins Big





Victory was the key word for the J.V. Blue this year. They ended the season with a 8-0-1 record.

The only setback to a perfect record for the Knights came against the Lake Highland Wildcats when they scored a touchdown during the second half which tied the game.

The Knights tried to score a second time but failed. "Even though we tied that game we won all the others," said Coach Duff. "The J.V. Blue team this year was outstanding and we're looking for an excellent Varsity team next year."

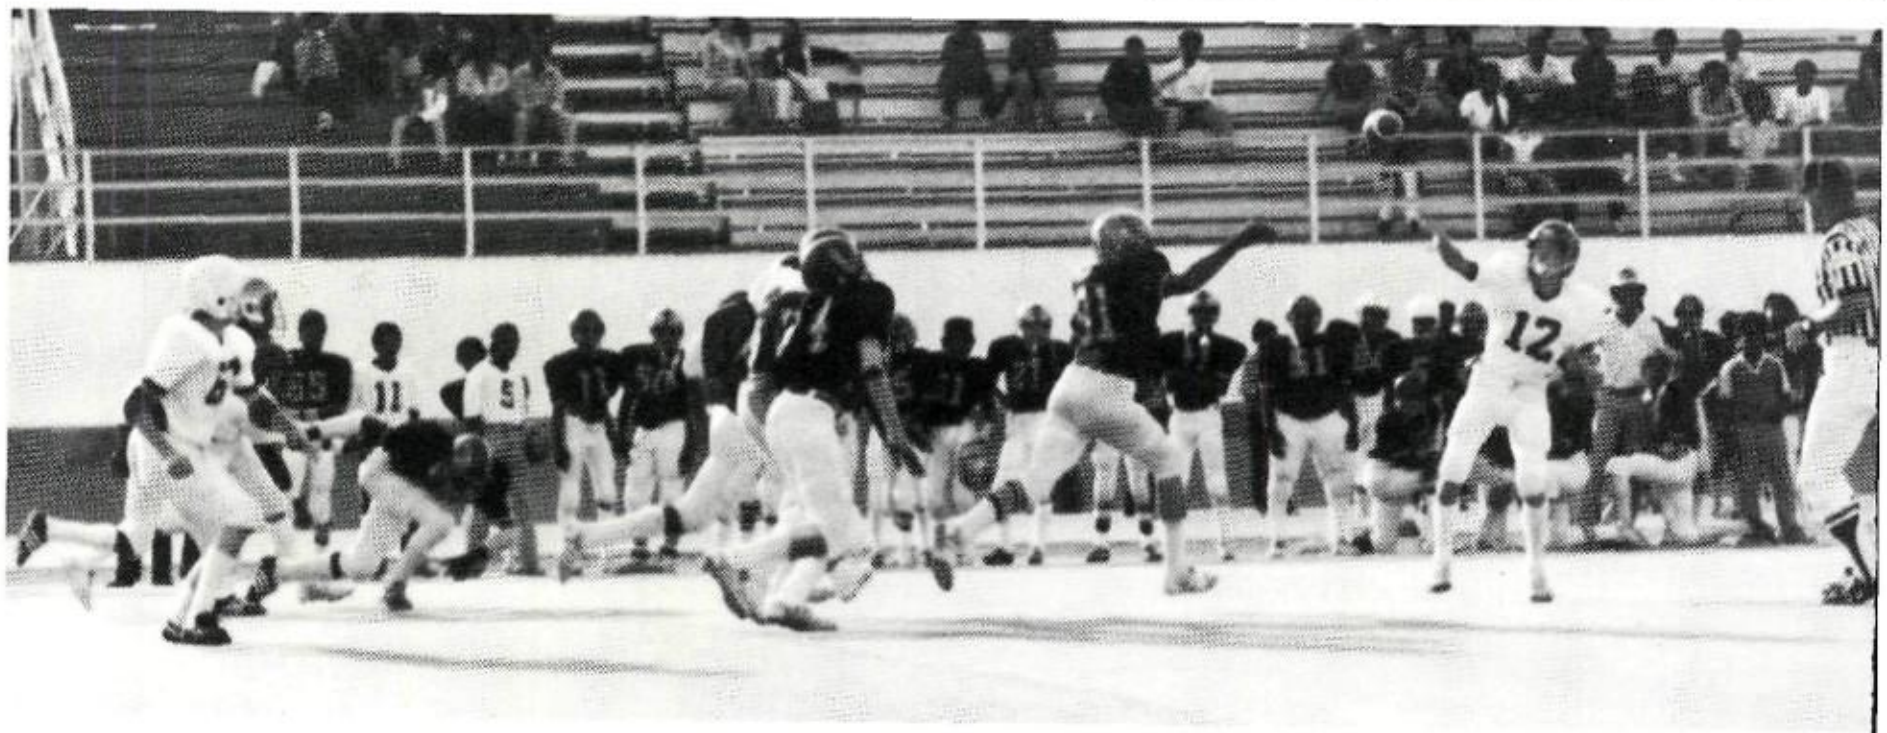
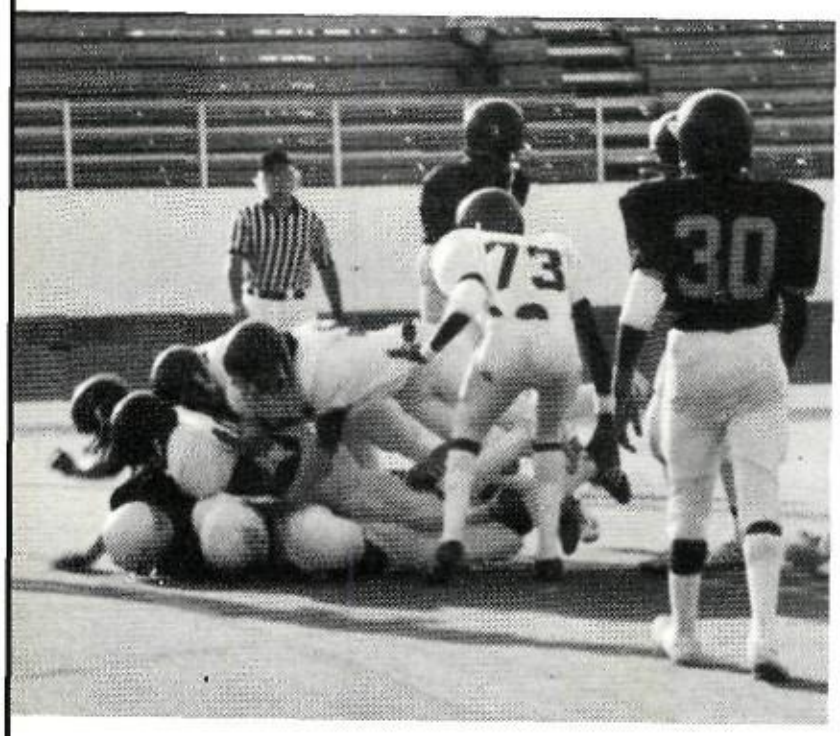
J.V. Red ended their season with a successful 7-2 record. Dedication was a key factor this year along with strong offensive play. Their toughest opponents were Bishop Dunn and J. J. Pierce. The climax for the J.V. Reds came in an exciting game against Pinkston when the Knights beat the Vikings 21-20.

Playing home games at Sprague added a lot of confidence, determination and spirit throughout the season. "We were very proud of the team," said Coach Ghormley.

Freshmen Promise Bright Future





The freshman class was represented well this year by the freshman football team. They ended their season with a record of 5-2. Coach Gray thought their best game was against Carter. "Although the Knights did not beat the Cowboys, they worked hard and showed much determination," said Coach Gray.

Both coaches were pleased with the year. "The overall turnout was quite good," said Coach Rombach. "They proved to be a great team with a lot of potential. By the time they are seniors they will be a winning team," he said.

On October 28th and 29th, the second annual Kimball Volleyball Tournament was held. The tournament was organized by the Kimball Volleyball teams. The varsity participated in two matches and came in third place. Sixteen teams turned out to play in the two day volleyball contest. Kimball played in three other tournaments this year.

Coach Chris Eltzroth returned to Kimball this year and became the varsity coach. She was excited about the season. "Since all the girls are returning players, we have the chance for a great year."

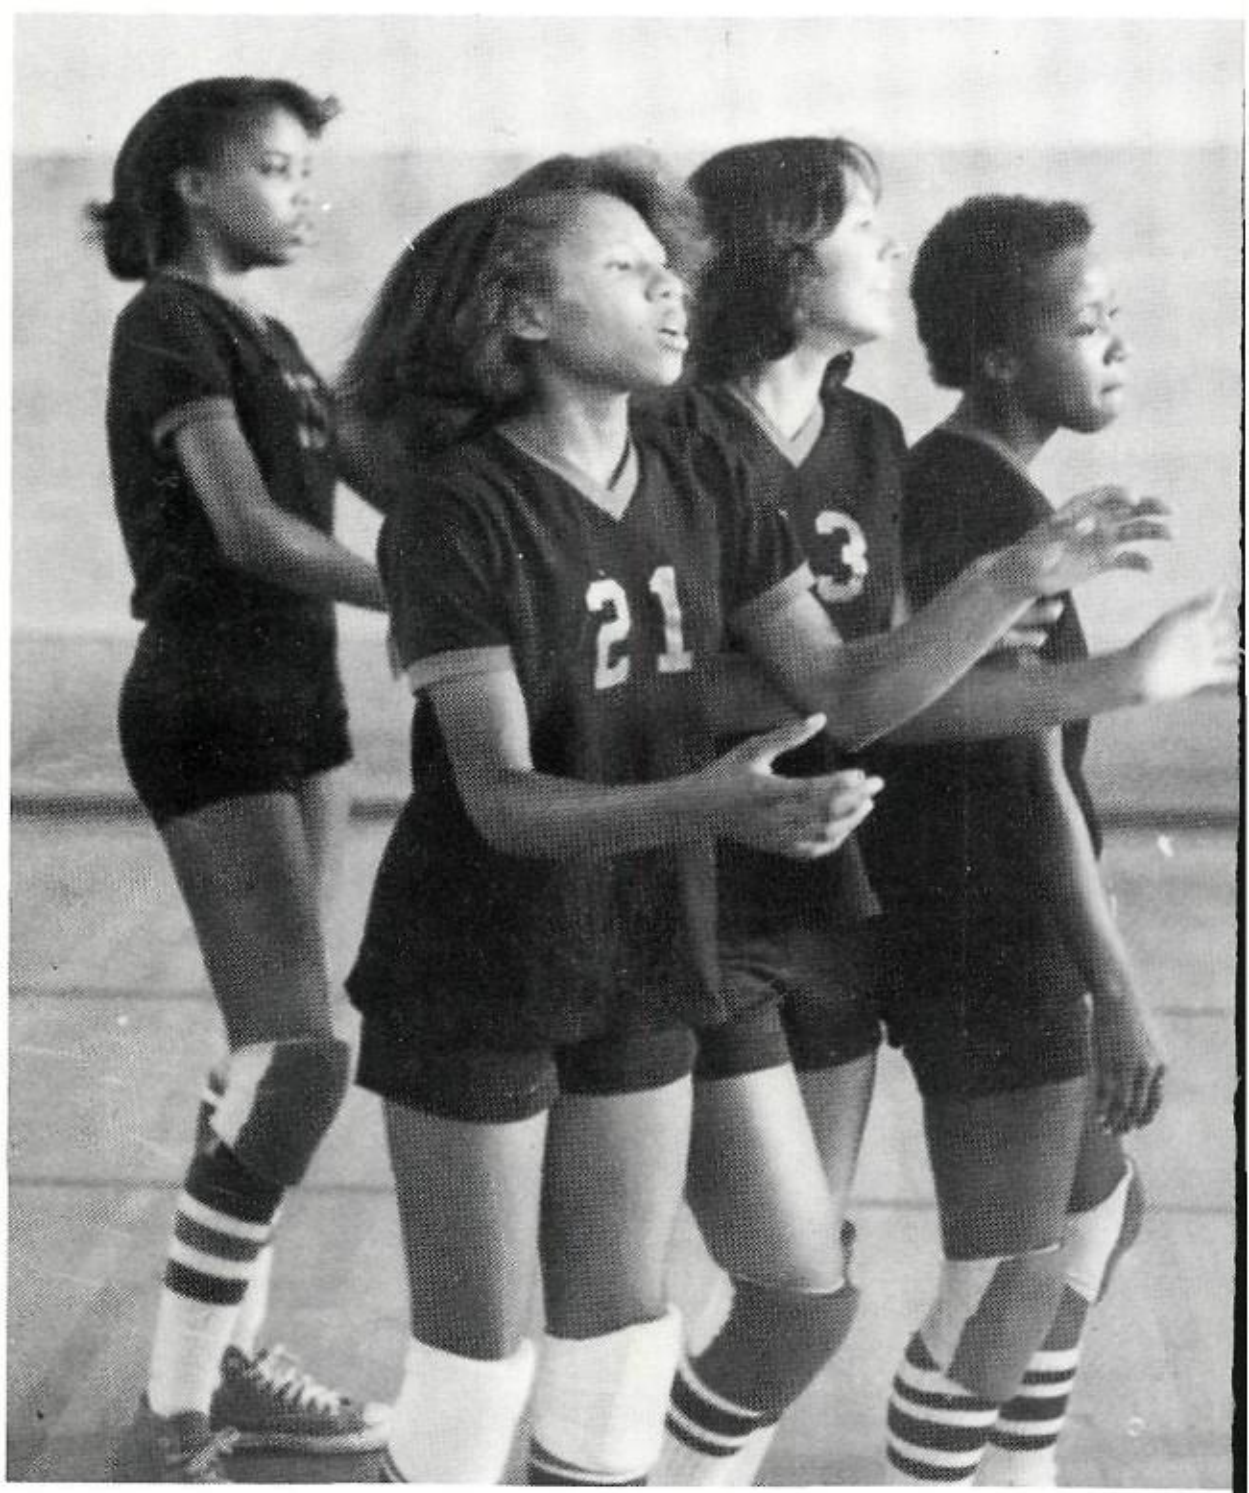
J.V. Girls Excel in Season Competition



Mary Weems coached the girls' Varsity Volleyball team for her second year. "I was impressed by the team's ability this season. The Varsity next year will have a lot of promise," she said.

Many of the volleyball matches were either won or lost by two points. The J.V. competed in four tournaments during the season. In each one the team made the finals.

Members of the team agreed that individual dedication was evident this year. The teams concentrated on playing as a team and this led to an outstanding season.

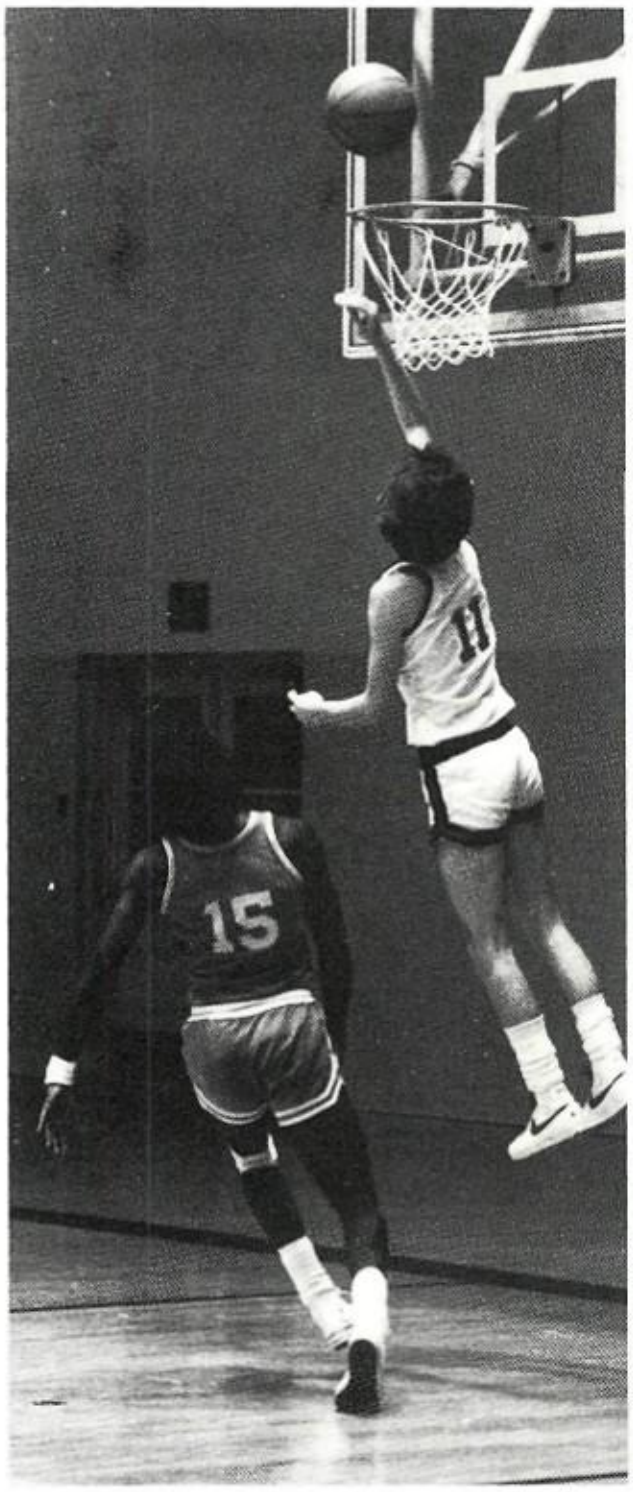
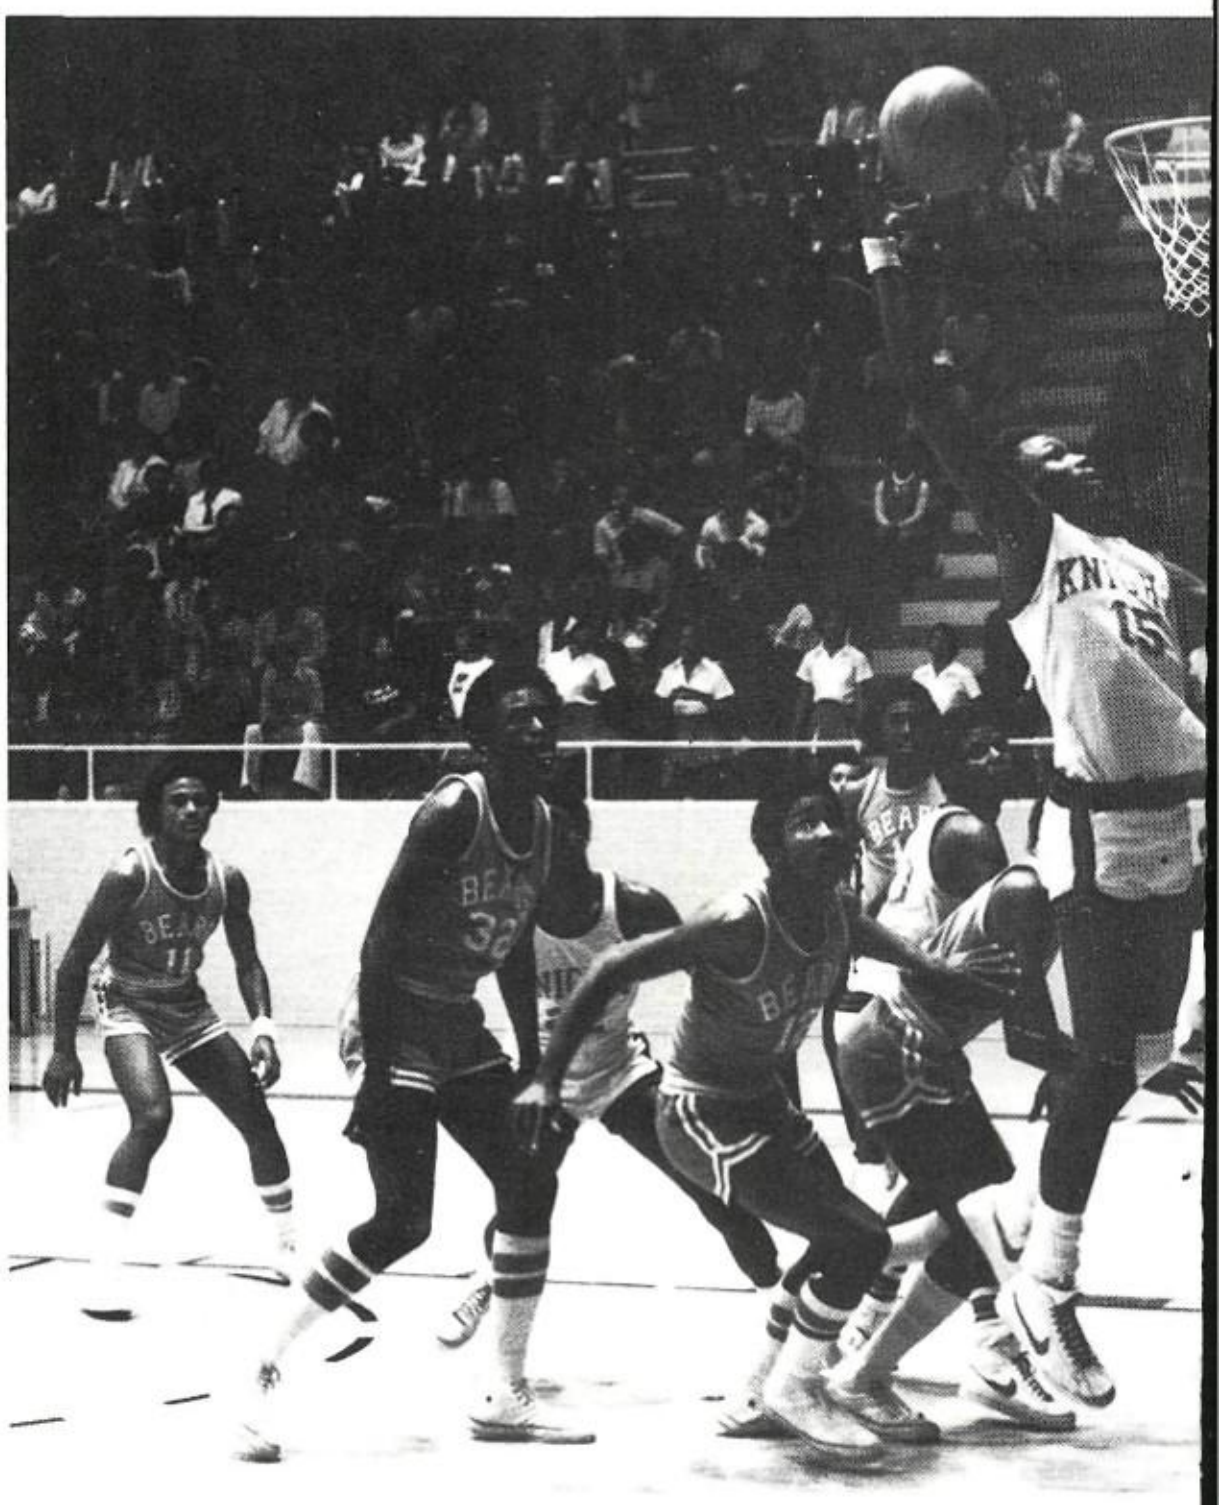
Mens' Basketball Has Promising Season





The 1979-80 Mens' basketball team attributed this year's success to hard work and a desire to win.

Coach Graham's Varsity team played eight games this year, and the J.V. team, coached by Mr. Tubbs, also played eight district games. Both teams participated in two tournaments throughout the season.

Kimball's Freshman team had an outstanding season. Coached by Mr. Croft, the team played eight district games with an impressive win over Roosevelt in January.

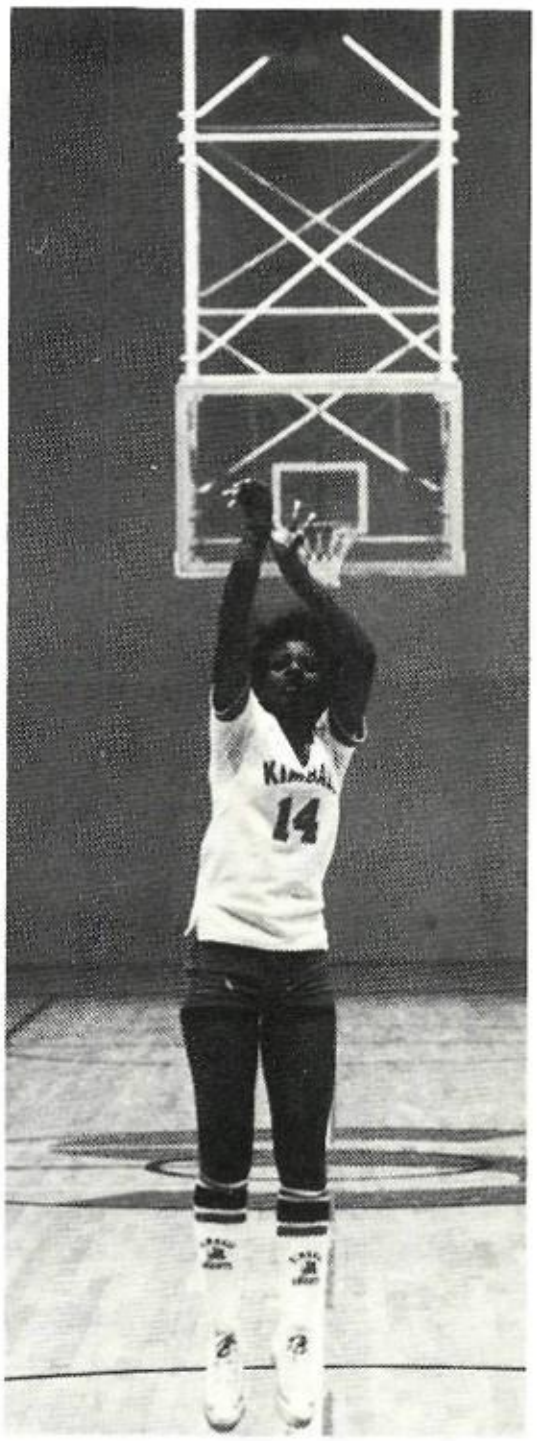
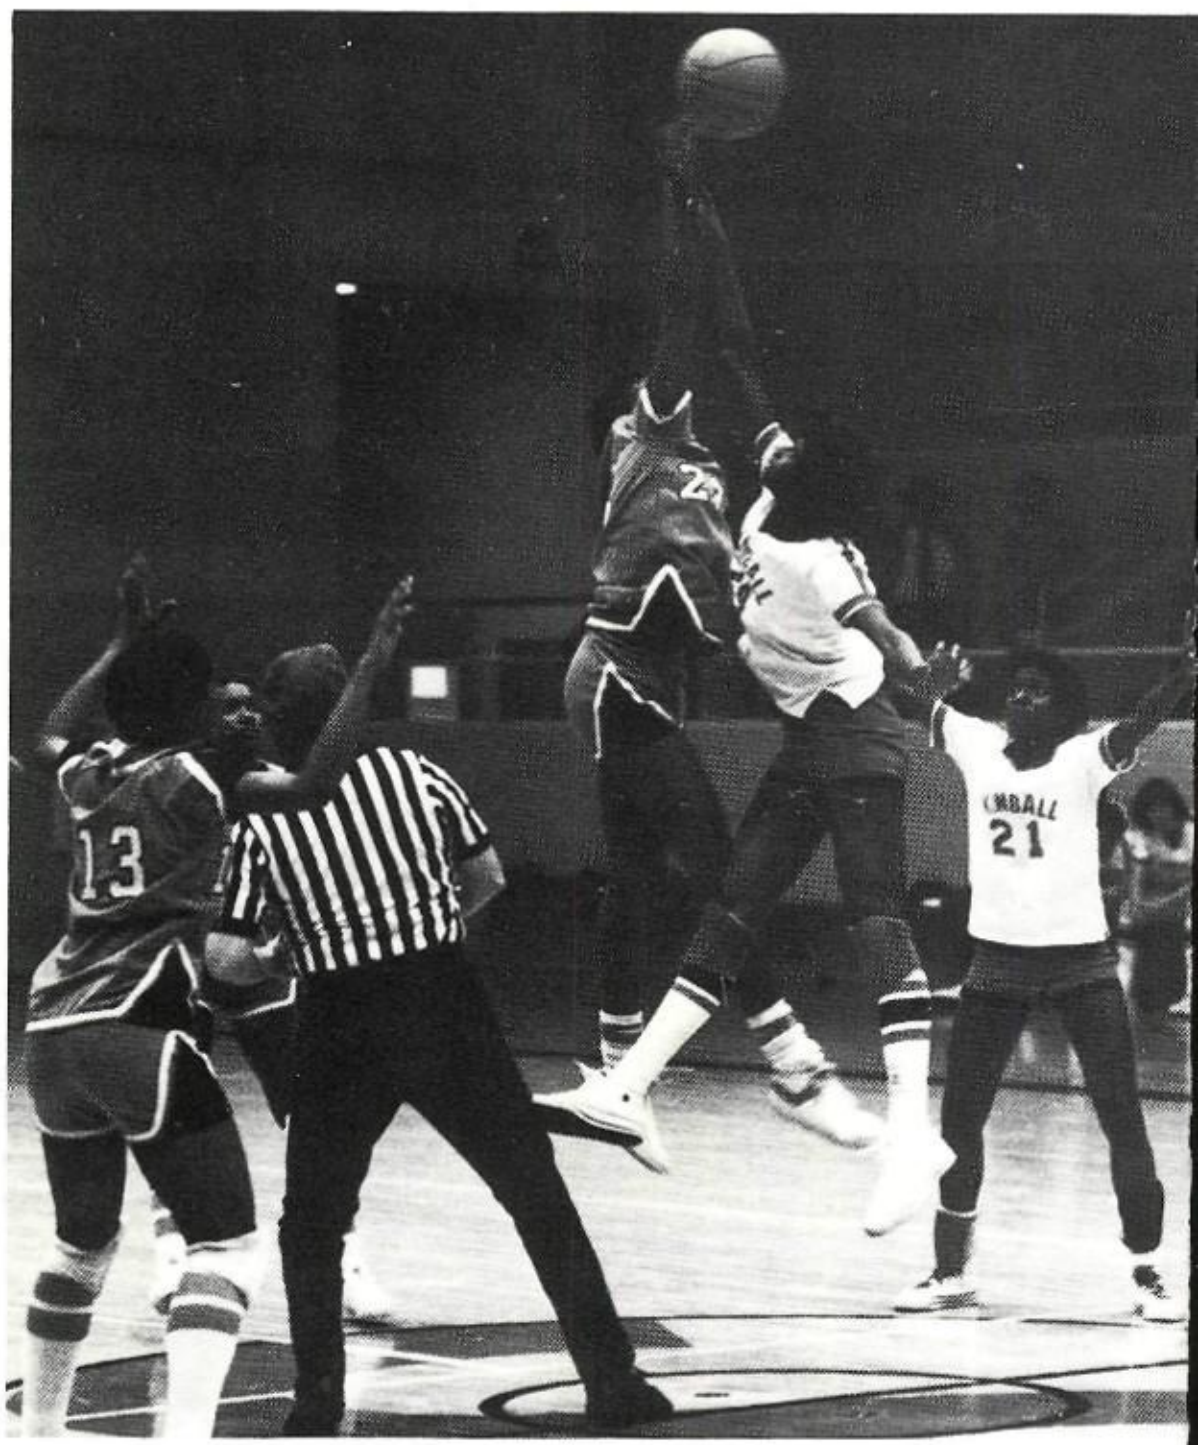
Womens' Basketball Superior in District Play





Confidence was a key factor in womens' basketball this year. During the season the teams showed not only their athletic ability, but an enthusiasm to win.

The girls played eight district games and two tournaments.

Varsity Coach Ms. Weems was impressed with the way the team worked together. "This has been my best team ever. They work well together to achieve their goals. Their dedication has made this an impressive season."

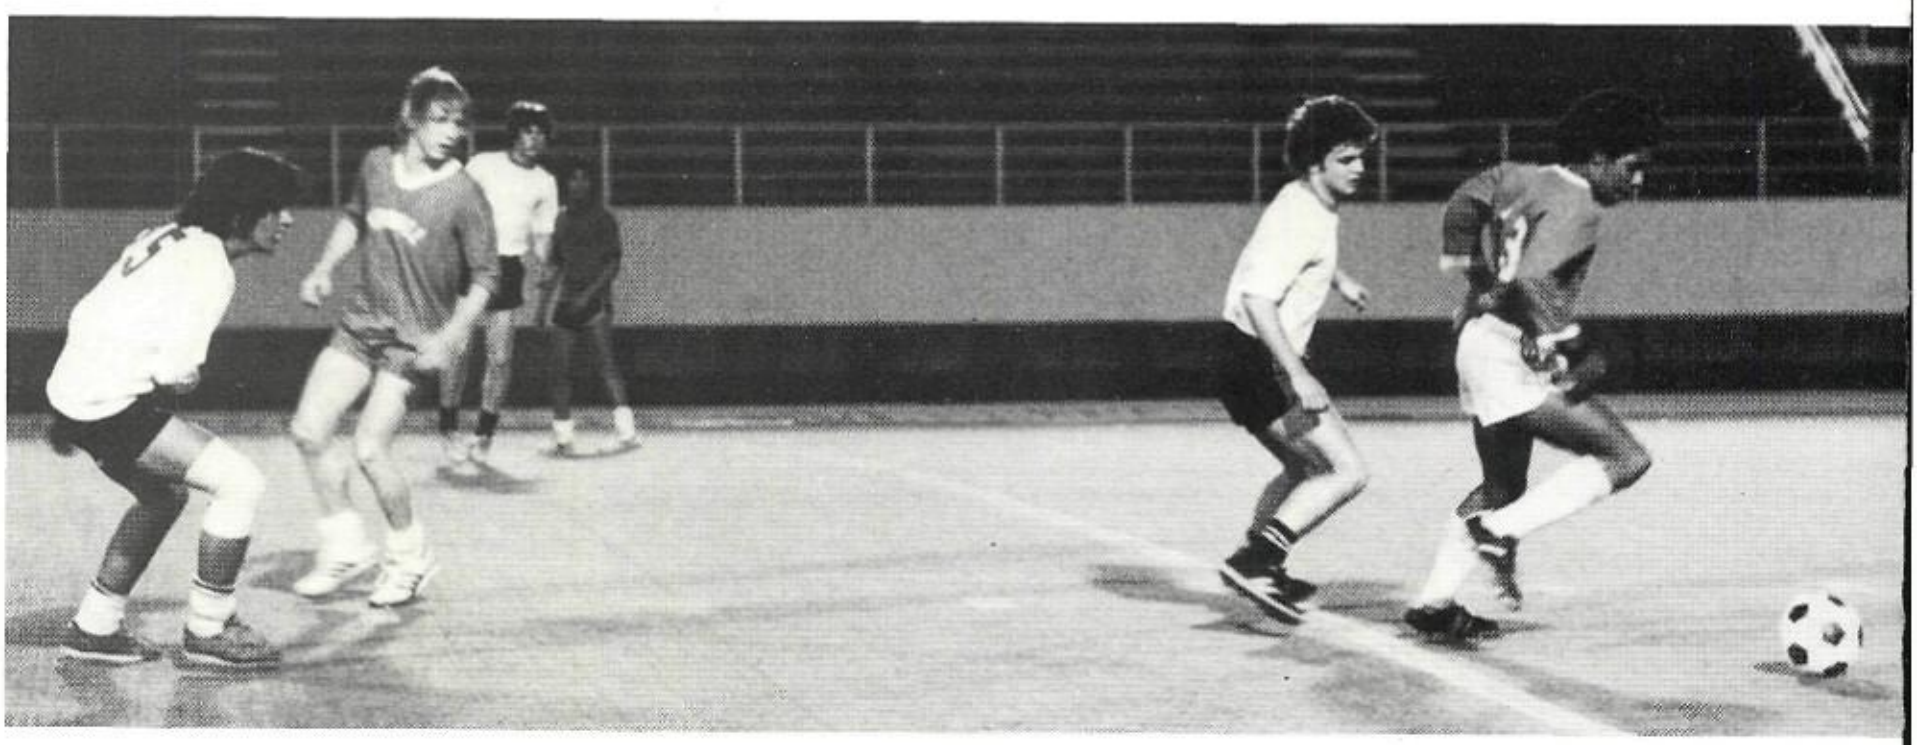
City Champs Defend Their Title



Kimball's All-City Champions returned this year with an All-American player Kenny Killingsworth and several senior lettermen, Rodney Howard, Lonnie Ballard, Robert Berry, Bill Hankins, Don Dorward, and Jerry Alexander.

The Knights began practice early in December in anticipation of another successful season. Experience was a main strength for this year's team since many of last year's players were back. "Our main goal was to win district and hopefully make it to the playoffs," said Coach Hunter. The team began district play Feb. 20. The teams to beat this year were North Dallas and Sunset.

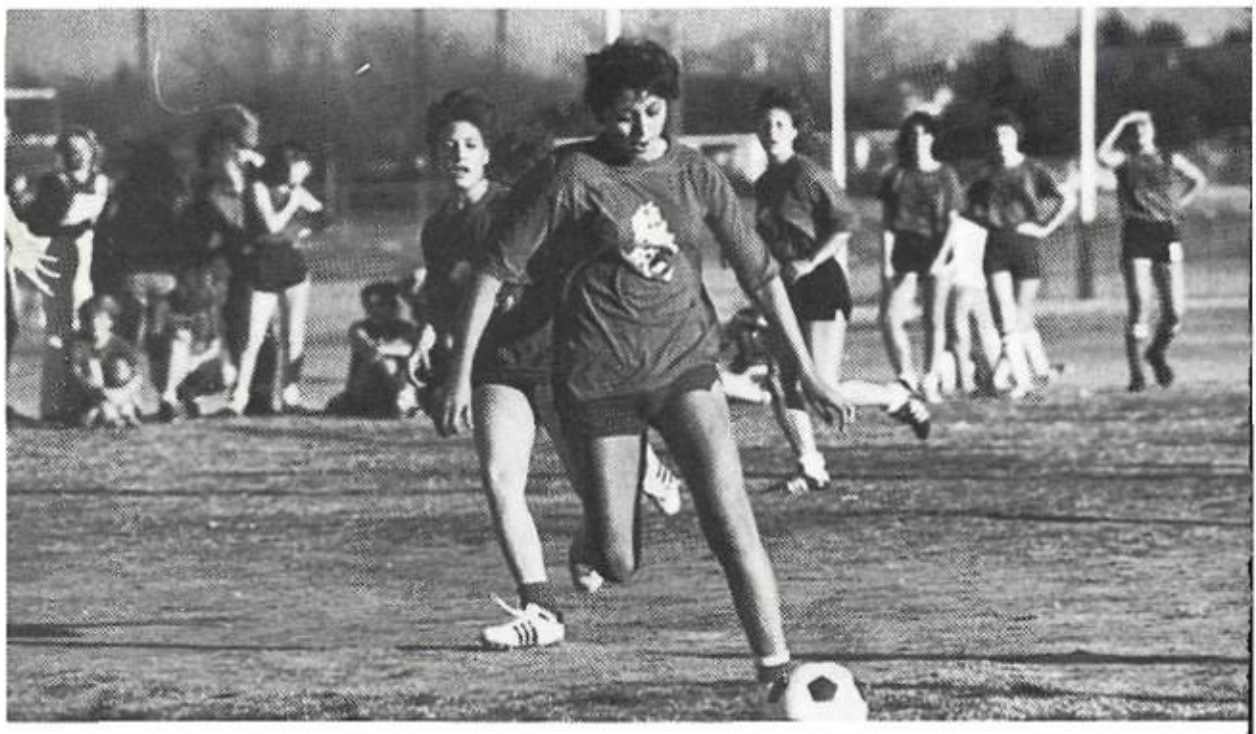
Girls' Soccer; A Growing Tradition



On September 1, 28 members of the girls soccer team began preparing for their 1980 season. Three months of running and hard training helped contribute to their successful year. "Defense was the key for the girls this year," said Coach Runyon. "The girls had the potential to make this a winning season." Making the district playoffs was the goal again this year for the team. North Dallas, Adamson and Sunset gave Kimball its toughest opposition.

The 1979-80 Kimball Swim Team considered experience and teamwork major factors in their success this year.

As always, the regional meets an individual goal for each swimmer. Coach Childers expected members of the team to progress to the regional or state meets. Although swimming required extensive work, the team members felt it was worth it. "Being on the team was a great experience. We really worked together." said Laurie Jensen, a fourth year member of the swim team.

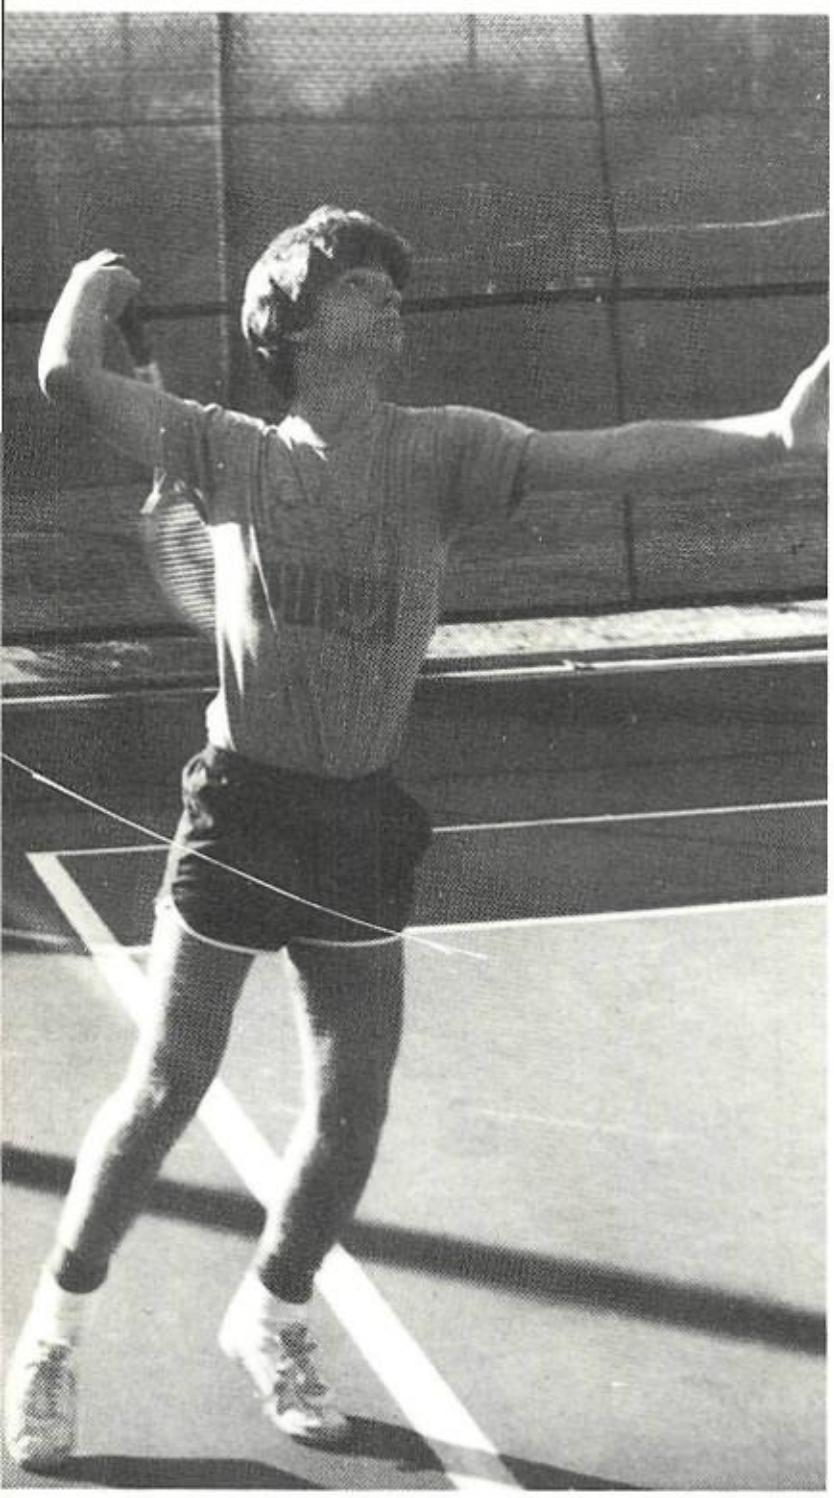
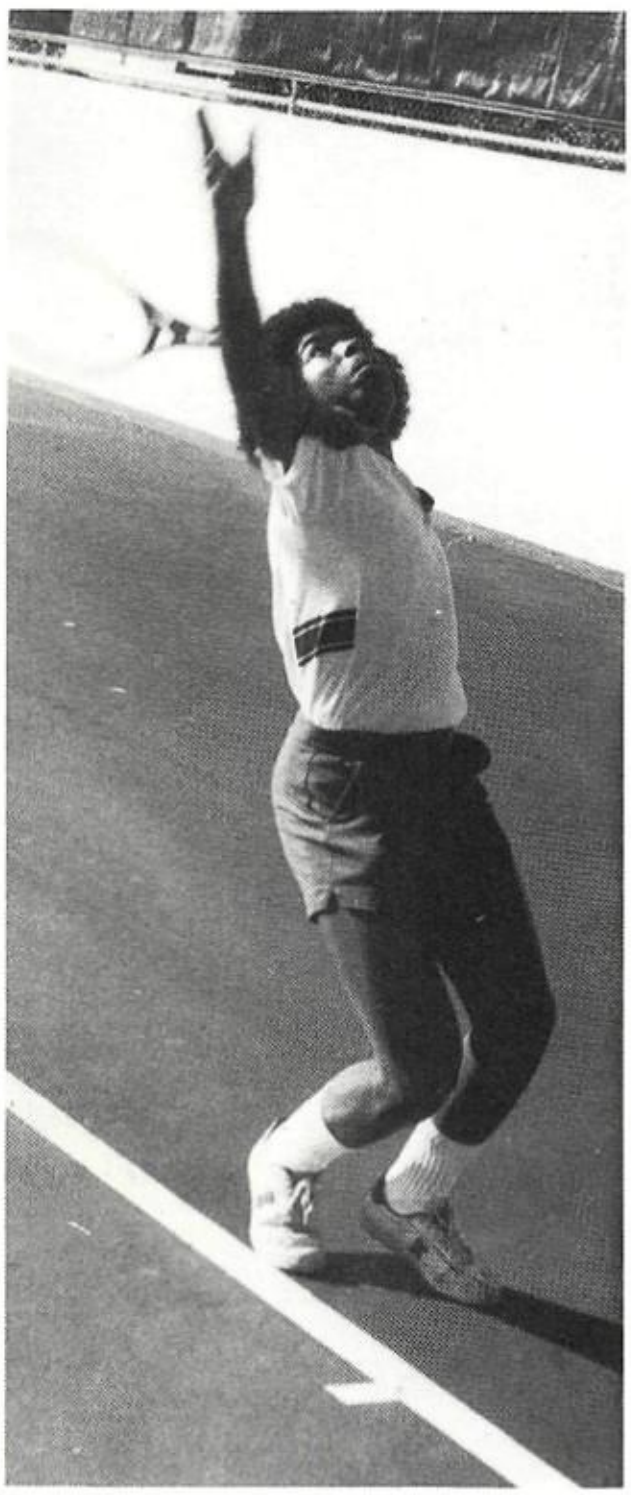
Tennis Team Gains Experience





This was a building year for the tennis team since many of the players had never played competitively. Their new coach, Ms. Hill, worked them hard on game fundamentals.

Coach Hill felt encouraged by the team's progress. "I've gained a lot of satisfaction from coaching the team." Winning zone and district was their goal for the year. Sunset and Bryan Adams gave them their toughest competition.

The Bowling Team began their second season at Kimball this year. Coached by Ms. Whisenhunt, the team played weekly matches against district schools from November through February.

North Dallas and Sunset proved to be the team's biggest competitors. They also participated in the City tournament at Don Carter East where Kimball girls took the city championship. The girls' scores averaged consistently in the 140's and the boys' scores ranged from 150 to 160.

The team consisted of ten bowlers: five girls and five boys. Several alternates were also chosen. The league included 12 three-member teams.

Kimball Relays Held March 22

A highlight for the track team this season was the Kimball Relays held March 22. Teams from the Dallas area participated in the Kimball Booster Club sponsored event. The team also competed in several other meets including the City Meet at Loos.

The team was led by returning lettermen Marshall Wyatt and Scott Gleaves. The team's best events were the mile relay and the 400 meter dash because of Wyatt and Gleaves' experience.

Roosevelt and South Oak Cliff were Kimball's toughest competitors.

"Roosevelt and SOC were the leaders in the district race because they had more people," said Coach Hester.

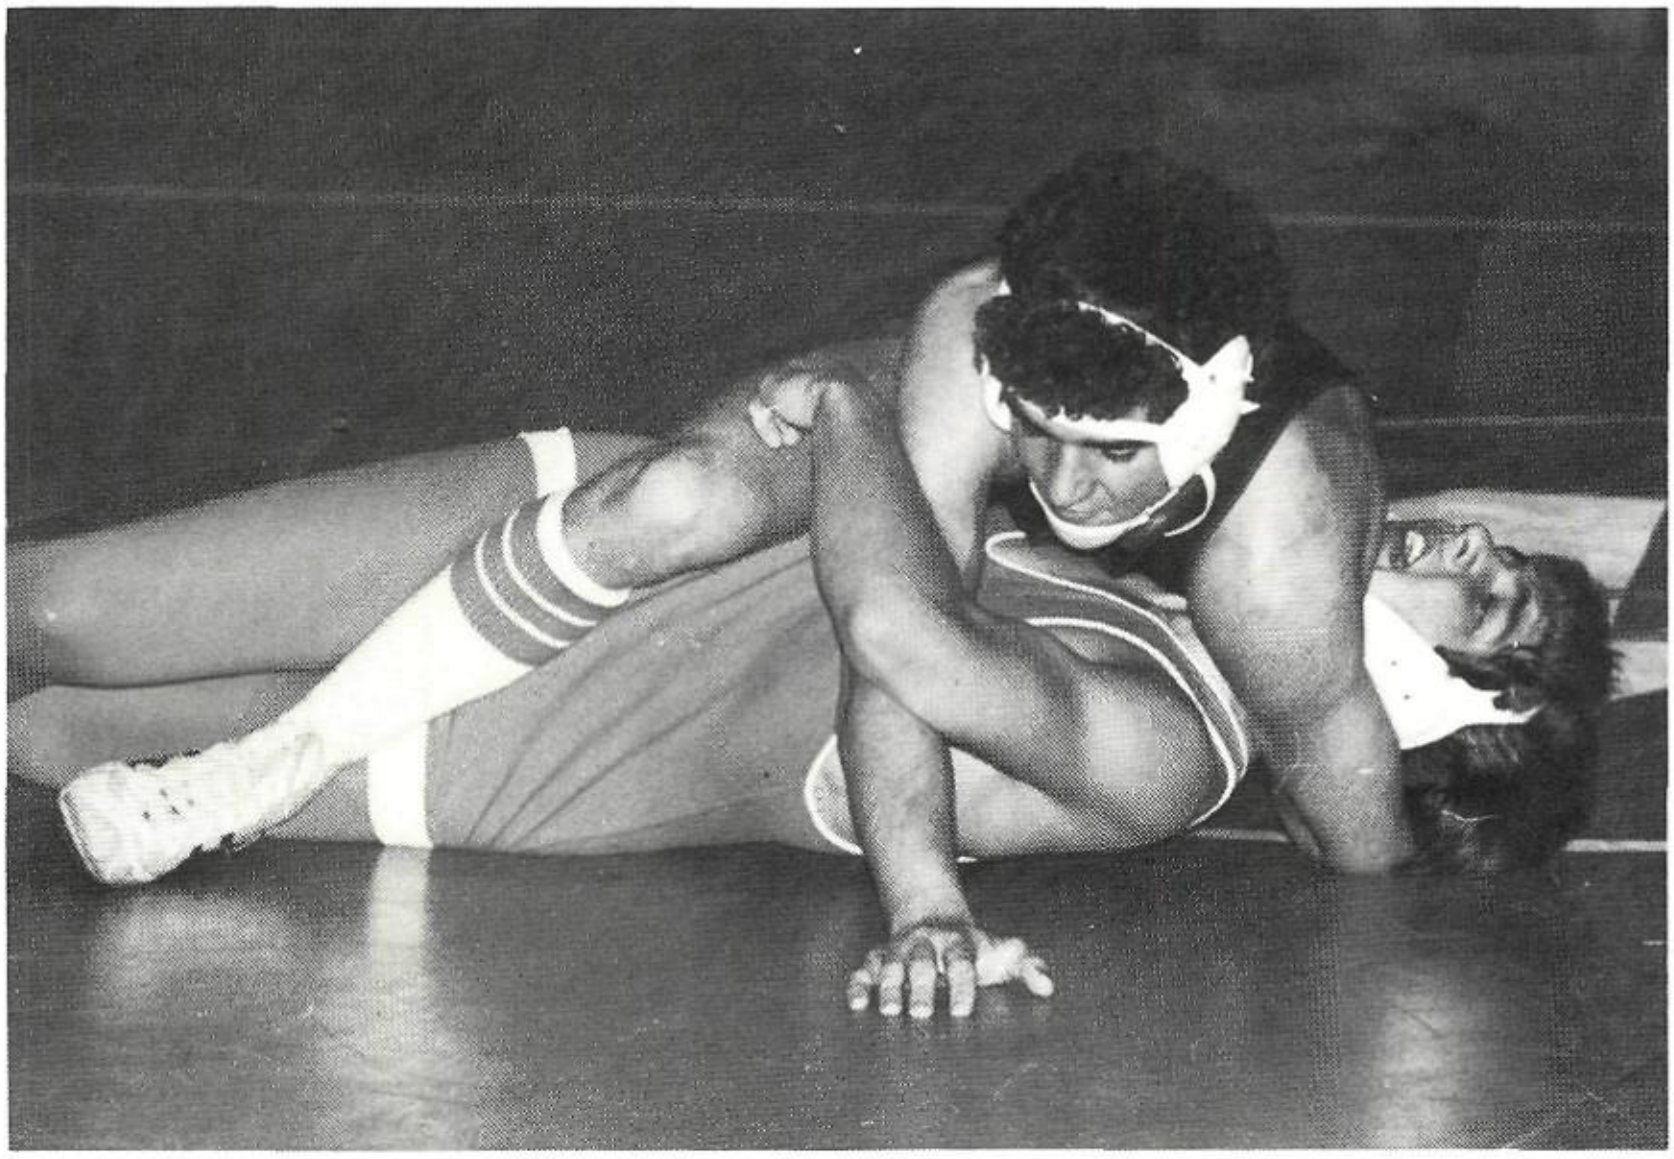
Individuals Lead to Team Success



Coach Welker led the 1979-80 wrestling teams through an excellent season. Returning lettermen for the Knights were Garry Moore, Red Fortson, Fonzell Fortson, Montie O'Neal and Marcus Randall. Throughout the year the wrestlers placed high in many tournaments. The climax of the season came when the team defeated the District Champions Madison, 27-26. Coach Welker was very pleased with the season. "More than any other sport, wrestling teaches self-control and pride. We started the season with little experience, but that didn't stop us. Many wrestled without great skill, but none wrestled without pride. We just kept getting better," said Coach Welker.

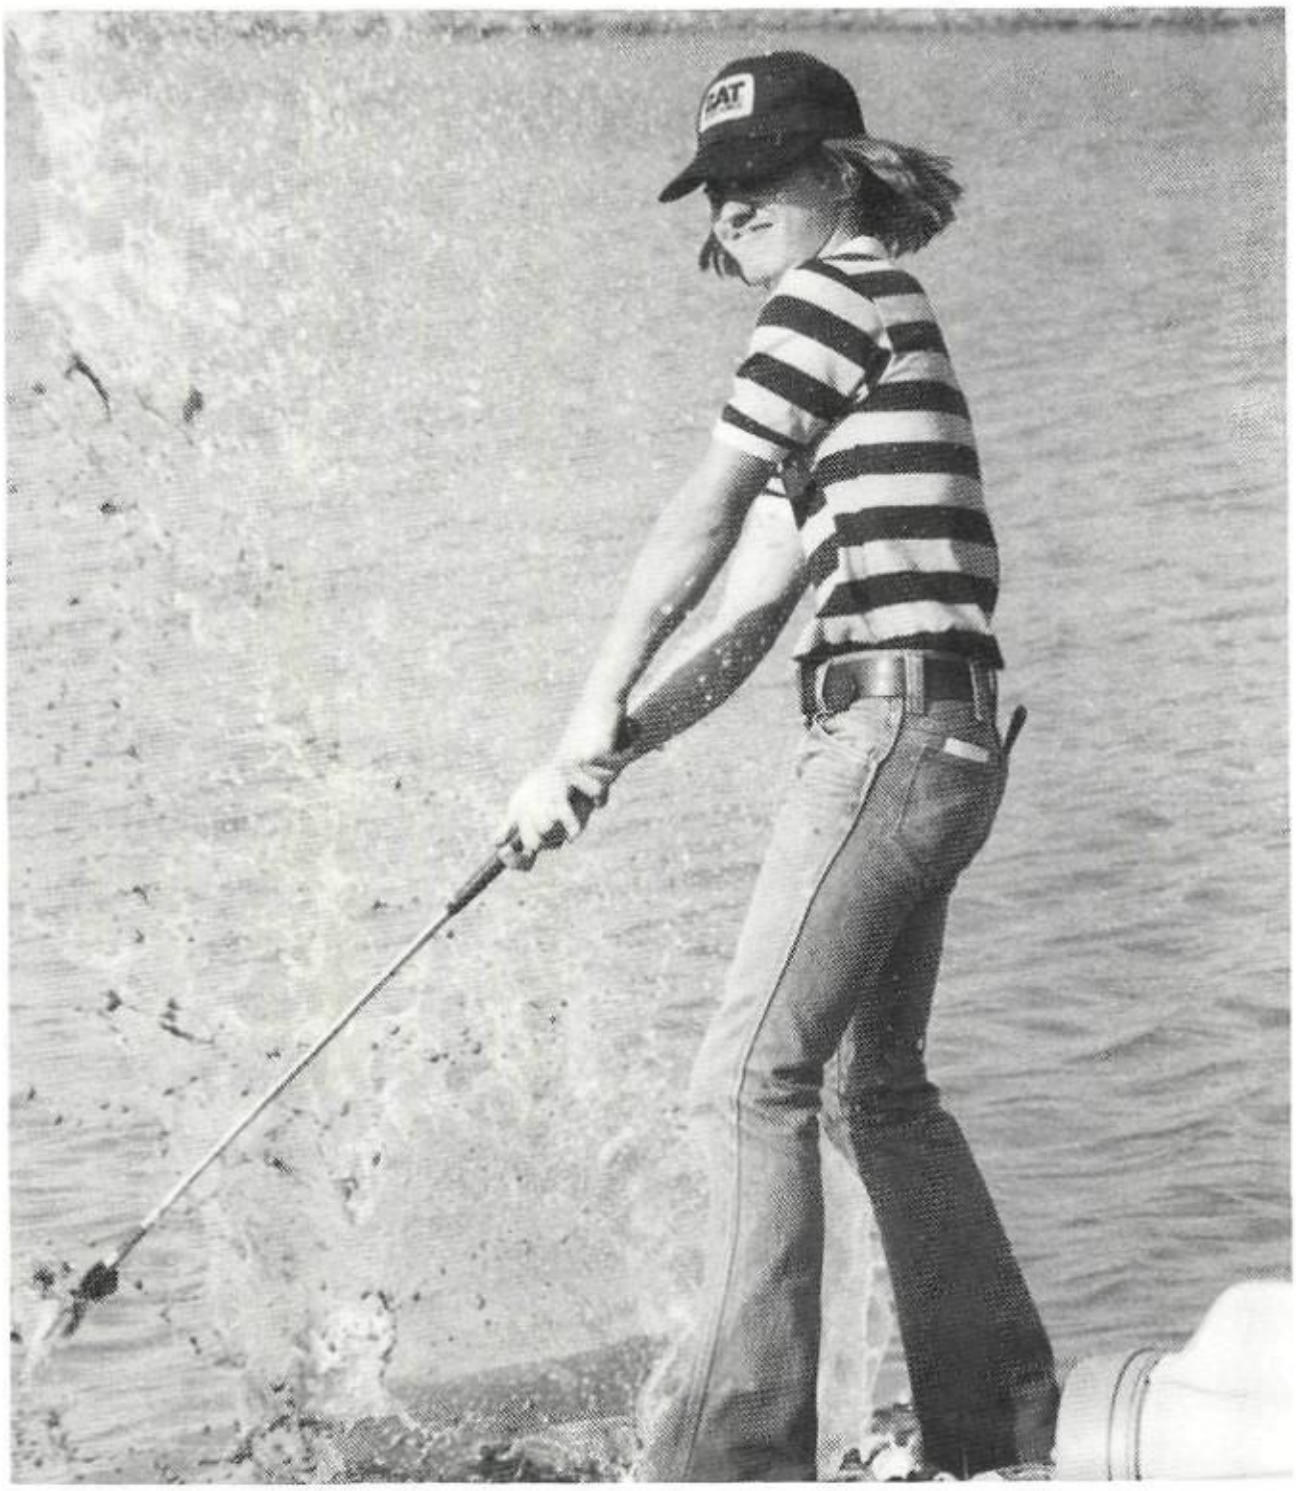
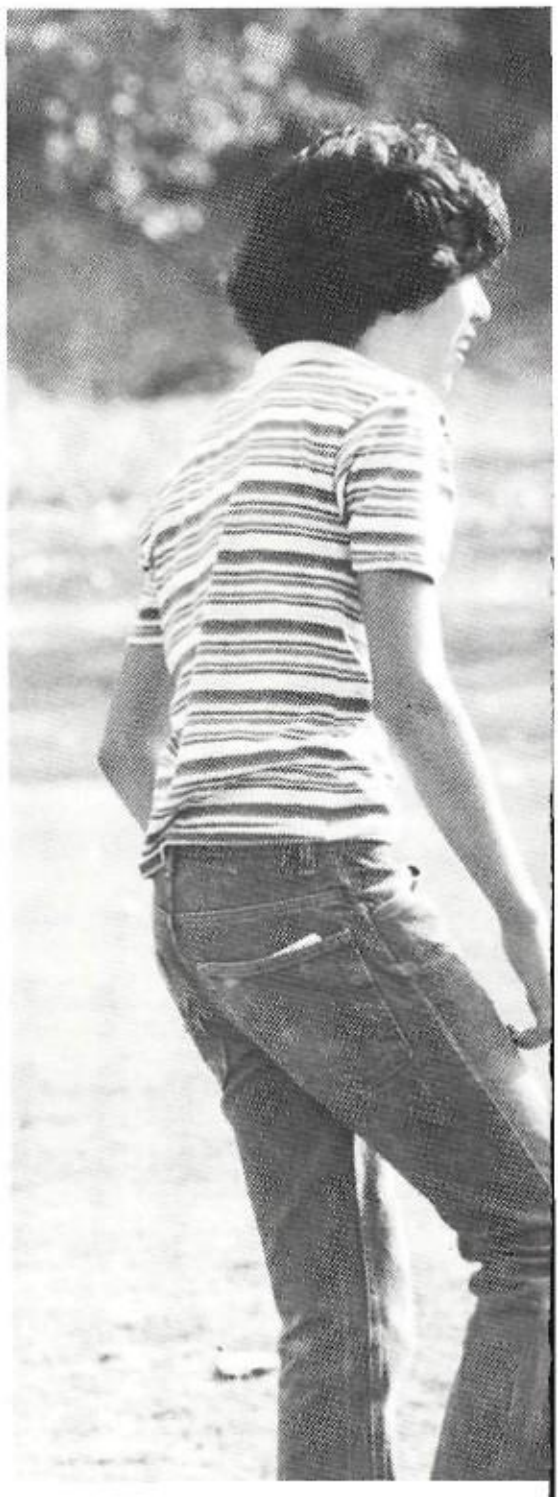
Golf Team Worked Toward District





The Golf Team began its season by playing in a fall tournament in October. They finished eighth overall but first among district teams.

District competition began in late January and continued through April. The team played eight matches at Stevens Park and Cedar Crest golf courses. Sunset, the district favorite, was the team's toughest competition.

The team was led by Guy Chandler and Mark Carlberg, who shot in the 80's. Coach Janosko was pleased with the team. "They were excited about the new season and came ready to play," he said.

Unity Emphasized for Success

February 1 was the first legal day for team workouts this year. Since six starters returned, the baseball team's goal was to win the district competition.

Their toughest opposition came from Sunset and North Dallas.

Team unity was stressed to produce a winning team. "We tried to work as one out on the field," said Pat Stacy.

HEY IRAN!

an editorial by Quintin Stephens

November 4, 1979, fifty Americans were taken hostage by Iranian students in the U.S. Embassy in Tehran. These Islam students claimed the Americans were spies and were to be tried by the Ayatollah Khomeini's revolutionary courts. The Iranians wanted the former Shah of Iran forced back to Iran by the United States in exchange for the hostages. If President Carter would have done this, he would have gone against every moral standard the United States citizens have set for themselves in the Bill of Rights to the Constitution. President Carter actually had his hands tied. To declare war on Iran might have meant the beginning of World War III. So, to try to settle the issue peacefully seemed like the only solution. President Carter did say, however, backed up by American indignation towards the Iranians, "the consequences of harm to any single hostage would be extremely grave." According to Time Magazine, "the trials in Iran began with a prayer to their God. In the name of God, the compassionate, the merciful . . ." But there was no compassion or mercy shown at these trials. The trials were held at night and the accused were never represented by a defense attorney. The real God would never tolerate this! International law states that 'accredited diplomats have immunity against being tried by a host country.' If they were suspected of espionage, they were supposed to be ordered to leave the country. This situation united the Americans in a way that they have not been in two decades. T-shirts, posters, bumper stickers were seen denouncing the Iranians. Protests and demonstrations were held by irate Americans. Even high school students supported the United States by tying ribbons to car antennaes and trees signifying the slogan "release the hostages." Maybe the situation in Iran could best be described by an ancient Persian saying:
"The grapes are not yet ripe and the people are already drunk on the wine."

RUSSIA POSES SEVERE THREAT TO U.S. DEFENSE SUPERIORITY

The United States has underestimated the Russian's strength and military intentions. As a result, the United States has allowed Russia to catch up in military strength. Three assumptions made by the U.S. in the 1960's and 1970's caused this.

Assumption 1 — Reports showed that Russia would settle for being inferior to the U.S. This is not true. In the past ten years, Russia has literally done everything in its power to catch up.

Assumption 2 — Both the U.S. and the Soviet Union did not want the arms race to get out of hand, so they would seek to avoid a race. The Russians have shown little interest in coming to any type of agreement that would limit arms buildup, and have instead built up a force to match ours.

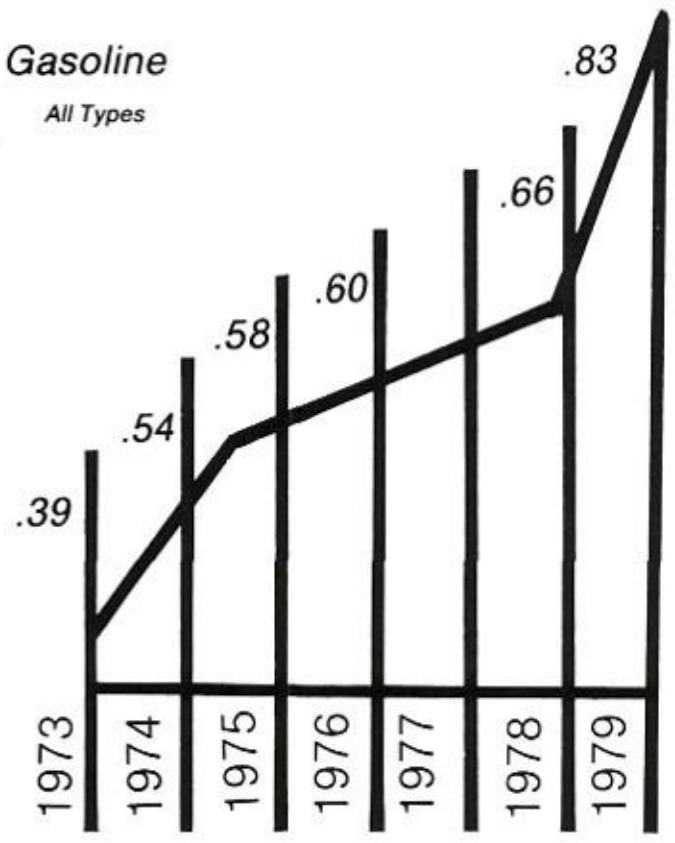
Assumption 3 — U.S. officials believed that the Russians were willing to cooperate in slowing down the arms race and limiting defense spending. The thought was that the Soviet Union would be left behind in the arms competition, because of America's advantage in technology and a gross national product twice that of Russia's. The CIA estimates that the Russians outspend the U.S. on defense by 45%. The danger is that Moscow will be tempted to take advantage of their lead or political gains before the U.S. can close the gap.

Because of the Soviet Union's need for oil, they have invaded Afghanistan on their march to Iran. If Iran should fall under Soviet control, they will have control over the oil producing countries.

The Carter administration has made several decisions regarding Russia's invasion of Afghanistan. New defense plans and imposed embargoes are two of the actions taken by Carter. The CIA believes that the Soviet Union has entered a recession with serious labor and energy shortages, and sluggish productivity that could last a decade or more.

If the Soviets go into Pakistan, it will be considered an act of war. The problem has been to find a way to avoid aggressive military action that might be risking a nuclear Armageddon. A next world war would surely mean the end of the world. If war breaks out, no one will win.

INFLATION PUZZLES CONSUMERS



INFLATION IS **the reduction of purchasing power of American currency due to money supply increasing at a faster rate than productivity (goods and services). In other words, a person's money does not buy as much as it did at an earlier time.**

Inflation has affected people because: 1) Prices of items will go up while productivity stays the same. 2). People will have to decrease what they buy because even though they have a lot of money, it will not buy as much. 3). People do the same amount of work for higher wages. This affects people because this *IS* inflation. For Example: You go into a restaurant. The waiter that is serving you has just gotten a raise — the prices on the menu have just increased because the restaurant needed more money. The waiter isn't serving anymore than his usual number of people, so there is no increase in output. All that has happened is that the prices of the food have gone up.

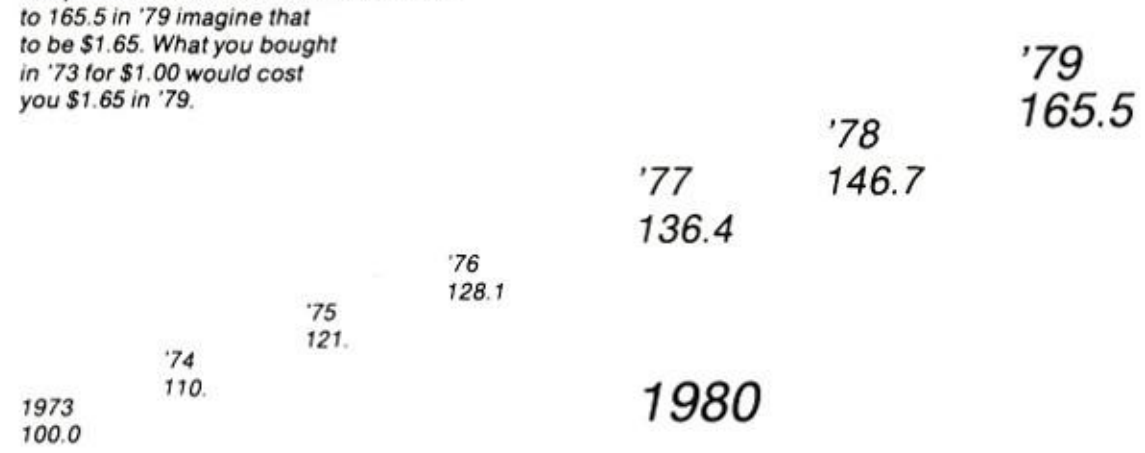
INFLATION'S SHARP BITE

Index of All Consumer Prices

This chart shows how much the consumer price index has gone up in the past six years. For an easier understanding, imagine that the 100.0 for '73 is equal to $1.00. As the chart increases to 165.5 in '79 imagine that to be $1.65. What you bought in '73 for $1.00 would cost you $1.65 in '79.



NEWS BRIEFS

To Enlist Or Not to Enlist

If you can't decide whether to enlist, read the following.

Registration cuts 90 to 100 days off the time needed to get young men or women to report for training. Without it, in an emergency, it would take about 110 days before the first inductee reported. Then that individual would not be prepared for combat until receiving another three months' training.

That means about seven months would elapse before the first draftee became available for duty. In the meantime, we would completely deplete our reserve forces and be in a desperate condition because of manpower shortages in combat units. We would be faced with the choice between capitulation and early resort to nuclear power.

Election: 1980

There are three main political figures in the race for the Democratic nomination and several Republicans fighting for their party's vote.

In pursuit of the Democratic Ticket is incumbent President Jimmy Carter. Running against him is Senator Edward Kennedy, and Governor Jerry Brown.

Candidates for the Republican nomination include Ronald Reagan, Governor John Connally, Senate Majority Leader Howard H. Baker and George Bush, former C.I.A. director.

Gas Crisis?

A gas shortage hit Americans in 1979. Prices steadily rose from their reasonable 35 cents a gallon to over $1.00 a gallon. What caused the increase? OPEC? Big oil companies? Retailers?

Although 69% of Americans refused to believe it, OPEC nations seem to be the cause of the U.S. gasoline shortage. OPEC members have joined together to exploit the world's shortage of oil. They are making the shortage more acute by holding back production. OPEC members have agreed that they will do everything possible to prevent a surplus of oil in the world market. "We are especially interested in preventing any drop in price and are making it too expensive for Europeans and Americans to build up by stock piles," OPEC members have said.

What can Americans do to beat the increases? Several options can be used to help combat OPEC's demands.

Gas rationing is a government control to cut U.S. gas use. Mass Transit could be controlled by cities or states and car pooling and individual reduction in gasoline use are personal means of combating OPEC.

Cambodia

Rosalyn Carter said it all when she said, "We can't let people starve!" In recent years, Cambodia refugees have been pouring into nearby Thailand for relief. With most of Cambodia's rice paddies devastated from Russian, Vietnamese, and U.S. bombs, emaciated Cambodians are dying from starvation and disease by the thousands; and unless something is done, the count could reach a million. Relief from the United States, the U.N. and other nations has been pouring into Cambodia. The U.S. alone has sent over 70 million dollars of relief. The process is slow, but, hopefully, starvation can be obliterated from the world.

The Miracle Worker

Dramatized by
William Gibson

CAST

Annie Sullivan	Marsha Britton
Helen	Whitney Green
Captain Keller	Paul Carmona
Kate Keller	Melody Nye
James	Curtis Gunter
Aunt Ev	Teresa Kulas
Anagnos	Ronnie Earl
Viney	Sharon Fudge
Martha	Sherry Brown
Percy	Robert Johnson
A Doctor	Antonio Banda

Helen Keller was a deaf and blind girl who worked to overcome her handicaps with the help of her teacher, Annie Sullivan. Her struggles were dramatized in the Fall play, "The Miracle Worker," November 1 and 2. The fine performances of the cast brought many in the audience to tears. Because of the subject matter, this play required extra research for character development. This inspiring story was student directed by Kim Payne.

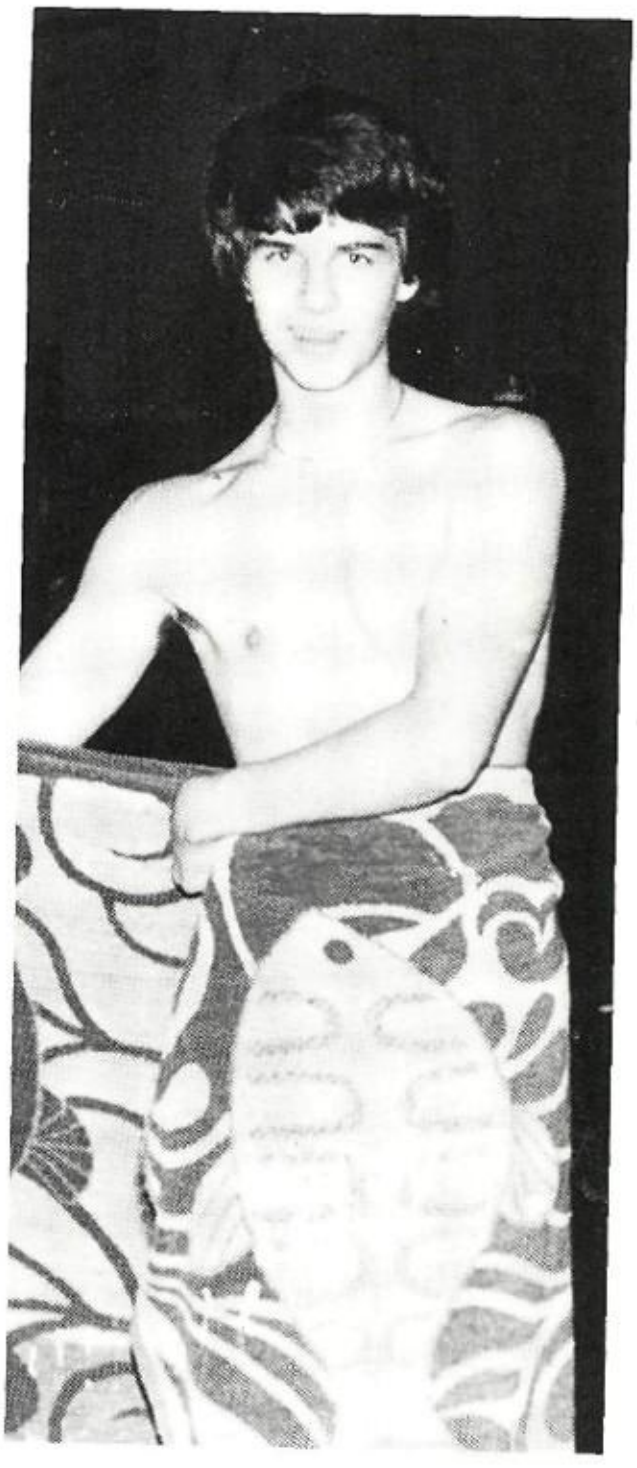
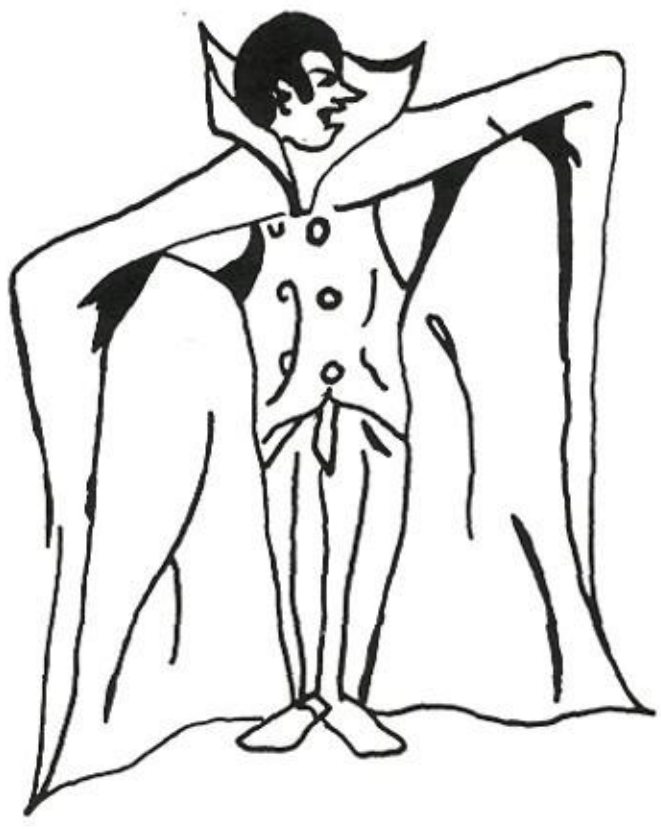
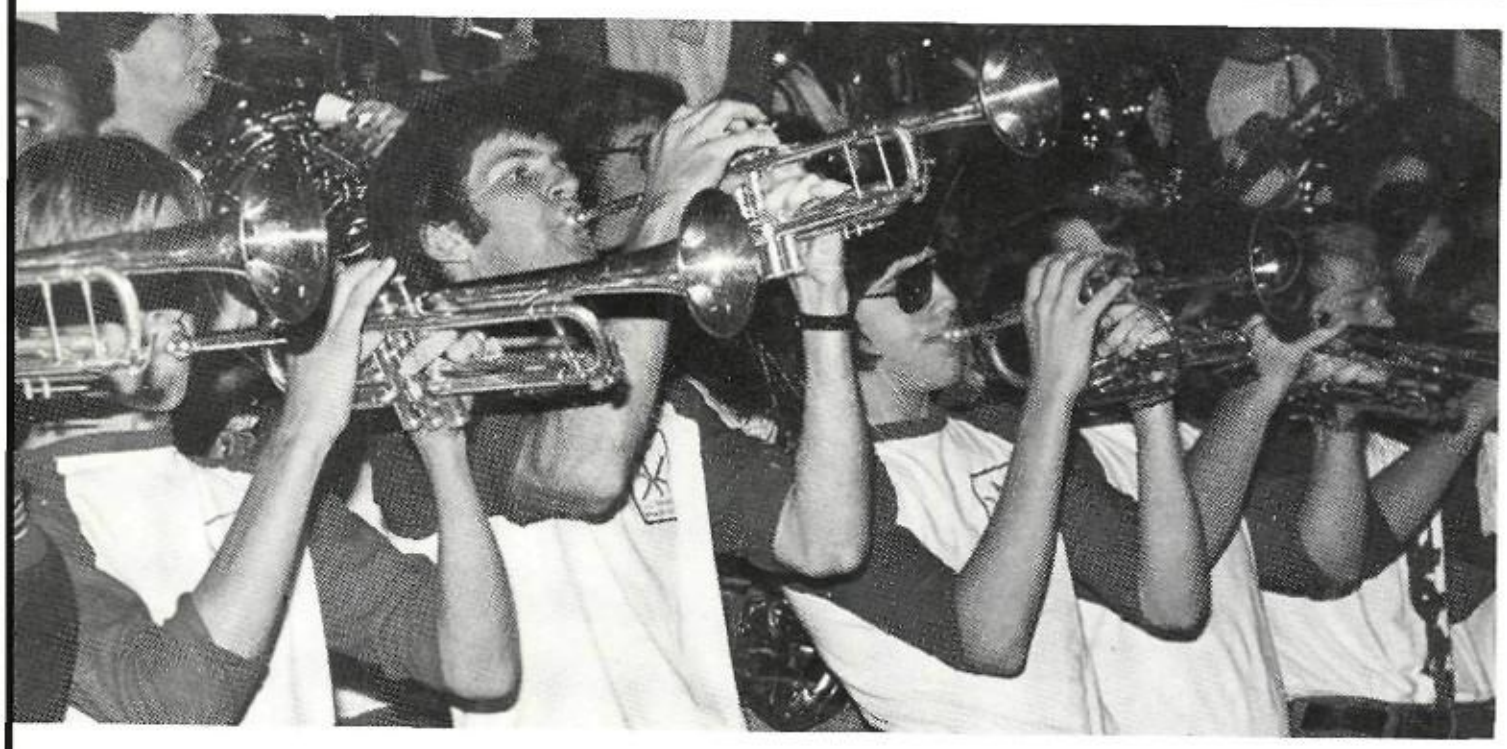
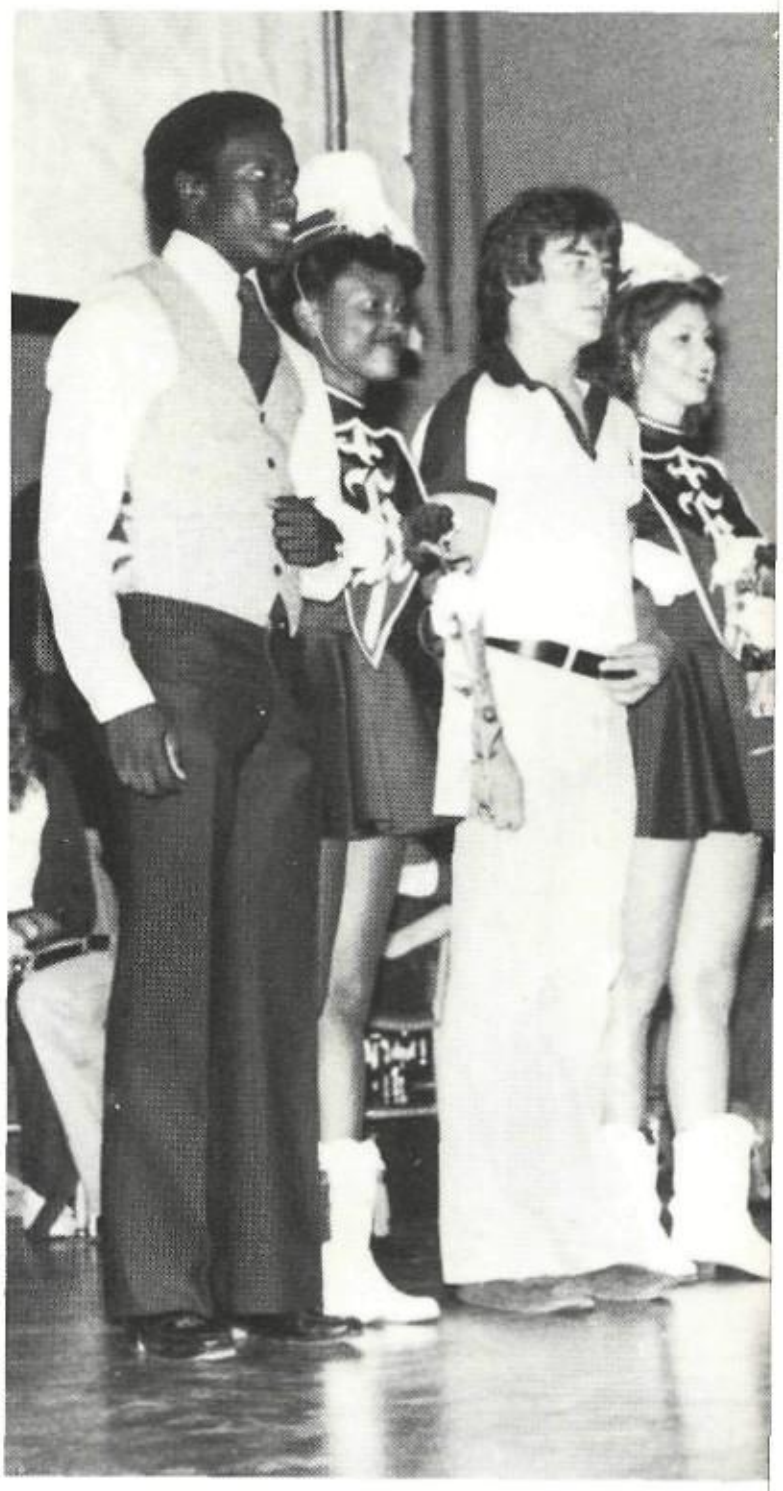
The fourth annual People's Choice Costume Ball and Halloween Dance was highlighted by costume judgings and class favorite announcements. The dance was held on October 27 at 7:30 in the W. P. Durrett Gym. Ghost and goblins filled the gym. All the proceeds went to the Senior Class.





It Was Our Knight to Shine





Hall decorating kicked off Homecoming week in its traditional spirited fashion. The Senior Class won first place, Sophomores second place, the Troubadears third place, and the French Club took fourth place.

The Homecoming game also kept up the Kimball tradition as the Knights romped to a 10-0 victory over the Bisons. This wrapped up Homecoming week in a grand fashion.

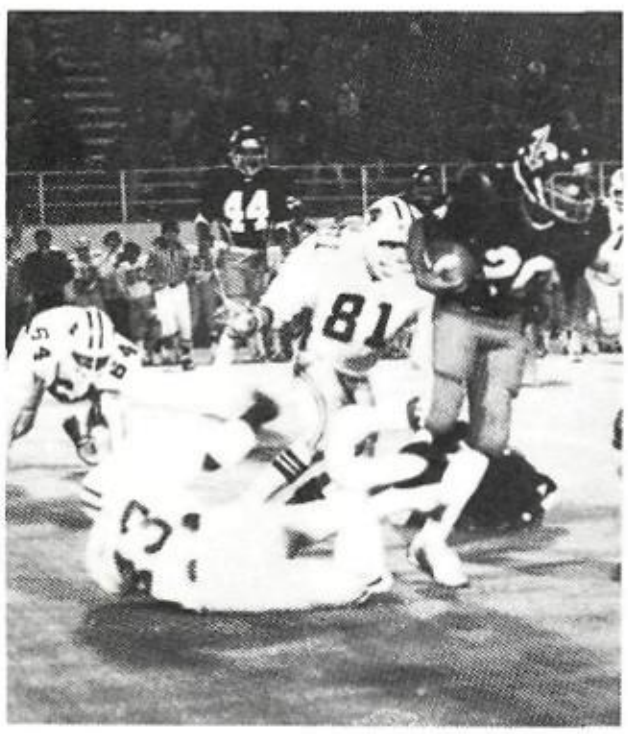
Pageant Celebration Precedes Victory



Homecoming Pageant '79 was a new attraction at this year's Homecoming. The pageant was a formal ceremony with entertainment by the New Tyme singers and the Royal Lancers. Scott Gleaves and Victor Canales shared the honor of master of ceremony. The highlight of the pageant was the introduction of the Homecoming nominees and the winners. The 1979 Homecoming Court included, freshman Dawn Baker, sophomore Kim Stivers, junior Lori Facen, senior Sheryl Jessing and Homecoming Queen, Paula McClure.

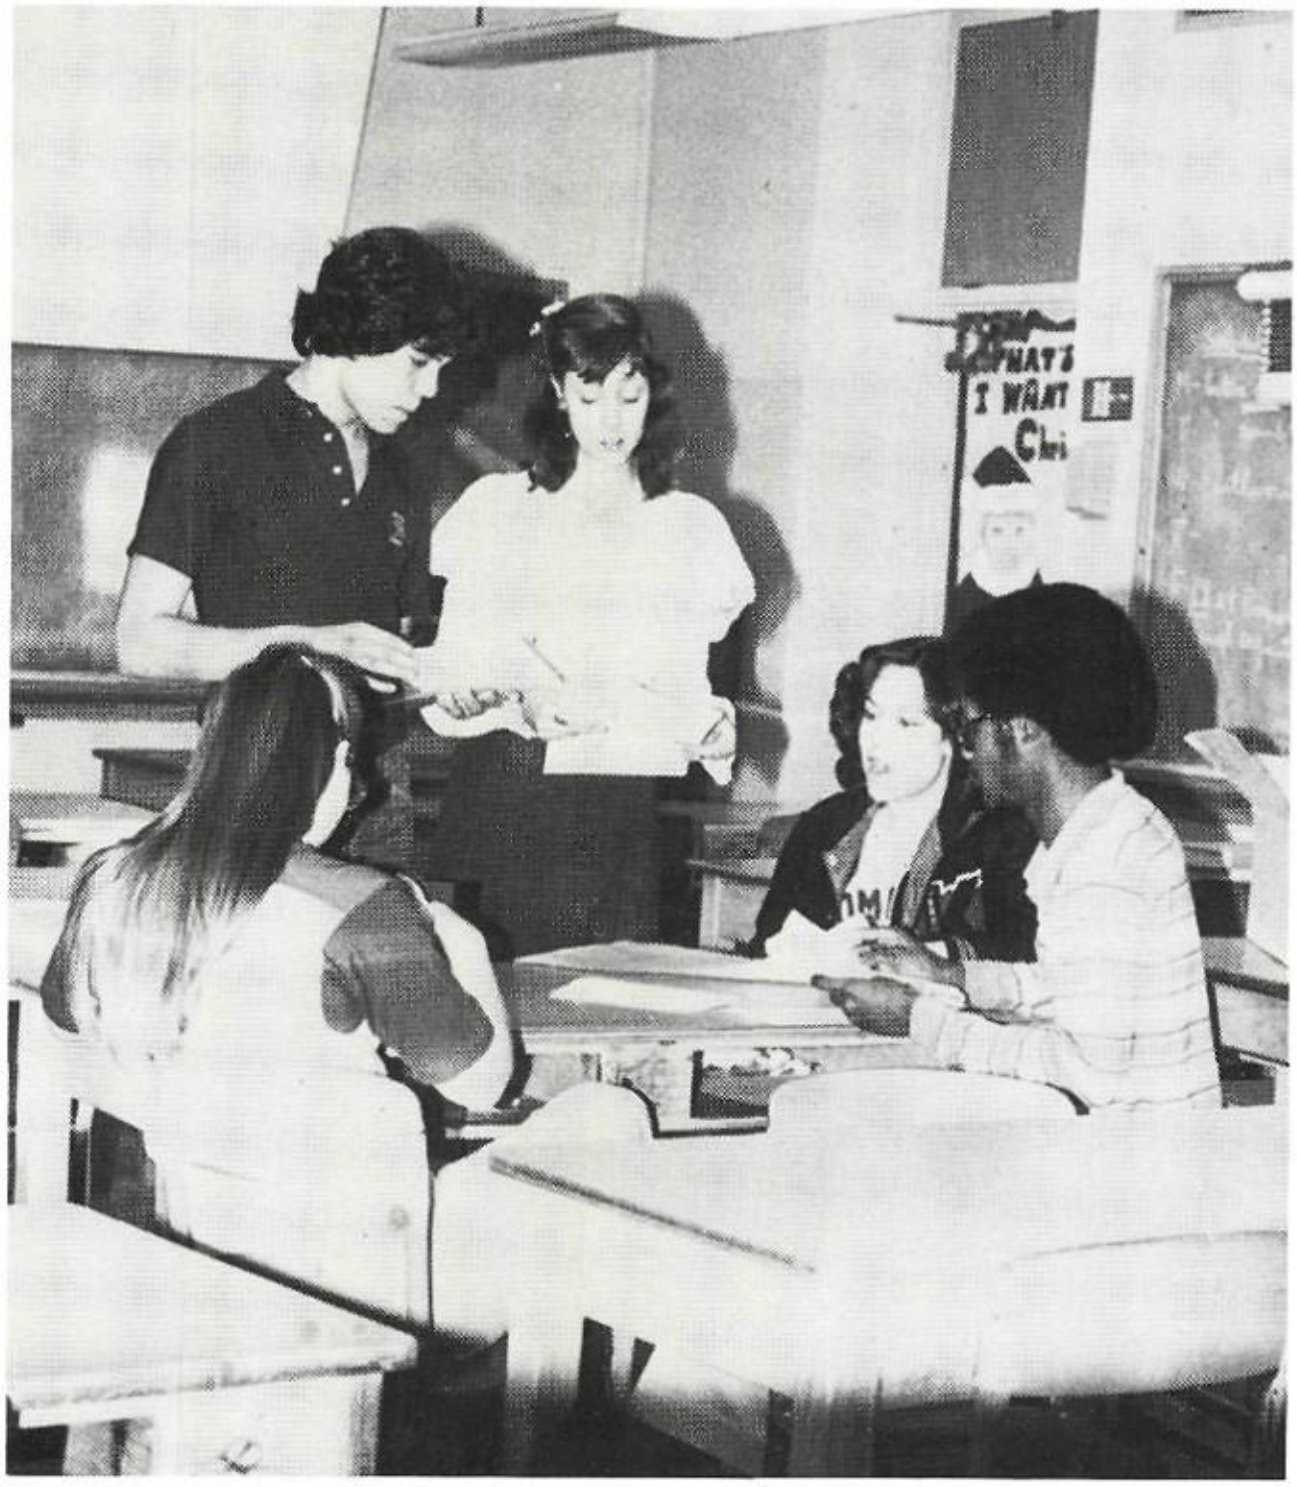
Nervous System Explored



Brain disorders was the topic for the main speech at this year's Kimball Science Symposium held November 10. Dr. Moushigan of the Callier Center for Brain Disorders was the primary guest speaker. Symposium participants had an opportunity to study more in depth the workings of the nervous system. This annual Kimball event attracted over 600 students from across Dallas County.

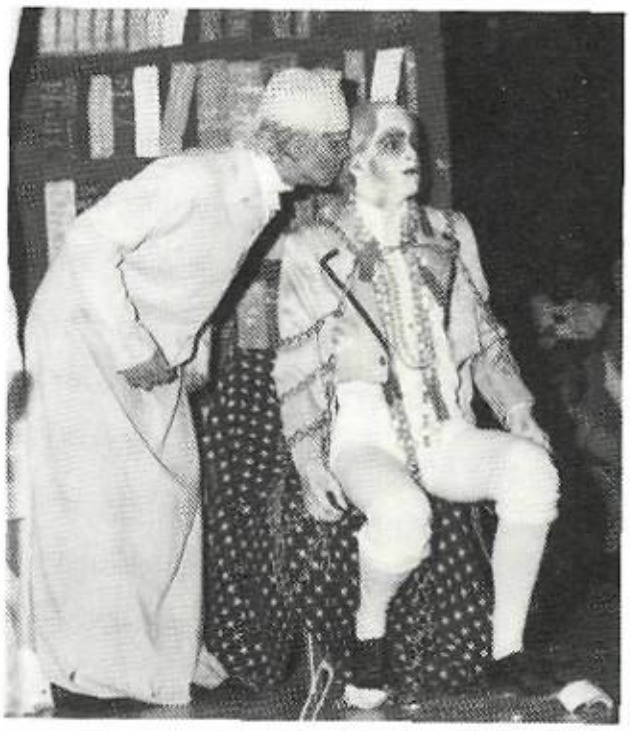
Christmas Past, Present and Future Visits Kimball



The Choral and Orchestra Departments presented a Christmas Musical, *A Christmas Carol*, on December 18. The story was transformed into a musical and slightly rewritten by Mr. Bryan and Mr. Atherton. Choir members worked together in the presentation, making all participants stars in their own ways. The musical brought the Christmas spirit into Kimball.

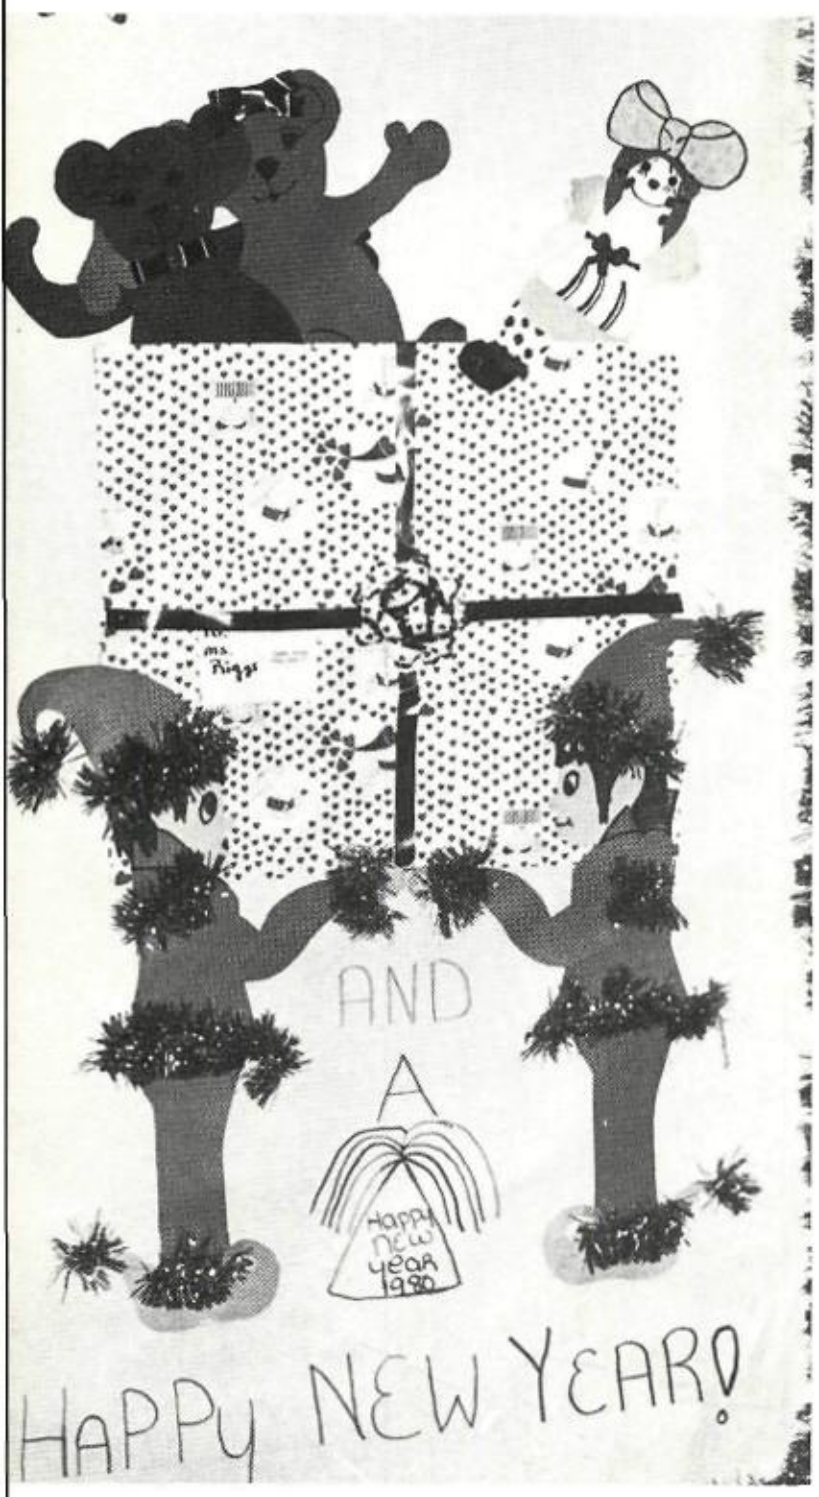
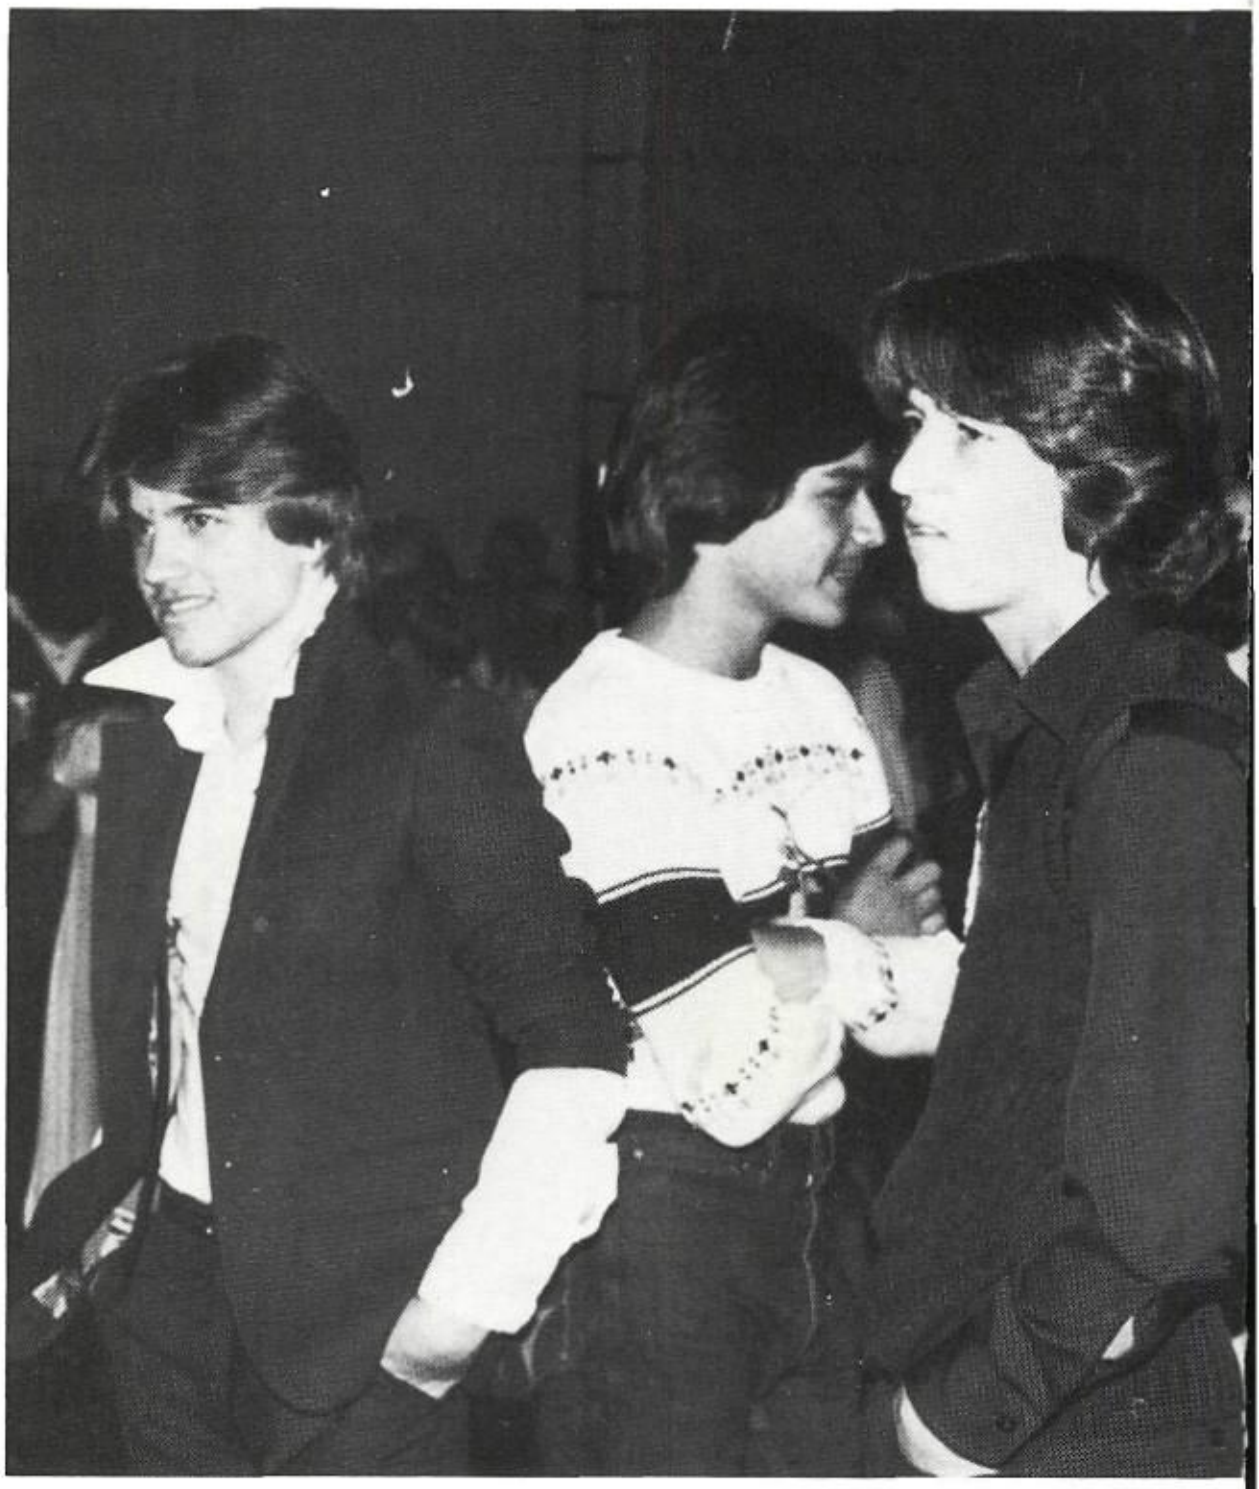
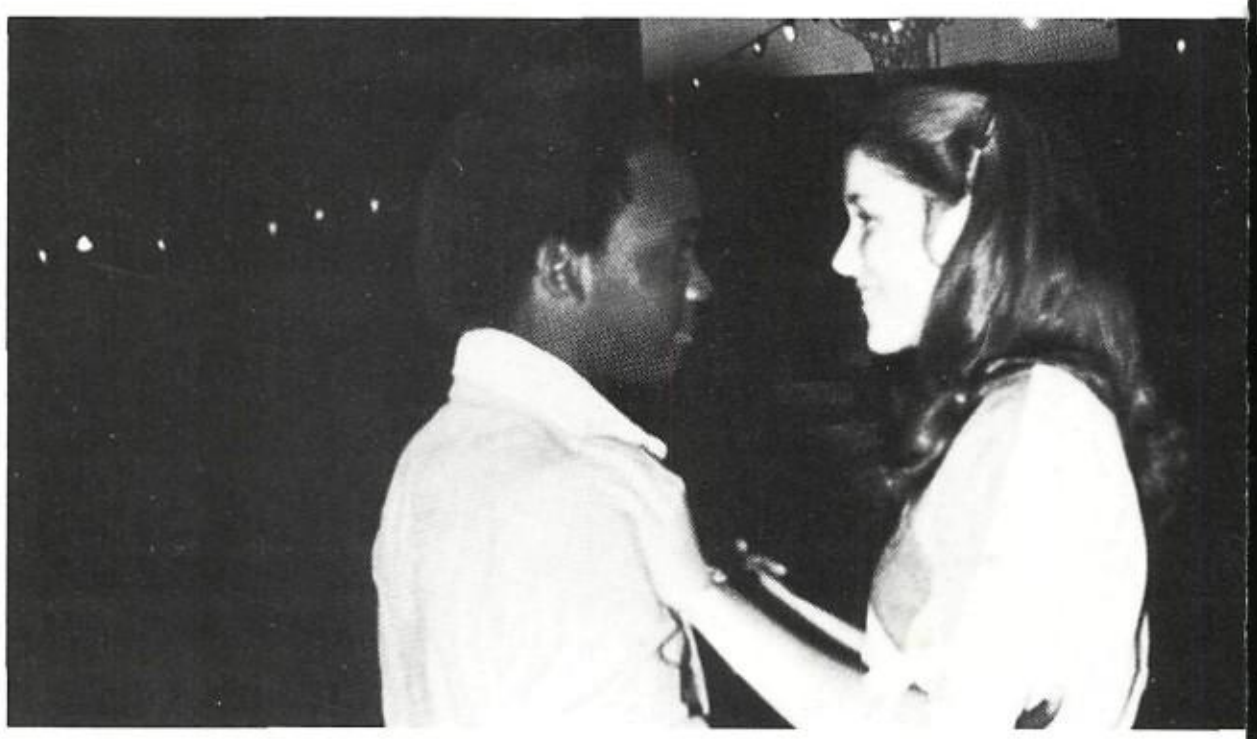
Christmas Door Decorating and Dance Unite Student Body







One of many activities this year to promote school unity was the Christmas door decorating contest. The Student Council sponsored this competition among 4th period classes. This project helped to unify classes as students throughout the school worked together to decorate the individual classroom's door. The winning door was Miss Rigg's.

The Christmas dance, which was sponsored by the Sophomore class, also got the student body together during the Christmas season. The dance was a success according to sponsor, Ms. Peña.

Our Town was the second all school play. It is the story of a girl who, after her death, learned to enjoy the simplest things in everyday life. An extraordinary feature of the play was the minimum amount of props and scenery used. The play was presented on February 14 and 15.

Experimental Theater Develops Acting, Directing and Writing Talents

"Experimental Theater tried to promote interest in theater and in the school community," said Kim Payne, an active Experimental Theater student. In this class plays are produced with students doing the directing, acting and some writing. Ms. Prothro was very pleased with the progress this year. "The students have developed a respect for each others' talents and efforts. They also have developed a strong sense of responsibility to each other," she said.

Experimental Theater felt they had a great year with double the attendance at their productions.

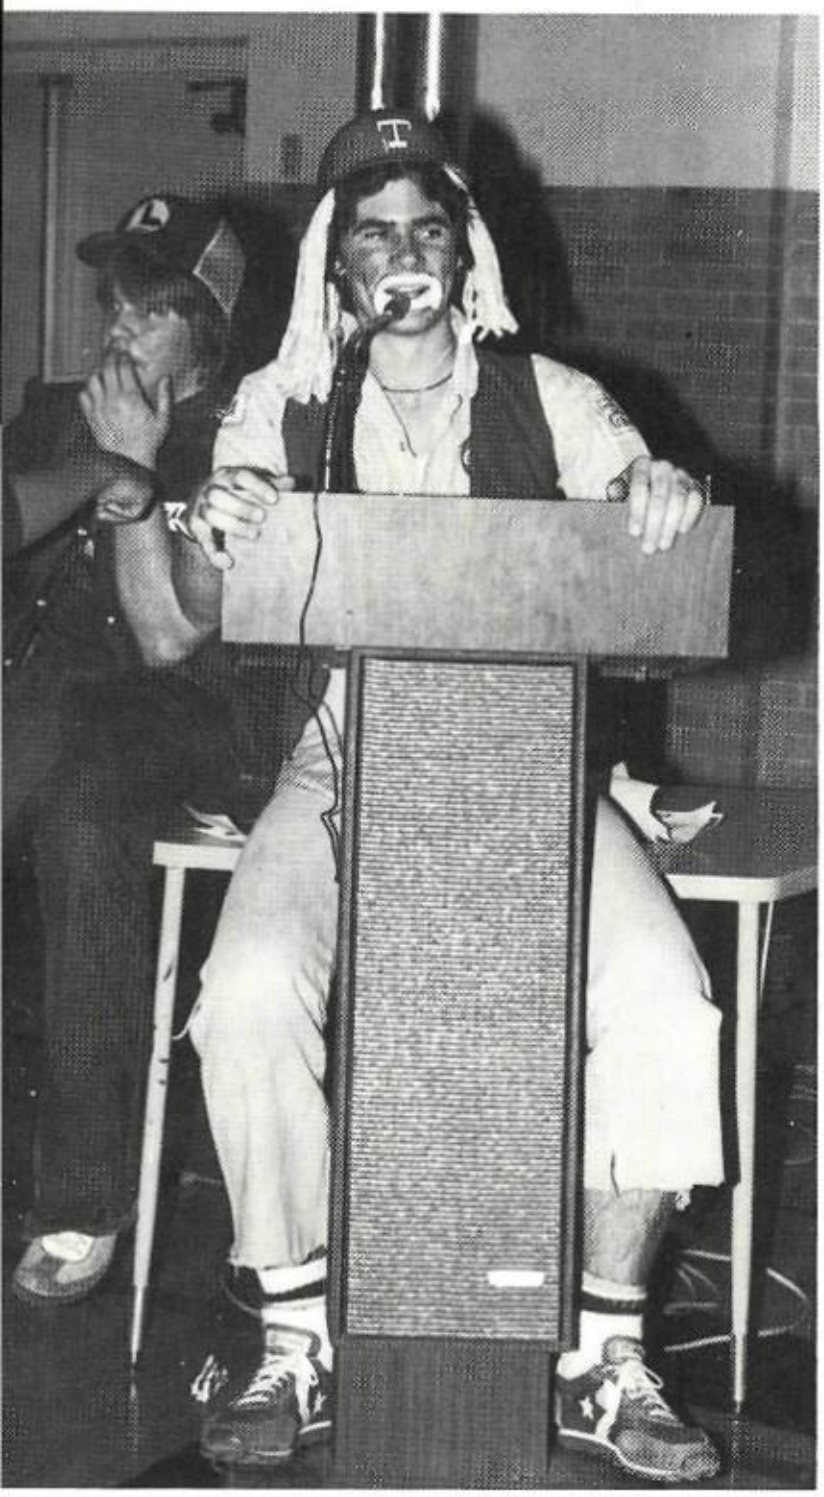
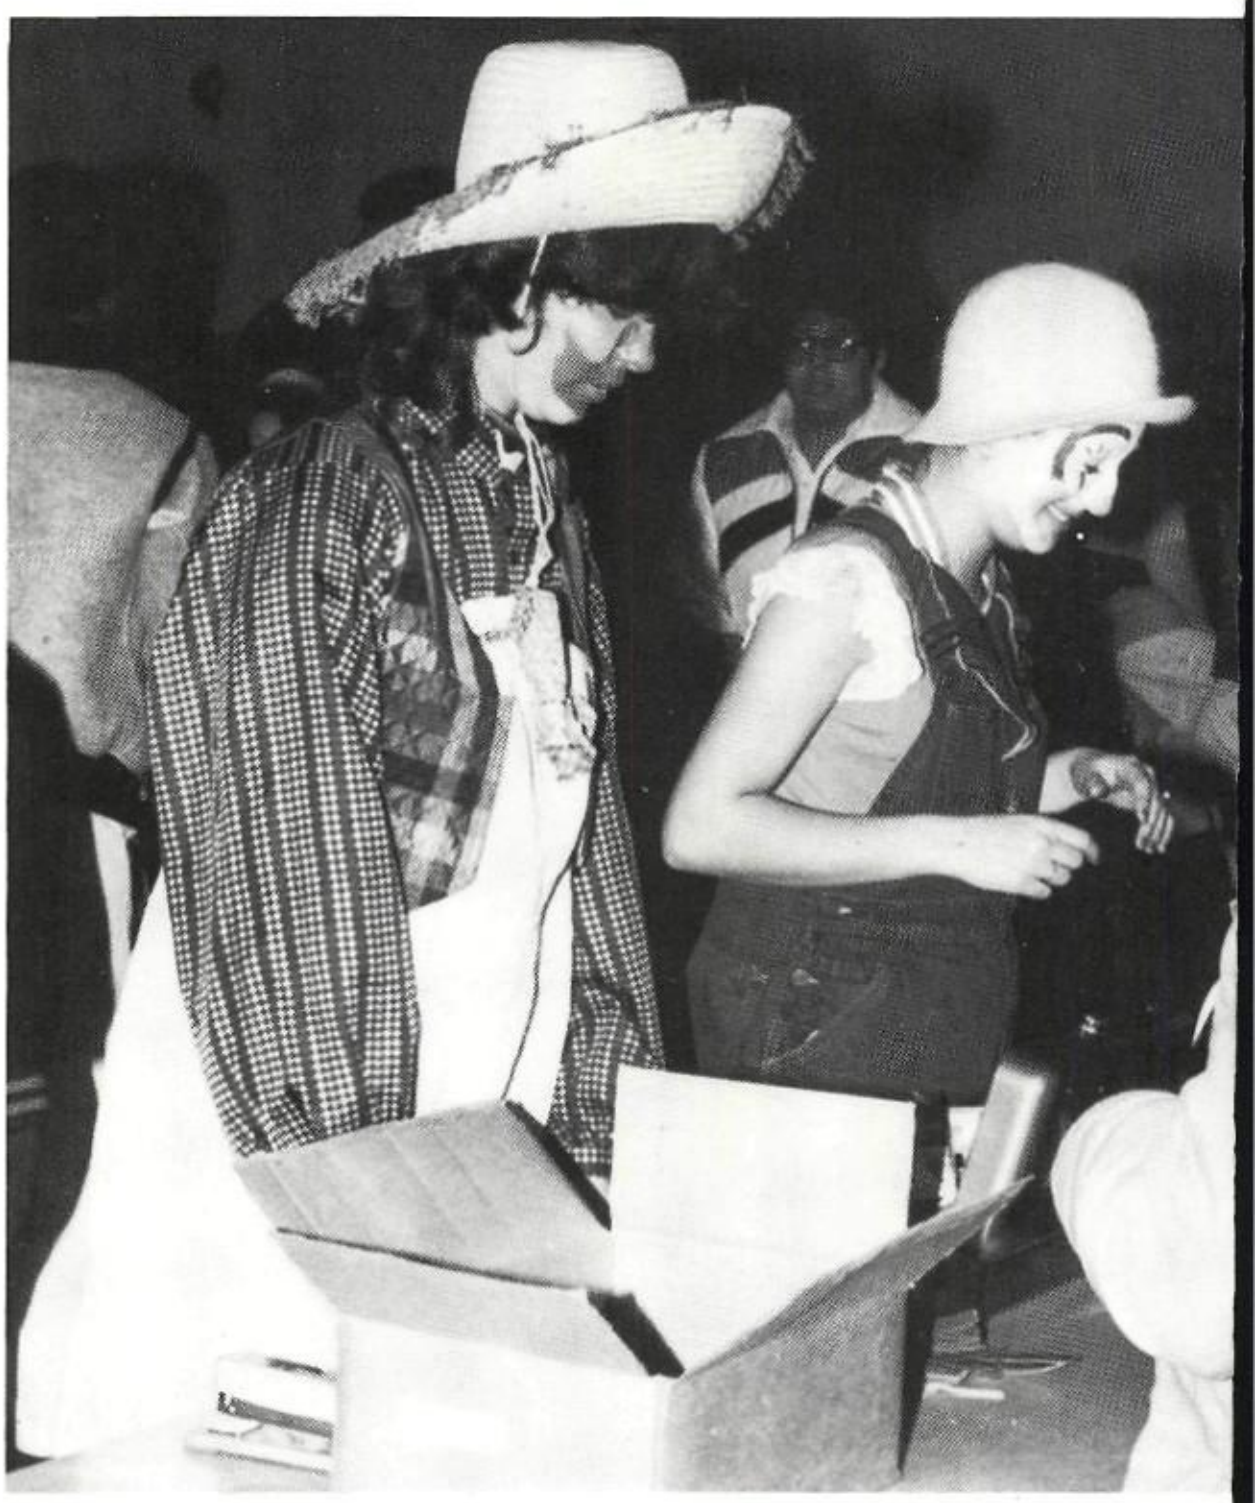
"Committee planning through the winter months made the 1980 Military Ball a wonderful success," said Col. White.

The Ball was held at the Knights of Columbus on February 8.

Battalion staff and their mothers prepared the refreshments and flowers were provided for the decorations. Once again the Kimball Knight Beats were entertainment for the traditional Ball. Alicia Johnson was crowned Military Sweetheart.

Let's Clown Around





One of Kimball's biggest traditions, the World's Fair, was held January 31. It was sponsored by the Student Council, but many clubs and organizations contributed to its success. The World's Fair gave participating clubs and organizations a chance to make money and it also was an activity that brought students, teachers and the community together.

ROUNDTABLE

"Lead others to the Truth
and your Creator will say of
your life, 'Well done . . .' "

— Anne Vandertie

Vonda Archer

With unique leadership ability, Vonda Archer supported Kimball in many ways. She served as Treasurer of the Senior Class, Co-News Editor of the *Knight Life* and Poetry Editor of *Idylls From the Tower*. Vonda was also a key leader in FCA and will be remembered for fulfilling all her responsibilities with eagerness and determination. The Senior Class showed their appreciation by voting her Senior Girl Most Likely to Succeed.

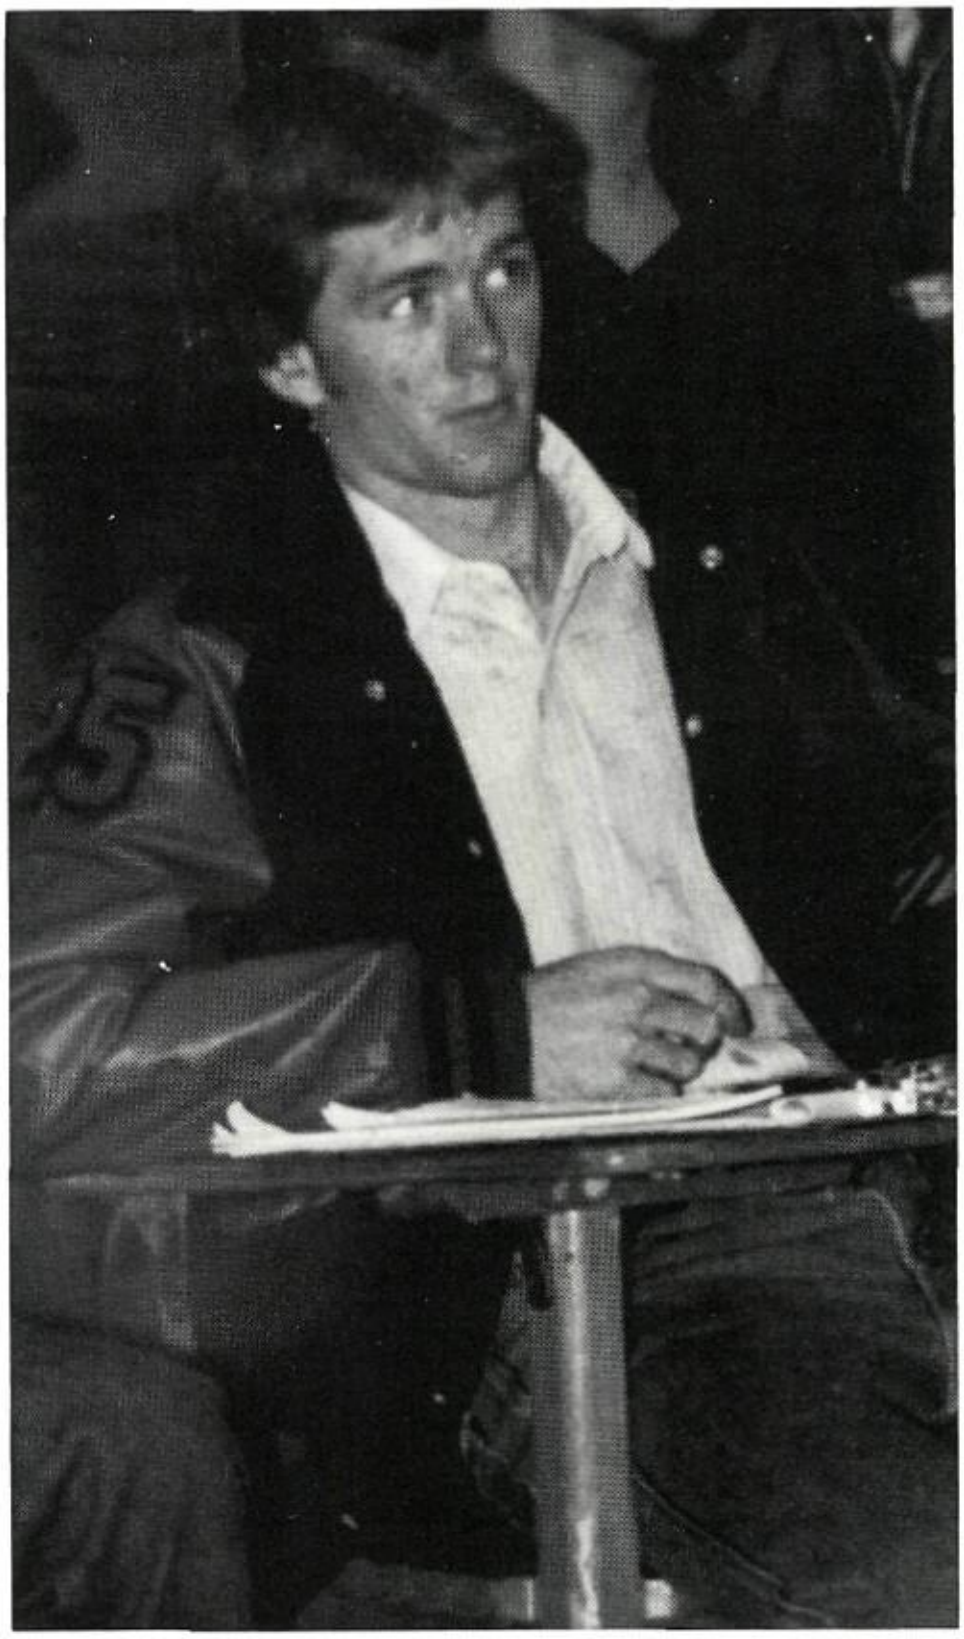
Marsha Britton

In Marsha Britton's four years at Kimball, she been involved in over 20 stage productions. Her m memorable performances include the portrayal of Frank in *The Diary of Anne Frank* and Annie Sulliva *The Miracle Worker*. Marsha also directed the Exp mental Theatre's *Macbeth*. She served as an Boardmember, President of the Thespian Society, retary of Chorale and Layout Editor of *Idylls from Tower*. Marsha played the guitar and sang with the Tymes and was a member of NHS, Quill and Scroll FCA. The Senior Class applauded her versatility by ing her Most Talented Senior Girl.

Herbert Coleman

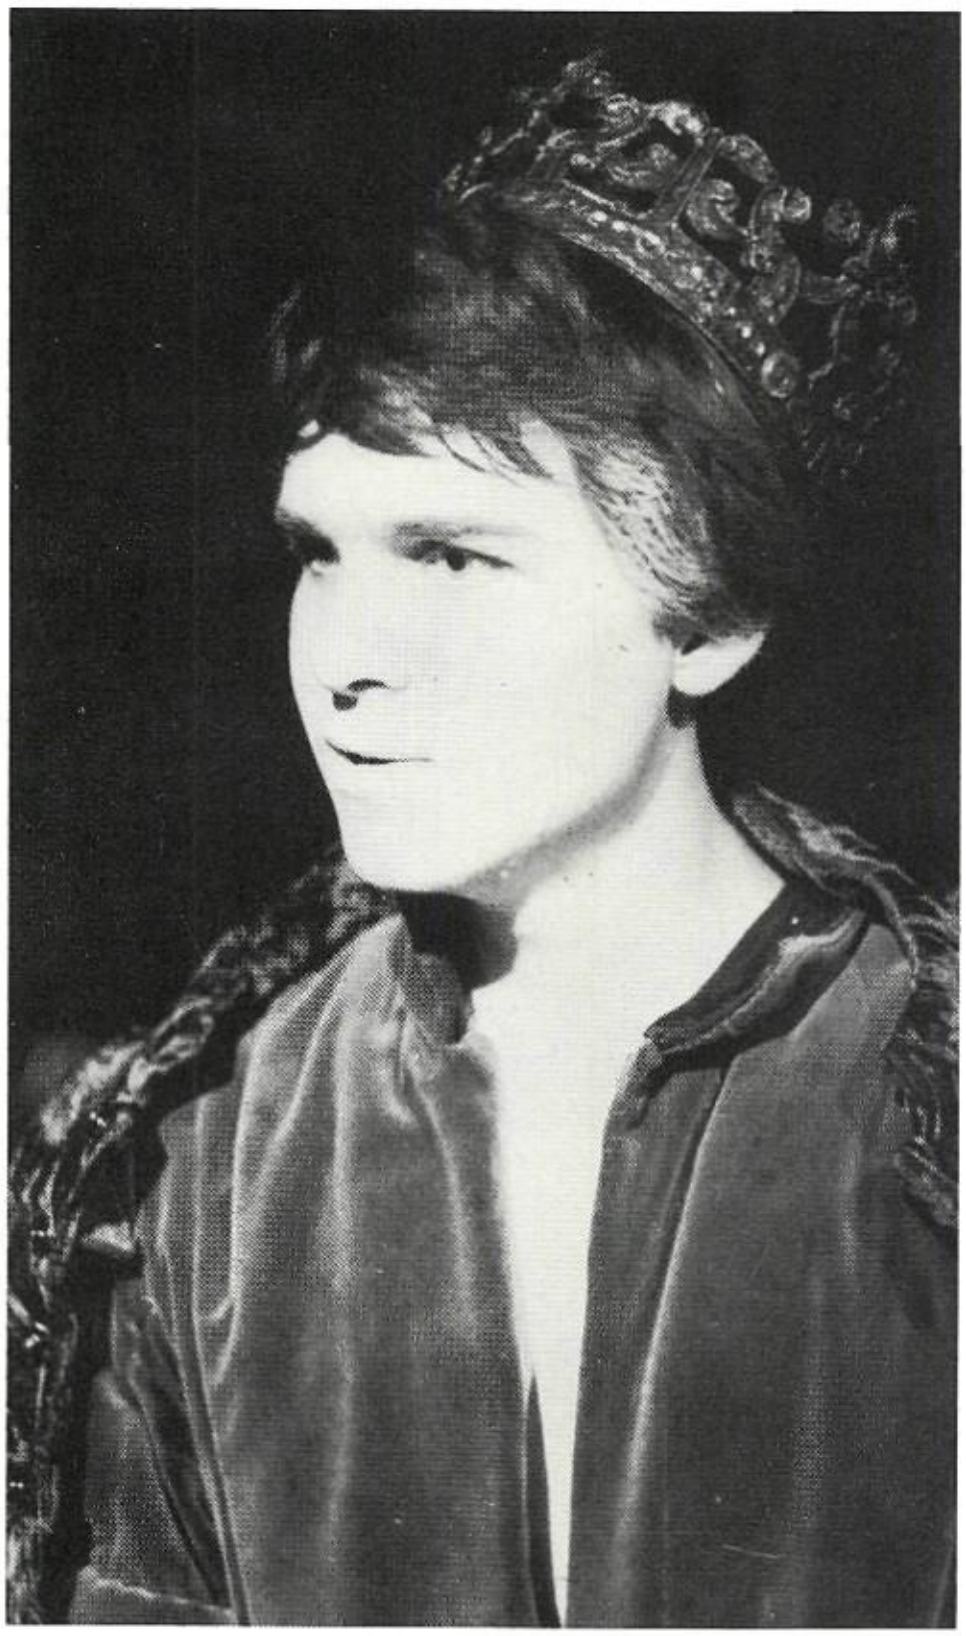
Although Herbert Coleman's accomplishments are well-rounded, he centered his support on athletics. He participated in football, track, bowling, wrestling and SOS. He showed concern for his fellow classmates by working on all four steering committees. Herbert upheld high academics standards, and was inducted into both the NHS and SNHS. An active member of El Sol, SHRC and FCA, Herbert was considered to be versatile and adaptable and friendly.

Scott Gleaves



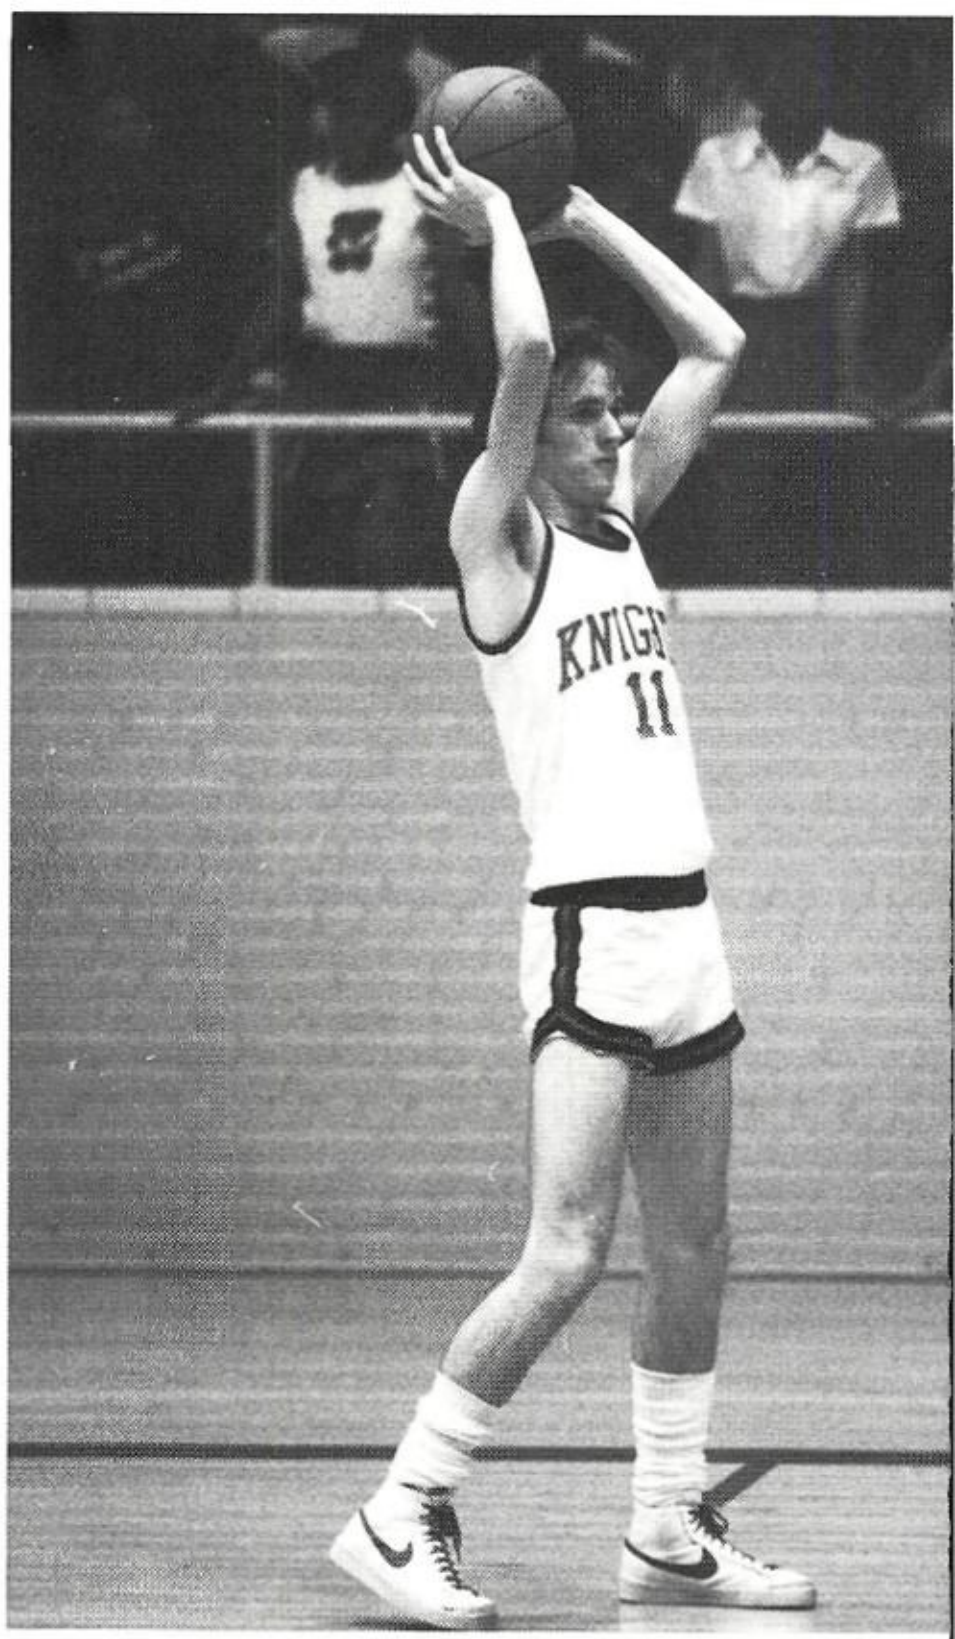
Scott Gleaves proved his leadership ability and concern for his fellow classmates by holding the office of Senior Class President. He was an important member of the football team as a key leader on the track team where he was a two-year letterman. As a member of NHS and SNHS, Scott consistently excelled academically. He also sang in the Chorale and New Tymes. As FCA President, he devoted much time and effort to the success of the group. His popularity with his classmates was clearly indicated when they selected him Most Popular Senior Boy.

Curtis Gunter



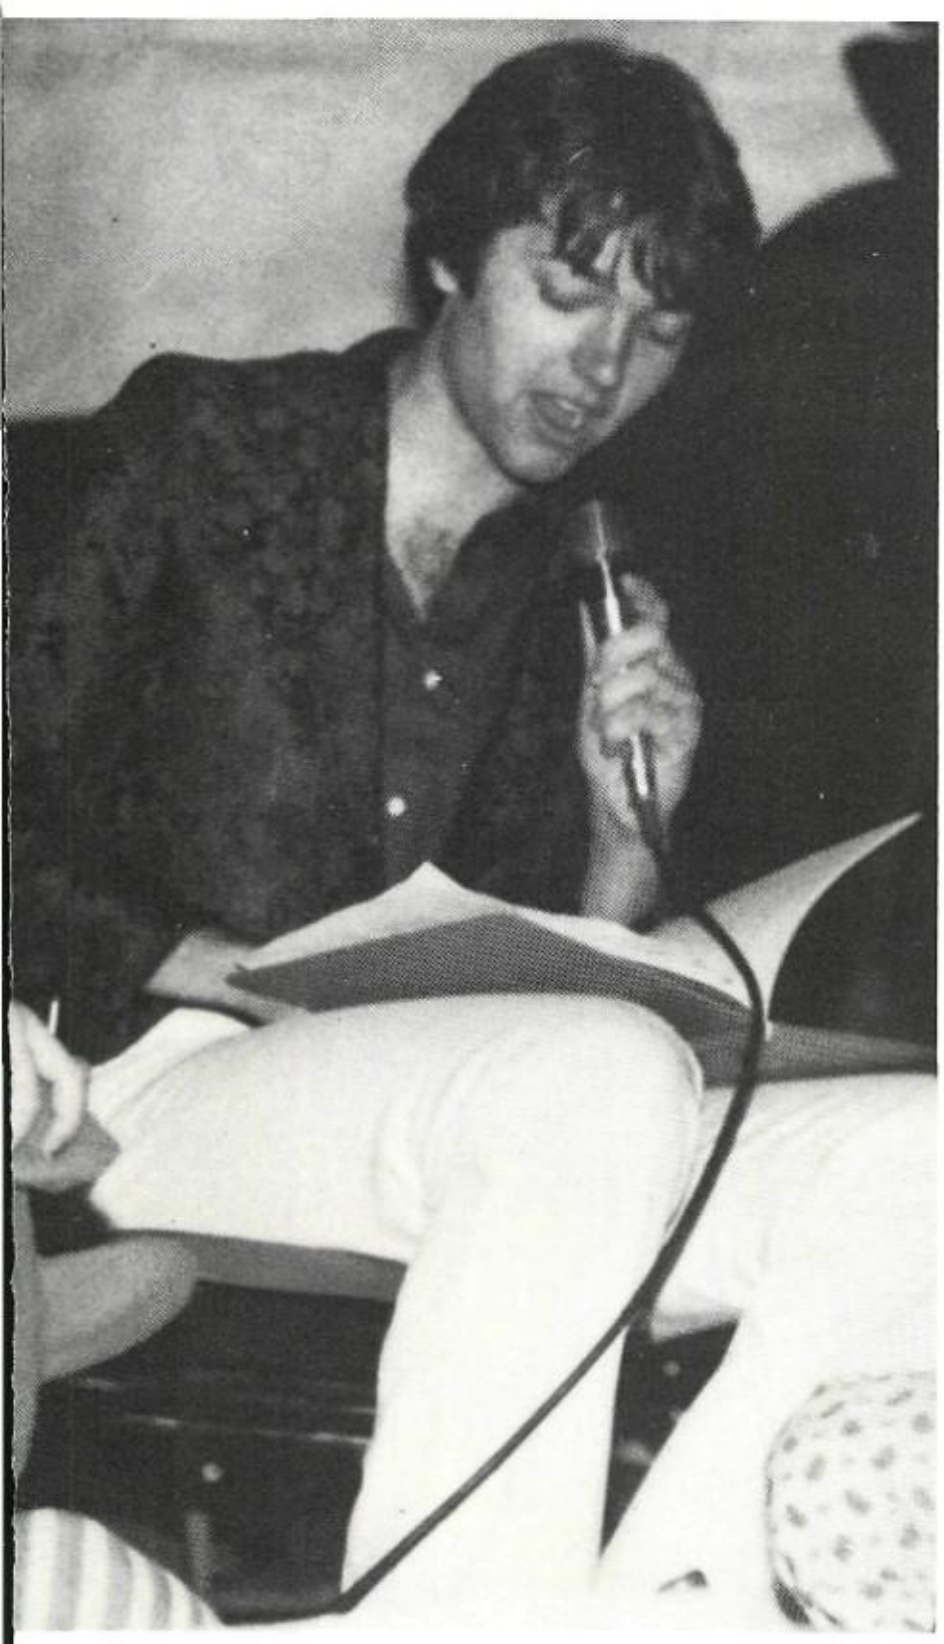
Curtis Gunter's versatile acting ability held captive many audiences at Kimball productions. Curtis will be well-remembered for his dynamic performance of the title role in *Macbeth*, Mr. MacAfee in *Bye-Bye Birdie* and the Stage Manager in *Our Town*. He was an active member of the New Tymes and Chorale, where he held the office of Vice president. A NHS member, Curtis always strove for high academic achievement. He was a member of A Jamais and the Thespian Society where he served as President during his junior year. Curtis' quick wit, talent and versatility was recognized by the Senior Class when they voted him Best All-Around Senior Boy.

Kevin Hill



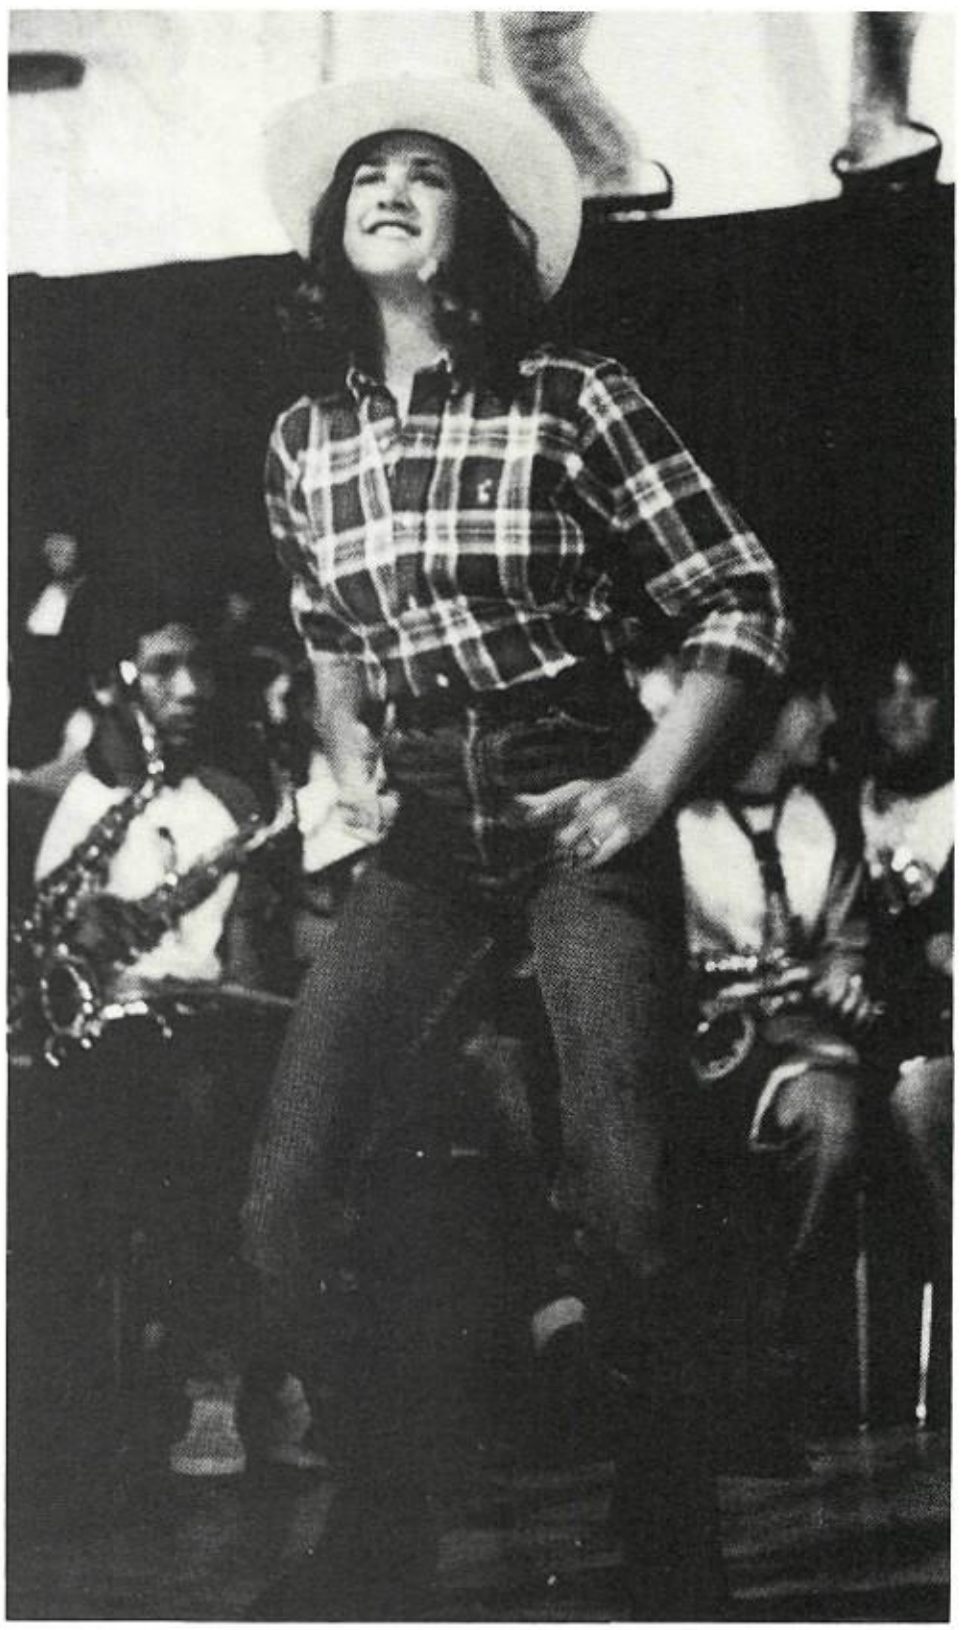
Kevin Hill is best remembered for his active participation and leadership at third base where he lettered for three years and on the basketball team. His overwhelming spirit for the Knights led him to be voted an SOS Boardmember. Kevin had consistently high grades, and his scholastic aptitude was recognized by the National Honor Society. A seemingly quiet person, Kevin enthusiastically led his fellow classmates in song at the FCA meetings.

Kenneth Jenkins



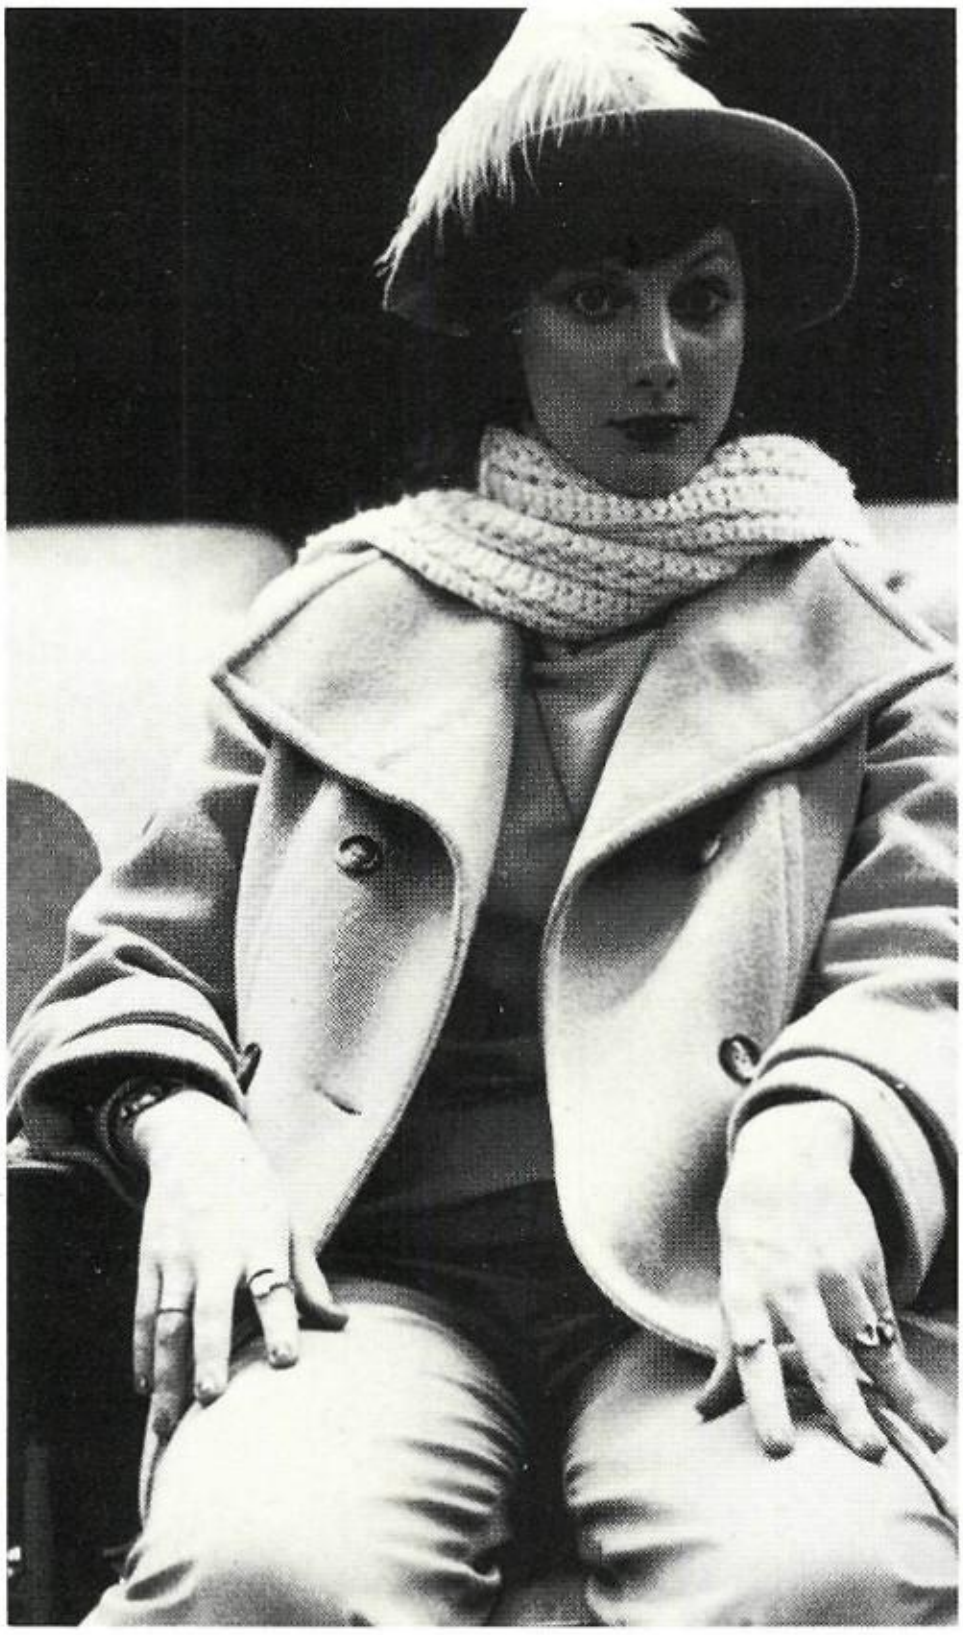
Kenneth Jenkin's eagerness and vivaciousness was obvious in every Kimball pep assembly. As a member of the Varsity cheerleading squad, Kenneth backed the knights with great enthusiasm. He will be remembered the Fine Arts Department for his exceptional singing bility. He placed in the UIL Solo and Ensemble Con-st, was a member of Chorale and New Tymes, and eld roles in *Music Man*, *Bye-Bye Birdie* and *Guys and olls*. An NHS and Senior Steering Committee member, enneth is most often remembered for his cheerful mile.

Sheryl Jessing



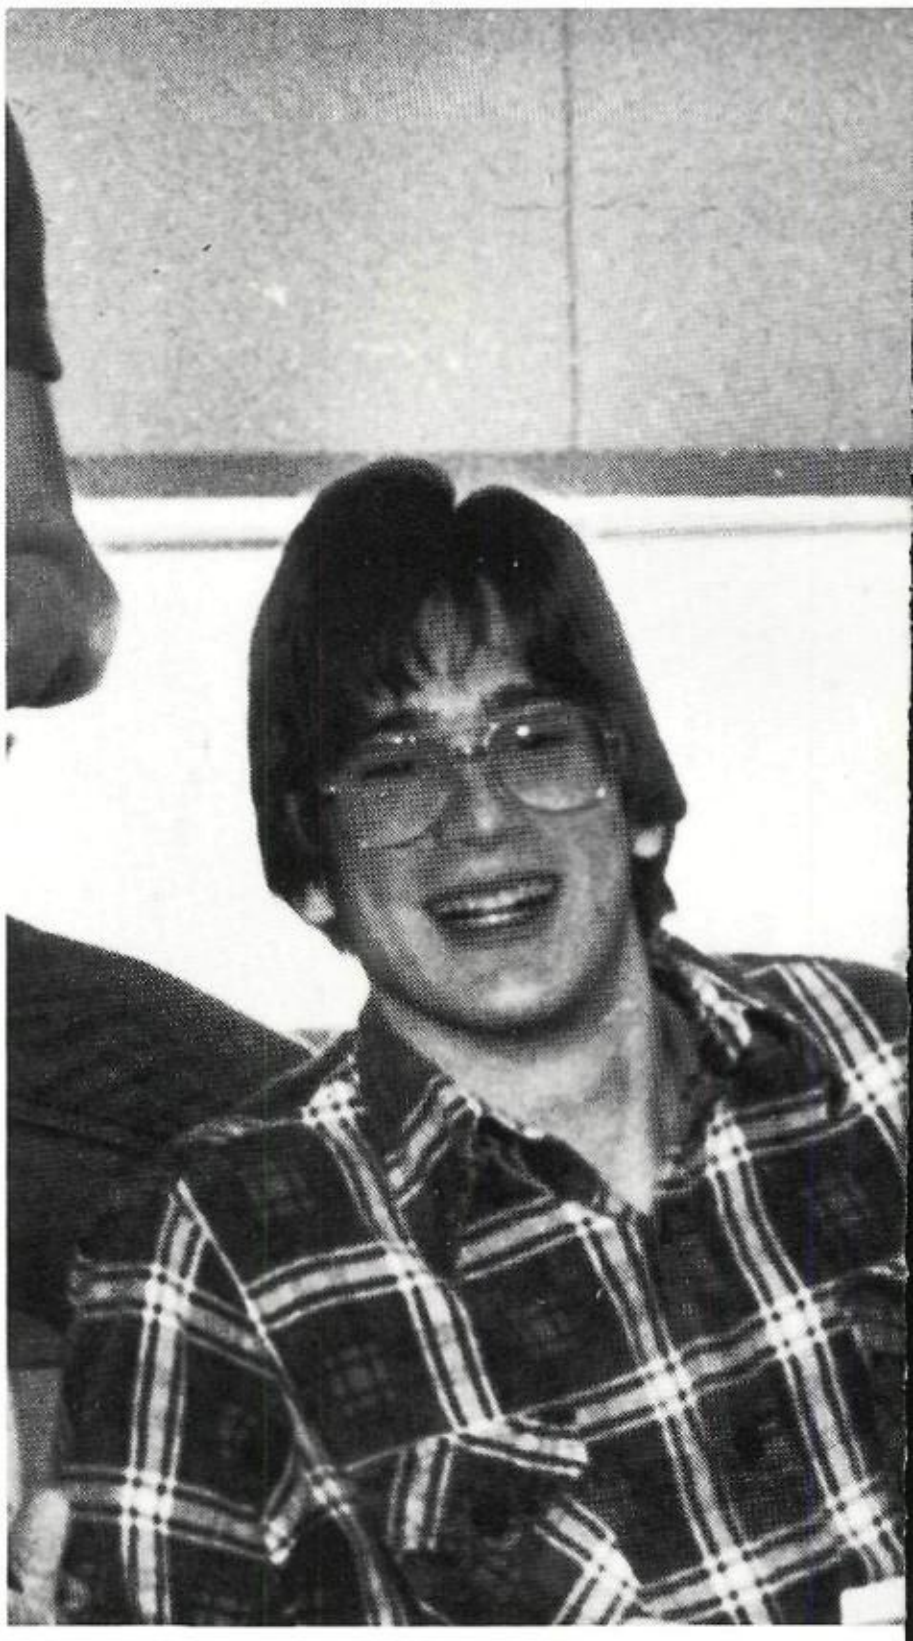
On Sprague Field's 50-yard line, in her dazzling white uniform, with a satisfied smile on her face, stands Troubadear Captain Sheryl Jessing. Her love of the performing arts was evident in her performances in *The Madwoman of Chaillot*, *M*A*S*H*, *Bye-Bye Birdie*, and *The Bald Soprano*. Sheryl tried to participate in a little bit of everything at Kimball. She was an active member of NHS and the Thespian Society. Her positive attitude and willingness to be involved led the Class of 1980 to elect her Senior Homecoming Princess and Best All Around Senior Girl.

Melody Nye



Although Melody Nye's accomplishments were many and diverse, she will be remembered best for her large contribution to the Fine Arts Department. Melody's repertoire includes *Macbeth*, *The Miracle Worker*, *Bye-Bye Birdie*, and *Guys and Dolls*. She directed the Experimental Theatre's production of *Miss Julie*, was a member of the Thespian Society, Chorale and New Tymes. Her wide range of knowledge insured her membership in NHS, Quill and Scroll and SNHS, the latter of which she served as President. Melody's talent will always shine out in the 1980 *Idylls from the Tower*, of which she was Editor-in-Chief. Melody coordinated Kimball's Science Symposium and acted as Science Club Vice-President.

Chris Shull

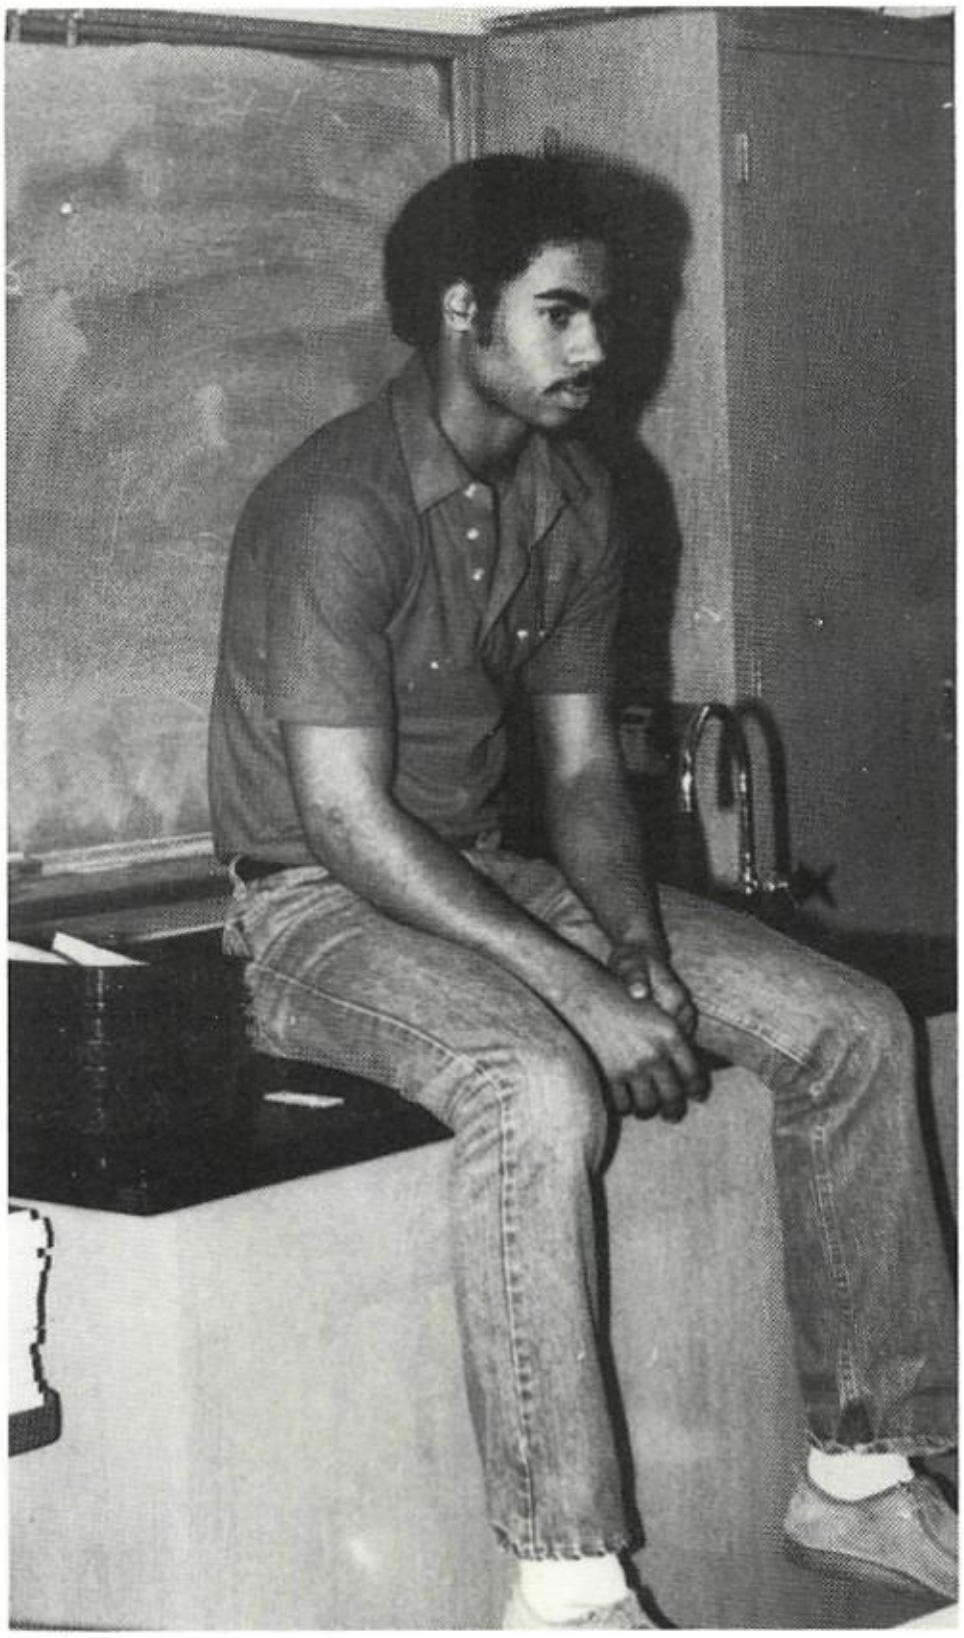


Chris Shull is best known for his friendly smile a musical ability. A member of NHS and Quill and Scr Chris was involved in every musical production at K ball in the past four years. He sang in the Chorale, a played the trumpet in the Orchestra, Symphonic Ba Knight Beats and Marching Band. Chris, more co monly called "Woos" by his friends, helped to lead Knight Band onto the football field by serving as a dr major.

Shellee Summey

Shellee Summey's contributions to Kimball were numerous. She displayed great enthusiasm and initiative by serving on all four steering committees and by working on the Student Council for two years. She promoted school spirit and showed dedication and citizenship by serving as a Troubadear Lieutenant. Her academic ability was recognized by being selected to NHS. Shellee was also active in the Fine Arts Department where she sang with the Concert Choir and appeared in *Music Man* and *Bye-Bye Birdie*.

Jeffrey Woodard



Leadership is a key word in describing Jeff Woodard. He was a vital part of the Kimball Knight's football team. Jeff's sincere devotion to the Student Council led him to be elected President by the other members. He served his class by being an active part of the Sophomore, Junior and Senior Steering Committees. His quick and capable learning ability earned him membership in NHS, SNHS and Mu Alpha Theta. Jeff's peers showed their respect for him by voting him Senior Boy Most Likely to Succeed.

A Message From the Editors

Well, after months of thought, preparation and hard work, the 1980 EXCALIBUR is finished and in your hands. The EXCALIBUR staff realizes that this 1980 edition is different from previous EXCALIBURS in several ways. Because we want you to be proud of your yearbook, we will explain the reasons behind these changes. Please read on!

The Cover

Because the contents and style of this book are so different, we wanted a change from the alternating red-blue-white covers. We wanted a cover that was eye-catching and pretty, but most of all, we wanted a cover that would enable you to remember what Kimball looked like when you were a Kimball Knight.

The Theme

We chose "unity," symbolized by puzzle pieces, as the theme of the 1980 EXCALIBUR, because we could feel the strength that united the student body. Each Knight is different, but we all fit together like pieces in a puzzle, striving for unity. And now, when the world we know is facing crisis, suffering and war, unity and prayer are our only hope for a world of peace.

Student Life and Academics

There is just no telling what each of us will be doing in the year 2000, but the EXCALIBUR staff wanted to enable you to look back 20 years from now and accurately remember your high school years. We wanted to show you the things you did everyday, the classes you took, cut, passed and maybe didn't pass. For this reason we give you two new sections, Student Life and Academics.

News Features

1980 was a year of change and turmoil in the news world. We just could not give you an accurate picture of 1980 without mentioning the 50 Americans held hostage in Iran, Russia's invasion of Afghanistan or our skyrocketing inflation. These things do not create a pretty picture, but perhaps they will give us the strength to unite and make our world a better place in which to live.

Favorites and Roundtable

We put a lot of thought into ou decision to reduce the size of th Favorites and Roundtable section We based our decision on the fac that it would just not be fair to giv so much space to a select group o people while others would not b pictured because of a lack of space We realize that being a Favorite o named to Roundtable is an hono and the EXCALIBUR staff recog nizes you, but we also recogniz the other Kimball Knights who ar just as important.

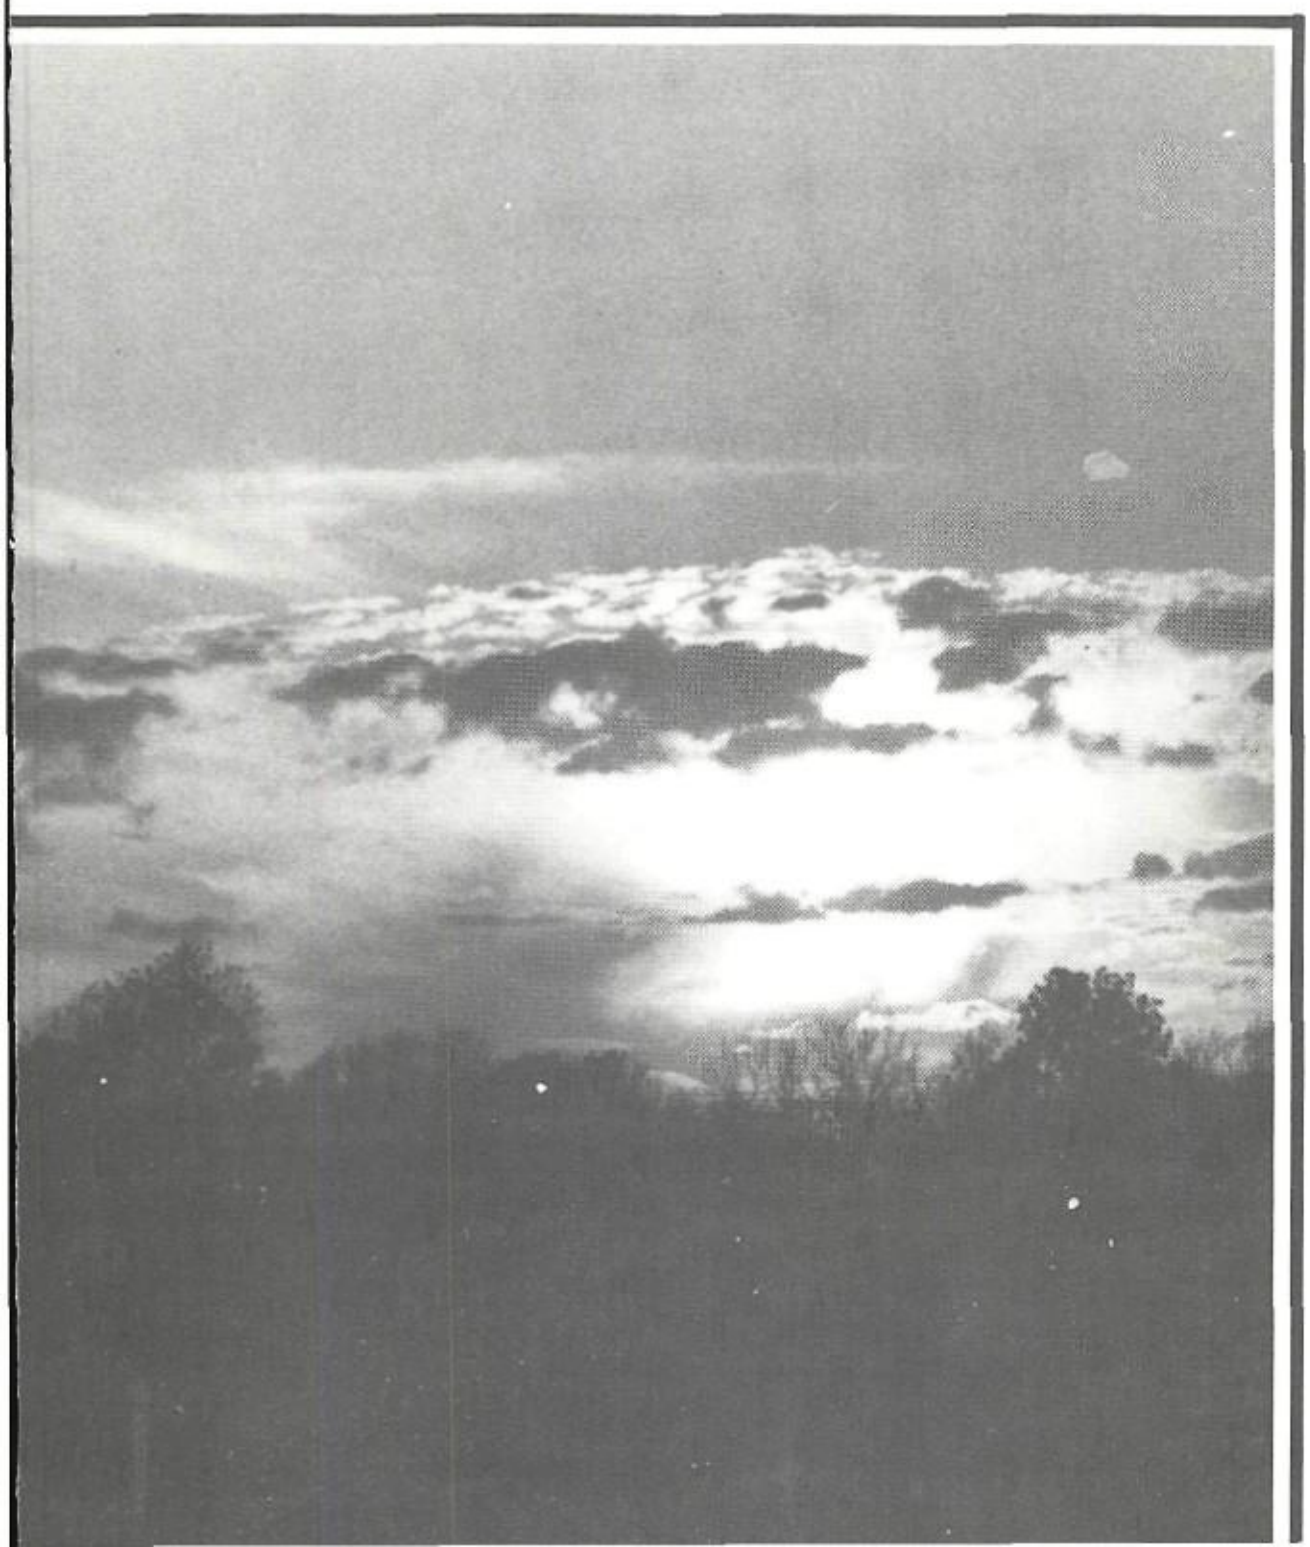
In Conclusion Senior Credits

One of our main goals for the 1980 EXCALIBUR was to print as many pictures of as many different people as possible. Listing senior credits beside the senior pictures took 50 pages and listing them immediately afterwards took only 40. This gave us 10 extra pages to give you a more accurate picture of Kimball. We wanted only the highest quality yearbook for you because, as the Kimball motto says, "We Always Seek the Best."

We would like to close by saying that we have worked hard to give you a high quality yearbook that will help you to remember your carefree high school years for the rest of your life. We know that we cannot please everyone, but we want you to understand that we have worked very hard to make you proud of Justin F. Kimball High School. To those of you who will be returning, we wish you many more EXCALIBURS to preserve your high school memories. To those of you whom we may never see again, the seniors of 1980, we wish you peace and we wish you love.

May the road rise to meet you.
May the wind be always at your back.
May the sun shine warm upon your face,
The rains fall soft upon your fields,
And, until we meet again,
May God hold you in the palm of His hand.

— Old Irish Blessing



Special Thanks To . . .

— Mr. James Alexander for drawing the sketches on the division pages.

— Fred Wallace and Ms. Richmond for their art contributions.

— Wayne Shipp, Lori Pleasant, Morquis Pleasant and Patricia Randolph for being in the cover photograph.

— Mr. Martin and Mr. Crutchfield for their photography assistance.

— Maria Lawhorn, Blake French, Wayne Shipp, Todd Estes and Roland Wortham for their contributions to the News Features.

— The Kimball faculty and Miss Vandertie's Speech classes for their cooperation at deadline times.

. . . we have now completed our first major task. We go on to a bigger task and we must work together to complete a bigger puzzle.

"The rung of a ladder was never meant to rest upon but only to hold a man's foot long enough to enable him to put the other higher."

— Thomas Huxley

The Invasion of the Green People and Kimballfest

The purpose of the Brotherhood Assembly is to help promote unity among students. The Student Council, with help from the music department, chose Green Power as this year's theme. Green New Tymes, Green Student Council members and a brand new squad of Green cheerleaders shared a lesson in Brotherhood with the student body.

Kimballfest was a new program of the Fine Arts Department this year. The Knight Beats, the New Tymes, the Experimental Theatre and the Orchestra performed for patrons of the Creative Arts. Art exhibits and solo ensembles were featured events.

Girls' Track Places Fourth in District

The Girls' Track Team qualified for Regionals this year. The Knights placed fourth in the District meet held in April. Senior Tammy Allen set a new District record in the 400 meter dash and Starla Jackson came in first in the 80 meter hurdles. The team of 19 girls, four of them seniors, were very dedicated. "We did a fine job this year, and our hard practices really showed during the meets," said Coach Weems.

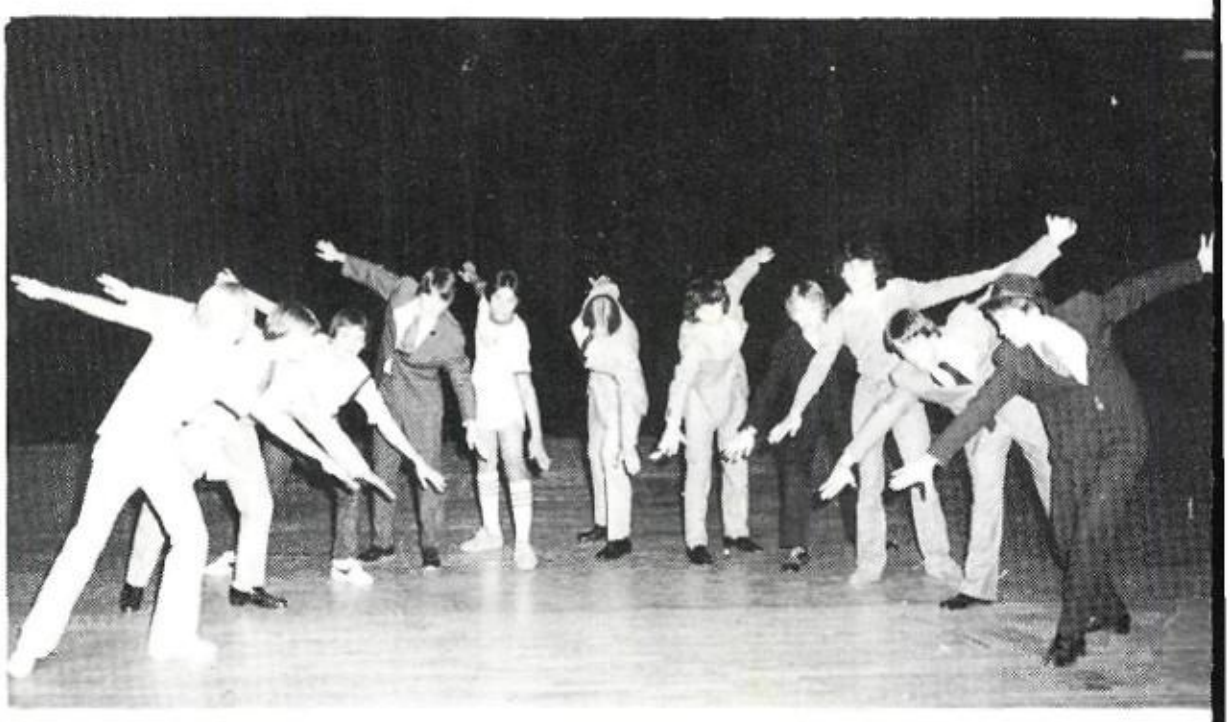
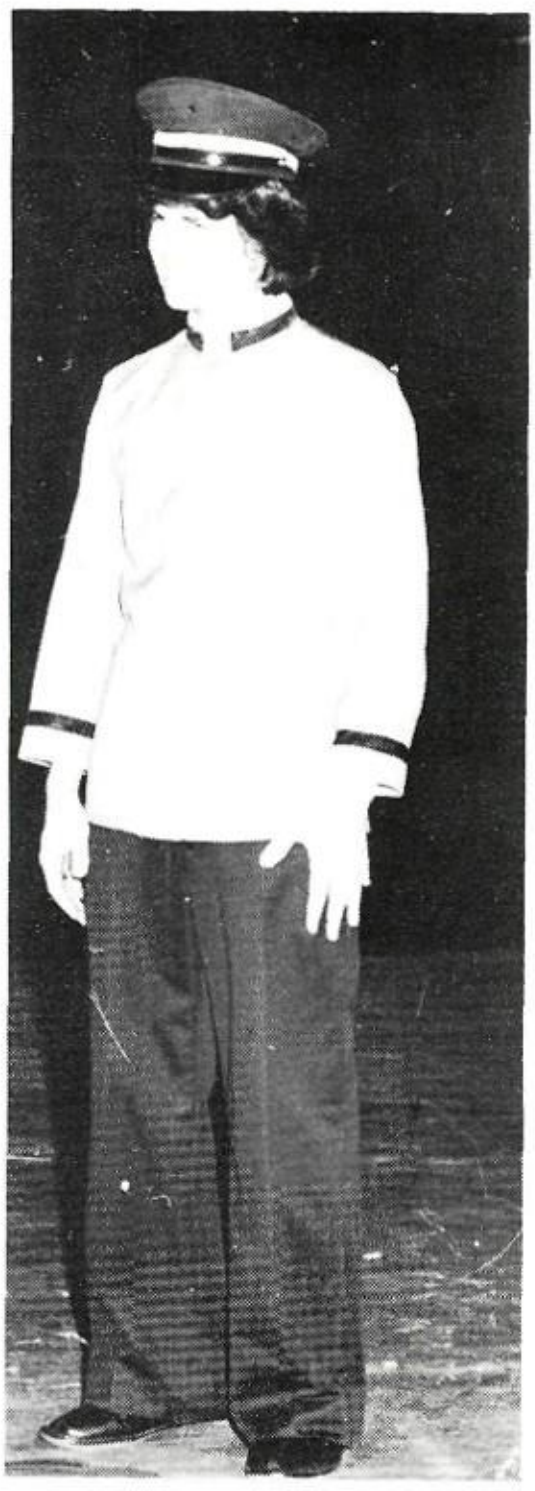
Fine Arts Department Presents Guys and Dolls





This year's musical Guys and Dolls brought a bit of Broadway to Kimball on May 1, 2 and 3. The show featured Sky Masterson (Paul Carmona), a successful gambler who makes a bet to take a Salvation Army Mission doll, Sarah Brown (Melody Nye), to Havana. Nathan Detroit (Curtis Gunter, Chris Shull), another gambler, arranges dice games with his sidekicks Nicely-Nicely Johnson (Bill Sheets) and Benny Southstreet (Ronnie Earl), while his long-suffering fiance, Miss Adelaide (Michele Bone), conspires to have him set a wedding date. Also included in the cast are Sarah's grandfather Arvide Abernathy (Allen Sloan, Curtis Gunter), a gambler Harry the Horse (Michael Weiser), and Brandy Bottle Bates (Kenneth Jenkins), and the Salvation Army leader General Cartwright (Nancy Hallmark). Mr. Bryan directed Kimball's musical and Ms. Wright conducted the orchestra.
